NO RECORD OF ANY SUCH CALL WAS LOCATED. THIS IS NOT ADMINISTRATIVE DATA SINCE BRINGUIER STATES IN REFERENCED REPORT THAT HE DID TELEPHONE THE FBI. SUBSTANCE OF THIS INFORMATION SHOULD BE SET OUT ON AMENDED PAGE TO REFERENCED REPORT.

THIS MATTER MUST BE HANDLED IMMEDIATELY SINCE THE COMMISSION IS FOLLOWING THIS CLOSELY.

WFO WAS REQUESTED BY NEW ORLEANS AIRTEL DATED MAY ONE LAST CAPTIONED QUOTE ORESTES PENA, IS - CUBA UNQUOTE TO REVIEW IMMIGRATION AND NATURALIZATION SERVICE RECORDS REGARDING PENA. WFO ALSO REVIEW STATE DEPARTMENT PASSPORT, VISA AND SECURITY RECORDS AND RECORDS OF CIA REGARDING PENA. SUBMIT RESULTS IN PENA CASE WITH COPY FOR OSWALD FILE. DALLAS BEING ADVISED BY MAIL.

NOTE: The President's Commission requested reinterview of Orestes Pena, a New Orleans tavern owner, regarding the allegation received by it in testimony of Carlos Bringuier that Oswald and an unidentified Mexican were at Pena's bar in Summer of 1963. Pena's contradictory statements to us must be challenged and, hence, he must be talked to again. New Orleans experienced difficulty in getting him to consent to interview and this is pertinent information to the Commission and should be in the details of the report in the event the Commission wants to take Pena's testimony. In view of allegation Pena was going to Moscow in 5-64, this should be explored when he is reinterviewed. Also the dates of his travels abroad during the Summer of 1963 should be verified from his passport, if possible, as a check whether he could have been with Rodriguez on 8-9-63 as Rodriguez says. Rodriguez, the bartender in Pena's bar, as of now, is the only one who says he saw Oswald there. Bringuier has told the Commission he telephoned the New Orleans Office in 8-63; yet there is no record of this at the office. This should be in the details of the report and go to the Commission also. Passport records on Pena should be checked by WFO in view of his alleged travel to Moscow. Also, Pena made application for Passport in New Orleans on 6-24-63 which is the same day Oswald made passport application in New Orleans.

With regard to Dallas letter 6-5-64, which stated that Marina Oswald had admitted signing the Fair Play for Cuba membership card of subject using the name "A. J. Hidell," ASAC Clark, Dallas, was telephonically requested to advise further details concerning this signature. Clark was asked as to what explanation Mrs. Oswald gave concerning it; when was it done, what explanation subject gave her as he asked her to sign it and what she knew about it.

ASAC Clark called back and advised that an FD-302 containing the complete results of the interview with Mrs. Oswald had been prepared and was being submitted to the Bureau. He advised this FD-302 read as follows:

"June 3, 1964, Richardson, Texas, Marina Oswald was interviewed at her home, 629 Belt Line Road. She was exhibited a photographic copy of a card bearing the name "Fair Play for Cuba Committee," New Orleans Chapter, in the name of "L. H. Oswald," signed by what appears to be "A. J. Hidell." This card is designated as Item B-1 (8).

"Marina Oswald said the signature "A. J. Hidell" is in her handwriting. She explained Oswald had requested that she sign this card and she did. She asked him what the card was for and he told her that it was none of her business.

"Marina Oswald said her Latin handwriting was very poor now and had been extremely poor at the time she had written the signature.

"Marina Oswald furnished handwriting specimens in which she had written in Latin handwriting the signature "A. J. Hidell,"

Mrs. Oswald stated that she signed this membership card during the time they were residing in New Orleans.

On June 9, 1964, the Office of the Deputy Chief of Staff, Intelligence, Headquarters, Sixth Army, Presidio of San Francisco, furnished the San Francisco Division of the Federal Bureau of Investigation with the results of interviews of Captain Ben Weakley Stutts and Captain Carlton William Voltz.

These officers, according to the data furnished, were captured by North Korean forces on May 16, 1963, and were returned to U. S. Army control May 16, 1964. Captain Voltz was interviewed on June 4, 1964, and Captain Stutts was interviewed on June 5, 1964, both of these interviews taking place at Letterman General Hospital, Presidio of San Francisco. They were questioned relative to the circumstances surrounding their receipt of information regarding the death of President Kennedy while being detained in the North Korean People's Republic. They furnished the information set forth below concerning this matter.

Captain Voltz related that he was first told of President Kennedy's assassination by his political indoctrinator, whom he referred to as "Pig Face." This took place in the Pyongyang area of North Korea on November 26, 1963, a date Captain Voltz made a note to remember as initially he did not believe the news.

The news of the President's assassination was related to Captain Voltz by "Pig Face" through a North Korean interpreter, one Major Chi, who advised that President Kennedy had been killed by a loyal Communist Party member in the United States while riding in a motor vehicle in Dallas, Texas.

Captain Voltz was also initially informed that they thought the Vice President had been shot, but later they told him that this was not the case.

Neither "Pig Face" nor Major Chi ever mentioned Lee Harvey Oswald by name, nor was the assassin's alleged Communist Party membership or background ever later discussed by them or anyone else during the time that he, Captain Voltz, was held in North Korea.

Captain Stutts advised that he initially learned of President Kennedy's assassination when he was preparing a statement at the direction of his captors entitled "How Bad the U. S. Government War Preparations Were and How I Followed Them."

In the preparation of this statement on December 7, 1963, reference had been made to the Kennedy administration and what this administration was doing in Viet-Nam and Taiwan.

Captain Stutts stated that he was told by the interpreter that Kennedy had been murdered. The interpreter, who was talking to him about the statement, noted that the statement should be redone since Kennedy was dead and the wording of the statement should read "U. S. Government" rather than "Kennedy administration."

Captain Stutts asked his captors how they felt about the death of President Kennedy, indicating that he, personally, was quite emotional over it, and they advised that they had no feelings at all concerning it and it did not bother them one way or the other.

Captain Stutts recalled asking one of his captors who had assassinated President Kennedy and received the reply, "I don't know, my comrade told me about it."

Captain Stutts further advised that the only other time he heard the matter of the President's assassination discussed while a prisoner in North Korea was shortly prior to his release in May, 1964, when an interpreter told him that the person who had murdered President Kennedy had in turn been killed. The interpreter added that the man who killed the assassin had tried to kill himself by bashing his head on a wall. Other than this, no further comments were made regarding the assassination, according to Captain Stutts.

Dear Mr. Rankin:

This Bureau has received a copy of a book entitled "The Sinners" written by Walter Nemyliwsky, aka: who also spells his name Wolodymyr Nemyliwskyj. The book is in the Ukrainian language. It was received in the mail and the envelope bore the return address Wolodymyr Nemyliwskyj, 71 Elm Grove Avenue, Toronto 3, Ontario, Canada.

Enclosed are two copies of a summary of the translation of the book and you will note that on pages two and three of this summary is a translation in detail of those portions of Chapter 7 where reference is made to Lee Harvey Oswald.

Enclosed also are two copies of a memorandum dated June 8, 1964, classified "Confidential." This memorandum contains information concerning Nemyliwskyj's background and sets out the belief of the confidential source abroad that an interview with Nemyliwskyj would prove fruitless and would only serve to provoke his mental disturbance.

Three copies each of three photographs and the three negatives of photographs of the parking lot area of the Church of Jesus Christ of the Latter Day Saints, taken by SA IVAN D. LEE, on 6/4/64. These photographs are identified as DL 53(1) (2) and (3).

One copy each of six aerial photographs of the area in and around the residence of Major General EDWIN A. WALKER, taken by SA IVAN D. LEE, from a Bell Aircraft Company helicopter on 6/3/64, together with the negatives of each of such photographs. The photographs are identified as DL 52(1) through (6). In the event the Bureau considers it feasible to enclose copies of these aerial photographs with the LHM, it is requested they make sufficient copies, in order that Dallas may be furnished one copy each for its files.

There are also enclosed herewith three copies of a Dallas Transit Company Map showing bus routes in Dallas, Texas, on each of which the location of the residence of Major General EDWIN A. WALKER has been marked.

In connection with the above-described photographs, numerous marks of identification are reflected on such photographs.

By teletype, dated 6/1/64, the Bureau advised that Item C-148 (WALKER bullet) had been received in the FBI Laboratory on 12/4/63, and delivered to the President's Commission, 3/21/64.

By airtel dated 6/2/64, the Bureau furnished Dallas the original of Photograph No. 1, of Item No. 70, with the request it be returned after it had served its purpose and it is enclosed herewith. This same Bureau airtel stated that Photograph

No. 5, of Item No. 1, had been furnished to Mr. WESLEY J. LIEBELER, of the President's Commission.

It is pointed out the two automobiles and the two individuals described in the interviews with WALTER KIRK COLEMAN have not been identified. It appears only logical these two individuals are (1) either accomplices of the individual shooting at General WALKER; (2) are witnesses to the shooting who are reluctant to divulge their identity, or (3) they are associates of General WALKER. If further investigation is desired to identify these individuals and these automobiles, it would appear necessary to interview General WALKER who, it is pointed out, is a most controversial figure, who will, undoubtedly, immediately alert the press or call a press conference and publicize the inquiry.

Investigation was conducted by SA'S ROBERT M. BARRETT and IVAN D. LEE.

Information on pages 31 and 32 of the aforementioned memorandum of June 10, 1964, which contains results of our interview with Marina Oswald on June 4, 1964, regarding the General Walker incident was orally furnished to Mr. Wesley J. Liebeler of your staff on June 11, 1964.

This concludes our inquiries in this particular matter.

Sincerely yours,

NOTE:

U. Edgar Hoover

The President's Commission is taking testimony from an aide of General Walker at 10 a.m., June 16, 1964, and requested results of our investigation be furnished to Commission for its use. The data has been assembled and was dispatched to the President's Commission at 9 a.m., 6/16/64. Extensive inquiries in the residence of General Walker were conducted by us and we obtained the Dallas Police Department photographs of the Walker incident; however, our investigation did not establish whether Oswald did or did not make the attempt on General Walker's life. Our interview with Marina Oswald on 6/4/64 regarding any additional data she might possess on the incident was furnished Mr. Liebeler of the Commission by SA Robert E. Lenihan orally on the morning of 6/11/64 in order that Mr. Liebeler would have such data for his use in connection with Marina Oswald's appearance before the Commission that date.

LEE HARVEY OSWALD

BASIS FOR INQUIRY

The President's Commission has advised that it has evidence that on Friday or Saturday, September 27 or 28, 1963, LEE HARVEY OSWALD had his photograph taken for use on a visa application at the Cuban Embassy in Mexico City.

RESULTS OF INVESTIGATION CONDUCTED AT PHOTOGRAPHIC STUDIOS IN VICINITY OF HOTEL DEL COMERCIO, MEXICO CITY, CUBAN AND SOVIET EMBASSIES, MEXICO CITY, AND TRAVEL AGENCY, MEXICO CITY, AT WHICH OSWALD IS BELIEVED TO HAVE PURCHASED A BUS TICKET AS H. O. LEE

A confidential source, who has furnished reliable information in the past, furnished the following information on June 6, 1964:

A street-to-street canvass in the vicinity of the Hotel Del Comercio, Bernardino de Sahagun No. 19, Mexico City, failed to disclose the existence of any photographic studios in the area. The source pointed out that the area surrounding the Hotel Del Comercio is one in which many bus terminals and small business establishments are located and does not appear to be an area which would be conducive to the operation of a photographic studio.

A second confidential source, who has furnished reliable information in the past, furnished the following information on June 8, 1964:

The personnel at the photographic studios located in the vicinities of the Cuban and Soviet Embassies in Mexico City were interviewed concerning the possibility that a

photograph of OSWALD had been taken. The source also reviewed the negatives retained by these studios for photographs taken on September 27 and 28, 1963, but no negative was located which appeared to be the negative of a photograph of OSWALD. The studios contacted are listed below:

The photographic studio of Mrs. MARIA LUISA MALDONADO DE GUTIERREZ, located at Salamanca No. 21, Mexico City, and the branch office of this photographic studio located at the corner of Pachuca and Juan Escutia Streets, Mexico City.

The photographic studio, "Aviles," owned by Mr. JACINTO AVILES, located at Tamaulipas No. 202, Local 16, Mexico City.

The photographic studio at Tamaulipas No. 224-B, Mexico City, owned by Mrs. CELIA C. DE GOODMAN.

The photographic studio, "Alori," owned by Mrs. ANA MURILLO, located at Campeche No. 249, Mexico City.

The photographic studio, "Fatima," located at Campeche No. 382, Mexico City, owned by Mr. KHAN RASAK BEK KHADJIEFF.

The photographic studio, "Rosales," Calzada de Tacubaya No. 165-3, Mexico City, owned by Mrs. YOLANDA MENDOZA DE ROSALES.

The photographic studio, "Cameras," located at Benjamin Franklin No. 22, Mexico City, owned by Mr. OSMAR CAMERAS.

A confidential source abroad furnished the following information on June 8, 1964:

The personnel were interviewed and the negatives of photographs taken on September 27 and 28, 1963, were reviewed on June 8, 1964, at the following photographic studios which are located seven or eight blocks from the Hotel Del Comercio, mentioned above, and are also in the

LEE HARVEY OSWALD

Character:

INTERNAL SECURITY - R - CUBA

Synopsis:

Mr. and Mrs. GRANVILLE C. YEAGER, Coalton, W. Va., advised that their daughter-in-law, Mrs. EUGENE H. (NINA) YEAGER, Clarksburg, W. Va., works with one DANA COGAR who has alleged he was in Dallas shortly before the assassination of President KENNEDY and that he had engaged in target practice there. Mrs. NINA YEAGER advised that in her opinion COGAR is a "definite mental case"; that according to COGAR, OSWALD was in the State of West Virginia at one time and that she would not believe anything that COGAR said unless she actually saw it.

- P -

On May 15, 1964, Mr. and Mrs. GRANVILLE C. YEAGER, Route 1, Coalton, W. Va., advised SA LINNEY L. CONNOLLY, Jr., that their daughter-in-law, Mrs. EUGENE H. (NINA) YEAGER, 139 Washington Avenue, Clarksburg, W. Va., is employed at Merrill's, Inc., a printing and engraving business in Clarksburg, W. Va. Also employed at that firm is one DANA COGAR, who lives in Clarksburg but who is from Webster Springs, W. Va. The YEAGERS advised that COGAR allegedly told NINA YEAGER that he was in Dallas, Texas, shortly before President KENNEDY's assassination and that he had "taken target practice there." COGAR also told her that OSWALD was actually in West Virginia at the time he was reported to have been. The YEAGERS did not know what he meant by that statement. NINA YEAGER has allegedly seen a rifle with what was described as a telescopic sight in COGAR's possession. NINA has also seen a sofa in COGAR's residence in Clarksburg which has a concealed compartment in which COGAR has a number of magazines about Russia and pictures of KHRUSHCHEV. Mr. and Mrs. YEAGER stated that they are not acquainted with COGAR and have never seen him but NINA has described him as a "blow hard."

Date 6/1/64

Mrs. NINA YEAGER, 139 Washington Avenue, Clarksburg, W. Va., advised that DANA COGAR has worked for Merrill's, Inc., Clarksburg, as a printer since December 31, 1963, and she has known him since that time. She described COGAR as a "definite mental case" who makes such statements that he was born "one week after JOHN the Baptist; that he can predict the time, within a few minutes, that any given individual will die and that all adults have at the most, 15 years to live and at that time, they will die and the young children will be carried over into the new world."

✓ She stated COGAR is the type of person who alleges he has been everywhere and done everything. She said that he has stated he is not a Christian and has offered ✓ a magazine, "The Plain Truth," whose editor was listed as HERBERT W. ARMSTRONG and which magazine is published at Pasadena, California, as more or less his bible. Mrs. YEAGER advised that she has seen a copy in COGAR's apartment of the magazine called "Unity" and stated it was in this magazine that she noted the life story ✓ of LEE HARVEY OSWALD and in this story, COGAR told her, it was written that OSWALD had spent some time in the State of West Virginia and COGAR told her he knew for a fact that OSWALD was in West Virginia at the time the article stated.

Mrs. YEAGER stated that COGAR exaggerates and she did not believe that he was in Dallas shortly before the assassination of President KENNEDY. She said that COGAR told her that after President KENNEDY's assassination, his sister, who is employed by the FBI, was flown to Dallas to "work on the case." She said that in view of such statements, she would not believe anything COGAR said happened unless she saw it happen.

Mrs. YEAGER described COGAR as a white male, age 25-28, 5'10", 125 pounds, very slender build, medium brown hair worn long, address Fifth and Clark Streets, Clarksburg, W. Va.

Date 6/19/64

Mrs. NINA YEAGER, 139 Washington Avenue, Clarksburg, W. Va., further advised that the magazine, "Unity," which she had seen in the apartment of DANA COGAR had also contained the life stories of NIKITA KHRUSHCHEV and President JOHN F. KENNEDY. She said that these magazines were the only literature that she had noticed in COGAR's apartment and that he kept these magazines in a sofa which made into a double bed. She explained that she had never noticed any secret compartment in the sofa but rather COGAR kept the magazines under the pillows of the sofa. Mrs. YEAGER explained that COGAR kept a number of the above-named magazines in his apartment and while she had never seen any pictures of Russia or of NIKITA KHRUSHCHEV on the walls of COGAR's apartment she noted that the magazines, "The Plain Truth" and "Unity," did contain a number of pictures taken in Russia and also a picture or two of NIKITA KHRUSHCHEV.

Mrs. YEAGER said that COGAR formerly resided in an apartment behind and directly adjacent to the residence of herself and her husband and on occasions she has visited the apartment of COGAR. She said that at times when she visited COGAR, he had mentioned the fact that he had been interested in hunting when he was a young man and he also boasted concerning his proficiency with rifles. She recalled having seen COGAR work on a rifle which she believed had been equipped with a telescopic sight. She said that COGAR did a lot of wood carving and on one occasion that she visited his apartment COGAR was working on the stock of a rifle which had a sight resembling a tube along the barrel. Mrs. YEAGER said that on one occasion after President KENNEDY's assassination she overheard COGAR make the statement, while talking to a number of people, that he had been in Dallas, Texas shortly before the assassination of President KENNEDY. At this time, COGAR also mentioned the fact that while he was in Dallas he had engaged in target practice with his rifle. He said, "Anybody can take target practice in Dallas, Texas." She explained it was her opinion that in making the above statement COGAR was trying to impress the individuals in his company that he had actually been in Dallas; that it was the type of place where the authorities paid no attention to individuals engaging in target practice, as it was a common sight to see persons engaging in target practice in the area.

2

Mrs. YEAGER stated that COGAR's exaggerations might be a sign of insecurity on his part; that he is probably harmless but tries to convince people that he is worldly wise. Mrs. YEAGER said that she knows very little about COGAR's background but did know that he came from Webster Springs, W. Va., and that he spent his early childhood there. She said that her only association with COGAR has been at work and on a very few visits to the COGAR apartment.

EULALIO RODRIGUEZ CHAVEZ, a Mexican citizen, 62 years of age, presently unemployed and residing at 3418½ East Michigan Avenue, Los Angeles, California, advised the following in the Spanish language:

He recalled having made three trips to the United States by bus from Mexico City, Mexico, during the year of 1963. He refreshed his recollection from some personal letters and some documents, and determined that on October 2, 1963, he departed aboard a Transportes del Norte bus at Mexico City about 8:00 a.m. en route to Houston, Texas, via Monterrey, State of Nuevo Leon, Mexico, and Laredo and San Antonio, Texas. He had made reservations at the Transportes del Norte bus station located on Calle (street) Insurgentes in Mexico City about two days previous to his departure and remembered that he then received his bus ticket and was assigned a seat number. He could not recall the exact number of the latter. He departed from Mexico City en route to Houston, Texas, to engage in a dump truck business.

Previously, he had traveled to Dallas, Texas, because of the death of a friend, and subsequent to the above trip to Houston, Texas, he again traveled to Houston with his wife and daughter from Mexico City in the latter part of November, 1963.

He recalled that on the bus trip from Mexico City to Laredo, Texas, on October 2, 1963, he was assigned either seat number five or eight aboard the bus and he was certain that he sat about three rows back of the bus driver in an aisle seat. He was very certain about the latter because he does not like to ride in a bus sitting by a window. He kept the same seat on the bus during the trip from Mexico City to Laredo, Texas. He recalled that when he boarded the bus at Mexico City on the morning of October 2, 1963, he was late in arriving and had difficulty obtaining assistance in getting his large suitcase placed in the trunk carrier of the bus. He remembered that when he boarded the bus, most of the other passengers already were seated.

He remembered clearly that he sat next to a young woman who sat on his left next to the window and he could not recall

whether a man or a woman sat next to him across the aisle. He spoke to the young woman, who was seated in the bus when he boarded, and he described her as being of Mexican descent, about eighteen or nineteen years of age, thin build, good looking, and spoke Spanish fluently. The young woman advised him that she had been vacationing in Mexico City, that she was married and was returning to her residence in Houston, Texas. He did not learn the young woman's name but she was supposed to have been met at the Greyhound bus station in Houston, Texas, by her husband.

After being processed by United States Immigration, Public Health, and Customs at Laredo, Texas, he boarded a Greyhound bus and proceeded to San Antonio, Texas, where he boarded another bus for Houston, Texas.

He recalled that the bus stopped at Monterrey and all passengers alighted, but he did not recall if it was the same or a different bus which they boarded when they departed from Monterrey. He remembered that there were several rest stops while en route to Laredo, Texas, from Mexico City, which allowed the passengers to drink a soda or eat a sandwich but these stops were short.

The bus was full and he did not have any conversation with anyone else except the young woman who sat next to him. He could not recall specifically if any additional passengers boarded the bus at Monterrey but he was certain that he kept his same seat all the way from Mexico City to Laredo, Texas. He remembered that the arrival at Monterrey was at about 9:00 or 10:00 p.m. and that it was then dark.

A few miles before reaching the border at Nuevo Laredo, State of Tamaulipas, Mexico, the bus stopped and the lights in the bus were turned on to allow a Mexican Immigration official to examine the travel documents of all the passengers aboard the bus. He remembered that at this Mexican Immigration check station there were two men taken from the bus for questioning, apparently about their travel documents. He saw these two men who left the bus and considered that they were not Mexicans because there was some sort of problem with regard to their travel documents. He remembered that one of these men had sat across the aisle from him either to the rear or just ahead, and that the other man was sitting to the rear of him on his side of the bus.

He could recall that only one Mexican Immigration official boarded the bus, but when the men were taken off the bus they were taken to talk with another Mexican Immigration official whom he assumed was higher in rank with the Mexican Immigration Service and whom he stated probably was "a Sergeant".

The two men were allowed to return to the bus and the stop at this check station delayed the bus about fifteen to twenty minutes. He believed that this stop was made at about 1:00 or 1:30 a.m. on the morning of October 3, 1963.

He described one of the men who was taken off the bus and who sat someplace across the aisle as "a foreigner to Mexico", about fifty some odd years old, black hair, graying, heavy set, and fair complexion. He could not recall the type of clothing this man wore.

He described the second man who sat behind him as "a foreigner to Mexico", a young man, shorter than the above described man, fair complexion, wore a jacket "coffee-colored tan" which was a gabardine type, and he tried to speak some Spanish to the Mexican Immigration official when approached at the check station for his travel documents but he was unable to communicate his Spanish properly. This man did not get off at the rest stops with the other passengers and once he was observed eating a banana which he had taken from a paper bag he carried. This individual was observed once talking with a middle aged woman, a passenger whose description he could not recall, and their conversation and the language used could not be recalled as well as exactly when this took place aboard the bus.

He recalled that after departure from the Mexican Immigration check station, the bus proceeded to Nuevo Laredo where again a Mexican Immigration official boarded the bus to hurriedly check the travel documents of the passengers. Then the bus traveled on the bridge across the Rio Grande River to Laredo, Texas, where all passengers alighted from the bus and were processed first by the United States Immigration Service, then by the United States Department of Public Health for a small pox vaccination, and then their luggage was examined by United States Customs. Following this, RODRIGUEZ CHAVEZ boarded a Greyhound bus at about 2:00 or 2:30 a.m. on October 3, 1963, for San Antonio, Texas. Here he boarded another Greyhound bus for Houston, Texas, where he arrived at about 6:00 or 7:00 a.m. on the same day.

LA 105-15823

At this point he could not recall anything specific about any of the other passengers with regard to their identities, their descriptions and their purpose for travel because he did not engage in conversation with any of them except the young woman who sat next to him and who traveled to Houston, Texas.

A photograph of LEE HARVEY OSWALD taken on August 9, 1963, at New Orleans, Louisiana, which consists of a side and front view and a full length front view of him standing, was exhibited for identification and RODRIGUEZ CHAVEZ immediately recognized OSWALD as the second man described above, who sat to his rear, who tried to speak to the Mexican Immigration official in Spanish, and who was taken off the bus at the Mexican Immigration check station before arrival at the Mexican-United States border. He was positive about this because he explained that this photograph was that of the man who kept an overhead reading light on, in the bus, after about 10:00 p.m. on October 2, 1963, which disturbed RODRIGUEZ CHAVEZ from sleeping on the bus. He remembered that the man in the photograph shown him was reading either a book, a magazine, or a newspaper and this bothered him because the man was so inconsiderate to leave the light on when he, as well as others, were trying to sleep. He remembered that the man was reading because RODRIGUEZ CHAVEZ turned to look at him.

He could not be certain as to the exact seat the man in the photograph sat but he was certain that the man sat to his rear and to his left.

He was asked if he knew the man in the photograph shown him and he stated that he did not. He was told that the photograph was that of LEE HARVEY OSWALD and he stated that OSWALD was a "desgraciado" (disgraceful person). He then expressed a deep emotional feeling for President JOHN F. KENNEDY, losing his composure and crying at length. After composing himself, he advised the following additional information:

He remembered that OSWALD not only did not turn off the reading light when others were trying to sleep, but he was "a loner" because he did not get off the bus with the other passengers at various rest stops en route and always appeared to be "alone", not associating with other passengers.

LA 105-15823

He recalled having seen OSWALD last when the passengers alighted from the Greyhound bus at San Antonio, Texas, and he did not recall that OSWALD boarded the Greyhound bus with him en route from San Antonio, Texas, to Houston, Texas.

He did see the young woman who sat next to him on the bus, at the Greyhound bus station in Houston, Texas, when her husband failed to appear and she stated that she was taking a taxi to her residence in Houston.

He could not recall having seen OSWALD at the bus station in Mexico City or having been aware of his presence on the bus at the time it departed from Mexico City. The bus was crowded and during the first hour or two of the trip, he got accustomed to his seat and conversed with the unknown young woman sitting next to him. He said he was not aware of OSWALD until possibly the second rest stop when he observed that OSWALD did not get off the bus with the others but remained in his seat.

He was asked to furnish any other specific knowledge he might have regarding OSWALD. He said that he did not recall observing any activities of OSWALD at the time the bus stopped at Monterrey, Mexico. He definitely recalled that OSWALD was on the bus when it crossed the border into the United States and stopped for processing. He said, however, that he was most concerned with his own papers and the United States Customs check of his belongings, and he was not alert to the activities of the other passengers. He did not remember observing OSWALD being processed by the United States authorities. He did recall seeing OSWALD board the same Greyhound bus with him at Laredo, Texas, when the bus proceeded to San Antonio, Texas. He could not recall where OSWALD sat on this bus. He stated that during the entire trip he had no personal contact or conversation with OSWALD.

He was asked specifically whether he could recall any information regarding other passengers on the busses. He stated that except for the young woman who sat next to him, who was returning to her residence in Houston, Texas, he remembered only one other who was a student. The citizenship and origin of this student were unknown to him, but he did remember that this young man had a "long string of tickets" and he was traveling from Mexico City to San Antonio, Texas, en route to Chicago, Illinois, and then some other "far away place." He did not sit next to or across from any male passenger whom he could recall, and he

6

could not remember where the student sat on the busses. He could not recall a description of the student.

He was asked specifically if he had realized, prior to this interview, that OSWALD, who allegedly assassinated President JOHN F. KENNEDY, was identical with the passenger whom he had seen on the bus during the trip. He stated that he had not. He advised that he cannot read or speak English; that he does not own a television set; and had not seen OSWALD on television or in magazines. He said that he saw OSWALD's photograph once in a newspaper. He admitted that he had not recognized the photograph in the newspaper of OSWALD as that of the passenger on the bus. He said that apparently it was not a good likeness. On the other hand, when shown the photograph of OSWALD reflecting three poses, he immediately recognized the photograph as identical with the passenger on the bus because he stated the photograph was "so lifelike".

He could not think of any other information regarding the activities of OSWALD while a passenger on the busses between Mexico City and San Antonio, Texas. He stated that he had never met OSWALD previously and had no contacts with or knowledge of OSWALD after the trip on October 2 - 3, 1963.

Re: Jack L. Ruby;  
Lee Harvey Oswald -  
Victim (Deceased)

The President's Commission by letter to the Director dated June 8, 1964, requested an interview with Mr. David Hoy, Radio Station WIKY, Evansville, Indiana.

The letter further requested to ascertain the circumstances surrounding a call made by Mr. Hoy to Martin Anderson, Associated Press, Indianapolis, Indiana. There are set forth as follows the results of interviews with Mr. Martin Anderson and Mr. Dale Burgess and the results of checks of telephone records at Evansville, Indiana, relating to David Edwin Hoy.

Date June 13, 1964

1

MARTIN ANDERSON, Associated Press, Indianapolis, Indiana, advised that he had never talked to DAVID HOY on November 24, 1963. He stated that he knew that HOY was a newscaster with WIKY in Evansville, Indiana.

Mr. ANDERSON believed that in all probability DALE BURGESS took the original call from HOY and that in all probability, the call was collect as this is standard procedure among those in the news media to do so.

ANDERSON stated that whatever information HOY had made available to BURGESS was released by the Associated Press in Indianapolis and in all probability had been used in an Associated Press release originating from Dallas, Texas.
