OSWALD REVISITED

The assassination of President Kennedy may after all have been the work of Right Wing extremists, according to Mr. Thomas Buchanan, an American author and mathematician.

Mr. Buchanan says that the conspiracy was organized with the connivance of at least some of the police by Dallas oil millionaires, financiers of the John Birch Society. He believes that two gunmen, of whom Oswald was not one, fired at the President. Oswald's role was to assist one of the killers. He was then to be killed by Police Officer Tippitt and, as a known Communist sympathizer, be blamed for the assassination. But this plan misfired when Oswald was captured alive. The police then arranged for him to be killed by Ruby, who himself is now in danger of being killed.

Mr. Buchanan, whose conclusions are now before the Warren Commission set up by President Johnson to investigate the Kennedy murder, suggests that the murder could not have been the work of one

man. The police say that three shots were fired all from the sixth floor room in the municipal warehouse in which Oswald worked; several people reported that they had heard four shots. No human could have fired four shots with Oswald's rifle in the five and a half seconds which the FBI says elapsed between the first and the last shot.

Mr. Buchanan suggests that some of the shots came from the railway bridge towards which the presidential car was driving. He argues that the official story that only three bullets were fired fails to explain the fact, if it be one, that two journalists saw a bullet hole in the car windscreen.

Moreover, he says that the official story of the President's throat wound — that it was caused by a bullet which first entered his back—fails to explain how a bullet following such a trajectory could have been fired from a sixth floor window. He concludes therefore that of four shots fired at least two were fired from the bridge.

Mr. Buchanan thinks that Oswald's part was to smuggle the gunman into the warehouse overnight, to bring him the gun in the morning, and to keep guard. This would explain the half-eaten meal left by the presumed assassin which the police say was left from the previous night, the half-smoked packet of cigarettes when Oswald did not smoke, and the fact that when arrested Oswald had no trace of gunpowder on his cheeks.

Mr. Buchanan says that, amazingly, at 12:35 p.m. Oswald was allowed by the police to leave the warehouse. At 12:36 p.m. a radio call was put out for his arrest with a detailed description. The police say that it had then realized that Oswald was the only employee missing. This, Mr. Buchanan says, means that in the space of one minute the police must have assembled all the 90 employees — which is plainly impossible. It is more likely, he suggests, that the description was issued as soon as Oswald had been allowed to leave the building — because that was the pre-arranged plan.

Oswald was to meet Tippitt, who, he had been told, would help him escape. In fact Tippitt was to make to arrest Oswald and then shoot him "in self-defense." Oswald must have become suspicious of a doublecross and shot Tippitt instead.

no copy to St. Louis or Oklahoma City.

ReBuairtel instructed New York to locate and interview
PETER CASSISI, a former Marine Corps associate of OSWALD for all
information he possessed about OSWALD.

ReBuairtel instructed St. Louis to review files at the
Military Records Center to determine last known addresses for ALLEN
FELDE and DONALD GOODWIN, who were also former Marine Corps
associates of OSWALD and to submit results in report form.

Re NY airtel sets forth the results of the interview with
PETER CASSISI who states he was attached to the Marine Air Control
Squadron No. 1 at Atsugi, Japan, and served there from about 11/4/56
to 12/10/58. CASSISI recalled that OSWALD was attached to this same
unit from about November, 1957, and was still with the unit in
December, 1958, when CASSISI returned to the United States. CASSISI
stated he was assigned to a transportation unit while OSWALD was
in a radio unit which serviced radios used for radar sets and
operated a radio relay station.

CASSISI stated he had a vague recollection that an
individual (FNU) (possibly RICHARD) CYR might possibly have associated
with OSWALD in the Marine Corps. He pointed out that this was a very
vague impression but it was the only name that came to his mind as a
possible associate of OSWALD. CASSISI had no information as to the
present whereabouts of CYR.

CASSISI also stated that after an article appeared in "Life" magazine in February, 1964, in which his name was mentioned, he received a letter from a former associate in the U. S. Marine Corps, SIDNEY S. ROBINSON. ROBINSON, in the letter, without being specific, indicated that he had some recollection of OSWALD. ROBINSON according to his letter was to attend the Federal Aviation Agency's Academy in Oklahoma City, Oklahoma, and would be there until either June 20 or July 4, 1964.

Dallas files do not reflect that anyone by the name of CYR or SIDNEY S. ROBINSON has been interviewed and it is considered desirable to have such interviews conducted.

OKLAHOMA CITY DIVISION

AT OKLAHOMA CITY, OKLAHOMA

Will locate and interview SIDNEY S. ROBINSON at Federal Aviation Agency's Academy in Oklahoma City for all information he possesses about OSWALD. Find out how well he knew OSWALD. Where were they assigned together? What was OSWALD's work in Marine Corps when ROBINSON knew him? Who was OSWALD's closest friend at that time? How did OSWALD spend his off-duty hours? Question ROBINSON thoroughly for his recollections of OSWALD. Also determine from ROBINSON if he knew an individual named CYR and obtain complete name and present location if possible.

ST. LOUIS DIVISION

Will review files at the Military Records Center for the name RICHARD CYR in an effort to locate his last known address and set forth lead for appropriate office to interview him along same lines as set out in lead for Oklahoma City.

Manager did not know if OSWALD had attempted to cash other checks nor did he know how often OSWALD visited the store. Manager of Winn-Dixie Store #1404, New Orleans, identified one Texas Employment Commission Warrant as being cashed at his store. No fee charged for cashing this check and indications are that OSWALD used Marine Corps Card for identification. Manager did not know if OSWALD had attempted to cash other checks nor did he know if OSWALD had made any purchases or how many times OSWALD may have visited his store. Manager, Winn-Dixie Store #1439, New Orleans, identified two Texas Employment Commission Warrants as having been cashed at his store. No fee charged for cashing checks. He said that normally employees of the William B. Reily Company were not required to exhibit identification in order to cash a check at his restaurant. He charged a 10¢ fee for each check cashed. He advised that he had not cashed any other checks for OSWALD since he does not cash personal checks for anyone. He only cashes payroll checks and unemployment checks.

He advised that he did not know if OSWALD attempted to cash any other checks in his restaurant because he does not recall OSWALD at all. He said that his brother-in-law, ANTHONY/MARTIN or his wife, Mrs. ROSE/MARTIN, remember that OSWALD used to eat lunch there but that he, himself, cannot place him. Mr. MARTIN said that he understood from speaking to his wife or brother-in-law that OSWALD spent about 50¢

ANTHONY MARTIN, Martin's Restaurant, 701 Tchoupitoulas Street, advised that he remembers seeing OSWALD eat lunch in the restaurant and recalled that he always sat by himself. He usually ordered a hamburger and a soft drink for lunch and would normally be in the restaurant from about 11:30 to 11:45 AM almost daily. He said that a hamburger costs 35¢ and a soft drink 8¢ and that this was the usual expenditure made by OSWALD for his lunch.

ANTHONY MARTIN did not recall cashing any checks for OSWALD and said that the only time he saw OSWALD in the restaurant was when he came there for lunch.

Mr. J. D. FUCHS, Manager, Winn-Dixie Store #1425, 4303 Magazine Street, identified the following checks as having been cashed at his store:

Texas Employment Commission Warrants

<u>Number</u>	<u>Amount</u>
G246347	\$33.00
G323653	\$33.00

G459698	\$33.00

William B. Reily and Company, Inc., Check

<u>Number</u>	<u>Amount</u>
2621	\$10.84

Mr. FUCHS advised that either he or his assistant, J. S. GUILLOT approved these checks for cashing. He said that no fee was charged for cashing these checks. Mr. FUCHS advised that he did not know if any other checks were cashed for OSWALD, but he doubts that there were. He said that a person cashing a check would have to have some form of identification such as a Social Security Card. He said that OSWALD did not have a Winn-Dixie Courtesy Card which would permit him to cash checks at the store because if he had a courtesy card, the front of the check would bear the number of the Winn-Dixie Courtesy Card. FUCHS advised that he did not know whether or not OSWALD had attempted to cash any other checks at his store. He stated that he did not know whether or not OSWALD made any purchases at his store and said that he had checked with each one of his employees including all his cashiers, and that none of them remember OSWALD being a customer in the store. He advised that he did not know how often OSWALD actually visited the store and could furnish no other information concerning OSWALD's expenditures.

Mr. R. W. MASSEY, Manager, Winn-Dixie Store #1404, 3920 South Carrollton Avenue identified Texas Employment Commission Warrant #G386726 in the amount of \$33.00 as being cashed at his store. He said that actually the check was approved for cashing by HENRY H. MURPHY, SR., a clerk, but in all probability, MURPHY obtained his, MASSEY's, authorization to cash the check. He said that no charge was made for cashing the check and noted that the front of the check bore the notation USM Card 1653230. He advised that this indicated to him that OSWALD had used his Marine Corps Card as identification in order to cash the check. He said if OSWALD had used a Winn-Dixie Courtesy Card that the number of the courtesy card would have been placed on the front of the check. He said that he did not know if OSWALD had cashed any other checks at his store, however, he does know that OSWALD did not fill out an application for a courtesy card at his store because he checked these records and could find no application in the name of OSWALD. He stated that he did not know if OSWALD had attempted to cash any other checks at his store. He informed that he did not know if OSWALD had made any purchases at his store however, he thought that probably OSWALD had made a small purchase when he cashed the above Texas Employment Commission Warrant since he doubts seriously if MURPHY would have okayed the check for cashing if OSWALD had not made any purchase.

Mr. MASSEY was unable to state the number of times OSWALD may have visited his store. He said that he had checked with all of his employees and that none of them recall seeing OSWALD.

He was unable to furnish any further information concerning OSWALD's expenditures.

He said that no charge was made by the store for cashing these checks and that he did not know of any other checks cashed by his store for OSWALD. Mr. TEMPLET recalled that OSWALD had tried to cash a check which he thought was issued by a coffee company in New Orleans in the amount of approximately \$56.00 in either May or June, 1963. He refused to approve the check for cashing at which time he gave OSWALD an application for a courtesy card which would permit him to cash checks at the store. He stated that he had searched his records but was unable to find the application. He said that he thought that OSWALD had made purchases at the store but he himself, was unable to state how often or in what amount.
