DATE: 4/24/64

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

At 1:15 PM this date a telephone call was received from Mr. MURPHY MARTIN, ABC, New York. He desired to speak to Agent JAMES P. BOSTY. In his absence, Mr. MARTIN stated he would talk to me. He stated that there was a story coming out of Dallas by Mr. HOOVER, allegedly denying the story that had been printed in the Dallas Morning News this date. He wanted to know if I would make any comment about it.

I advised him that Mr. HOOVER was making the comments and that I had no comments to make.

SUBJECT: LEE HARVEY OSWALD, AKA

Section Chief WILLIAM BRANIGAN called at 5:00 PM today and referred to Bureau airtel of 4/9/64 based on the Commission's letter of April 7th re checking of safe deposit boxes and banks, with Buded of 4/20/64. Mr. BRANIGAN stated he had not heard from Dallas re this.

Mr. BRANIGAN also referred to Bureau airtel of 4/13/64 requesting that Dallas interview JOSEPH P. GRENNAN immediately as the Commission wanted him interviewed.

I advised Mr. BRANIGAN that the interview of GRENNAN has been conducted, but is not written up as yet; that GRENNAN was holding up on giving us the source of some of the funds, but that we would try to get this out tomorrow.

Regarding the checking of the safe deposit boxes, BRANIGAN was advised that an airtel was sent to Bureau, 4/20/64 advising that report on this would be submitted; this is expected to be sent to Bureau 4/22/64.

Mr. BRANIGAN mentioned that in discontinuing the coverage on MARINA, Dallas was to maintain spot check on her to keep abreast of her activities generally. He requested that Dallas submit something to Bureau at this time on MARINA as the Commission indicates an interest in resubpoenaing her, and they originally requested that we spot check her.

I advised Mr. BRANIGAN that we will contact MARINA's attorney and get in something on it.

Section Chief WILLIAM BRANIGAN called at 10:15 AM today and referred to the GRINNAN matter. He stated that the Commission had called over to the Bureau this morning and wanted to know what progress we were having on it, and that Inspector MALLEY had told them, pursuant to his instructions, that we were getting the run around -- that he says he will furnish the sources and he doesn't do it. The Commission has asked us, and we are committed to them to get them a reply to their request for information.

I told Mr. BRANIGAN that we are going to contact GRINNAN today and that we would send a letterhead memorandum today so that BRANIGAN will receive it over the weekend and can then get a letter over to the Commission dated Monday. I advised that GRINNAN was going to talk to his attorney and that we anticipate he will bring the attorney to the office; that we would get in touch with him today and tell him either he will give us the sources today or we would tell the Commission that he wont. I advised BRANIGAN that we would get something resolved today and get out a letterhead memo.

With regard to my telephone call to Mr. BELMONT, I advised that I was having an affidavit prepared, that I would talk to him regarding the proposed affidavit, and would send in two copies of the entire clipping. If the affidavit is not wanted today, same will be held.

Memorandum

FRIDAY

TO : FILE (100-10461)

DATE: 4/29/64

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Inspector LEO J. GAUTHIER called at 10:10 AM today and advised that he had talked to Mr. HOWARD WILLENS of the Commission yesterday, and WILLENS stated they are finished with the scale model of the Dallas Police Dept. basement and would like to have it sent back to Washington, D.C. He stated it should be addressed as follows:

Federal Bureau of Investigation
GAO Building, Sub Basement
5th and H Street, N.W.
Washington, D. C.

GAUTHIER instructed that Dallas let him know the bill of lading number and who will handle the shipment. He suggested that we have the same carrier who handled the shipping of this scale model from Washington to Dallas; to get a regular Government bill of lading and send it by regular carrier. It doesn't have to come by express. The employee handling the crating of the scale model must be sure that everything is in it.

I advised Mr. GAUTHIER that USA SANDERS was out of town for about two weeks, but that I would get in touch with TIMMINS, AUSA, or someone else in SANDERS' office, and arrange for the crating and shipping of the model to Washington.

Mr. GAUTHIER stated that the material which is being sent to Dallas is coming by Railway Express Agency, bill of lading #A 5703484, shipped on 4/28/64.

Mr. GAUTHIER mentioned that, "We had a meeting yesterday on some more matters with the Commission, so it is possible we may get down there again, but it won't have anything to do with us."
