Dear Mr. Oswald:

Your letter of August 18th to Elisabeth G. Flynn was turned over to me for reply. Since I received your letter of September 1st indicating that you are moving to Baltimore, I suggest that when you do move that you get in touch with us here and we will find some way of getting in touch with you in that city.

While the point you make about your residence in the Soviet Union may be utilized by some people, I think you have to recognize that as an American citizen who is now in this country, you have a right to participate in such organizations as you want, but at the same time there are a number of organizations, including possibly Fair Play, which are of a very broad character, and often it is advisable for some people to remain in the background, not underground. I assume this is pretty much of an academic question now, and we can discuss it later.

✓ Sincerely yours,

Arnold Johnson

Dear Mr. Oswald:

We have your clipping requesting application for membership in the Socialist Workers Party.

We are sorry for the delay in answering your letter.

Our constitution requires that there must be a minimum of five members before a branch of the Socialist Workers Party can be formed and it is not our practice to take in individual members where no branch yet exists. Unfortunately we don't have any branches at all in Texas.

We very much appreciate, however, your request for membership in the party and wish to continue on a basis of close sympathetic relation with you until such time as a branch of the SWP can exist in Dallas. Pending the necessary basis for such a local structure, we suggest that you concentrate on seeking subscribers to the Militant and promoting the sale of socialist literature obtainable through Pioneer Publishers. Through contacts you may be able to develop on this basis let us hope it will be possible before too long to welcome a Dallas, Texas branch into the party.

In line with the above I am taking the liberty of sending a number of subscription blanks to the Militant so that you can have full advantage of our introductory offer of 4 months for only \$1. We have had great success nationally with our subscription campaign. Also, you yourself should be sure to subscribe to both the Militant and International Socialist Review as you will find them excellent sources of socialist literature and information.

Please keep in touch with us.

With best wishes,

Sincerely,
Farrell Dobbs

Dear Mr. Oswald:

Your letter and reproductions were turned over to me by the SWP office.

I am familiar with reproductions and offset printing processes. It is clear from your work that you are skilled at blow-ups, reversals and reproduction work generally. Do you do any other phases of the process as well as photography? What about layout and art work?

We have access to a small offset shop here in New York. Generally, when we need any copy work done we have taken it there directly. However there might very well be occasion when we could utilize your skill for some printing project. It would, of course, necessarily have to be a project in which we would have flexibility as to time. It is not easy to do anything in which there is pressure to get a job out immediately through correspondence between New York and Texas. Such work must be done locally, out of necessity. However, for a longer term project it might be possible to ask your aid.

Could you write to me directly at the above address? I would like to know what size camera you have; how large a paper print you can make; how large a negative; and any other technical information that you can give us that would help us judge how your aid could be most effective. If you have any questions please feel free to write me and I will try to respond promptly.

With best wishes for a year of progress

Bob Chester

Dear Friend:

We received your notice of change of address and in looking for your old mailing plate and not finding one can only conclude that either it was pulled some time ago when mail was returned to us or that your subscription has long since expired.

In any event, We are enclosing a renewal form and a copy of our current literature catalog for you to catch up with. We hope to hear from you soon so that we may again have your name amongst those who continue to support the efforts of our Committee.

Dear Mr Oswald;

Mr Jackson is on leave for a few weeks, so permit me to thank you
for the blow ups.

Your kind offer is most welcomed and from time to time we shall call
on you. These poster like blow ups are most useful at newsstands and other
public places to call the attention of newspaper readers that the "Worker"
is available.

Best wishes for a peaceful New Year.

Dear Mr. Oswald:

Your letter to the WORKER has been referred to me for
reply.

It is good to know that movements in support of fair
play for Cuba has developed in New Orleans as well as in
other cities. We do not have any organizational ties with
the Committee, and yet there is much material that we issue
from time to time that is important for anybody who is concerned
about developments in Cuba.

Under separate cover we are sending you some liter-
ature.

Dear Friends:

Thank you for your prompt reply. Enclosed are your card and receipt, along with our thanks and welcome.

Your interest in helping to form an FPCC Chapter in New Orleans is gratefully received. I shall try to give you some basic information now so that you may have a better picture of what this entails.

For one thing, I am enclosing a copy of our Constitution and By-Laws for all Chapters and Student Councils. You will note that there is considerable autonomy for an organization our size. We try and let all Chapters operate according to the local requirements. Naturally, there are minimal regulations which must be met.

(All Chapters can receive literature in bulk at a discounted rate and resale at the retail price and use the proceeds for further Chapter activities.) Credit is extended and payment is not required with the order. We do expect payment within a reasonable period so that we may continue our end of the operation.

It would be hard to conceive of a chapter with as few members as seem to exist in the New Orleans area. I have just gone through our files and find that Louisiana seems somewhat restricted for Fair Play activities. However, with what is there perhaps you could build a larger group if a few people would undertake the disciplined responsibility of concrete organizational work.

We certainly are not at all adverse to a very small Chapter but certainly would expect that there would be at least twice the amount needed to conduct a legal executive board for the Chapter. Should this be reasonable we could readily issue a charter for
