Dear Mr. Rankin:

Lee Harvey

Reference is made to your letter dated April 28, 1964, in which you requested additional investigation to resolve certain information previously furnished by Mr. Dial D. Ryder, employee Irving Sport Shop, concerning the repair tag bearing the name "Oswald."

Enclosed are two copies of a memorandum dated May 18, 1964, Dallas, Texas, which contains this information.

For your additional information relating to this matter, your attention is directed to the report of Special Agent Robert P. Gemberling dated December 23, 1963, Dallas, Texas. Page 743 reveals an interview with Marina Oswald in which she stated she had never visited a furniture store with Lee Harvey Oswald at Irving, Texas.

Additional investigation is being conducted relating to this matter and upon receipt, the results will be promptly furnished to you.

Ryder became aware of the tag's existence. The Commission desired to know how, when and where the story concerning the repair tag first came to the attention of the press as the Commission is attempting to make a determination concerning the veracity of Mr. Dial D. Ryder, employee, and Mr. Charles Woodrow Greener, owner of the Irving Sport Shop. Inquiry was also to include whether all individuals with a surname of Oswald have been contacted to determine if any of these persons had repair work done at the Irving Sport Shop. One individual has yet to be interviewed and Little Rock has been requested to expedite this investigation.

Mrs. Edith Whitworth claimed Oswald and his wife had visited her store allegedly looking for a gun part, subsequently she directed Oswald to the gun shop located east of her store. However, Marina Oswald does not recall ever visiting this store in early November.

MICHAEL DAVID OSWALD, Airman Second Class,
AF 18 637 188, 97th Field Maintenance Squadron, Blytheville,
Arkansas, Air Force Base, advised SA DONALD L. ANDERSON on
May 21, 1964, of the following information:

He stated that a number of years ago he recalled that he had read newspaper articles concerning the fact that LEE HARVEY OSWALD had gone to Russia and had renounced his United States citizenship. He stated that at the time an aunt of his named ELIZABETH OSWALD, who has since been married and may be named ELIZABETH DONETAS, had exclaimed that LEE HARVEY OSWALD was a second cousin to MICHAEL. He stated that he recalled that this conversation had taken place at McGregor, Texas.

MICHAEL DAVID OSWALD advised that he had never met LEE HARVEY OSWALD either prior to or since this conversation he had with his aunt, ELIZABETH. He further advised that to his recollection he had never met any of LEE HARVEY OSWALD's immediate family nor to his recollection has any member of his immediate family been in contact with the immediate family of LEE HARVEY OSWALD.

MICHAEL DAVID OSWALD further advised that because of the fact that neither he nor any other member of his immediate family has been in any type of contact with LEE HARVEY OSWALD or members of his immediate family, he had absolutely no information which would be pertinent or shed any light in connection with the assassination of President JOHN F. KENNEDY.

MICHAEL DAVID OSWALD advised that U. S. He stated that he has been assigned at Blytheville Air Force Base since October 2, 1963.

ReBuairtel to Mexico City dated 5/18/64 which enclosed copies of San Antonio teletype dated 5/15/64 dealing with the reinterview of ROBERTO RAMOS, manager, Red Arrow bus lines, Nuevo Laredo, Tamaulipas, Mexico.

The passenger list forms which were reviewed by personnel of this office for trips originating in Nuevo Laredo en route to Mexico City (included in Mexico City letterhead memorandum dated 5/5/64) were all captioned "Venta de Boletos" (Sale of Tickets) and in all probability are identical with the "Venta de Boletos" forms referred to by RAMOS. In this connection the passenger lists or "Venta de Boletos" forms reviewed by personnel of this office do contain names of passengers.

The passenger list form referred to by officials of the Red Arrow bus line in Mexico City, according to those officials, is synonymous with the "Venta de Boletos" form.

On 5/21/64 information was received from CRISTIANO ANDREANI L., superintendent and co-owner of the Red Arrow bus line at Mexico City, relating to the method of entering data on the passenger list forms or "Venta de Boletos" form for trips originating at Nuevo Laredo en route to Mexico City which would serve to resolve, in part, the discrepancy between comments of RAMOS and bus driver ROBERTO MORALES.

ANDREANI advised as follows:

At Laredo, Texas, where the Continental bus line makes the sale of Red Arrow bus line tickets from Nuevo Laredo to places of destination in Mexico, there is no record made of the name of the bus passengers for the Red Arrow bus line. Only the ticket number sold and the point of destination in Mexico is entered on the passenger list which is compiled at Nuevo Laredo. No Red Arrow office is maintained at Laredo.

At the Red Arrow bus line office in Nuevo Laredo, when a bus ticket is sold for travel from Nuevo Laredo with the final destination being Mexico City, the ticket number, the name of the passenger, and the final destination are recorded on the passenger list or manifest prepared at Nuevo Laredo.

If a bus ticket is sold at the Red Arrow bus line office in Nuevo Laredo for travel only to Monterrey or to points other than the final destination of Mexico City, then only the ticket number and destination are entered on the passenger manifest and the passenger's name is not recorded.

Another instance in which the name of the passenger, purchasing a ticket at Nuevo Laredo for travel to the interior of Mexico, is not recorded is as follows:

The Red Arrow bus line in Nuevo Laredo maintains a ticket seller at the Mexican Customs station at the International Bridge in Nuevo Laredo. In those instances when the ticket sale is made at the Customs station for a trip on a Red Arrow bus from Nuevo Laredo to the interior of Mexico, the only data appearing on the passenger list made up at Nuevo Laredo would be the ticket number and final destination, and the name of the passenger is not recorded.

The information received from ANDREANI is being incorporated into a letterhead memorandum currently in preparation.

On 5/25/64 MANUEL SAUCEDO, owner of Red Arrow bus No. 516, was contacted at the Red Arrow bus terminal in Mexico City. SAUCEDO advised that he does not have the original passenger list, also known as the "Venta de Boletos" form, which covered the trip of bus No. 516 from Nuevo Laredo to Mexico City on 9/26-27/64. He stated the original passenger

MC 105-3702

list, which is actually three separate lists prepared at Nuevo Laredo, Tamaulipas; Sabinas Hidalgo, Nuevo Leon; and Monterrey, Nuevo Leon, is turned in by the bus driver at the Red Arrow bus terminal in Mexico City upon completion of the trip and filed in the Red Arrow offices in Mexico City. The owners of the buses do not take possession of these lists.

LEE HARVEY OSWALD

The President's Commission, by letter dated April 30, 1964, requested that Mr. ROBERT ADRIAN TAYLOR be reinterviewed concerning the rifle which he had purchased from an individual he thought to be LEE HARVEY OSWALD in March or April 1963.

On May 13, 1964, ROBERT ADRIAN TAYLOR, residing in Apartment 1, at the corner of Jelmak Avenue and Hard Rock Road, Grand Prairie, Texas, advised his mailing address is Route 1, Box 125G, Grand Prairie, Texas. TAYLOR said that since April 15, 1964, he has been employed by the City of Dallas, Dallas, Texas, driving a wrecker for the Police Department Wrecker Service. TAYLOR said he was born June 13, 1916, at Loyalville, Pennsylvania.

TAYLOR said he was previously employed as a mechanic at the Shell Service Station on the southwest corner of Rock Island and Story Streets, Irving, Texas. He said while thusly employed in March or April, 1963, two men drove into the station complaining of engine trouble in their car. He determined that the generator of the automobile needed repairs and total cost would be \$11.50 to make these repairs. TAYLOR stated that between the two they did not have \$11.50, at which time the passenger riding in the car asked him if he would like to buy a rifle. TAYLOR replied that he might be interested, at which time one of the two men opened the trunk of the car and said, "There it is."

TAYLOR asked what kind of a gun it was, and received the reply that it is an "O Six." TAYLOR advised he took the weapon out of the trunk, looked at it and offered \$12.00. The driver of the vehicle then said, "You're not going to let it go for that. You paid \$35.00 for it." The passenger then replied, "No, we need the money."

TAYLOR advised he obtained \$12.00 out of the cash drawer and purchased the rifle. He then proceeded to repair the generator

Re: LEE HARVEY OSWALD

and charged them \$11.50, which they paid, and departed. TAYLOR stated he does not recall the make and model of the automobile, but believes it was a 1959 Chevrolet. As to the exact date that this transpired, TAYLOR said he could not give a closer approximation of the time he purchased the rifle, other than March or April, 1963. He did state he believes it was on a Saturday in the morning hours.

TAYLOR described the rifle as a Springfield Bolt Action, .30-06 caliber. It contained the marking, "U. S. Rock Island Arsenal, Model 1903," and has Serial Number 66091. TAYLOR said he was of the opinion the rifle had never been fired, as it had a great deal of grease in the barrel. It appeared to him the rifle was a typical surplus rifle that was probably released for sale by the Government during the last five or ten years. TAYLOR said when he purchased it he is sure, in his own mind, the rifle was in exactly the same condition as when it was issued originally by the Government. He said he has seen many similar-type rifles.

TAYLOR advised that, since purchasing this rifle, he has "sporterized" it. He said he removed the top part of the wooden stock, and shortened the forepiece of the bottom of the stock. He said he removed the sling, the front sling holder, the metal bands that held the top part of the wooden stock, and also removed the movable peep sight. In addition, TAYLOR stated he filed down and bent the bolt actuating arm, so it would not interfere with the telescopic sight, which he later had installed. TAYLOR advised he had the gun drilled and tapped (four) for a scope mount at John Furrer's, 1112 Sowers Road, Irving, Texas. TAYLOR further stated that he purchased a Harter's 4X scope direct from the factory at "Waukesha, Wisconsin," which he mounted on the rifle. He said that he, at present, does not have the scope on the rifle and has stored it for safekeeping. TAYLOR said he did not shorten the barrel of this rifle.

TAYLOR advised that on November 23, 1963, he was watching television and, upon viewing LEE HARVEY OSWALD, commented to his wife, "Say, that looks like the guy I bought the .30-06 from." He

Re: LEE HARVEY OSWALD

stated, however, he cannot be positively sure the man who sold him the rifle was OSWALD. He stated he feels that it was OSWALD since, upon viewing OSWALD on television, he immediately thought of this rifle and, at that instant, thought OSWALD was the man who sold the weapon to him.

On reflecting back, TAYLOR stated he had never seen either of these two men before. He stated there is a possibility the man he believes to be OSWALD came into the station several weeks to a month later after he had purchased the rifle from him and he was, at that time, a passenger in another automobile, this time driven by a woman. He said he cannot recall what kind of automobile the woman was driving and would hesitate to give a description of it. Further, TAYLOR stated, he is rather doubtful that the individual from whom he purchased the rifle was ever seen by him, either prior or subsequent to the time he purchased the rifle. He said he may have seen him another time, but he is not sure.

Concerning this woman and male passenger whom he thought to be the man from whom he had purchased the rifle, TAYLOR said he is very doubtful that this actually was LEE HARVEY OSWALD because, on reflection, he recalls the person from whom he purchased this rifle had promised to give him two boxes of ammunition for the rifle. He said he is almost sure that, if OSWALD had been this person in the station at that time, he would have remembered him because of the promised ammunition.

TAYLOR related that it is his practice each year to go deer hunting during the deer hunting season. He said the deer hunting season for the State of Texas for the year 1963 ran from November 15, 1963, through December 31, 1963. TAYLOR advised that, during the first week of deer season, he took this rifle with him to the home of his son-in-law and daughter, BENJAMIN and SHIRLEY MOKU, 502 Carroll Drive, Killeen, Texas. He said this address is "just off" Fort Hood, Texas, where his son-in-law, BENJAMIN MOKU, is assigned as an SP5. TAYLOR said that, during the first week of deer season on some day before November 22, 1963, this gun was registered by either himself or BENJAMIN MOKU with

Re: LEE HARVEY OSWALD

the Provost Marshal at Fort Hood, Texas, for use in deer hunting on the Fort Hood military reservation. He said this rifle stayed at the residence of BENJAMIN and SHIRLEY MOKU until the last day of deer season, December 31, 1963, when he, TAYLOR, brought it back home with him.

It should be noted that previous investigation has established that LEE HARVEY OSWALD was employed in Dallas, Texas, at Jaggars-Chiles-Stovall, Inc., in March 1963 and until April 6, 1963, and that he left Dallas for New Orleans, Louisiana, in the latter part of April 1963.

Honorable J. Lee Rankin
General Counsel
The President's Commission
200 Maryland Avenue, Northeast
Washington, D. C.

Dear Mr. Rankin:

This is in response to your letter of April 30, 1964, requesting a reinterview of Mr. Robert Adrian Taylor concerning the rifle he purchased either in March or April, 1963. Enclosed are two copies of a letterhead memorandum dated May 19, 1964, Dallas, Texas, which sets out this information.

It has been determined in the Laboratory from an examination of Taylor's rifle that it is a U. S. Rifle, caliber .30-06, Model 1903, serial number 66091, manufactured at the Rock Island Arsenal, Rock Island, Illinois. The upper and lower bands have been removed; the front portion of the stock has been cut off; the wooden hand guard originally covering the top of the barrel has been removed; the rear sight has been removed and replaced with telescopic sight mount blocks and the bolt handle has been ground down and bent so that it would not strike the telescopic sight tube when the bolt is operated. All other parts appear to be original, unaltered parts. The rifle has the standard length of 43 1/4". The barrel has not been shortened. The length of the longest portion (barrel and receiver) is 31 7/8". The stock portion is 28 3/4" long which is less than the standard length of 40 1/8" for a "non-sporterized" stock.

NOTE: Letter received from the Commission 4/30/64, requesting reinterview of Taylor who purchased a .30-06 rifle from an individual who he thought was Oswald. The Commission wanted Taylor reinterviewed to determine where the rifle was located on 11/22/63, as well as determining the date on which Taylor obtained the rifle and whether he had seen Oswald on any other occasion. The Commission desired specific information regarding the Taylor rifle's measurements and photographs in an assembled and disassembled condition. They also wanted the same technical information of a similar rifle as well as similar photographs of this rifle. The Laboratory handled the technical data and coordinated this matter with the Assassination Desk in Division VI.
