"Sir:

"The following information is respectfully reported relative to the interview of four arrested subjects in the First District Police Station, beginning at about 4:45 P.M., Friday, August 9, 1963. One of the four subjects, identified as Lee Harvey Oswald, WM, age 23, residing 4907 Magazine Street, had allegedly been distributing communist literature on Canal Street, and three Cubans, the other three arrested subjects, had become involved in an altercation with Oswald, which resulted in the arrest of the four subjects.

"Lee Harvey Oswald furnished the following information when interviewed.

"He is a member of The Fair Play for Cuba Committee, whose address is 799 Broadway, New York 3, N. Y., telephone OR4-8295. Chapter of the FPFCC), and the president of the local chapter, whose name was on the card was "A. Hidell."

Oswald stated, he worked at the Louisiana Coffee Company for about three months, and before that he had worked at Fort Worth, Texas, at a sheetmetal place. Oswald stated he worked in Fort Worth at the sheetmetal place for several months, but was very evasive in answering any further questions of employment prior to that time.

"Oswald stated that he lives with his wife, whose maiden name was Marina Pross, WF, age 21. They were married in Fort Worth, have one child seventeen months of age, and reside presently at 4907 Magazine Street, lower center, New Orleans.

"Oswald further stated the Cubans came up to him where he was giving out the leaflets and began to tear them up and throw them in the street. Oswald stated that they started to yell that he was a communist and about that time the officers from the First District came up and a crowd had gathered. Oswald stated he joined the Fair Play for Cuba Committee when he found a leaflet on the street one day and read what was on it, and sent \$5.00 to the address which was in New York city and after

a brief period of time he was sent material through the mail and contacted locally, and he started to attend the meetings, which he stated were held in each others homes. Oswald stated they, the members, get together and talk about how it would be to visit Cuba, life in Cuba, etc..

"Oswald denied the organization was communist, or a communist front, when asked by Captain James Arnold, Commanding Officer of the First Police District, who came in during the interview, but Oswald had in his possession and was carrying a piece of cardboard with "VIVA VIVA Fidel" painted on it and the paraphernalia he was handing out was pasted on this cardboard also. Oswald stated he has never been to Cuba, and it appeared as though he is being used by these people and is very uninformd and knows very little about this organization that he belongs to and its ultimate purpose or goal. Oswald stated that the people that attend these informal meetings are working class people, such as clerical, trades, etc..

concluded at approximately 6:00 P.M., same date, August 9, 1963."

* * * * *

Sergeant AUSTIN commented that after all the interviews were completed, he and ROBERTS again spoke to OSWALD briefly about whether or not OSWALD considered himself to be a communist. OSWALD insisted that he was not. At no time to his knowledge did OSWALD state that he was being paid \$25.00 for the distribution of Fair Play for Cuba literature nor was he being paid by anyone any amount of money for the passing out of this material.

Date 11/26/63

Mrs. MARCELLE MADDEN, Identification Division, New Orleans Police Department stated that her files did reflect a record on LEE HARVEY OSWALD, New Orleans Police Department Number 112-723. She stated that arrest report, number 645, prepared by First District under Item H-4843-63, showed that OSWALD was arrested on August 9, 1963 at 4:15 PM at the 700 block of Canal Street. He was arrested by Lieutenant W. GAILLOT and Patrolmen F. HAYWARD and F. WILSON of the First District and charged with violation of City Ordinance 828MCS 42-22, relative to disturbing the peace by creating a scene.

Mrs. MADDEN said that OSWALD's residence at that time was indicated as 4907 Magazine Street, New Orleans, Louisiana.

He was described as follows:

Race	White
Sex	Male
Age	23
Date of Birth	October 18, 1939
Place of Birth	New Orleans, Louisiana
Height	5'9"
Weight	140 pounds
Eyes	Blue
Hair	Brown
Complexion	Medium
Occupation	None

She said the report showed he was arrested with CARLOS BRINGUIER, CELSO M. HERNANDEZ and MIGUEL M. CRUZ.

Under remarks in this report, Mrs. MADDEN stated was the following:

"This subject is a member of the Fair Play for Cuba, which upholds Fidel Castro. This subject was passing circulars in the 700 block of Canal Street when he became involved in a disturbance with three Cuban immigrants."

Mrs. MADDEN stated this report had been prepared by Desk Sergeant PAUL DUPRE.

Mrs. MADDEN commented that contained in OSWALD's jacket was a copy of a FBI Identification Record, Number 327-925 D, dated August 14, 1963. This record reflected that on October 24, 1956, LEE HARVEY OSWALD, number 1653230 was fingerprinted by the Marines.

Second entry on this record showed that LEE HARVEY OSWALD was arrested by the New Orleans Police Department on August 9, 1963 and charged with 828MCS 42-22, disturbing the peace by creating a scene.

Mrs. MADDEN advised that the disposition of the August 9, 1963 arrest was that OSWALD in Municipal Court had been found guilty and had been sentenced to ten days in jail or paying a fine of \$10.00. Further details regarding this, she did not have.

Mrs. MADDEN stated her file did not reveal any identification record for A. T. HIDELL, ALEK JAMES HIDELL, ALEX J. HIDELL, A. J. HIDELL or O. H. LEE.

1Date November 30, 1963

Lieutenant WILLIAM GAILLOT, 5th District, New Orleans Police Department, advised as follows:

On August 9, 1963, he participated in the arrests of LEE HARVEY OSWALD and some Cubans who were involved in a peace disturbance involving the distribution of leaflets. He does not recall much of the details concerning the arrests and the conversations which took place thereafter but did have some conversation with OSWALD at the 1st District before other police officers took over the questioning.

He asked OSWALD as to how he supported his family and OSWALD replied that he was not working but was drawing unemployment compensation. He indicated he had no other source of income. OSWALD said specifically that he was not being paid to distribute the leaflets and that he was doing it only because he "enjoyed doing it." Concerning the source of the leaflets OSWALD said that everything he was passing out was sent to him from New York City. Since there was a New York City address on the leaflets it was assumed by the arresting officers that it was from this location that OSWALD received all of his material.

MILITARY ACQUAINTANCE OF LEE HARVEY OSWALD

The following investigation was conducted by SAs THOMAS R. MADIGAN and GENE D.B. ROBERTS at West Haven, Connecticut, on November 25, 1963:

PETER FRANCIS CONNOR, 27 Flaum Drive, West Haven, was interviewed in relation to his knowledge of LEE HARVEY OSWALD. CONNOR said he was a member of Marine Air Control Squadron One, Marine Air Group 11, First Marine Air Wing, at the Naval Air Station at Atsugi, Japan, during 1957-1958. He said OSWALD was also stationed there and lived in his barracks. CONNOR, whose service number is 1595596, said OSWALD was not a friend of his and he did not have a close knowledge of him. He said he was a trouble-maker and was engaged in "a few fights". One of these fights, CONNOR said, was with a ROBERT DEMURS, whom CONNOR believes resides in Lewiston, Maine.

CONNOR reported OSWALD had a privately owned Derringer in the barracks at Atsugi, which discharged at one time; and according to CONNOR, OSWALD was grazed with the bullet. CONNOR said he thinks OSWALD was later courtmartialed for having the unauthorized pistol.

CONNOR described OSWALD as a "real sloppy Marine...but he had the reputation of being a pretty good worker". He said he remembered OSWALD wearing an expert rifleman's medal.

CONNOR said the commander of his outfit was Lieutenant Colonel N. D. GLENN.

CONNOR stated that there were over 100 Marines quartered in this barracks, where he and OSWALD were located. He did not know of any close personal friends of OSWALD. He said he never heard anyone state that OSWALD had any anti-American or pro-Communist sentiments or that he ever made any statements indicating this tendency.

He advised OSWALD was still in Japan when he left there, and he has never been contacted since that time by OSWALD or anyone else inquiring about OSWALD until a close friend of his, JERRY E. PITTS, Memphis, Tennessee, apparently furnished his name to the press in Memphis. Since then, he has been contacted by the press and the local television station regarding his knowledge and association with OSWALD.

CONNOR was discharged from the Marine Corps, Parris Island, on April 1, 1959. He is presently employed as an apprentice iron worker with Connecticut Valley Contractors, East Berlin, Connecticut.

She said that she met HAYDEL in November, 1961, just after his release from Angola or the Orleans Parish Prison, where he had served eight months for bad checks. She said that they had been steady companions since that time. She said that she was residing at 311 Lopez Street at the time she met HAYDEL and moved to 5003 Magazine Street a month later. She said she stayed there a short time and then moved to her present address. She stated that HAYDEL operates his business, R. J. Electrical Service, from her residence (telephone 891-5365) for approximately two years.

She said that she has an invoice, Number 18643, from the Lee Rubber and Tire Corporation, 1530 Carondelet Street, showing that R. J. Electrical Service purchased four ultra nylon white tires, 800 x 14, amounting to \$101.60 on November 21, 1962. She said that HAYDEL went to the Lee Rubber and Tire Corporation personally to purchase these tires and had to open up a charge account in order to pay for them. She said that she knows all of HAYDEL's friends and is sure that LEE HARVEY OSWALD is not one of them. She said that she believes HAYDEL had never seen OSWALD until his picture appeared in the newspapers and on television during the investigation of the assassination of President KENNEDY.

She said HAYDEL signed several forms at the Lee Rubber and Tire Corporation at the time he opened this account and was sure that his handwriting could be verified in order to definitely establish that it was he who bought the tires at that establishment and not anyone else.
