Gentlemen:

672
Please see that Mrs. Marina Oswald,
wife of Lee Oswald, gets the small check -
enclosed - for [REDACTED]

Although this check written on the
Hickman Engineering Co. check - this is a very
small concern - just myself entire personnel.

The check is sent in sympathy to
an innocent woman and her children; personally
I believe - from all the evidence submitted at this
time to date - that Lee Oswald did commit this
heinous crime - Marina and children will have a
terrible heavy burden to bear; all others involved
in this sorrow have at least financial backing,
fortulately.

Good luck in your search for the
guilty and, if possible, disclosure of the reason
why.

Most sincerely,

William H. Hickman

Dec 15-1963

Gentlemen -

I read that contributions for
the family of Lee Harvey Oswald
were turned over to you.

I can't imagine why.
Why should compassion be given
only to those bereaved families
who are upheld by the sympathy
of a nation, and who will never
have to face poverty and
contempt? In my estimation,
the Oswald family are in need
of sympathy and help.
They are in a most pitiable
situation.

I hope the people of Dallas
will generously provide a

fund for them, so that the
widow and mother can live,
and care for those children,
and, if they wish, move to
another community.

I think it would reflect credit
on the city. Dallas needs it.

Surely their police department
failed miserably - twice.

After failing to watch a known
subversive, of whom they
had especially been warned,
which caused that awful
tragedy. They made a holy
show of transferring the
prisoners from their jail.

Being puffed up by being on
T.V. they did not back the
armored car up to the door - NO,
they held a parade.

God knows the nation had
seen enough of Oswald
already. You know what
happened. The police
department practically
executed that man, before
conviction.

Sincerely yours,
Mrs Hattie J. Conley,
(Born in La Crosse W. Wisconsin
77 years ago, of good, honest
loyal people who had great
tolerance and compassion.
Some of my ancestors arrived
in Massachusetts about 1630,
some arrived in New Amsterdam.
My two sons - one is a navy
veteran, one flew from
Guam in a B29.)

Gentlemen:

I understand that a Mrs. Shirley Williamson of Fort Worth has started a fund for Mrs. Lee Harvey Oswald, the wife of the assassin, and her children. Will you be kind enough to see that this check, payable to Mrs. Oswald, is forwarded to Mrs. Williamson as soon as possible.

I am making this contribution as I believe President Kennedy would have been the first to urge that we help Mrs. Oswald's children.

Yours very truly,

Eleanor Cranfield

Dear Sir:

I wonder if I might impose on you to see that the enclosed letter reaches Mrs. Marina Oswald, widow of the alleged assassin of President Kennedy — either by supplying the missing address, or, if your office is still in personal contact with her, by delivering it to her directly.

I am sending the letter to you since the newspapers don't give her address and they indicate that she is in the process of moving. Also, a small contribution is enclosed and I would like to be sure it gets to the right person.

Thank you very much.

Very truly

"Establish fund for Oswald family. May be Dallas City or County Welfare Department. I will contribute."
