JESSE A. SKRIVANEK, resident of 8909 Carleen Drive,
as purchasing clerk, Procurement Division, State
Stores, Selective Service System, 515 Western Republic
Building, advised the following:

The Monday following the assassination of President
JOHN F. KENNEDY, Mrs. DANIELLY of his office asked him if he
could recall an individual who she believed to be HARVEY OSWALD
having visited that office.

Thereafter he "racked his brain" but could not recall
having ever seen anyone resembling OSWALD, having seen several
photographs of OSWALD in the news and as having
observed him on television.

More specifically he could not recall the individual
referred to by Mrs. DANIELLY.

STELLA NORMAN is no longer employed as a waitress at this cafe.

NORMAN's last known residence was the second house on the east side of Bannister Street, running north off of Van White Blvd.

She furnished this address only after interviewing agent identified himself and thereafter advised the following:

She did not wish to enter into a controversy with anyone concerning any matter.

In her opinion NORMAN is not a very responsible person.

NORMAN had spoken of having seen President KENNEDY's accused assassin as a customer of the Trek Cafe. However, expressions made by NORMAN in private, expressions which she could not now recall, she questioned whether NORMAN had seen anyone resembling the assassin.

Plainly she felt NORMAN had manufactured the whole story about seeing the accused assassin in the Trek Cafe and that a Mr. VDAY, a customer of the Trek about twice weekly had "imagined" the story with NORMAN.

She could not recall an instance during NORMAN's employment when NORMAN had been the only waitress on duty in the Trek Cafe.

FLORENCE ESTELLA NORMAN, widow, 4301 Bannister, advised
 LOWERY

She began employment at the Trek Cafe, 3100 South
 Street, the latter part of August, 1963, and was so employed
 the Monday before Thanksgiving.

From the beginning of this employment until October,
 1963, her hours were from 5:00 pm until 1:00 am, seven days
 a week. The her hours were changed and she began work
 either at 1:00 or 3:00 pm and worked until either 11:00 pm
 or midnight except Fridays and Saturdays when her hours were
 from 5:00 pm until 1:00 am.

The Sunday after the assassination of President
 KENNEDY while at the Trek Cafe she saw a picture of LEE
 HARVEY OSWALD in an Austin paper and recognized him as
 a customer she had served at the Trek Cafe.

This customer was at the cafe in the midafternoon
 the above working hours she concluded this individual
 present at the Trek Cafe either the latter part of
 or the early part of November 1963.

She recalled the following concerning this
 incident:

She was alone in the restaurant, neither other
 employee nor customer being present. The cook was in the
 kitchen. This individual came into the restaurant and
 ordered coffee. He appeared very nervous. He kept fooling
 with the paper napkins and appeared to be writing or
 doodling on these napkins. He used three or four napkins
 and must have put these in his pocket before leaving as the
 napkins were not left on the table, ashtray or floor.

The customer remained 30 or 45 minutes and had either
 three or four cups of coffee. He paid \$0.10 for each coffee
 as the Trek does not give refills on coffee.

This customer was alone at all times. She did not know the mode of transportation on leaving and neither did she notice the direction in which he left.

Seeing he was nervous she tried to start a conversation with him but he did not respond.

On seeing the photograph of the accused assassin in the paper that Sunday she exclaimed aloud, "He God I know him."

A Mr. DAY who is employed at a local newspaper was also a customer.

Mr. DAY asked her how she knew the accused assassin and she told him, "As a customer."

Mr. DAY then said he thought he too had seen this individual in the Trek Cafe.

She could not recall Mr. DAY being in the cafe when this customer whom she believed to be identical with the accused assassin of President KENNEDY was there, but Mr. DAY could have been present.

She has not discussed this information with anyone else, nor even her parents and she did not know how the newspaper reporter knew to come to talk to her. This reporter contacted her about two weeks prior to this interview while she was employed at Bill's Grill, located at South Congress and Riverside Drive.

On December 13, 1963, OSCAR S. WARNKE, Chief Jailor, Bexar County Jail, San Antonio, Texas, advised Investigative Clerk LARRY M. HILL that he had received information from one MARY CONAWAY to the effect that a man by the name of ALAN HIDEELL might possibly have information concerning the activities of LEE HARVEY OSWALD.

On December 21, 1963, Mrs. CONAWAY, 2231 Basse Road, San Antonio, advised SA GEORGE KEEFER that she had contacted Mr. WARNKE for the reason that she wanted to do anything that would be helpful in the investigation surrounding the assassination of President JOHN F. KENNEDY. She said that she is not personally acquainted with ALAN HIDEELL and does not know where he lives but that she associated him in her mind with the events surrounding the assassination because of the similarity between his name and the name ALEK HIDEELL which according to newspaper accounts was used by OSWALD. Mrs. CONAWAY stated that at one time she worked in the Bad Check Division of the Bexar County District Attorney's Office and that several accounts involving ALAN HIDEELL came to her attention. She said that she gathered the impression that ALAN HIDEELL was a trouble maker and a very unreliable person and added that she felt that there was possibly some connection between him and OSWALD. She said she had no information concerning the activities of OSWALD and was unable to furnish any physical description or background information concerning ALAN HIDEELL.

On December 27, 1963, [REDACTED] Retail Merchants Association advised Investigative Clerk JOHN SMITH that his office has a record for ALLAN M. HIDEELL of 123 Sutton Street, San Antonio. This record reflected that HIDEELL was the proprietor of a used car lot at 1603 Broadway, San Antonio and that his credit was unsatisfactory reflecting numerous unpaid and delinquent accounts.

On December 27, 1963, IC SMITH checked records of the Identification Bureau of the San Antonio Police Department and advised that these records contain a file numbered 43618 concerning ALLEN M. HIDEELL, 123 Sutton Street, San Antonio. This individual was listed as having been born May 23, 1921 in Pennsylvania and

his fingerprint classification number 15 0 27 000 15
20 III.

HIDELL was arrested November 3, 1955, for a violation of city ordinance Section 60-70 but this was dismissed on November 23, 1955. He was again arrested October 13, 1962, for malicious mischief and released on county bond. The records of the Bexar County Sheriff's Office indicate that this case number was reported in the magistrate's docket but never filed. A photograph of ALAN M. HIDELL under San Antonio identification number 24810 was obtained.

On January 3, 1964, ALAN MAXWELL HIDELL voluntarily appeared at the San Antonio Office. He was advised by SA GEORGE KEEFER that he need not answer any questions, that anything he might say could be used against him in court and that he was entitled to have an attorney. HIDELL stated that he had no objection to answering any questions concerning his past or present activities and that he did not desire to have a lawyer.

ALAN MAXWELL HIDELL advised that he was born May 23, 1921, at Allentown, Pennsylvania. He identified his father as CHARLES MAXWELL HIDELL (deceased) and his mother as FLORENCE KEIDEL HIDELL, who presently resides at 123 Sutton Drive, San Antonio, Texas. He stated that when he was a very small child his family moved to Orlando, Florida, and when he was about five or six years of age they again moved to Los Angeles, California. In about 1930 he and his family moved to San Antonio, Texas, where he attended Jefferson High School graduating in 1939. At that time he lived on Rosewood Street and following graduation attended St. Mary's University in San Antonio for one year. In 1941 he was drafted into the United States Army receiving Army serial number 38061231. He received a medical discharge in November, 1945, and returned to San Antonio where his residence was 2309 W. Mulberry Street and his occupation that of buying and selling used cars at 1603 Broadway. In 1952 he married MARTHA BECK and lived at 123 Sutton Drive continuing in the same business as above. MARTHA passed away in 1957 and in 1960 he married VIRGINIA GRONA. At this time the HIDELLS lived at 2803 Arrowhead in San Antonio but in 1961 his business

and he was divorced by VIRGINIA. On November 15, he married FRANCES HIDEELL at Seguin, Texas, and he lives with his mother at 123 Sutton Drive. FRANCES HIDEELL maintains an apartment at 138 Vanderheck and operates a bookkeeping service in the Milam Building. HIDEELL stated that he receives a small pension as a result of service connected injury and that he makes a little money from time to time as a free lance wholesaler of used cars.

ALAN HIDEELL advised that in 1960 or 1961 he was arrested and had check charge in San Antonio but that the Grand Jury failed to return indictment.

HIDEELL stated that he has not visited Mexico City in the past thirty years although he has been in Mexico twice during recent years. In September of 1961 he visited Monterrey, Mexico, with his wife VIRGINIA on a pleasure trip and on July 3 and 4, 1963, he made a similar pleasure trip to Monterrey. On this occasion he entered Mexico via Zapata due to the fact that roads leading South from Laredo were in bad condition. This trip was made with FRANCES HIDEELL and her two children ages 13 and 10 and they were accompanied by CLAYTON P. MYER, an insurance agent who resides at 127 Cloverleaf, San Antonio. ALAN MAXWELL HIDEELL advised that he has never used any other name than the above although he has discovered that it is a common mistake for others to spell his given name ALLEN. He stated that he does not possess any information concerning the assassination of President KENNEDY other than that which he obtained from reading newspapers and watching television. He said that he is not acquainted with LEE HARVEY OSWALD or JACK LEON RUBY or any other individual connected with the assassination or the subsequent killing of OSWALD.

HIDEELL stated that he had a brother JOHN HIDEELL who died in 1961 and that he has two sisters JANE (Mrs. FRANK) BERRY, age 46, who resides on Avant Street in San Antonio and MARY (Mrs. ROLAND) SUARY, age 38, who resides in San Francisco, California. He said that he has an uncle by the name of ALEX HIDEELL who is about 75 years of age and who operates a hardware store in Philadelphia, Pennsylvania. This individual has a son ALEX, who is ALAN HIDEELL's cousin. ALEX HIDEELL, JR. according to ALAN HIDEELL, works with his

Dear Mr. Rankin:

"The Dallas Times Herald" on January 14, 1964, carried a story which quoted from a speech of the Attorney General of the State of Texas, Waggoner Carr, delivered on the night of January 13, 1964, to the Brotherhood of the Highland Baptist Church in Dallas.

Mr. Carr reportedly stated that Federal Bureau of Investigation reports on Jack Ruby would be turned over to the Dallas District Attorney, Henry Wade, by the President's Commission investigating the assassination of President Kennedy. He said that you have agreed to turn over the data at the request of the Attorney General of the State of Texas who on Saturday, January 11, 1964, gave the President's Commission all of the results of the Texas investigation into the assassination and the killing of Lee Harvey Oswald. He said that the District Attorney will be free to use the Federal Bureau of Investigation data in the prosecution of the accused slayer of Oswald.

Attorney General Carr also stated that he had not read all of the reports of the Texas investigation but from what he had read, he had come to these conclusions: "Oswald was a lone ranger and worked alone."

Dear Mr. Rankin:

Assistant Attorney General Herbert S. Miller, Jr., has advised that the Department of Justice contemplates giving out no information concerning the Harvey Oswald but that after the reports concerning Jack Ruby have been reviewed by the Department for the purpose of removing any confidential information, they will be shown to U.S. District Attorney Henry Wade by United States Attorney Donald Sanders in order that Mr. Wade may indicate the material that would be useful to him and that Mr. Wade will probably be given the material he requests. It is also understood that the Department contemplates furnishing Wade's attorney only with a list of the names and addresses of persons who have furnished information having a bearing on Ruby's mental condition.

From your review of these reports, you are undoubtedly aware that in many instances they contain information which may be in the nature of gossip and rumor and which has not been substantiated. Nevertheless, such information represents the views of the persons interviewed and has been reported as such as received by me. This is being called to your attention in view of the fact that if this type of information should be misused or become a matter of public knowledge, it could reflect most unfavorably upon the Department of Justice and the President's Commission.

Although the reports are self-explanatory, I thought you should be alerted to the foregoing observations and I have also alerted Assistant Attorney General Miller.

The investigative report of SA Robert P. Gemberling dated 1-7-64 at Dallas contains information obtained from Captain Paul Barger of the Irving Police Department, Irving, Texas.

On 11-26-63 Barger advised that he had received information that a male voice was overheard in a conversation which took place between telephone number CR. 5-5211, Arlington, Texas, and telephone number BL. 3-1628, Irving, Texas, 11-23-63. According to Barger the male voice was heard to comment that he felt sure Lee Harvey Oswald had killed the President but did not feel Oswald was responsible and further stated "we both know who is responsible."

Telephone number CR. 5-5211 in Arlington, Texas, is located in the portion of the Bell Helicopter Company where Michael Paine is employed. Telephone number BL. 3-1628 is the residence number for Mrs. Ruth Paine. Michael Paine was interviewed and specifically denied making such a statement.

On 1-10-64 Captain Barger advised he was unable to divulge his original source of information without first contacting the source as disclosure would put the source in jeopardy of losing his job. Captain Barger claimed not to know the name of his source.

On 1-15-64 Captain Barger advised he had been unable to identify the source of his original information. He stated he had contacted the person he believed had furnished the information to him and had determined that this person had not done so. On 1-16-64 SA Joseph Leffler in the absence of the SAC and ASAC was advised that the

Bureau was attaching considerable importance to the allegation and he was instructed to take every step to resolve it. It was pointed out to the Dallas Office that Captain Barger indicating he cannot now recall the identity of his source is not very convincing. Consequently, Barger should be immediately and thoroughly reinterviewed.

It was pointed out that in the investigative report Barger's identity is concealed with a T Symbol. During the reinterview of Barger, the Agent should point out to him the significance of the allegation and the undesirability of having such an allegation attributed to an unidentified source. Dallas was instructed to get Captain Barger's consent to disclose his identity as the source of this allegation.

Dallas was also advised the Bureau did not desire to disseminate the report with this allegation unresolved. Dallas was instructed to submit the results of the interview of Barger on 1-15-64 on a separate 302 Form so that it could be included as page 66A of the report. Dallas was instructed to immediately interview Ruth Paine concerning this allegation and the results should be submitted so that they can be incorporated in the Dallas report.

NELSON DELGADO reinterviewed by SAS RICHARD B. MURDOCK and JAMES A. MARLEY, JR. at Holmdel, New Jersey on 1/15/64. The statements attributed to him in FD 302's dated 12/10/63, and 12/13/63, were read to him. He said that everything in these FD 302's was correct to the best of his knowledge. He claimed that he did not exaggerate anything. However, what he considered proficient Spanish is the ability he thought OSWALD had to speak and be understood in the language. He explained that he himself can write short phrases and letters in Spanish but he would do this only to his wife or close friends. He said that he does not have the ability to teach anyone how to write Spanish properly because he does not know Spanish grammar.

DELGADO said that he did teach DAVID MURRAY while both at Biloxi, Miss. DELGADO said he did not lie or exaggerate concerning his trip with OSWALD and two Negro Marines to Mexico. Denied dating young girls. Said he was interested in older girls. Admitted being immature while stationed in California.

DELGADO considered braggart by present military associates, but not known as liar. Two soldiers said they were taught simple Spanish.

Evaluation by SA RICHARD B. MURDOCK as to DELGADO's Spanish ability is that he is not proficient in the Spanish language. SA MURDOCK feels that DELGADO has a good understanding of the spoken language, very faulty grammar, and his spelling ability is poor.
