December 3rd. 1963.

To The F.B.I. OFFICE.
Dallas. Texas.

Dear Sirs,

It was decided at our first meeting following President Kennedy's assassination that our Christian Adventure group donate almost all our funds....to the amount of [redacted] for the family of J.D. Tippitt, and [redacted] for the family of Lee Oswald.

b7c

However, since reading of the overwhelming generosity of the people of our country and to the amount of \$100,000 approx. according to to night's local newspaper..we once again took a vote and decided that the entire amount of [redacted] go to the children and widow of Oswald..for we feel that thw diow and little children of Oswald, have a big enough cross to bear, and we want them to know that we are praying for their life ahead to be happier than their past experiences.

Please extend our heartfelt sympathies to the Tippitts, and we feel too that they will readily agree that in forgiveness one finds great reward.

Our Christian Adventure Group is made up entirely of 7th. and 8th. and 9th. graders, who all belong to our church.

Yours Sincerely.

Beverly Wilson

Dear Sirs:

Will you please do something for me? Will you see that the enclosed letter is properly addressed to reach Marina Oswald? I have written to her in Russian and I am sending her a small sum of money.

Somehow, through all this tragedy of our President's death by assassination, my sympathy has been drawn most to Marina. This is a small town, and when I mentioned this in company of friends, I found I'd spoken to a hornet's nest of hostility. One lady threatened to turn me in to the FBI.

(continued)

frightening in that, but her hate directed towards "that Russian girl" was.

Marina did not ask to be born in an atheist land - perhaps if we show her Christian love, it will help her and us, too. I cannot see how showing her charity will hurt our nation. From what little I've read and heard, I believe Marina has cooperated with the FBI. From what little I know about Russia and Communism, I doubt that she would find safety in her homeland. And from what I saw of her mother-in-law on TV, I don't think there is anything good for her from that quarter!

So my judgement in this matter is not based on much more than intuition - and my acquaintance with a Russian family here. Their escape from Communism is a hair-raising

(continued)

story, and I have learned from
them to appreciate freedom and liberty
all the more. I have also learned
a little Russian language from Ben,
hence my ability to write a few
words to Marina, lest you think
I am a Red-lover. I'm not.

Thank you for your helpfulness.

Sincerely
Harriet Hill

PROPOSED WEST BAPTIST CHURCH AT 3360 MIDLAND ROAD

ROBERT E. BRIGGS, MINISTER

December 10, 1963

The Federal Bureau of Investigation
Dallas, Texas

Dear Sirs:

Enclosed you will please find a check from our people to the Mrs. Lee Oswald Fund which we understand has been turned over to your oversight. I speak of the fund which has been turned over to your custody by Mrs. Leona Williamson of Fort Worth.

Our hearts, saddened by the tragic events which have taken place in Dallas, were further saddened by published reports of ill will toward those who have been moved to offer assistance to a widow and her two young children. Believing that our Lord and Saviour Christ would have us care for the fatherless and the widows in their affliction and that the Oswald family needs the love and assistance of Christian compassion, we therefore send our small gift hoping it will spell out to Mrs. Oswald and her children the love of Christ and his followers to one in need.

Will you then please add this contribution to the others in this fund. And please convey to Mrs. Oswald our christian expression of good will during this season of time when we celebrate Christ's blessed birth.

Most Sincerely yours,

Robert E. Briggs
