Mr. J. Edgar Hoover  
Director, Federal Bureau of Investigation  
Department of Justice  
Washington, D. C. 20535

Dear Mr. Hoover:

The Commission would appreciate your checking further for us into the matter of messages which reportedly were sent by the Federal Bureau of Investigation to Chief Curry during November 22-24, 1963.

In a report of your Bureau prepared by Special Agent Manning C. Clements, dated November 30, 1963, File No. DL 44-1693, Mr. Clements reports that during the afternoon of November 22, 1963 he personally advised Chief Curry of his presence to relay any requests for FBI assistance and "upon instructions of SAC SHANKLIN, Chief CURRY was informed Director Hoover had expressed his concern that OSWALD should be afforded the utmost security." Chief Curry does not recall receiving any such message. Would you please investigate and advise whether the message regarding security precautions for Oswald was conveyed by Agent Clements personally, if not by whom, the agent's best recollection of the precise time and location at which the message was delivered, in whose presence the message was delivered, and the contents of the message.

While testifying before the Commission, Mr. Clements stated that he was not a "conduit for any information that the FBI had concerning Oswald to the Dallas Police Department." In light of the Agent's report referred to above, we would appreciate it if his testimony could be clarified in this respect.

Gentlemen:

After reading your new book:

"OSWALD-ASSASSIN OR FALL GUY"

my comments are that only one conclusion is available, namely, that Oswald was NOT President Kennedy's murderer NOR that of Officer Tippit, and that it can be charged only to Dallas right wing extremists who saw in Kennedy's attitude on civil rights a foreboding menace. His certain re-election was a threat that must be prevented at all costs. And it was done not without the "OSWALD" posters first plastered all over Dallas containing Kennedy's photograph and inscribed underneath: "anted for Treason!" This plus the full page "Greeting" ad in the Dallas Morning News.

One wonders how much longer the real murderers will be allowed to remain at large-including those extremists responsible for the 50 Alabama bombings, all the Mississippi church burnings and the murders of the 3 missing men. A further conclusion I get from your book is that Oswald was in the employ of the FBI or CIA or both at the time of his (planned) murder.

E B I

Your book-given wide circulation between now and the November election-should be of inestimable value in exposing the hidden truth about OSWALD for what it really is.

To help your book's circulation I propose distributing 1000 copies as a gift to California public libraries. I think this would help advertise your book. I think you should sell them to me at your cost which I guess is \$1.00 to \$1.50 per copy. I await your reply.

Dear Mr. Rankin:

Reference is made to your letter of July 9, 1964, requesting that this Bureau investigate the possibility that Lee Harvey Oswald, either alone or with others, may have distributed Fair Play for Cuba Committee literature in the vicinity of a United States aircraft carrier which was docked in New Orleans, Louisiana, approximately June, 1963.

Enclosed are two copies of a memorandum dated July 16, 1964, at Washington, D. C., and two copies of a memorandum dated July 22, 1964, at New Orleans, Louisiana, which set forth results of our inquiries in this matter. You will note in the enclosed memorandum of July 22, 1964, it is reported that Patrolman Girod Ray, Harbor Police, New Orleans, Louisiana, stated he believes Lee Harvey Oswald distributed literature in the vicinity of the Dumaine Street Wharf in New Orleans. You will also note that copies of the literature obtained by Patrolman Ray from the individual he believes to be Oswald are included in our memorandum of July 22, 1964.

A copy of this handbill entitled "HANDS OFF CUBA!" and copies of other literature ordered by Oswald in connection with his Fair Play for Cuba Committee activities in New Orleans, have been furnished to the Commission in our Evidence Exhibit Number D-31.

NOTE:

San Francisco Office received information from an individual to the effect that Oswald was observed distributing FPCC literature in the vicinity of the U. S. fleet in New Orleans during 6/63. Commission requested we obtain further details regarding such allegation. Our inquiries disclose that an individual believed to be Oswald was distributing FPCC literature in the vicinity of the U. S. aircraft carrier "Wasp" which was then docked at the Dumaine Street Wharf, New Orleans. Through contacts with the New Orleans Harbor Police we obtained Patrolman Ray's reports of the incident and copies of two handbills he obtained from the individual believed to be Oswald. One of the handbills appears to be identical with a handbill which we know Oswald had printed in New Orleans.

D. Tippit and Jack Ruby. Lane is the New York attorney who has engaged in [redacted] and is closely associated with communist dominated organizations. He has been endeavoring to prove that Oswald is innocent. Weissman is the individual who placed the controversial full page ad in a Dallas newspaper prior to President Kennedy's visit. Tippit, of course, was shot and killed by Oswald. We have investigated this allegation in the past and proven that no such meeting took place. LEE HARVEY OSWALD

Previous investigation has been conducted concerning an allegation that Lee Harvey Oswald had a scope mounted on a rifle at the Irving Sports Shop, 221 East Irving Boulevard, Irving, Texas, in early November, 1963. In connection with such investigation, a Mrs. Edith Whitworth has claimed she directed the Oswald family to the Irving Sports Shop in early November, 1963.

By letter dated June 30, 1964, the President's Commission requested that a check be made of the public records of births for the area which encompasses both Dallas and Irving, Texas, to ascertain the names and addresses of female babies born on October 20, 1963. It was requested that parents of these babies be interviewed to determine whether any of these families have an older female child approximately two and one-half years old and whether any of these families were in Mrs. Whitworth's furniture store in early November, 1963, and under what circumstances.

It should be noted that in connection with the requested investigation no contact was made with parents of female babies born on October 20, 1963, where it was established this was their only child. Furthermore, where difficulty was encountered in locating parents who had moved from the addresses they had on October 20, 1963, such individuals were not located and interviewed where investigation to locate them had established they did not have a car fitting the description of a blue and cream or blue and white 1957 or 1958 Ford, and where the physical descriptions of the mother and father of such female babies did not in any way fit the descriptions of Lee Harvey Oswald and his wife, Marina Oswald.

LEE HARVEY OSWALD

On July 8, 1964, Mrs. Earline Prator, Deputy in the Dallas County Clerk's Office, Bureau of Vital Statistics, Dallas County Records Building, Dallas, Texas, advised that all births occurring in Dallas County excluding the city of Dallas are registered at the Dallas County Clerk's Office, Bureau of Vital Statistics. She stated these records of births cover the area which encompasses Irving and all other towns in Dallas County with the exception of the city of Dallas itself. Mrs. Prator advised records of births occurring in the city of Dallas are maintained by the Bureau of Vital Statistics, Dallas City Health Department, 1936 Amelia, Dallas, Texas.

Mrs. Prator made available the Birth Index Book which covers the period of May, 1963, through December, 1963, and lists all legitimate white babies born in Dallas County excluding the city of Dallas which were reported during this period. She pointed out that there is sometimes a delay by doctors and hospitals in registering births, but the delay usually never exceeds several weeks. She stated the above Birth Index Book would reflect the names of all legitimate babies born in Dallas County excluding the city of Dallas on October 20, 1963. She stated the birth certificate itself has been placed on Recordak film reels and would be available for review.

According to Mrs. Prator, illegitimate babies born in Dallas County are not entered in the Birth Index Book. These births are filed under the mother's name, which name would be needed prior to any search of the records and Texas State Law requires a court order in each instance to get information regarding illegitimate births in the state of Texas.

Those births recorded in the Birth Index Book for Dallas County on October 20, 1963, are as follows:

Mrs. Lamm stated the parents of illegitimate babies born in the city of Dallas are not reflected on the above sheets, but are filed under the mother's maiden name, which name would be needed prior to any search of the records. Further, Mrs. Lamm stated, Texas State Law requires a court order, in each instance, to get information regarding illegitimate births in the state of Texas.

Mrs. Shaddox said she is not acquainted with Mrs. Edith Whitworth, who formerly operated the Furniture Mart at 149 East Irving Boulevard, Irving, Texas. She said she is positive neither she nor her husband, either alone or together, visited the Furniture Mart in Irving, Texas, during November, 1963. She said she is certain of this because they very rarely go to Irving, Texas, and were last in Irving over two years ago.

Mrs. Shaddox advised that in November, 1963, she and her husband owned a 1958 green and white, four-door Ford sedan.

Mr. and Mrs. Bernard B. Huller - sixth child  
2928 Lemmon Avenue, Dallas, Texas

On July 16, 1964, Ben Alexander, Owner of Alexander Associates, Real Estate Agency, 2931 Lemmon Avenue, Dallas, Texas, advised that he personally rented half of a duplex at 2928 Lemmon to Mr. and Mrs. Bernard B. Huller during the first part of October, 1963. Mr. and Mrs. Huller and six children lived in the duplex for approximately one week and, when he attempted to collect the balance of the rent, they had moved.

At the time Alexander rented the half of the duplex, Mr. and Mrs. Huller were driving a black panel truck, about a 1950 model, bearing New Jersey license, the number not recalled.

Alexander described Mr. Huller as a white male, about 35, 5'8", 145 pounds, olive complexion, blond hair, blue eyes, well-educated, beatnik type. He described Mrs. Huller as a white female, about 35, 5', 120 pounds, brown hair, heavy build.

Mr. Alexander advised the Hullers appeared to be transients and could furnish no information as to their whereabouts.

LEE HARVEY OSWALD

Information set forth below was furnished on August 3, 1964, by MARIYA PAVLOVNA NECHKIN (NISHKIN), 133 - 19th Avenue, Apartment 6, San Francisco, California, to SA JOHN P. MC HUGH:

She is the widow of NICHOLAS NECHKIN (NISHKIN) who formerly published the Russian language newspaper "Nashe Vremya" ("Nashe Viemya") at 331 Potrero Avenue, San Francisco, California.

NICHOLAS NECHKIN died on June 11, 1964, and the newspaper "Nashe Vremya" has ceased publication and is presently defunct. Following NICHOLAS NECHKIN's death, all of the records of the newspaper, including its subscription records, have been destroyed and consequently, Mrs. NECHKIN was unable to advise if LEE HARVEY OSWALD had ever subscribed to "Nashe Vremya" between 1956 and 1959.
