LANA GREENBERG, 4755 White Flains Road, Bronx, New York, contacted SA JAMES O. INGRAM on Pecember 12, 1963, and she furnished the following information.

She met IEE HARVEY OSWALD in the early part of 1953 when they both resided at 825 East 179th Street, Bronx, New York. To the best of her knowledge she believes she first met OSWALD during the Spring of 1953. The OSWALD family which consisted of the mother, Mrs. MARGUERITE OSWALD and her son, IEE, resided in Apartment 3C and GREENBERG resided in Apartment 1C. She was approximately 12 years of age at that time and she believes OSWALD was approximately 13 years of age. They both attended Public School 44 in the Bronx, however, they had no classes together and only on occasion would they walk to school together. She recalled that OSWALD missed school frequently and on many occasions instead of attending school he would stay home and watch television alone.

She described him as a "loner" and a person who had no friends in the neighborhood and one who kept to himself. His mother, although not a friendly individual was always nice to her, GREENBERG, but she knew CSWALD's mother worked and therefore had very little time for any social association with the other neighbors. To the best of her recollection Mrs. OSWALD was employed by a hosiery shop in Manhattan.

The only other member of the family she has ever had occasion to meet was OSWALD's older brother, ROBERT who was in the military service and he visited his mother on one occasion during 1953. She never met the brother but remembers OSWALD speaking of his brother on several occasions and she received the impression he was very impressed by his older brother.

She recalls the OSWALDs moving from the building in the middle part of 1953 or the early part of 1954. She said she remembers that Mrs. OSWALD gave her a sealed envelope addressed to OSWALD's teacher at Public School 44 for GREENBERG to deliver. The OSWALD's then left the

building during that period; they did not say goodbye and they did now furnish information concerning their future. She wanted to point out that OSWALD's official teacher at Public School 44 is now deceased.

She could furnish no associates of CSWALD and she could furnish no other neighbors who might recall the family. It is to be noted that LEE HARVEY OSWALD formerly resided at 825 East 179th Street, Bronx, New York, during 1953, and this information has been previously set forth.

Calif Cn December 13, 1963, Miss ROSALEEN/QUINN, 214 East 64t: Street, Apartment 20, New York City, New York, advised SA RCGER H. LEE that she has been a stewardess for Pan American Airlines for the past seven years. She stated that during the summer of 1959 she took a leave of absence from Pan American and accompanied her nephew, HENRY ROUSELL, Baton Rouge, Louisiana, to Santa Anna, California. She remained in Santa Anna for approximately one week and resided in a private boarding house. She stated that during the period that she was in Santa Anna she would occasionally visit her nephew, who was in the Marine Corps and stationed in Santa Anna. She rewarked that her nephew had arranged two dates for her and the first one of these dates was with LEE HARVEY OSWALD, who was an acquaintance of her nephew's and also a member of the Marine Corps. She advised that her nephew had told her that OSWALD was studying the Russian language and since she had taken a Berlitz course in this language her nephew felt that it would give both of them an opportunity to practice speaking the language. She stated that on the night of the date with subject her nephew brought subject to the boarding house where she was residing, introduced subject to her and then both subject and she had dinner and attended a movie.

Miss QUINN recalled that OSWALD was a quiet individual and that it was difficult to converse with him. She commented that she thought OSWALD spoke Russian well for someone who had not attended a formal course in the language. She stated that she could not recall any statement made by OSWALD which indicated that he was dissatisfied with the United States Government or the United States Marine She stated that in her opinion the evening date with subject did not prove to be a very interesting one and in fact she could not recall whether OSWALD accompanied her back to her boarding house or whether she returned alone. Miss QUINN stated that the only other date she had while visiting at Santa Anna was with one Lieutenant DCNOVAN, described as OSWALDS Company Commander. She concluded by stating that she has never seen nor heard from OSWALD since the above-described meeting and was unable to furnish any additional information regarding him.

O: December 13, 1963, EDWARD FUHRMAN, 15
Fenner Lang, Nanuet, New York, advised SA GORDON W.
TINDLE that he is the son of Mrs. MARY FUHRMAN, Selden, New York, and that his sister MARGE is married to JOHN PIC, who is subject's stepbrother. He commented that although subject and his mother had resided for a short period of time at his sister's apartment, 325 East 92nd Street, New York City, in 1952, he has never met either subject or subject's mother and was unable to furnish A any information concerning them.

On December 12, 1963, ARTHUR TUHRMAN, 55 Park
Terrace East, New York 34, New York, advised SA JOHN D.
HURLEY, JR. that he only met subject and subject's mother
briefly on one occasion while they were visiting the
apartment of his sister, MARGE, at 325 East 92nd Street,
New York City, approximately nine or ten years ago. He
stated that subject at that time was a "little kid" and
from conversations that he had with other members of the
family he had heard that subject and his mother were both
obnoxious. He advised, however, that since he had only
met subject and his mother very briefly he had no personal
knowledge of their activities while in New York City and
was unable to furnish any information concerning them.

On December 12, 1963, PAUL FUHRMAN, 2 Kings Avenue, Selden, New York, advised SA JOHN D. HURLEY, JR. that he met subject and subject's mother on one occasion while both of them were visiting at his sister's apartment, 325 East 92nd Street, New York, sometime in 1952. He recalled subject as being a very young boy and remembers from conversation at that time that subject was reportedly having difficulty in school as a result of being a truant. He also recalled that subject was either going to attend or had attended a Lutheran school. He commented that he later heard through his sister, DORIS EBEL, that subject on one occasion had threatened his sister, MARGE, with a knife. He remarked that his sister MARGE is married to JOHN PIC, who is subject's stepbrother. He stated that

inasmuch as he only met subject and his mother on one occasion he was unable to furnish any additional information concerning them.

Records Clark, Central Index Bureau of New York, Ill John Street, New York City, advised SA ROGER H. LEE that a review of their records failed to reflect any information pertaining to a personal injury claim involving LEE HARVEY CSWALD or MARGUERITE OSWALD. Miss TAMPA stated that their Bureau does not maintain records of the entire country and that any records involving the subject would probably be located at their southwest Bureau, 2204 Tower Petroleum Building, Dallas 1, Texas.
