FEDERAL BUREAU OF INVESTIGATION
INTERVIEW REPORTDate 12/2/63

EUGENE ALPHONSUS O'DOHERTY, 1167 South High Street, was advised that he did not have to make a statement and that any statement he did make could be used against him in a court of law. He was advised he had the right to an attorney. He furnished the following information:

O'DOHERTY advised that he has received education in Ireland, which would be considered slightly higher than a high school diploma in this country. He attended Murlag National School, Lifford County, Donegal; St. Columbs Collage, Derry City, County Derry; St. Eumans College, Letterkenny County, all Ireland. He advised that he has never been arrested either in the United States or any other country.

O'DOHERTY served in the Irish Army from August, 1934, to August, 1944, SN 74298, and received an Honorable Discharge with the rank of Private. He had held the rank of Sgt., but voluntarily had his rank reduced to private so that he might receive a Compassionate Discharge on the death of his mother. Following his discharge, until about 1946 or 1947, he held odd jobs in Ireland and then became self-employed as a photographer at 65 Sheil Road, Liverpool, England, under the business name of Corrib Photography.

He also was engaged during this period of time on a part-time basis as a driving instructor in Liverpool. He stated that for approximately one year before coming to the United States in 1962, he worked as a driving instructor with the O'Connell Bridge School of Motoring, Dublin, Ireland. Since June, 1963, he has been employed at Columbus, Ohio, as a driving instructor with the Motor Club of Columbus Driving School, 3422 E. Broad Street, and the Grove City School of Driver Education. CI 105-2505

His only relatives in the United States are: brother, JOHN K. O'DOHERTY, 6611 W. North Avenue, Oak Park, Illinois, an insurance agent; brother, VINCENT JOSEPH O'DOHERTY, Columbus, Ohio; sister, Mrs. ELEANOR GLADYS CORSER, last known to reside at 1700 Kenwood Avenue, Austin, Texas.

O'DOHERTY holds Alien Registration Card No. A13105157. This card reveals that he was admitted to the United States as an immigrant on August 23, 1962 at the Port of New York City. This was his first entry into the United States and he has remained since that time on an immigrant visa issued by the American Embassy, Dublin, Ireland. He holds Ireland passport No. E259653, issued by the Irish Government on 6/26/62. He advised that he intends filing for U. S. citizenship upon the completion of two years required residence.

He stated that upon his arrival 8/23/62 at New York City, he immediately flew to Austin, Texas, to reside with his sister, Mrs. ELEANOR GLADYS CORSER, and he continued residence with this sister until he moved to Columbus, Ohio, in May, 1963, to reside with his brother, VINCENT JOSEPH O'DOHERTY, 1167 S. High Street. He stated that he came to Columbus from Austin for the purpose of finding permanent employment. He further advised that the above sister at Austin, Texas, was employed in a secretarial capacity with the Internal Revenue Service, Austin, but she recently changed jobs.

He further advised that while he was at Austin, he was employed intermittently as a photographer, beginning in October, 1962, and ending May, 1963, for JACK PAYTON, who operated the Rainbow Studios, San Antonio Highway, Austin, Texas. He stated that PAYTON also operated a business at Houston, Texas. O'DOHERTY estimates that he worked from ten weeks to

CI 105-2505

three months at Austin and approximately three weeks at Houston for PAYTON. He stated that PAYTON contracted with various department stores, such as Montgomery-Ward, on a percentage basis, to take pictures of their customers, principally children. He stated PAYTON's current address is P. O. Box 543, Bellaire, Houston, Texas.

O'DOHERTY described PAYTON as a strongly religious individual, who is a member of the Baptist faith. He stated that PAYTON goes to church twice on Sunday and usually carries a Bible with him at all times. He further advised that he thinks PAYTON is a member of the John Birch Society, but is not certain of this. He stated that PAYTON does possess a copy of the Blue Book of the John Birch Society and has often praised the Society in his presence. He further advised that PAYTON is strongly anti-Communist and once indicated to O'DOHERTY in conversation that he had engaged in picketing at some unknown place for an anti-Communist cause.

O'DOHERTY stated that PAYTON had expressed dissatisfaction with the U. S. policy toward Cuba and thought that this country should force on site inspection for missile sites of that country. He stated PAYTON was certain that President KENNEDY was no Communist but he felt that KENNEDY could have taken a stronger action toward Cuba. He is satisfied that PAYTON has never expressed any animosity whatever against President KENNEDY and has heard him state he would rather have President Kennedy as President than LYNDON JOHNSON. He never expressed any particular reasons for preferring KENNEDY over JOHNSON.

He further stated that PAYTON appeared to favor some of the things done by Major General EDWIN WALKER and other activities of General WALKER were not favored by PAYTON. He remembers that PAYTON expressed dissatisfaction with Major General WALKER making an appearance at Mississippi University, Oxford, Mississippi, during the racial trouble relating to getting Mr. MEREDITH into that school. PAYTON expressed the idea that this

was a foolish act on the part of Gen. WALKER. He does not believe that PAYTON did in anyway financially support Gen. WALKER.

O'DOHERTY further advised that he has never known PAYTON to own any type of firearms except a .22 caliber rifle which he used to shoot squirrels and snakes around his home at Austin. He stated that PAYTON is definitely not a man of violence and he cannot imagine him joining others in any form of violence. He stated he does not have any reason to believe that PAYTON is acquainted with or possesses any information regarding LEE HARVEY OSWALD and/or JACK RUBY. He further advised that he has no reason to believe that PAYTON is in any way connected with the assassination of President KENNEDY.

He stated he last saw PAYTON during May, 1963, when he, O'DOHERTY, came to Columbus. Shortly after his arrival in Columbus, O'DOHERTY wrote PAYTON one letter thanking him for the help which PAYTON had given him in the way of employment. He also telephoned PAYTON shortly after he started working in Columbus, to tell him that he had obtained a job here. He stated that PAYTON appeared to like him and was interested in knowing that he was getting along all right. He further advised that PAYTON had called him about a week ago (11/18/63), to ask if he was still employed and indicated that he was thinking of the Christmas photography business again. O'DOHERTY stated he had worked the previous Christmas season for PAYTON and it appeared to him that PAYTON desired to have him return to Texas to work during this Christmas season as a photographer.

O'DOHERTY volunteered that he telephoned PAYTON during the evening of 11/24/63, after 9:00 PM, to talk with him briefly and principally to let PAYTON know that he would not be coming to Texas for such Christmas employment. He stated that he had called PAYTON from a bar on S. High Street, a short distance from his brother's residence. He stated that he had intended to pay for this telephone call but the charges were reversed during the call itself. He stated it was PAYTON's idea to reverse the charges when he learned that O'DOHERTY was still a driving instructor and apparently presumed that O'DOHERTY was not making much money. O'DOHERTY recalled that PAYTON brought up the facts that had been in the news regarding the assassination of President KENNEDY and PAYTON remarked that

it was an awful thing that had happened and it was the worse thing that could happen to them there in Texas. He stated that this was all that PAYTON said about the assassination and he talked the rest of the time about their work.

O'DOHERTY then was confronted by information in the possession of SA JOHNSON regarding his telephone call of 11/24/63, to JACK PAYTON at Houston, Texas. On being confronted with this information, O'DOHERTY advised that he asked PAYTON, "What do you think about the recent development in Texas?" He stated that he cannot recall the precise answer given to him by PAYTON but he believes it was along the lines of, "That's the worse thing that could happen to us in Texas." SA JOHNSON confronted O'DOHERTY with the fact that it was believed that the answer given by PAYTON was, "It is a good thing they got him before we were implicated." O'DOHERTY replied to this by stating that he does not know now whether or not PAYTON made this statement in answer to his question but if he did make such a statement, PAYTON meant to convey the idea that it was a good thing that LEE HARVEY OSWALD was apprehended so that the "extreme right" to which PAYTON identified himself would not be blamed for the assassination of President KENNEDY. Such an answer by PAYTON did not convey the idea that it was a good thing that OSWALD himself had been murdered but rather that it was a good thing he had been apprehended so that it could be brought out that it was not the "extreme right" responsible for the assassination. He stated he is sure that PAYTON was not in anyway condoning the murder of OSWALD. He stated he does not recall any statement made by PAYTON nor himself during this telephone call to the effect that "It is a good thing they picked up him as a ultra-leftist."

O'DOHERTY then was confronted with the apparent statement made during this long distance call that, "Our next move will be to get behind them so we can overthrow JOHNSON." O'DOHERTY does not recall this specific statement having been made but does recall that PAYTON gave him the idea that he would have to get to work for the purpose of defeating President JOHNSON at the polls at the next election. He stated that PAYTON although an "extreme rightist" does affiliate himself with the Republican party during elections. It is his interpretation that PAYTON meant that they, the party, would have to get

moving to defeat JOHNSON at the next election. He is certain that PAYTON in no way intended to convey the idea that any violence or underhanded means would be used to defeat or overthrow President JOHNSON.

O'DOHERTY advised that there was some mention of Moscow papers and he explained that PAYTON had made the statement that the Moscow papers, "weren't long about coming out and trying to put the blame on the right wing." He denied that PAYTON had asked his reaction or the reaction in Moscow regarding this series of events in Dallas.

O'DOHERTY was questioned as to his desire to be informed by PAYTON and he explained that when he indicated he desired to be informed, he was speaking of possible employment during the Christmas season with PAYTON and he merely meant that he would like to be informed of such prospects.

O'DOHERTY admitted that they had discussed the name of RUBY and RUBENSTEIN during this long distance call and it is his recollection that he had asked PAYTON why it was that the paper called the killer of OSWALD by the name of RUBY while other newspapers called him RUBENSTEIN. PAYTON informed him that the newspapers there were using the name of RUBENSTEIN.

O'DOHERTY advised he does not recall during this long distance telephone call that PAYTON had cautioned him about mentioning any names because their own names had been mentioned in this call. He stated that there was no reason to use caution in the mentioning of any names because there was no plot or any other conversation of which they were ashamed. He stated that he gave his own name to the long distance operator at the end of the call and gave her his correct name.

O'DOHERTY advised that he is not connected in anyway with JACK PAYTON or any group with which PAYTON may be affiliated. He stated that you have to know PAYTON to know how he constantly talks anti-Communistic and about his religion.

O'DOHERTY advised that he himself does not belong to any organization of any kind here or abroad. He stated that he does not in anyway support any organization or group of any kind.

He stated he is sympathetic with the ~~Irish Republican Movement~~, which consists of people who are working for a United Ireland by peaceful means. He stated that this Movement is not identical to the Irish Republican Army. One of the purposes of the Movement was as a charity to assist the dependents of all prisoners, that is political prisoners, including those of the IRA. He stated that he was a member of the Irish Republican Movement while he lived in Ireland for a period of 5 or 6 years, until he resigned shortly before he applied for his American visa to come to this country. He stated that he was a member of the political wing of this Movement known as "~~Sinn Fein~~". He stated that his affiliation and resignation relating to this organization is also set forth in his immigration file. He stated he was never involved in any violence regarding such affiliation and never carried any arms or other means of destruction. In fact, the Sinn Fein paper called the "~~United Irishmen~~" made clear that they did not support violence. He stated that the activities of the Movement were strictly political in nature. He advised that this was one of the reasons that he came to the U.S. in the first place and that was to get away from political activity in Ireland and also to be with his widowed sister in Austin, Texas.

O'DOHERTY stated that around March or April, 1963, out of curiosity and an interest to meet him, ^{he} went alone to see Major Gen. EDWIN WALKER at Dallas, Texas. He stated he was interested to find out why Gen. WALKER had forced integration at Little Rock, Arkansas, as the Commanding Officer of the armed troops and then so strongly opposed integration at Oxford, Mississippi. He stated he could not understand this contradictory stand on the part of Gen. WALKER. He stated he was not a follower or sympathizer of WALKER but was more curious and interested in him as an individual as stated above. He stated that he saw Gen. WALKER at his home during this visit and interviewed him for approximately 1½ hours. He stated that he hoped to obtain a story from Gen. WALKER for publication and that it might even be published in Ireland. He stated that he went to the Columbus Dispatch, Columbus, Ohio, shortly after he arrived in Columbus, in 5/63, and tried to sell the story of his interview with Gen. WALKER. He stated the Dispatch did not buy this story because they insisted on the right to edit the story while Gen. WALKER had insisted that the question and

answer type story go in verbatim.

O'DOHERTY advised that not only does he not consider himself in anyway a supporter or follower of Gen. WALKER, but that he is not a supporter or sympathizer of the John Birch Society and again repeated that he is not interested in any group. He further advised that he is not anti-Negro or anti-Semitic. He admitted that he has stated in conversations that he is against "forced integration" but is in favor of integration itself. He claimed that he has no strong feelings on integration.

O'DOHERTY stated that he has never heard and never knew LEE HARVEY OSWALD and/or JACK RUBY until their names were mentioned following the assassination of President KENNEDY. He stated that he knows nothing whatsoever relating to the assassination except what he has received through the news media. He stated that he has no theories who may be involved with the assassination. He further advised that he and PAYTON never discussed the assassination except after it was committed and as stated above, during their long distance telephone call on 11/24/63. He stated that he was shocked at this action as were other people and that he strongly condemns such action as this. He stated he would never in anyway support such acts of violence and would come forth voluntarily and furnish information to the authorities if he possessed any facts regarding the assassination. He stated that he was never in Dallas, Texas, for any visit, except the one mentioned above during March or April, 1963, for the short visit with Major Gen. WALKER.

O'DOHERTY stated he has never made the statement that President KENNEDY was a Communist and never mentioned that he in anyway favored the assassination of President KENNEDY. He stated that he would not think of saying that he was in favor of assassination of any American President. He stated that he held no animosity toward KENNEDY nor does he hold any animosity towards President JOHNSON.

The November 30, 1963, issue of the "Columbus Citizen Journal" carries a front page story captioned, "Mrs. OSWALD's Pal, Ex-Local Woman."

This article is based on a long distance telephone interview made November 29, 1963, by Reporter JOHN DEPKE with Mrs. RUTH HYDE PAINE, Irving, Texas.

The article states that Mrs. PAINE and OSWALD's wife, Mrs. MARINA OSWALD, were together watching TV in Mrs. PAINE's home on November 22, 1963, when President KENNEDY was assassinated. The article states that Mrs. PAINE was contacted by the police following the assassination, that her home was searched, and the fact that she had furnished authorities with facts of her knowledge of the relationship with LEE OSWALD.

It is stated in the article that Mrs. PAINE graduated in 1949 from University High School, Columbus, Ohio, and later attended Antioch College.

Mrs. PAINE's father, WILLIAM HYDE, is an official of Nationwide Insurance Company, Columbus, Ohio.

SA ROBERT H. BERTKE determined on November 30, 1963, that records of Antioch College would not be available until December 2, 1963.

Mr. WILLIAM WARREN, Associate Dean of Students, Antioch College, Yellow Springs, Ohio, advised SA BERNARD D. MALONEY on December 2, 1963, that review of his records fails to reflect LEE HARVEY OSWALD had ever attended this college, made application, or known to have inquired at the college for application.

Mr. WARREN said that his records reflect RUTH AVEYRY HYDE attended Antioch College from October 31, 1949, until June 25, 1955, when she received a Bachelor of Arts Degree with major in Education. He explained that Antioch College is a Co-operative School in which the students are on the campus for academic purposes for a period of three months and then are placed at various employments

in conjunction with their academic endeavors. In this way, a student will normally take five years to obtain a degree in a specialized field. His records reflect HYDE was born September 3, 1932, New York, New York, of parents, Mr. and Mrs. WILLIAM A. HYDE, 1986 Summit Street, Columbus, Ohio. During her attendance at Antioch, she was employed as follows:

Jewish Community Center, Indianapolis, Indiana,

2 || REMIGIO AGUILAR is a prominent married businessman in Mexicali and was, according to TUBACH, involved in an extra-marital affair with NORMA GUTIERREZ. It is noted that IRMA GUTIERREZ and MARIA LUISA GARCIA SILVA are also citizens of Mexico and residents of Mexicali. It is not believed that interview of the above Mexican nationals should be conducted at this time in this case. No lead is being set out to conduct any investigation in Mexicali at this time UACB. Investigation in Mexico could result in some possible embarrassment to the Bureau. The Bureau is aware that an interview of this nature in Mexico would require the presence of Mexican Police authorities which might cause considerable embarrassment to the Mexican nationals being interviewed.

above-mentioned held. We hope you will interrogate them. It will be very easy because the girls are threatened with death. All the Mexican names live in Mexicali, B. C., Mexico. REMIGIO AGUILAR is very well known and he can inform you where the rest live. We hope this will serve you some information."

Date December 4, 1963Mexico

EDUARDO TUBACH, Rancher, 152 G Street, Brawley, California, advised Agents of the Federal Bureau of Investigation that all persons mentioned in the letter were known to him. He identified REMIGIO AGUILAR as the owner of the major cattle shipping yards in Mexicali, LLOYD E. MORAL as one of his foremen in his ranching enterprises, and himself as a rancher doing business as Edward Tubach Ranches, Imperial County, California.

TUBACH stated NORMA GUTIERREZ was a "girlfriend" of AGUILAR; that IRMA GUTIERREZ was the "girlfriend" of MORAL; and that MARIA LUISA GARCIA SILVA was his "girlfriend". IRMA GUTIERREZ and NORMA GUTIERREZ are sisters.

TUBACH stated that MORAL commenced to visit Mexicali frequently about six or seven years ago. He eventually became acquainted with SILVIA GARCIA VIRGENES in Mexicali and resided with her from time to time in a common-law relationship. Mexico

Approximately four years ago, TUBACH commenced visits to Mexicali where he rented an apartment near the corner of Avenida Compuertas and Calzado Justo Sierra. He had met MARIA LUISA GARCIA SILVA, and they resided in the apartment as man and wife. NORMA GUTIERREZ resided in the next apartment, and about a year ago he became acquainted with AGUILAR who visited her with regularity. At about that time, MORAL, through NORMA GUTIERREZ and MARIA LUISA GARCIA SILVA, became acquainted with IRMA GUTIERREZ. He dropped SILVIA GARCIA VIRGENES and commenced a relationship with IRMA GUTIERREZ.

This angered SILVIA GARCIA VIRGENES who threatened to have both TUBACH and MORAL arrested and expelled from Mexico. Both had been visiting Mexicali without proper documents. She also threatened to cause them other unstated embarrassments.

TUBACH said all the above were known, one to the other. On rare occasions, they would all be at the apartments, but not together. He could recall only one occasion when they all dined together. He denied knowing JACK.

TUBACH said he assumed that the JACK mentioned in the letter was JACK RUBY of Dallas, Texas; however, JACK RUBY is unknown to him personally, and the only information he possesses concerning RUBY is that which came to his attention through news media as a result of the President's assassination.

TUBACH specifically denied having ever met with JACK RUBY or having anything whatsoever to do with the assassination of the President or the subsequent killing of LEE HARVEY OSWALD.

SOME OF IT WAS IN RUSSIAN AND HE INTERPRETED IT FOR HER. HE REMAINED IN HER OFFICE AT ALL TIMES WHILE SHE WAS TYPING AND WAS VERY CAREFUL TO INSURE THAT SHE DID NOT TAKE OR LOSE ANY OF HIS NOTES. HE CAME TO HER OFFICE ON JUNE EIGHTEEN NINETEEN SIXTYTWO. SHE TYPED TEN PAGES, SINGLE SPACED, ON LETTER SIZED PAPER, MAKING AN ORIGINAL AND ONE COPY. SHE ESTIMATED THERE WERE FIVE HUNDRED WORDS TO A PAGE FOR A TOTAL OF FIVE THOUSAND WORDS. HE HAD HIS NOTES IN A MANILLA ENVELOPE ABOUT TEN INCHES BY ELEVEN INCHES IN SIZE. SHE ESTIMATES THAT SHE TYPED ABOUT ONE THIRD OF HIS NOTES. MOST OF THE MATERIAL WAS ABOUT HIS DAY TO DAY EXPERIENCES AND PEOPLE HE MET AND STATEMENTS MADE BY THEM. ALL OF IT WAS CRITICAL OF RUSSIA AND SET OUT SUCH STATEMENTS AS LONG WORK DAY, POOR FOOD AND NO VACATIONS.

OSWALD TALKED VERY LITTLE WHILE IN HER OFFICE AND CONFINED IT MOSTLY TO INTERPRETING HIS NOTES. HE DID MENTION WHILE WORKING IN A FACTORY IN MINSK HE MET AND MARRIED HIS WIFE.

PAGE THREE DL 100-10461

AFTER ABOUT TWO YEARS HE DECIDED TO RETURN TO U. S. AND IT WAS A YEAR BEFORE THE RUSSIAN GOVERNMENT WOULD AGREE FOR HIM TO TAKE HIS WIFE WITH HIM TO THE U. S. HE WAS BITTER TOWARD RUSSIA FOR THIS DELAY. BATES ASKED HIM WHY HE WENT TO RUSSIA. HE STATED HE TOOK AN ELEMENTARY COURSE IN RUSSIAN LANGUAGE AND BECAME INTERESTED IN GOING TO RUSSIA TO SEE WHAT THE ACTUAL LIVING CONDITIONS WERE LIKE IN THAT COUNTRY. AT ONE TIME HE ALSO TOLD HER HE HAD BEEN IN THE U.S. MARINE CORPS FOR TWO YEARS.

AFTER TYPING THE TEN PAGES SHE TOLD HIM SHE HAD TYPED TEN DOLLARS WORTH OF MATERIAL AND WOULD BE GLAD TO TYPE THE REMAINDER OF HIS NOTES ON CREDIT. HE WAS NOT AGREEABLE TO THIS AND PICKED UP HIS NOTES AND TYPED PAGES, PAID HER WITH A TEN DOLLAR BILL AND LEFT. HE NEVER RETURNED.

AFTER TYPING THE NOTES, SHE MENTIONED THIS TO HER FRIEND, CAROLINE HAMILTON, WHO IS A REPORTER FOR THE FORT WORTH PRESS. LATER, HAMILTON TOLD HER HER PAPER HAD TRIED UNSUCCESSFULLY

TO CONTACT LEE OSWALD REGARDING HIS DIARY. AFTER PRESIDENT KENNEDY WAS ASSASSINATED SHE WAS CONTACTED BY CAROLINE HAMILTON. THIS WAS THE FIRST TIME SHE HAD TIED UP LEE OSWALD WITH THE ASSASSINATION.

ON AFTERNOON OF NOV. TWENTYNINE LAST, SHE HAD A RECORDED INTERVIEW WITH THE TV NETWORK IN HER OFFICE. SHE POINTED OUT THE STORY BY CAROLINE HAMILTON WHICH APPEARED IN THE FORT WORTH PRESS ON NOV. TWENTYNINE LAST, IS CORRECT IN EVERY DETAIL WITH THE EXCEPTION THAT LEE OSWALD NEVER STATED HE WAS WORKING FOR THE U.S. STATE DEPARTMENT. SHE EXPLAINED LEE OSWALD STATED THE STATE DEPARTMENT WAS RELUCTANT TO GIVE HIM A VISA AND TOLD HIM HE WOULD BE ON HIS OWN WHILE IN RUSSIA. FROM THIS STATEMENT SHE AT FIRST ASSUMED HE WAS WORKING WITH THE STATE DEPARTMENT BUT LATER REALIZED HER ASSUMPTION WAS WRONG.

ABOUT THREE THIRTY PM, OV. TWENTYNINE LAST, SHE RECEIVED A PHONE CALL AT HER OFFICE FROM A WOMAN WHO STATED SHE WAS MRS. OSWALD, MOTHER OF LEE OSWALD. MRS. OSWALD STATED "I CANNOT TELL YOU WHERE I AM BECAUSE I AM UNDER TIGHT SECURITY.

PAGE FIVE DL 100-10461

"I HEARD AN INTERVIEW OF YOU ON THE RADIO REGARDING TYPING LEE/S DIARY. "I REMEMBER HIM SAYING HE HAD A PUBLIC STENOGRAPHER TYPE SOME OF HIS NOTES. "I WISH YOU WOULDN'T TALK WITH ANYONE ABOUT THIS UNTIL I CAN TALK WITH YOU, OTHERWISE YOU MAY HURT HIS WIDOW AND CHILDREN." BATES STATED SHE EXPLAINED TO MRS. OSWALD SHE HAD ALREADY BEEN INTERVIEWED BY TV NETWORK AND HAD RECEIVED ALMOST ONE HUNDRED TELEPHONE CALLS FROM THE NEWS FROM ALL OVER U. S. SHE ALSO POINTED OUT THERE WAS NOTHING OF A DEROGATORY NATURE IN ANY OF HER STATEMENTS TO THE PRESS AND TV PEOPLE. MRS. OSWALD NEVER MENTIONED IF SHE KNEW WHERE THE DIARY MIGHT BE LOCATED.

BATES STATED LEE OSWALD WAS A VERY NERVOUS INDIVIDUAL AND PACED UP AND DOWN IN HER OFFICE. HE MOVED VERY QUICKLY IN ALL HIS ACTIONS AND HE WALKED AT A VERY FAST PACE. HE IMPRESSED HER AS BEING VERY ALERT IN HIS MENTAL PROCESSES. BATES STATED SHE DID NOT KEEP ANY NOTES ON THE MATERIAL SHE TYPED AND EVERYTHING IS FROM MEMORY, EXCEPT THE DATES ON WHICH SHE TYPED THE MATERIAL.

Synopsis:

Captain WILL FRITZ, Dallas, Texas, PD, advised call received from EDGAR REIBER, Indianapolis, Indiana, who called to the effect REIBER met OSWALD at Indianapolis and that OSWALD wanted him to go to Russia. REIBER located and interviewed; maintained story as to meeting OSWALD, however, denies anything mentioned his going to Russia. Local bar owner, Indianapolis, advised REIBER heavy drinker and, when drinking, creates situations to suit himself. Local hotel where OSWALD reportedly resided one night located; no record under true name or known aliases. Room reportedly stayed in has been part of manager's apartment for last nine months and is a kitchen. OSWALD unknown to hotel clerks. Indianapolis PD record of arrest on REIBER set out.

- RUC -

IP 105-3399

DETAILS:

Captain WILL FRITZ, Homicide Detail, Dallas Police Department, Dallas, Texas, advised Lieutenant BOHART, of his detail, received a telephone call from one EDGAR REIBER, 128 South Illinois, Indianapolis, Indiana. REIBER claimed he met OSWALD about two months ago in Indianapolis and that OSWALD wanted REIBER to go to Russia and that REIBER would be well paid.

On November 27, 1963, the following investigation was conducted by SAs THOMAS M. SEASE, JR., and PATRICK J. FLETCHER at Indianapolis, Indiana:

EDGAR JOHN REIBER, also known as JAMES SCHNEIDER, was located at the Langley Hotel, 219 1/2 South Illinois, Indianapolis.

REIBER advised he made a telephone call to the Dallas Police Department November 25, 1963.

REIBER stated OSWALD was in a restaurant near the hotel on South Illinois about one and one-half months ago. He claimed OSWALD asked him to buy him a cup of coffee, which he agreed to, and, further, bought him food and gave him \$2 to rent a room in the Hotel Langley. He advised OSWALD rented Room 6 at this hotel.

REIBER advised he was with OSWALD one hour. The only conversation between the two was to the effect OSWALD asked him if he would like to be Communist, to which REIBER replied, "No." REIBER claimed he had no other conversation with OSWALD and did not ask where OSWALD was from.

REIBER was questioned as to how he knew this was OSWALD. He stated pictures in the newspapers of OSWALD look like him; but he advised OSWALD never identified himself to him.

REIBER, during this interview, denied OSWALD asked him to go to Russia.

IP 105-3399

A check of the register at the Langley Hotel, 219½ South Illinois Street, failed to reveal any registration for OSWALD under his true name or any known aliases.

WILSON DRUM, night clerk at the Langley Hotel, advised Room 6 has been a kitchen for over nine months.

JOHN GOINS, former night clerk at the above hotel, advised he cannot recall OSWALD and denied ever telling EDGAR JOHN REIBER that OSWALD had Room 6.

BOBBY FACCONI, owner of a bar located at 128 South Illinois Street, advised REIBER made a telephone call from his bar on November 25, 1963. He stated REIBER had been drinking heavily at the time he made this call. FACCONI further advised that REIBER is an individual who, if told something is true though false, begins to believe same is true; thereafter, when drinking, REIBER will attribute all the information to himself as the source. According to FACCONI, REIBER made the statement to him after making the above telephone call that he (REIBER) would be on television and in newspapers.

Records of the Indianapolis Police Department reflect that EDGAR JOHN REIBER, born September 9, 1928, was arrested August 12, 1963, as drunk; judgment withheld.

I, Marina Oswald, verify that letter which was shown to me by Agent Levon Lyakh Gopadze, who is working for the Secret Service of the Government of the United States of America, is the letter which was written by my deceased husband Lee Oswald. This letter was written on Neely Street, Dallas, Texas, prior to his departure to New Orleans. For the proper understanding the contents of this letter I will try to write in proper Russian language.

"(1) This key for the Post Office Box in the Main Post Office which is located in the city on Ervay Street on the same street where the drug store where we always have met, 4 blocks from the drug store on the same street is located the Post Office. There you will find our box. I paid for the box last month so don't worry.

(2) Send the information to the consulate what happened to me and also get clippings from the newspapers (if the newspapers will write anything about me). I think that the consulate will help you faster if they will learn everything.

(3) I paid for the house on the 2nd, so don't worry about it.

(4) I have recently paid for the water and gas.

(5) Perhaps that my wages from the work also will be forthcoming. They will send it (the money) to our Post Office Box. Go to the bank where you will change the check for cash.

(6) My clothes, etc. you can throw away or give away. Do not keep it. My personal papers (military, working papers, etc.) I prefer that you keep.

(7) Several of my documents located in the small blue suitcase.

(8) My address book is located on my table in my room if you want it.

(9) Here we have friends and Red Cross who will also help you.

(10) I left you money as much as I could, \$60 on second and you and June could exist on \$10 a week for two months more.

(11) If I am still alive and will be taken to the city prison, the prison is located at the end of the bridge through which we always travel to the city (in the beginning of the city immediately after the bridge)."

This letter was found by me in the evening of the same day when attempted assassination was made on the person by the name of Walker. Late that night when he (Lee) came home he confessed to me that he shot this person, he was very nervous and refused to answer any questions asked by me but said only that this person is head of the fascist organization and

had better be gotten rid of. This letter I did not destroy for the purpose of having evidence in case my husband in the event he will repeat the same thing. He promised me that he would not repeat the same thing. That was the main reason why I insisted for him to go to some other town, for instance in New Orleans. I did not report about this matter to the police on the account of personal feeling toward my husband and also wanted to save my family.

Everything that I have wrote is the truth.

иногда мне приходится читать в газетах и журналах статьи, посвященные проблеме "ядерного взрыва". Эти статьи, как правило, написаны журналистами, которые, к сожалению, не имеют специального образования в области ядерной физики. Поэтому в них часто встречаются ошибки и неточности, которые могут привести к неправильному пониманию сути происходящих процессов.

Вопрос о возможности создания ядерного оружия является одним из самых актуальных в настоящее время. Однако, к сожалению, в нашей стране до сих пор не ведется систематическое изучение этой проблемы. Это приводит к тому, что мы не сможем своевременно оценить все возможности и опасности, связанные с созданием ядерного оружия.
