JERRY PHILLIP STEIN, 1501 General Taylor, advised that on Sunday morning, November 24, 1963, at approximately 10:00 AM, he received a telephone call from an individual who identified himself as JACK and gave his last name, although he cannot remember it. JACK asked to speak to HERMAN KOHLMAN, STEIN's former roommate. JACK said he wanted to tell KOHLMAN about an individual, DAVE FERRIE, on whom KOHLMAN had written an article during the time KOHLMAN was employed as a reporter by the New Orleans Times Picayune Newspaper. JACK told him that FERRIE was in Texas at this time and asked STEIN if he knew that FERRIE had taught LEE HARVEY OSWALD to fire foreign weapons and had also been instrumental with OSWALD in the distribution of literature, which he did not identify. (STEIN said that JACK implied that FERRIE was a homosexual.)

STEIN informed JACK that KOHLMAN no longer was his roommate and gave him KOHLMAN's phone number. He said that in a few minutes JACK called him back and said the number he had given him was the wrong one, but STEIN told him it was the correct number, and JACK hung up. STEIN then called KOHLMAN at his residence and told him that JACK was going to call him and give him some information about a fellow named DAVE FERRIE. STEIN said this is all the information he has regarding these phone calls and can furnish no further information regarding the identity of JACK or the relationship between FERRIE and OSWALD.

STEIN said he did not know OSWALD or FERRIE, and although he may have met JACK in the past, STEIN could not recall him.

HERMAN KOHLMAN, Assistant District Attorney, Parish of Orleans, advised that he is familiar with DAVID FERRIE from his past experience as a news reporter. KOHLMAN said he prepared a feature story on FERRIE's activities several years ago. He advised that he heard that FERRIE was mentioned in connection with being associated with LEE HARVEY OSWALD, and he talked to JACK MARTIN, a private investigator who "refreshed his memory" about FERRIE. Based upon these facts, the District Attorney's Office instituted an investigation involving FERRIE. He advised that FERRIE was interviewed by members of the District Attorney's staff and denied knowing LEE HARVEY OSWALD or having any information about OSWALD's being in the Civil Air Patrol.

KOHLMAN stated that the District Attorney's Office had received information from the Intelligence Unit of the New Orleans Police Department who had previously conducted inquiries regarding FERRIE's connection with Cuba or Cuban activities. An unknown police officer had told the Intelligence Division of the New Orleans Police Department that he was in the Civil Air Patrol with LEE HARVEY OSWALD and that FERRIE knew OSWALD.

KOHLMAN advised that because FERRIE must have known OSWALD and because it appeared he had lied when he denied knowing OSWALD, FERRIE was arrested.

Layton Martens born approx 1943

LAYTON PATRICK MARTENS, age 20, was interviewed outside the Second District of the New Orleans Police located at the corner of Magazine and Napoleon Streets, New Orleans, Louisiana.

La. Cuban Revolutionary Front

MARTENS gave his home address as 3330 Louisiana Avenue Parkway New Orleans, and advised that his mother, Mrs. E. C. MARTENS lived at 5516 Camp Street, New Orleans. He said he had lived at the 3330 Louisiana address which is the home of DAVID FERRIE since Sunday, November 17, 1963, after having been "kicked out" of his mother's residence. He also stated that ALVIN BEAUBOUF had stayed at the FERRIE residence on Monday and Tuesday nights, November 18 and 19, 1963.

MARTENS said FERRIE was a family acquaintance and that he had known him for approximately five years and had known BEAUBOUF about one year. He first became acquainted with FERRIE in 1958 in the Civil Air Patrol where he, MARTENS, was a cadet from August, 1958, to June, 1961, under the leadership of Captain FERRIE.

He said FERRIE is currently employed as a research librarian for G. WRAY GILL, a New Orleans Attorney and that he is also a psychologist.

When he was "kicked out" of his mother's place, FERRIE suggested that he come to live with him until he could find a place to live. MARTENS is currently employed as a Photostat Technician for the New Orleans Blueprint Company, 824 Union Avenue.

Through his association with FERRIE, he became associated with the Cuban Revolutionary Front on about April 17, 1961, until the latter part of August, 1961, when he left to go to college at the University of Southwestern Louisiana, Lafayette, Louisiana. MARTENS' job with the organization was a voluntary one and he visited consulates and local businessmen to secure funds to finance the organization. He said it was run under the leadership of ARCACHA SMITH whom he described as the third ranking delegate in the Provisional Government of Cuba and that the organization was anti-CASTRO.

OSWALD replied in the negative. EVANS stated that he did not notice at that time whether or not OSWALD had any baggage with him. He advised that to the best of his recollection, OSWALD arrived at his home by public transportation. He advised that in March of 1963, OSWALD was working for the Reily Coffee House in New Orleans, but cannot definitely be sure.

EVANS stated that after this brief conversation, MYRTLE EVANS accompanied OSWALD in his search for an apartment. He advised that it took them approximately one-half day to find the apartment on Magazine Street, exact address unknown. He stated that his wife informed him that OSWALD seemed pleased with the apartment at that time, but said that he did not believe his wife would like it because while OSWALD and his wife were in Russia, they lived in a new apartment. OSWALD, advised EVANS, had also mentioned that he was going to establish an apartment in New Orleans and then send for his wife, who he believed at that time was in Russia.

EVANS advised that during the time he has known LEE HARVEY OSWALD, he cannot recall any mention on the part of OSWALD to assassinate President KENNEDY. He stated that from his association with OSWALD, he did not think that OSWALD would be the type to assassinate President KENNEDY. He based this conclusion on the fact that he felt that OSWALD was an introvert and a recluse individual, who did not have time to associate generally in social circles. He advised that he could be wrong in his opinion.

JULIAN EVANS advised that he recalls that sometime, exact date unknown, MARGURITE OSWALD worked in a stocking place on Canal Street near the Audubon Building as a manager and buyer.

He stated that he cannot recall the exact name or location of this particular establishment. He further advised that he does not have any records available concerning the occupant of 1454 St. Mary Street and 1452 St. Mary Street, New Orleans, during the period May, 1954, and 1955. He stated that the present occupants of these residences are fairly current and would not have any knowledge concerning OSWALD. He advised that his memory fails him as to the name of the people who occupied the building during the above period.

JULIAN EVANS stated that his recollection of the OSWALD family and their activities is not too clear and complete. He stated that his wife, MYRTLE EVANS, would be in a better position to know more about the OSWALDs since she had been in closer contact with them than he.

KERRY WENDELL THORNLEY, 1824 Dauphine Street, New Orleans, Louisiana, voluntarily appeared at the New Orleans Office at 12:30 PM, November 26, 1963, and advised that he would like to offer his services in any way to determine the guilt or innocence of LEE HARVEY OSWALD. THORNLEY stated that he was formerly in the U. S. Marine Corps, 9th Marine Air Control Squadron, stationed at El Toro Marine Base, California. He stated for approximately four months he was associated with LEE HARVEY OSWALD during 1959. He advised that his association with OSWALD was terminated when he, THORNLEY, was transferred overseas, being assigned to the First Marine Air Control Squadron, stationed in Japan, the Philippines, and Formosa area.

THORNLEY stated that LEE HARVEY OSWALD had been assigned overseas in Japan and had returned to the United States prior to the time he had met him and it was his recollection that OSWALD had become interested in Russia and had studied the Russian Language while living in Japan. THORNLEY stated that it was his opinion that OSWALD was not a Communist while he was assigned to the El Toro Marine Base.

THORNLEY stated that through news media he had learned that OSWALD had gone to Russia to live and through the same news media, had learned that he had returned to the United States, disillusioned about Communism. THORNLEY stated that he had not seen or talked to OSWALD since 1959 and his knowledge of OSWALD since that time has been from news media. He stated that he has been interested in OSWALD as a person and is planning to make him the central figure of a fictional book he is writing, using OSWALD's background as a theme for the book. Regarding OSWALD, he advised that

THORNLEY stated that he was not aware that OSWALD was in New Orleans and had no contact with him. He stated that on May 1, 1963, he took a six day trip to California and approximately July 25, 1963, he took a six day trip into Mexico, to Mexico City, and returned. reports after OSWALD was implicated in the murder of President KENNEDY.

THORNLEY furnished the following personal information regarding himself:

He stated that he had made no secret that he was not particularly disturbed over the death of President KENNEDY, although he does not approve of assassination nor does he approve of the subsequent murder of OSWALD. He stated that the time that he was in California in the U. S. Marine Corps, he adopted an extremely liberal point of view attending the Los Angeles Unitarian Church with a girl named SYLVIA BARTIN who was a student at the UCLA. He stated that he understands that she is now married to a man named UNAME (phonetic), who is now residing and studying in Havana, Cuba. He advised that he and SYLVIA BARTIN shared the same general social view. He advised that SYLVIA BARTIN went to Mexico, exact date he does not recall, and when she returned, he heard that she had adopted the Communist philosophy. He stated that while he himself was liberal when he left the United States, his experiences overseas caused him to change his opinion and at the present time he would term himself to be somewhere between the Communist Left and John Birch Right. *Mexico* *uname* *Calif*

THORNLEY advised that OSWALD, as he recalled, rarely left the Marine base and had no close personal friends. He stated that a CHARLES WIER (phonetic) or BUD SIMCO, who were in the 9th Marine Air Control Squadron in 1959, might have some personal information regarding OSWALD. He advised that while OSWALD was in the Marine Corps he subscribed to a Russian Language Newspaper and this fact aroused the suspicion of a lieutenant, whose name he does not recall, and there may have been an investigation regarding this incident.

THORNLEY advised that at no time was he ever aware that there was a Communist Party cell or Communist group within the U. S. Marine Corps. He stated that generally speaking, the opinions of members of the Marine Corps directed to the minor day to day problems of the men rather than any broad political opinion such as Communism. THORNLEY advised

that in the time he associated with OSWALD, he exhibited no evidence of homosexual tendencies, nor at the same time did he exhibit any interest of social affairs outside of the Marine Corps.

Mr. ALFRED A. CIAUDE, JR., 2905 Buffon Street, Chalmette, Louisiana, telephone number 271-3281, was interviewed at his place of employment Chrysler Aerospace Division, National Aeronautics and Space Administration (NASA), Michoud, Louisiana.

Mr. CIAUDE stated that he recalled LEE H. OSWALD in that while he was in the personnel department of the William B. Reily and Company, Inc., 640 Magazine Street, New Orleans, Louisiana, OSWALD answered an advertisement which was run in the local newspaper for maintenance employees. He stated that he could not recall the exact date but it was exactly four weeks prior to the time that he, CIAUDE, resigned his position with the William B. Reily and Company, Inc. which was on July 1, 1963. He stated that he did not have much contact with OSWALD but that he talked to him at the time he filed his application, checked over his application form, and noted that he had stated thereon that he had just recently been discharged from the U.S. Marine Corps. He stated that he was satisfied with the application filled out by OSWALD and his brief conversation with him and recommended that he be hired as an oiler. He stated that OSWALD's job as an oiler was to see that the machines were kept oiled and that he was also responsible for keeping the machines clean.

He stated that OSWALD did not associate with the other employees but seemed to stay by himself most of the time even during the coffee breaks and during the lunch period. He also advised that the only argument he ever had with OSWALD was when he put OSWALD on a late shift so that the machines could be oiled and cleaned after they had been used during the day and that OSWALD complained that he did not like to work on the late shift and he was advised by Mr. CIAUDE that he would see what arrangements could be made to again place him on a regular shift.

Mr. CIAUDE also advised that the work performed by OSWALD was very poor and that he had been on the verge of firing him on several occasions and the only reason he did not fire OSWALD was in view of the fact that the

Mr. CLAUDE stated that he never saw OSWALD drive an automobile and believed that he came to work each day on the Magazine bus inasmuch as he resided on Magazine Street and believed that the number was in the 4900 block. FREDERICK O'SULLIVAN, 413 Heritage, Detective, Vice Squad, New Orleans Police Department, advised that LEE HARVEY OSWALD was in his homeroom when both attended Beauregard Junior High School in either 1954 or 1955. O'SULLIVAN advised that he vaguely recalls OSWALD as he, OSWALD, was a rather strange individual. O'SULLIVAN explained that OSWALD was a loner and not the type of individual who attempted to make friends. About the only classmate that OSWALD seemed friendly with was an EDWARD VOEBEL, who presently works at the Quality Flower Shop on Canal Street. O'SULLIVAN knew nothing regarding OSWALD's habits, part time jobs or even where he was living while attending school. About the only other pertinent fact he could recall regarding OSWALD was that OSWALD was a member of the Civil Air Patrol (CAP).

O'SULLIVAN advised that he had joined the CAP in 1953. In New Orleans, the CAP was divided into two groups, one which met at Moisant Airport and the other held meetings at the New Orleans Airport. A Captain DAVE FERRIE was in charge of the group which met at New Orleans Airport during 1953. FERRIE then transferred and assumed command of the CAP at Moisant Airport at about the same time O'SULLIVAN thought OSWALD might have joined. Assisting FERRIE at that time was a woman by the name of GLADYS DURR, whom O'SULLIVAN believed was still living in New Orleans.

In discussing Captain DAVE FERRIE, O'SULLIVAN advised that he had recently learned that FERRIE was a homosexual. He suggested if the FBI wished additional background information regarding FERRIE they contact MORRIS BROWNLEE, Jefferson Highway, who was a good friend of FERRIE and who was recently arrested on a morals charge.

In further discussing FERRIE, O'SULLIVAN stated that he can recall an incident which occurred approximately eight years ago when FERRIE was in charge of the CAP at Moisant Airport. FERRIE had acquired a reputation for being able to hypnotize people and after one of the CAP meetings, he demonstrated his ability by hypnotizing a ROBERT RADELET (phonetic) currently employed for IEM.

O'SULLIVAN stated that he did not know the exact address of these individuals or whether they were still living in New Orleans.

O'SULLIVAN advised that if OSWALD remained in the CAP long enough to be eligible for an identification card, he would have been issued one and a record of this could probably be obtained at CAP Headquarters, Masonic Temple Building, New Orleans, Louisiana.

 Mr. JOSEPH E. EHRLICKER, Commander of Louisiana Wing, Civil Air Patrol (CAP) advised that he was unable to find CAP application identifiable with LEE H. OSWALD; however, he did locate a record reflecting that OSWALD was enrolled as a CAP cadet on July 27, 1955, at which time he was given Serial Number 084965. EHRLICKER stated that OSWALD was enrolled in the cadet squadron at Moisant Field in New Orleans. The file did not reflect OSWALD's termination date, but EHRLICKER noted that his term would have expired on December 31, 1963 if not renewed.

EHRLICKER noted that records ordinarily were not kept beyond four years past termination. In accordance with this policy older records pertaining to DAVID W. FERRIE have been destroyed. EHRLICKER was able to determine that FERRIE's first period as Squadron Commander was terminated December 31, 1954. He was working at Moisant Airport at this time. It was later found out that FERRIE subsequent to this date was working with the squadron at Moisant without official connection with the CAP. As of late 1955 he was no longer with the squadron. In late 1958 FERRIE again became officially connected with the CAP and he was terminated on December 31, 1960. Subsequent to this date FERRIE set up a "spurious" CAP squadron with no connection with, or recognition by, the CAP. EHRLICKER stated that a voluminous file was available pertaining to FERRIE's most recent CAP employment.

EHRLICKER does not know OSWALD.

 MICHAEL PATRICK NEUMEYER, 1541 Franklin Avenue, New Orleans, advised that he vaguely recalls LEE HARVEY OSWALD from Beauregard Junior High School. NEUMEYER advised that he is about three years younger than OSWALD and was probably in the sixth grade at the time OSWALD was in the ninth grade at Beauregard Junior High School. NEUMEYER knew nothing regarding OSWALD's friends, interests, or other pertinent background data. The only incident he could recall which ever involved him and OSWALD was a fight between his brother, JOHN NEUMEYER and OSWALD, which occurred while both his brother and OSWALD were in either the eighth or ninth grade. MICHAEL NEUMEYER recalls that one day OSWALD began picking on him at which time his brother JOHN had a fight with OSWALD. MICHAEL could only recall that JOHN won the fight and could not remember any further details.

MICHAEL NEUMEYER stated that his brother JOHN who was in OSWALD's homeroom, might possibly recall OSWALD and be able to furnish more information than he could. He advised that JOHN owned The Sands Motel, 801 Jefferson Highway and resided at 1541 Franklin.

GILL stated that he had gotten word that LEE OSWALD, when he was picked up, had been carrying a library card with DAVID FERRIE's name on it and that FERRIE should contact him, GILL, and he would represent him as his attorney. In addition, GILL said that JACK MARTIN, an ex-policeman and private detective in New Orleans, who MARTENS knows to be a personal enemy of FERRIE, had gone to the police and the FBI and said that FERRIE had stated in his, MARTENS' presence, that the President should be killed and outlined plans to this effect.

MARTENS said GILL was there approximately five to ten minutes and left.

At about 3:00 PM, on November 24, 1963, he received a call from FERRIE who said, after MARTIN had related the above information to him, that he had talked with GILL and there was nothing to worry about. MARTENS said he did not know if the call was local or long distance and that he made an inquiry concerning this and FERRIE replied something to the effect that it was none of his business. MARTENS said he knows FERRIE to be a great admirer of President KENNEDY and that he would classify him as a de-segregationist.

In addition, MARTENS said he graduated in June, 1961, from Fortier High School located at the corner of Nashville and Freret, New Orleans, and had attended McMinn Junior High School located at the corner of Nashville and South Claiborne, New Orleans.

MARTENS said LEE HARVEY OSWALD was unknown to him until the assassination of the President of the United States and that he has no knowledge which would shed any light concerning the assassination other than what he has read in the newspapers and heard through other news media.

He estimated the time of this meeting as late in the month of June, 1963. He stated that OSWALD appeared at his office with several individuals who impressed him as being homosexuals. ANDREWS stated that he could not remember the identity of the people who came to his office with OSWALD. He stated that he did not open a file on OSWALD and further that OSWALD did not pay him for any legal service. ANDREWS stated that OSWALD was concerned because he could not obtain employment and inquired of him if it would be possible to reopen his bad conduct discharge with the United States Marines. ANDREWS also stated he was interested in the immigration status of his wife and was concerned with the legal question of his citizenship status and whether he had lost his American citizenship in Russia. ANDREWS stated that he talked to OSWALD two or three times and asked OSWALD to bring his military discharge papers and his wife's passport and any other documents he might have to his office, but OSWALD never produced the papers. ANDREWS stated that it would cost \$25 or \$30 to obtain the necessary military records of OSWALD and as OSWALD did not produce the money to cover this initial expense, no action was taken by him.

ANDREWS advised that he has searched his mind in an effort to identify the persons who came to the office with OSWALD and he cannot recall them. He stated that he recalled one person whom he described as a Mexican who claimed he was born in Texas. From the appearance and demeanor of this person, ANDREWS stated he thought him to be a homosexual. ANDREWS stated that he never knew this individual's name but that he would sit outside of ANDREWS' office and wait for OSWALD.

He recalled another individual whose name he believes to be CLAY BERTRAND accompanied OSWALD to ANDREWS' office. He remembers this person as a youthful appearing person age 22 - 23, 5'7", 160 pounds, blonde hair and crew cut. ANDREWS stated that although he has associated the name CLAY BERTRAND in his mind with the individual described who appeared at ANDREWS' office with OSWALD, he cannot be sure this individual was in

fact named CLAY BERTRAND.

ANDREWS advised that he was in Hotel Dieu under sedation and asleep sometime Saturday night when the telephone rang and a person who said his name was CLAY BERTRAND asked him if he would be interested in handling the defense of LEE OSWALD in Dallas, Texas, for the murder of President KENNEDY. ANDREWS stated that he told the person that he would have to consider this matter and made no notes regarding the call. He stated that BERTRAND did not leave a telephone number but told him he would call him back.

ANDREWS stated that on Sunday he spoke with SAM "MONK" ZELDEN, a New Orleans attorney and asked him if he would be interested in assisting in the defense and while talking to ZELDEN a news report came in that OSWALD had been shot.

ANDREWS stated that it was his belief that CLAY BERTRAND was one of the individuals that had been in his office with OSWALD and the name seems to be familiar but he has no idea who CLAY BERTRAND is or how he came to contact him. ANDREWS stated that he has no file in his office on either OSWALD or CLAY BERTRAND and he has had his secretary make a thorough search of his records with negative results.

ANDREWS stated that for the past several years he has represented a number of homosexuals that have been involved in minor local violations and he feels that he is well known to most of the homosexuals in the French Quarter. He stated that he had no information that OSWALD was a homosexual. ANDREWS stated that he would continue efforts to recall any additional facts which would enable him to identify CLAY BERTRAND as a possible associate of LEE OSWALD.

ANDREWS stated that it is well known that he has been in Hotel Dieu since Thursday, November 21, 1963. He stated that he has had to continue a number of Municipal Court cases and that anyone with connections among the homosexuals in New Orleans could have known his location. He stated that BERTRAND could not have contacted his wife or his office and obtained this information.

ALVIN ROLAN BEAUBOUF, 2427 Alvar Street, New Orleans, Louisiana, was contacted at the Second District Police Station, at Napoleon Avenue and Magazine Street. BEAUBOUF advised that at approximately 1 a.m., November 25, 1963, he had gone to DAVID WILLIAM FERRIE's apartment at 3303 Louisiana Avenue Parkway to obtain a book from him and shortly after his arrival some New Orleans Policemen some how connected with the District Attorney's Office came in and arrested FERRIE, a boy named MARTINS and himself, after which he was taken to the Second District Police Station.

BEAUBOUF stated that he had met FERRIE approximately three years ago when he used to play hockey. It was his understanding that FERRIE was in some way connected with the Civil Air Patrol in New Orleans, and was a learned individual. BEAUBOUF stated that he had been attending the John Curtis Christian High School and since he was falling behind in his subjects FERRIE had been tutoring him in his school work. He stated that he guessed since his arrest he would be kicked out of school and appeared to be extremely concerned over this. When asked why he had gone to FERRIE's apartment at 1 a.m. in the morning, he continued to state he had just gone for a book. He was then asked about his whereabouts for the past two or three days and as to whether he knew LEE HARVEY OSWALD at which time he stated that he did not want to answer any more questions until he had consulted with his attorney, G. WRAY GILL, and wanted to know if he was free to leave. BEAUBOUF stated he had been booked at the Second District on a state vagrancy charge and that they had just released him at about 8 p.m. and wanted to know if there was any charge or reason why he could not now leave.

BEAUBOUF was advised that he was not being charged or accused of anything but that it was desirable that he submit to further questioning and again he stated

JACK S. MARTIN, 1311 North Prieur Street, New Orleans, Louisiana, advised that he was listening to a TV program on WWL-TV reporting the life of LEE OSWALD and reporting various interviews with people in New Orleans that were acquainted with LEE OSWALD. MARTIN stated that one of the people interviewed whose name he does not know who he described as a white male, age early 20's, wearing horn rimmed glasses, recalled that OSWALD had been active in the Civil Air Patrol with DAVID FERRIE. MARTIN stated that when he heard this he "flipped". MARTIN advised that in his occupation as a private investigator he has had occasion to develop considerable information about FERRIE and reported it to RICHARD E. ROBY, Special Agent, Investigative Division, Office of Compliance and Security, Federal Aviation Agency, Washington, D. C., who must have a big file on FERRIE as they conducted a complete investigation of his activities in New Orleans several years ago. MARTIN advised that he called WWL-TV Station and furnished the station with background information about FERRIE, particularly his homosexual tendencies and the fact that he formerly operated the Civil Air Patrol. He also told them that FERRIE was an amateur hypnotist and that it was his idea that FERRIE may have hypnotized LEE OSWALD and planted a post-hypnotic suggestion that he kill the President.

MARTIN stated that he has visited in the home of DAVID FERRIE and he saw a group of photographs of various Civil Air Patrol cadet groups and in this group he is sure he saw several years ago a photograph of LEE OSWALD as a member of one of the classes. He stated he did not recall the group that OSWALD was in or any other details. In addition he stated that FERRIE conducted military type drills with rifles, fatigue clothes and helmet liners of the Civil Air Patrol Cadets and he recalled that FERRIE claimed to have taught these cadets how to shoot. MARTIN stated that he has observed in FERRIE's home a number of foreign made firearms and it is his opinion that FERRIE

could have taught OSWALD how to purchase a foreign made firearm or possibly have purchased the gun that was shown on television. He advised that he saw similar type weapons at FERRIE's home when he visited there two years ago.

MARTIN advised that FERRIE discussed with him the charges of crime against nature which resulted in his arrest by Jefferson Parish authorities and he recalled that FERRIE had told him that one of the "kids that was a witness against him" had moved to Mississippi from New Orleans and subsequently joined the United States Marine Corps. He heard on television that OSWALD had been in the Marine Corps therefore he surmised that OSWALD was that "kid", that he was a witness against FERRIE in the crime against nature charge that had joined the Marine Corps. MARTIN explained it might have been the same individual or a very close coincidence.

MARTIN advised that he has reported this matter to Major TROSCLAIR of the New Orleans Police Department, Intelligence Division, and he felt that Major TROSCLAIR was not giving the matter sufficient concern so he called Assistant District Attorney HERMAN KOHLMAN who was a former newspaper reporter and who was very familiar with the FERRIE case as he had written various feature stories about FERRIE. MARTIN stated that he explained all of his ideas and suspicions to KOHLMAN.

MARTIN advised that he was really suspicious of FERRIE's activities when he received a report from W. HARDY DAVIS, a New Orleans Bail Bondsman, who told him that G. WRAY GILL, New Orleans attorney and employer of FERRIE had called him to locate FERRIE who lives down the street from him and at the same time had denied to the TV station that FERRIE was an employee of GILL's Office. DAVIS furnished MARTIN information that FERRIE had left town for Texas on Friday evening, November 22, 1963, which information he

also made available to Mr. KOHLMAN of the District Attorney's office. MARTIN stated that FERRIE is a completely disreputable person, a notorious sex deviate with a brilliant mind being highly trained in mathematics, sciences, several foreign languages including Latin, modern Greek and ancient Greek. MARTIN advised that FERRIE had been educated in a seminary and subsequently expelled from the Catholic Church and he, MARTIN, suspected him of being capable of committing any type of crime.

MARTIN stated that he felt that FERRIE's possible association with LEE OSWALD should be the subject of close examination as he personally believed that he could be implicated in the killing of President JOHN F. KENNEDY.

HAROLD N. HENDERSON, residence address 1137 North White Street, employed by Auderer Dental Company, Inc., 500 Hagan Street, furnished the following information:

New Orleans, La.
He worked as an outside salesman in 1956 for Pfisterer Dental Laboratory Company, 227 Dauphine Street. The name LKE OSWALD seemed to be familiar but that is all. He did not recognize photographs of OSWALD taken while he attended 9th grade at Beauregard School in New Orleans, and when he was arrested on November 22, 1963, for the assassination of President KENNEDY. HENDERSON advised his wife died in March, 1956, and his mother in May, 1956, and he therefore was absent from work a great deal during this period and ordinarily would not have paid much attention to messengers who usually stay for only a short period.

EDWARD VOEBEL, 4916 Canal Street (rear of Quality Flower Shop), was recontacted. VOEBEL stated that he had just been advised by BILL SLATTER of WDSU Television that DAVE FERRIE, who was commander of a Civil Air Patrol (CAP) Unit at New Orleans in which VOEBEL was a member, was a homosexual. VOEBEL stated that now that he thinks about this situation, he recalled that FERRIE seemed to be an "odd ball" who rode a motorcycle and appeared very emotional. VOEBEL recalled that on one occasion FERRIE cried while listening to some music.

VOEBEL stated that during the 1955 school year at Beauregard Junior High School he joined the CAP. He stated that a fellow student, ROBERT ESTAVE (PH), ^{LL} wore a CAP Uniform to school and told VOEBEL about the CAP and invited VOEBEL to join. VOEBEL remembered that he went with ESTAVE to Moisant Airport in Kenner, Louisiana, to a CAP meeting in the Eastern Airlines Hangar. VOEBEL stated that the meetings were held in a room located upstairs in the hangar. He stated that DAVID FERRIE was not commander of this CAP Unit at that time, and he was unable to recall the identity of the commanding officer of this unit. He recalled having to fill out an application and having it signed by his mother but could not remember whether he was given an oath when he joined.

VOEBEL stated that the unit held meetings on Sundays and sometimes on a week night. As best he could recall, the meetings were held about once a week. He said there were two "Wings" which totalled roughly 20 to 25 members, including a section for girls. He said he could not remember what the official designation was for the unit other than being the Moisant Airport Group. VOEBEL said he remained in this group for about one year and quit while he was attending Fortier High School sometime in 1956. He recalled that they attended classes in Meteorology, Engine Mechanics, Flight Instruction, Aerodynamics, Reading of Weather Reports, and Drills. He stated that the group never received any firearms training of any kind while he was a member.

He recalled that after he had been a member for approximately six months Captain DAVE FERRIE took over command of the unit. VOEBEL stated that FERRIE was reportedly very intelligent with several degrees, including a PhD in English, and was either a pilot or co-pilot for Eastern or Delta Airlines. He believed FERRIE resided in Airline Park, Jefferson Parish, Louisiana, at this time. VOEBEL stated that the people giving instructions in this unit prior to FERRIE taking command taught their classes like regular school teachers. He said that under Captain FERRIE the training became more severe and drills were intensified and on occasion Captain FERRIE used strong language. VOEBEL stated that he began to lose interest when FERRIE took command as they began to drill in rifle squad formations using regular wooden drill rifles and he felt that this instruction had no bearing on the activities of the CAP. VOEBEL stated that he persuaded LEE HARVEY OSWALD to join this same CAP Unit and took OSWALD with him one time on the bus to attend the meeting. VOEBEL assumed that OSWALD completed an application for membership at this time but could not say he did so for sure. He stated that OSWALD attended two or three drills and possibly four drills at the most. He stated that it seemed funny, but he could remember OSWALD joining the unit but could not remember him as ever being there. He said OSWALD had a knack for being there and not being noticed. He said that OSWALD told him that the trip to Moisant Airport was too far to go to attend meetings and he had decided to join a CAP Unit which met at New Orleans Municipal Airport on the Lake Front.

VOEBEL stated that he later had a discussion with DAVID VERRETT, who was a member of the CAP Unit at New Orleans Municipal Airport, and VERRETT told him OSWALD had never attended meetings at that unit. VOEBEL stated that he was acquainted with VERRETT as VERRETT was taking music lessons on the saxophone and clarinet with the same instructor at Werlein's Music Store that VOEBEL took lessons from. VOEBEL identified this music instructor as HOWARD VORRHIES who is now the band

leader for Post 125 of the American Legion.

VOEBEL stated he believes that OSWALD never intended to remain in the unit at the New Orleans Municipal Airport and used this as an excuse to get out of the CAP. VOEBEL explained he did not believe OSWALD liked authority nor did he like drilling and he did not really want to be a member of the CAP but he, VOEBEL, talked OSWALD into joining. VOEBEL stated that he could not recall if Captain DAVE FERRIE was commander of the unit at the time OSWALD attended meetings or whether OSWALD attended meetings prior to Captain FERRIE taking command.

VOEBEL stated that the only other person he could recall as a member of the CAP Unit at Moisant Airport was (First name unknown) ~~RONDELL~~ (PH), who was a radio man. He recalled that ~~RONDELL's~~ father had a radio license and expected that his son through code training at the CAP would get a license, too. VOEBEL stated he had no contact with FERRIE other than at meetings with the CAP. He stated that FERRIE never indicated to anyone that he was fond of guns and appeared to be a music lover of sorts. La

VOEBEL recalled that one time there was a big meeting scheduled for the CAP at Alexandria, Louisiana, and in order to get some training for the unit before going to this meeting, Captain FERRIE arranged for a one night bivouac. As best as VOEBEL can recall, this bivouac was held on a farm in Kenner, Louisiana, near Jefferson Highway, which belonged to a father of a member of the unit. He stated that they set up bunks in a barn. He recalled that Captain FERRIE told them they were going to have some rifle shooting practice and requested each member bring his own gun. VOEBEL stated he took his own personal .22 caliber rifle with him but it rained and they did not shoot. VOEBEL stated that OSWALD was not along on this bivouac as OSWALD had quit the unit sometime before this outing occurred.

4
NO 89-69/sab

VOEBEL stated that after he quit the CAP in 1956 he learned that the Patrol was meeting in Kenner, Louisiana, near Williams Boulevard and Third Street. He recalled that he attended one meeting and noted there was an old fighter plan nearby which was property of the CAP. He stated that this was also during 1956, exact date unrecalled; and Captain FERRIE was no longer commander of this unit. He stated this was the last time he attended CAP meetings.

During the interview with VOEBEL, he received a crank-type telephone call from an unidentified woman who admonished him for giving information over television which tended to bring a bad reputation to New Orleans and Beauregard Junior High. VOEBEL stated that he had also been frightened by a visit from someone who led him to believe he was from Associated Press but acted very suspicious. VOEBEL was advised of the jurisdiction of the FBI and that the FBI was not in a position to offer him any protection. He was advised that should he feel he needed protection he should contact the New Orleans Police Department.

Mrs. GLADYS DURR, 204 Shrewsbury Court, Metairie, Louisiana, advised that she is Commander of the Moisant Cadet Squadron, Civil Air Patrol. She said that she joined this unit in October or December, 1955. She said that DAVE FERRIE had been expelled from the squadron at about the time she joined it. She said that she believes JOE LISMAN was Squadron Commander when she joined. She stated that she had no records of membership, nor did recall LEE OSWALD as ever having been associated with the squadron.

Regarding LEO W. FERRIE, OSWALD stated that FERRIE was Squadron Commander at the approximate time at New Orleans Airport, but he would not say how certain that OSWALD was with FERRIE. OSWALD stated that FERRIE left the squadron at this approximate time and started his own squadron at Bossier Airport.

OSWALD stated that he had known this individual prior to the Intelligence Squad of the New Orleans Police Department. He stated that he had had little association with OSWALD at Leverage Junior High School, and knows nothing about him.

Officer FRED O'SULLIVAN, 413 Heritage, Gretna, Louisiana, New Orleans Police Department, Vice Squad, advised that he attended Beauregard Junior High School in New Orleans, Louisiana, contemporarily with LEE H. OSWALD. He said that during this time, in 1955, he, O'SULLIVAN, was a cadet in the Civil Air Patrol (CAP) at New Orleans Airport. He stated that he prevailed upon two other schoolmates, JOE THOMPSON *P. 11/10 194* and ED VOEBEL, and OSWALD to consider joining the CAP Cadets. He said that he and the others were about 15 years of age at the time. He advised that THOMPSON joined the CAP Cadet Squadron at New Orleans Airport and that VOEBEL and OSWALD came to one or two meetings, but did not join. He thinks they considered the airport location was too remote, and that they then went to the CAP Squadron at Moisant Airport. It was O'SULLIVAN's recollection that VOEBEL joined the CAP Squadron there.

Regarding DAVID W. FERRIE, O'SULLIVAN stated that FERRIE was Squadron Commander at this approximate time at New Orleans Airport, but he could not say for certain that OSWALD ever met FERRIE. He stated that FERRIE left the squadron at this approximate time and started his own squadron at Moisant Airport.

O'SULLIVAN stated that he had furnished this information to the Intelligence Squad of the New Orleans Police Department. He stated that he had but little association with OSWALD at Beauregard Junior High School, and knows nothing about him.

He said that most of the records of the squadron were stolen in late 1960, but that he has a few records as has ALVIN MEISTER, Squadron commander. This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

EVANS advised that he had no indication from any of OSWALD's actions while he was a young boy, that he was in any way disloyal to the United States.

EVANS recalled that his wife had told him that MARGURITE OSWALD was married twice. He recalled that his wife informed him that at the time LEE HARVEY OSWALD's father, who was MARGURITE's second husband, died, MARGURITE OSWALD was about seven months pregnant with LEE HARVEY OSWALD. He advised that his wife also had told him that when MARGURITE OSWALD went out for an evening, she would leave LEE with a babysitter (name and address unknown), and when Mrs. OSWALD would return, she would notice that LEE had welts on his body which he apparently received as a result of a beating.

EVANS advised that in approximately May of 1955, the OSWALD family moved from the apartment they occupied at 1452 St. Mary Street, and moved to an apartment on Exchange Place in New Orleans, exact address unknown. He advised he hadn't seen LEE HARVEY OSWALD from the time that he left 1452 St. Mary, until about the Spring of 1963, exact date unknown, when OSWALD returned to New Orleans.

In the spring of 1963, exact date unknown, LEE HARVEY OSWALD came to his home looking for an apartment. He stated that his wife, MYRTLE EVANS, answered the door and asked him if he recalled LEE HARVEY OSWALD. He advised that he did remember the boy and was surprised to see him again. EVANS advised that his wife told OSWALD that she had no apartment currently available, at which time they conversed for about an hour in the house. EVANS advised that during that brief period of time OSWALD mentioned nothing concerning his association or activity with the Fair Play for Cuba Committee or any attachment with any other official organization. He advised that OSWALD had told him that he had married while he was in Russia and when MYRTLE EVANS queried him as to whether OSWALD had given up his United States-Citizenship,

OSWALD replied in the negative. EVANS stated that he did not notice at that time whether or not OSWALD had any baggage with him. He advised that to the best of his recollection, OSWALD arrived at his home by public transportation. He advised that in March of 1963, OSWALD was working for the Reilly Coffee House in New Orleans, but cannot definitely be sure.

EVANS stated that after this brief conversation, MYRTLE EVANS accompanied OSWALD in his search for an apartment. He advised that it took them approximately one-half day to find the apartment on Magazine Street, exact address unknown. He stated that his wife informed him that OSWALD seemed pleased with the apartment at that time, but said that he did not believe his wife would like it because while OSWALD and his wife were in Russia, they lived in a new apartment. OSWALD, advised EVANS, had also mentioned that he was going to establish an apartment in New Orleans and then send for his wife, who he believed at that time was in Russia.

EVANS advised that during the time he has known LEE HARVEY OSWALD, he cannot recall any mention on the part of OSWALD to assassinate President KENNEDY. He stated that from his association with OSWALD, he did not think that OSWALD would be the type to assassinate President KENNEDY. He based this conclusion on the fact that he felt that OSWALD was an introvert and a recluse individual, who did not have time to associate generally in social circles. He advised that he could be wrong in his opinion.

JULIAN EVANS advised that he recalls that sometime, exact date unknown, MARGURITE OSWALD worked in a stocking place on Canal Street near the Audubon Building as a manager and buyer.

He stated that he cannot recall the exact name or location of this particular establishment. He further advised that he does not have any records available concerning the occupant of 1454 St. Mary Street and 1452 St. Mary Street, New Orleans, during the period May, 1954, and 1955. He stated that the present occupants of these residences are fairly current and would not have any knowledge concerning OSWALD. He advised that his memory fails him as to the name of the people who occupied the building during the above period.
