IX. ALLEGATION BY T-32

On November 25, 1963, T-32 made contact with the United States Embassy at Mexico, D. F., and advised the following:

T-32 entered Mexico illegally from Guatemala on August 29, 1963, traveled to Mexico, D. F., and subsequently made contact with a Nicaraguan communist residing in Mexico City. From this contact a plan was developed for T-32 to travel to Cuba to study guerrilla warfare tactics. He had occasion to visit the Cuban Consulate in Mexico, D. F., several different times for the purpose of obtaining travel documentation for Cuba by furnishing false identification papers as a Mexican citizen.

He stated that on September 18, 1963, he went to the Cuban Consulate, and while sitting in the waiting room saw a group of approximately eight persons enter the Consulate and the office of Cuban Consul EUSEBIO AZCUE. A person unknown to him was sitting at AZCUE's desk. A short time later, while source was standing near the door to the men's room at the Cuban Consulate, he noticed three men conversing a few feet away from him. One of them was a tall, thin Negro with reddish hair; the second was a man whom T-32 had seen previously holding a Canadian passport in the waiting room of the Cuban Consulate; and the third person was LEE HARVEY OSWALD.

Source stated that a tall Cuban joined the above group momentarily and passed some United States currency to the Negro.

The following conversation between the Negro and OSWALD was overheard by source:

Negro (in English): I want to kill the man.

OSWALD: You're not man enough. I can do it.

Negro (in Spanish): I can't go with you. I have a lot to do.

OSWALD: The people are waiting for me back there.

T-32 stated that the Negro then gave OSWALD \$6,500 in United States currency of large denominations, saying: "This isn't much." Of this sum, \$1,500 was for extra expenses. The Negro also gave OSWALD about 200 Mexican pesos.

In a later interview, source stated that the United States bank notes were in a small pack about one fourth of an inch thick, bound with a paper band, which the Negro broke before counting out \$1,500 extra for expenses and \$5,000 as "advance payment."

T-32 stated that Oswald had carried a green passport in his pocket, and he believed he saw OSWALD wearing a pistol in a shoulder holster, but he was not sure of this point. He stated that OSWALD had long shoes and a wrist watch with a yellow-metal band. According to source, OSWALD appeared to be completely at home at the Consulate and to know and to be known by Cuban Consulate personnel.

T-32 was arrested and interrogated by Mexican authorities on November 28, 1963, and a copy of the interrogation report by the Mexican authorities revealed the following:

At the outset source's story generally resembled that recorded above. He repeated to the Mexican authorities the details of the scene in which he saw the Negro, the Canadian and the American conversing together, the delivery of the money to the American by the Negro, and the conversation he overheard.

T-32 advised the interviewing Mexican officials that upon seeing the photograph of OSWALD in the newspapers following the assassination of President JOHN F. KENNEDY, he recognized OSWALD as the American he had seen at the Cuban Consulate.

An excerpt from source's statement to Mexican authorities, as translated from Spanish, is as follows:

".....spontaneously and after reconsidering he desires to state that the American to whom he referred in the body of his statement and whom he saw the 18th of September of this year in the Cuban Consulate had a certain resemblance, about sixty per cent, to LEE HARVEY OSWALD (assassin of the President of the United States). That after the assassination of President KENNEDY the witness took advantage of this fact in his favor to exploit it, furnishing versions such as those initially set forth, for the purpose of provoking an energetic reaction from the political point of view on the part of the United States of America against the government of FIDEL CASTRO RUZ and that he had no motive other than the profound hatred he feels for communism. That all his life the witness had dedicated himself to combating communism and he regrets at this moment not having accomplished his objective in the sense of causing a reaction on the part of the American Government against FIDEL CASTRO."

Because of the fact that subsequent to making the above-mentioned statement to Mexican authorities, source claimed that he had changed his statement because of fear, he was interviewed at considerable length on December 5 and 6, 1963, in Mexico, D. F.

After reiterating his story, T-32 was afforded a polygraph examination on December 6, 1963. During the course of the examination he was asked, "Is this the American you saw in the Cuban Consulate?" At the time he was shown photographs of OSWALD.

Each time he was asked this question, he definitely responded, "Yes," but it was noted that the polygraph indicated a "deception response" on these answers. These responses and those with respect to other questions led to the conclusion that T-32 was a fabricator. It was specifically pointed out to him that the polygraph indicated that he was not being

truthful in identifying photographs of OSWALD as being of a person he saw in the Cuban Consulate, and he was asked for his explanation thereof.

He replied that he had full faith in the polygraph and would not attempt to refute its results. He went on to say that the only explanation he could offer was that he had seen an American in the Cuban Consulate on September 18, 1963, who resembled OSWALD, and that upon seeing the photograph of OSWALD in the newspaper, he built up within himself, either consciously or subconsciously, a complete belief that the person he had seen in the Cuban Consulate was OSWALD.

**X. MISCELLANEOUS INQUIRIES AND ALLEGATIONS
RELATING TO OSWALD**

**(A) Allegation by SALVADOR DIAZ VERSON
Concerning OSWALD and SILVIA DURAN**

The White House at Washington, D. C., received a paper entitled "Possible Psychological Motivations in the Assassination of President KENNEDY" written by JOSE I. LASAGA, 2340 N. E. 7th Avenue, Apartment 4, Miami, Florida.

This speculative paper attempted to establish that the motivation of OSWALD in the assassination of President KENNEDY was FIDEL CASTRO or a CASTRO agent and that OSWALD was so motivated during his trip to Mexico between September 27 and October 2, 1963. The paper included the allegation that OSWALD had an extended interview with the Cuban Ambassador to Mexico, whom he met at a restaurant on the outskirts of Mexico, D. F., from where they departed together in the Cuban Ambassador's automobile for a private conversation.

LASAGA had advised the White House that he received the above report from ANGEL FERNANDEZ VARELA, an employee of the Voice of Cuba in Miami, Florida, who received the information from SALVADOR DIAZ VERSON, who reportedly was in

DL 100-10461

(6) No reference to DUDLEY M. HUGHES, JR., funeral home director.

(7) One reference to DUDLEY M. HUGHES Funeral Home, 400 East Jefferson Street, and that pertains to an FD-302 dated November 29, 1963, prepared by SA ROBERT C. LISH and reported on Page 82 of Dallas report of SA ROBERT P. GEMBERLING dated November 30, 1963. This FD-302 records a review of that funeral company's records pertaining to deceased Dallas Police Officer J.D. TIPPIT.

The 1964 Dallas City Directory indicates that C.F. WRIGHT, wife MARY, resides at Apartment # 1, 501 East Tenth Street, Dallas, Texas.

The address of 501 East Tenth Street is that of an older apartment building situated at the northeast corner of East Tenth Street and South Denver Street, Oak Cliff Section, Dallas, Texas. Apartment #1 at this address is located in the front and on the west side of this apartment structure and is the closest apartment at 501 East Tenth Street to the corner of East Tenth and South Denver Streets.

Dallas Police Officer J.D. TIPPIT was shot and killed alongside his police cruiser around 1:16 p.m., 11/22/63, approximately 100 feet east of the intersection of East Tenth Street and South Patton Street. Officer TIPPIT's patrol car was parked in the 400 block of East Tenth Street on the south side of the street headed east toward the 500 block of East Tenth.

A visual check of the area of the shooting of Officer TIPPIT and the address 501 East Tenth Street indicates Apartment #1, East Tenth Street, is approximately 200 feet to 225 feet from the scene of the shooting. There is now a clear unobstructed view of the murder scene from the front of 501 East Tenth Street, and there is no reason to believe that such a view would have been obstructed by any natural features as of 11/22/63.

DL 100-10461

In regard to the views of the Dallas Office as to the desirability of conducting interviews with the NASHs, WRIGHTs, ACQUILLA CLEMMONS and employees of the Dudley M. Hughes Funeral Home, the following is noted:

The President's Commission Report on the Assassination in its List of Witnesses, appearing on Pages 483-500, Appendix V, cites the names of 13 witnesses who presented testimony to the Commission, who are described in the report as "Witnesses in the vicinity of the TIPPIT crime scene".

In addition to these cited 13 witnesses, it is known that the Dallas Police Department conducted its own independent investigation at the scene and in the immediate area of TIPPIT's murder.

The Commission report on Page 171 states that the four cartridge cases found in the shrubbery on the corner of Tenth and Patton Streets by three of the eyewitnesses were fired from OSWALD's revolver according to the unequivocal testimony of witnesses.

It is felt that the Commission's report in its findings regarding the TIPPIT shooting is thorough, factual, and well-documented.

In regard to the interview of FRANK WRIGHT by the NASHs, as set forth verbatim in the 10/12/64 issue of "The Newleader", the Dallas Office has no reason to question WRIGHT's sincerity or truthfulness although the information he relates about seeing a man standing in front of the police car wearing a long coat, and getting into a little old gray coupe, possibly a 1950 or 1951 Plymouth, which had been parked behind TIPPIT's police car headed west and immediately driving away, has not been brought to the attention of this office previously by any interviewed witnesses who were at the crime scene and whose veracity has even been questioned.

DL 100-10461

It is very possible and probable that several residents in the area telephoned the Dallas Police Department to report the TIPPIT shooting as it is a known fact that several citizens even used TIPPIT's police car radio in order to summon help.

As to why WRIGHT has not been interviewed in the past, it is only reasonable to assume that the Dallas Police Department in handling its murder investigation undoubtedly felt that it had enough witnesses, who as good citizens had come forth and identified themselves, without canvassing the area looking for reluctant or shy witnesses.

Should it be deemed advisable at this late date to interview the WRIGHTs, it is not known what value their information would be other than to lend some credence to their observations and to the printed article of the NASHs. The possibility of ever identifying the person and/or car described by FRANK WRIGHT as being in the immediate area of the TIPPIT murder scene on November 22, 1964, seems extremely remote, if not impossible, due to the passage of time.

As to the "other witness" described by the NASHs as ACQUILLA CLEMMONS, there is no record of a previous contact of anyone by this name by FBI Agents during the course of this investigation. Such a person's name does not appear in the current Dallas City Directory. The NASHs even noted in their aforementioned article that "Her version of the slaying was rather vague, and she may have based her story on second-hand accounts of others at the scene".

In view of the above, it is not felt that an investigation at this time to identify and locate ACQUILLA CLEMMONS is warranted.

Accordingly, the Dallas Office is not recommending any investigation be conducted in connection with the contents and individuals mentioned in the NASH article, UACB.

Dear Mr. Rankin:

Reference is made to request from the office of Mr. W. David Slawson of the Commission's staff that we declassify a summary memorandum dated May 13, 1964, dealing primarily with the activities of Lee Harvey Oswald in Mexico.

It was suggested by Mr. Slawson's office that in the event declassification of the entire May 18, 1964, memorandum was not advisable, a redraft of the memorandum in question would fit the needs of the Commission providing the material in the redraft covered the pertinent points in the Commission's summary report.

In this connection there are enclosed two copies of a redraft of our May 18, 1964, summary memorandum. The enclosures are unclassified. The classified version of our May 18, 1964, memorandum, including the table of contents and index, is to be regarded as still bearing a "Secret" classification.

I. INTRODUCTION

That portion of the information recorded herein relating to inquiries in Mexico was furnished by confidential sources abroad who, subsequent to the assassination of President John F. Kennedy, were requested to conduct investigation designed to develop all aspects of the activity of Lee Harvey Oswald in Mexico.

II. TRAVEL TO MEXICO BY LEE HARVEY OSWALD (September 26-27, 1963)

(A) OSWALD's Application for United States Passport, June 24, 1963

United States State Department records disclose that on June 24, 1963, OSWALD applied for a United States passport at New Orleans, Louisiana, stating that he intended to depart from New Orleans during the period from October to December, 1963, for proposed travel as a tourist of three months' to a year's duration to England, France, Germany, Holland, Russia, Finland, Italy and Portugal. He was issued United States Passport No. DO 92526 at New Orleans on June 25, 1963.

This passport was valid for three years for travel to all countries except Albania, Cuba and those portions of China, Korea and Vietnam under communist control.

This passport was found among OSWALD's effects following his arrest at Dallas, Texas, on November 22, 1963.

(B) OSWALD's Mexican Tourist Visa

On November 23, 1963, T-1, a confidential source abroad, advised that the official records of the Mexican Government reflected that one LEE, HARVEY OSWALD had entered

Mexico on September 26, 1963, at Nuevo Laredo, Tamaulipas, and had departed Mexico at the same place on October 3, 1963.

On November 24, 1963, source made available a copy of the Mexican form FM-8 (tourist card) used for the entry of this person into Mexico. The FM-8 is reproduced on the following page.

The FM-8 bears No. 24085 and was issued on September 17, 1963, by the Mexican Consulate General in New Orleans, Louisiana. As noted above, it was issued in the name of LEE, HARVEY OSWALD. It would appear that the comma was placed on the card in error inasmuch as the signature appearing on the original and duplicate portions of the FM-8 is LEE H. OSWALD. OSWALD listed his profession as "photographer," stated that he was 23 years of age and married, and presented a birth certificate as proof of his citizenship. The FM-8 was valid for a single journey to Mexico for a period of fifteen days.

According to the rubber-stamp impression appearing on both the original and the duplicate copy of the FM-8, OSWALD was admitted at Nuevo Laredo on September 26, 1963, by Mexican Immigration Service employee HELIO TUEXI MAYDON. A rubber-stamp impression on the original of the FM-8 indicated that he departed Mexico at Nuevo Laredo on October 3, 1963, his departure having been handled by Mexican Immigration Service employee ALBERTO ARZAMENDI CHAPA.

By way of general information, T-1 has stated that Mexican tourist cards are issued in duplicate. The duplicate copy of the card is picked up at the time of entry into Mexico of the bearer of the card. The latter retains the original of the card until departure from Mexico, at which time the original is picked up at the port of departure. Both the original and the duplicate copies of the card are date-stamped at the port of entry and, in addition, the original is date-stamped at the port of departure.

SALIDA
ALBERTO ARZAMENDI CHAPA
NUEVO LAREDO, TAMAULIPAS

Reproduced above is the original portion of the Mexican FM-8 with which LEE HARVEY OSWALD entered Mexico on September 26, 1963, and departed therefrom on October 3, 1963. Although he is known to have traveled by bus from Nuevo Laredo to Mexico City, his mode of travel is not recorded on the FM-8, which was retrieved and cancelled by ALBERTO ARZAMENDI CHAPA at the time of his departure. No space is provided on the card for recording means of travel upon departure, and no such information appears on the above card. The back of the FM-8 contains no information other than printed instructions and warnings to the traveler in Spanish, English and French.

On November 27, 1963, Father ANTONIO MORENO, Sacred Heart Catholic Church, 215 North 15th Street, Edinburg, Texas, advised in Edinburg, Texas, that Father RICHARD LAWRENCE PHILION, who formerly resided at this address, obtained a Mexican tourist card on about September 17, 1963, with which to enter Mexico. He added that Father RICHARD LAWRENCE PHILION is now assigned to the Santa Maria Magdalena Church in Tequixistlan, Oaxaca, Mexico, and that his mailing address is Apartado Postal No. 93, Salina Cruz, Oaxaca, Mexico.

T-2, a confidential source abroad, advised that Father PHILION stated at Salina Cruz, Oaxaca, Mexico, on December 13, 1963, that he had obtained his Mexican tourist card, form FM-5 No. 4373765, at the Mexican Consulate in New Orleans, Louisiana, on September 17, 1963.

Father PHILION examined various photographs of OSWALD, and he could not recall any person of OSWALD's description being present at the Mexican Consulate in New Orleans when he obtained his Mexican tourist card.

Father PHILION advised that it was his best recollection that he was in the Mexican Consulate in New Orleans at about 1:30 p.m. on September 17, 1963, and that he arrived shortly before the Mexican Consulate was scheduled to close. He recalled that his tourist card was the last one issued on the day of September 17, 1963, and that one man and a woman were present at the Mexican Consulate when he was securing his tourist card. He did not recall any individual resembling OSWALD while he was at the Mexican Consulate in New Orleans.

(C) Results of FBI Laboratory Examination
of OSWALD's Tourist Card

Mexican tourist card, FM-3 No. 24085, issued on September 17, 1963, by the Mexican Consulate General in New Orleans, Louisiana, was forwarded to the FBI Laboratory, Washington, D. C., for examination, and on December 6, 1963, the FBI Laboratory concluded the following, after examination of the tourist card issued to OSWALD:

"It was concluded that handwritten OSWALD signatures on the two portions of the tourist card, FM-8 No. 24025, issued to OSWALD by the Mexican Consulate General at New Orleans, Louisiana, on September 17, 1963, were written by LEE HARVEY OSWALD.

"No latent fingerprint impressions of value were developed on OSWALD's Mexican tourist card."

(D) Closing of United States-Mexican Border

Immediately upon receipt of information of the assassination of President KENNEDY, the Mexican Government closed all border traffic between the United States and Mexico for the specific purpose of forestalling the escape of the assassin.

The Mexican border was reopened following the apprehension of OSWALD.

(E) Mexican Newspaper, "Excelsior," November 25, 1963, Issue re: OSWALD's Trip to Mexico

On November 25, 1963, Mexican newspaper "Excelsior" published at Mexico, D. F., Mexico (Federal District of Mexico which encompasses Mexico City), contained on page 1-A an article in the Spanish language, a translation of which is as follows:

"THE APPARENT ASSASSIN OF KENNEDY SOLICITED VISAS HERE (MEXICO, D. F., MEXICO) IN ORDER TO GO TO MOSCOW VIA HAVANA.

"LEE HARVEY OSWALD, alleged murderer of President KENNEDY and who was assassinated by JACK RUBINSTEIN, entered Mexico on September 26, last, with a tourist card which our Consul in New Orleans issued him on the seventeenth of the same month, with his birth certificate, which he presented, accrediting him as an American citizen.

"Excelsior has confirmed that on September 26, 1963, he crossed the border at Nuevo Laredo, Tamaulipas, and the following day arrived at this capital by vehicle highway.

"According to inquiries made, on the same September 27, OSWALD went to the Consul General of Cuba in Mexico in order to obtain a transit visa because he was thinking of traveling to Moscow via Havana.

"The Consul, EUSEBIO AZCUE, indicated to him that in order to issue him the visa which he was soliciting, he had to consult directly with his own government. The operation, therefore, would require from ten to twelve days.

"LEE HARVEY OSWALD, because of his irritable temperament, had an argument with Consul AZCUE and departed from his office giving a hard slam to the door as he left.

"The following day, or on the 28th of September, OSWALD interviewed the Consul General of the Soviet Union, accredited in Mexico, in order to solicit his corresponding visa for entry into the USSR.

"He supported his petition with the fact that his wife was a Soviet citizen; that he was a militant communist; and that he had lived for three years in Russia.

"OSWALD told the Consul of the Soviet Union in Mexico that they could easily verify his words by communicating telephonically with his wife, who could be found lodging in a hotel in New Orleans.

"Following the normal procedure carried out in these cases, the Soviet Consul indicated to him that he would first have to consult with his own government and that the lapse of time for obtaining an answer was from three to four months.

"The apparent murderer of President KENNEDY again became angry and repeated the scene which he had made the day before at the Cuban Embassy, arguing with the Soviet Consul, and departing highly disgusted from his office.

"OSWALD returned to Texas on the third day of October through the border at Nuevo Laredo, Tamaulipas.

"The inquiries which have been made to the present in Mexico apparently indicate that LEE HARVEY OSWALD had no interviews with highly placed officials at the Soviet Embassy or at the Cuban Embassy accredited to our government."

(F) Checks Made on Compania de Aviacion Passenger Manifests for September 25-27, 1963

T-3, a confidential source abroad, advised that on November 25, 1963, FERNANDO FARIAS, Assistant Sales Manager for Compania Mexicana de Aviacion (CMA), Balderas 36, Mexico, D. F., stated that he had caused a careful check to be made of all CMA passenger manifests for CMA flights between Nuevo Laredo, Tamaulipas, Mexico, and Mexico, D. F., and for all CMA flights between Monterrey, Nuevo Leon, Mexico, and Mexico, D. F., for September 26 and 27, 1963.

FERNANDO FARIAS stated that there were no passengers listed on these manifests using the name LEE HARVEY OSWALD or any name variation thereof.

(G) Check at OSWALD's Port of Entry into Mexico

On November 25, 1963, HELIO TUEXI MAYDON, Mexican Immigration Service employee, advised at Nuevo Laredo, Mexico, that OSWALD entered Mexico at Nuevo Laredo on September 26, 1963, using a fifteen-day tourist card issued September 17, 1963, by the Mexican Consulate General at New Orleans, Louisiana.

TUEXI MAYDON had no independent recollection of OSWALD but considered that OSWALD may have been in the company of a young American couple.

An exhaustive search was made of Mexican Immigration records at Nuevo Laredo, which disclosed that there was only one young American couple whose entry into Mexico may have coincided with that of OSWALD. This couple was named BILL and ELAINE ALLEN of Miami, Florida.

On November 27, 1963, TUEXI MAYDON advised that no information had been developed regarding the exact time or specific mode of travel of OSWALD at the time he entered Mexico. He stated that OSWALD's entry into Mexico on September 26, 1963, took place between 5:00 a.m. and 2:00 p.m. as he had handled OSWALD's entry and he worked this shift at the border port of entry at Nuevo Laredo. He added that OSWALD's departure from Mexico was at Nuevo Laredo, Mexico, on October 3, 1963, between 12:01 a.m. and 8:00 a.m. and that this shift was supervised by ALBERTO ARZAMENDI CHAPA, Mexican Immigration Service employee.

On November 27, 1963, MARIO DEL VALLE PLATA, Mexican Immigration Service employee, Nuevo Laredo, Mexico, advised that no Mexican Immigration Service employee who was on duty at Nuevo Laredo when OSWALD entered or departed from Mexico had any independent recollection of OSWALD by photograph or otherwise with regard to his entry or departure from Mexico.

(II) Check of Flecha Roja (Red Arrow) Baggage List for Passengers for September 26, 1963, Trip from Nuevo Laredo to Mexico, D. F.

The baggage list for passengers for September 26, 1963, of the Mexican bus line Flecha Roja (Red Arrow) for the bus which left Nuevo Laredo, Tamaulipas, Mexico, at 2:00 p.m. on this same date, reflects that there was a total of 18 pieces of baggage. The baggage list reflects the following:

1. PABLO VASQUEZ
2. Second piece of luggage attributed to PABLO VASQUEZ
3. S. MOROU
4. ALFREDO BRISENO
5. ROIG SORQUIS
6. T. GONZALEZ
7. ANDRES MORALES
8. Second piece of luggage attributed to ANDRES MORALES
9. Gpe. MARTINEZ (possibly GUADALUPE or Capt. MARTINEZ)
10. (FNU) BOWEN
11. HARRY J. MITCHELL
12. Second piece of luggage attributed to HARRY J. MITCHELL
13. Third piece of luggage attributed to HARRY J. MITCHELL
14. LEE H. CSWALJ
15. (FNU) BOWEN (believed identical with JOHN H. BOWEN)
16. Second piece of luggage attributed to BOWEN
17. JOHN McFARLAND
18. Second piece of luggage attributed to JOHN McFARLAND

The driver of this bus was listed as ROBERTO MORALES.

The baggage list has the number "18" at the bottom, which, according to the Mexico City terminal manager of Flecha Roja, signifies that 18 pieces of luggage had been checked and ticketed on that bus.

T-4, a confidential source abroad advised on December 16, 1963, that ROBERTO MORALES, driver of the Flecha Roja bus No. 516 on September 26, 1963, could not recall the passengers on the trip of September 26, 1963, because so much time had elapsed; and since he makes two round trips between Nuevo Laredo and Mexico, D. F., each week, he could not recall any information regarding OSWALD or any other passengers who were on the bus.

JOHN H. BOWEN was identified from Mexican Immigration records as 60 years of age, born Houston, Texas, a United States citizen, residence Houston, Texas. Mexican tourist card was issued to him at Nuevo Laredo, Mexico, on September 26, 1963, upon presentation of his birth certificate.

HARRY J. MITCHELL was identified as 41 years of age, a United States citizen, a lawyer, residence Palmyra, Missouri. Mexican tourist card was issued to him at Nuevo Laredo on September 26, 1963.

ANNIE MARIE MITCHELL was identified as apparently being the wife of HARRY J. MITCHELL, above, 22 years of age, a United States citizen, residence same as husband, above.

Dr. JOHN BRYAN McFARLAND and his wife, Mrs. ANNA MERYLE REID McFARLAND, 10 Fulwood Park, Liverpool, England, were interviewed in England and advised they were on the Flecha Roja bus from Nuevo Laredo, Tamaulipas, Mexico, to Mexico, D. F., September 26-27, 1963. They stated that they observed the following during this trip:

OSWALD was on this bus trip traveling alone and he sat next to an 80-year-old man, described as a United States citizen, who appeared to be 60 years of age and who resides in Cuernavaca, State of Morelos, Mexico, and in the State of Tennessee in the United States. This individual was identified further as a school teacher who taught in India and Arabia and currently was writing a book on the Lisbon, Portugal, earthquake of 1775.

During this trip, OSWALD spoke to two Australian girls in their mid-twenties who boarded this bus in Monterrey, State of Nuevo Leon, Mexico, and these two girls got off at Mexico, D. F., Mexico.

OSWALD left the bus alone at Mexico, D. F.

With regard to the first individual described by the McFARLANDs, JOHN HOWARD BOWEN, listed above with tourist card FM-5 No. 4329926, was considered possibly to be the elderly United States citizen who sat next to OSWALD, and he could be contacted in care of Calle Carranza No. 4-A, San Martin de Texmelucan, State of Puebla, Mexico. Extensive investigation to locate JOHN HOWARD BOWEN was made, and the results are set forth hereinafter.

With regard to the two Australian girls in their mid-twenties, these girls were considered identical with PATRICIA CLARE ROSALEIGH WINSTON, 22 years of age, Australian citizen, native of Fiji Islands, bearer of Mexican tourist card FM-5 No. 4225335, issued August 24, 1963, by the Mexican Consulate in New York, New York, home address listed as 222 West 23rd Street, New York, New York, and PAMELA LILLIAN MUMFORD, 21 years of age, English citizen, born Fiji Islands, bearer of Mexican tourist card FM-5 No. 4225336, issued the same date and place as that of WINSTON. According to Mexican Immigration records, WINSTON and MUMFORD entered Mexico at Nuevo Laredo on September 25, 1963, one day before OSWALD entered Mexico.

PATRICIA WINSTON and PAMELA MUMFORD advised the following on December 17, 1963, when interviewed in the United States:

WINSTON and MUMFORD boarded a bus at Monterrey, State of Nuevo Leon, Mexico, on September 25, 1963, at 7:30 p.m., en route to Mexico, D. F. Both identified OSWALD as a passenger on this bus and both observed him sitting next to an Englishman who had lived in Mexico for thirty years. This latter individual was described as being in his late sixties, heavy build, gray hair - balding, with a distinctive English accent, and both believed him to be retired from business.

WINSTON and MUMFORD recalled that OSWALD introduced himself and exhibited to them his United States passport. OSWALD advised WINSTON and MUMFORD that he had lived in Russia for two years and that he had had a hard time getting out of Russia. OSWALD stated that he had been in Japan.

OSWALD made no comment concerning communism or Cuba. He did not state why he was traveling to Mexico, where he was going, and he did not advise concerning his occupation or future plans.

OSWALD stated that he was from Fort Worth or Dallas, Texas. He was observed to be traveling alone. He had only one piece of luggage and a small zipper bag. He wore a gold wedding ring.

OSWALD recommended that WINSTON and MUMFORD stay at the Hotel Cuba, Mexico, D. F., where he claimed that he had stayed several times before. He pointed out that this hotel was inexpensive but that he was not staying at the Hotel Cuba on this trip.

WINSTON and MUMFORD recalled an English couple aboard the bus. This couple is considered identical with Dr. JOHN BRYAN McFARLAND and his wife, Mrs. ANNA MERYLE REID McFARLAND, mentioned above.

JOHN HOWARD BOWEN, who has been known as Reverend ALBERT OSBORNE and has resided at Calle Emilio Carranza No. 4-A, San Martin de Texmelucan, State of Puebla, Mexico, and 4114 Drummond Street, Montreal, Canada, was determined to be the holder of Canadian Passport No. 5-605377. T-2 advised on January 7, 1964, that BOWEN, while posing as Reverend ALBERT OSBORNE, stated in Mexico that he was acquainted with Reverend JOHN HOWARD BOWEN and furnished misleading information concerning the alleged whereabouts of BOWEN.

On January 28, 1964, T-5, a confidential source who has furnished reliable information in the past, advised the records at the Mexican Ministry of Gobernacion (Ministry of the Interior) reflect that ALBERT OSBORNE was ordered deported from Mexico on April 5, 1953, through Laredo, Texas. OSBORNE had been charged with selling an automobile in the Oaxaca, Mexico, area without paying the import duties. These records reflect also that, in 1953, OSBORNE was known as JOHN HOWARD BOWEN and was located in Mexico and determined to be without proper Mexican immigration papers.

On January 30, 1964, T-5, a confidential source abroad, advised that inasmuch as ALBERT OSBORNE had been illegally in Mexico, he would be detained for deportation if located in Mexico.

BOWEN was interviewed at Florence, Alabama, on February 8, 1964, and advised that he recalled making a bus trip from Nuevo Laredo, Mexico, to Mexico, D. F., on September 26-27, 1953, and sitting next to a young man whom he described as 29 years of age, 5 feet 8 inches tall, 150 pounds in weight, with thin, blond hair and a dark complexion, who appeared to be of Mexican or Puerto Rican descent. This individual went to sleep soon after boarding the bus, and, after a lunch stop at Sabinas Hidalgo, Mexico, this person moved to the back of the bus where he reclined on a seat and went to sleep. BOWEN claimed that he did not talk to the above person and was unable to identify press photographs of OSWALD.

BOWEN stated that he is acquainted with an ALBERT OSBORNE, described as a Baptist preacher or missionary from Canada, and while in Oaxaca, Mexico, in 1953, BOWEN misplaced his identification papers and during a census taken at Oaxaca he borrowed OSBORNE's identification papers. BOWEN claimed that he had never before or afterward used the name of OSBORNE.

Interviewed further at Nashville, Tennessee, on March 3, 1964, OSBORNE admitted that he had used dual identities as OSBORNE and JOHN H. BOWEN for many years in Mexico and the United States. He continued to deny any knowledge of OSWALD, however.

(I) List Obtained of Entry of All Non-Mexican
Citizens on September 25, 1933, at Nuevo
Laredo, Tamaulipas, Mexico

T-1, who is thoroughly familiar with the workings of the Mexican Ministry of Gobernacion (Interior), furnished the following information concerning the procedures utilized by the Mexican Immigration Service in connection with the entry and departure of non-Mexican citizens into and out of Mexico. It is to be noted that the Mexican Immigration Service is a part of the Mexican Ministry of Gobernacion.

Tourists usually enter Mexico on a Mexican tourist card. There are two types of such cards, one being called the FM-3, which is valid for a stay in the country of only 15 days, and one designated as FM-5, which has validity for a 180 days' stay in Mexico. Both types are issued at Mexican Consulates throughout the world and can also be obtained from the Mexican Immigration Service at border ports of entry. FM-3 tourist cards also are available at airlines ticket offices and tourist agencies.

At the time of entry into Mexico, the traveler surrenders the duplicate portion of the tourist card, and both the duplicate and the original, which remains in the possession of the traveler, are stamped with a rubber stamp which shows the name of the Mexican representative handling the entry, the date of the entry and the locality of the port of entry. When the traveler leaves Mexico, he surrenders the original portion of the tourist card and it is stamped with a rubber stamp which carries the name of the Mexican representative, the date of the departure and the locality of the port of departure.

Each Mexican port of entry is required on a continuing basis to prepare a form called form FM-11. The FM-11 for both entries and departures is prepared each "quincena" (fifteen-day period). Entries and departures are set up on the FM-11 in chronological order and thereafter, within each date, the names of the tourists are listed in alphabetical order. Basic information appearing on the FM-11 is taken from the tourist card presented by the traveler. At the time the FM-11 is prepared, a number is placed on the tourist card, these

numbers being in sequence according to the alphabetical order of the names within each date and thereafter by date. By way of example, the first traveler in alphabetical order entering at a port of entry on the first day of the month or a "quincena" is assigned number 1. Thereafter, all travelers entering that port on that date are assigned numbers in sequence, according to alphabetical order. This sequence continues on the second day of the month and throughout the remaining 15 days of the "quincena."

T-1 made available for examination the forms FM-5 and FM-3 for all non-Mexican citizens entering Mexico at Nuevo Laredo as tourists on September 26, 1963, as well as the copies of forms FM-11 containing the recapitulation of the entries to Mexico at Nuevo Laredo on this date.

From the tourist cards (FM-5 and FM-3) and the copies of the forms FM-11, the following summary of information concerning each person who entered Mexico at Nuevo Laredo on September 26, 1963, has been obtained. The summaries have been divided into those persons traveling on form FM-5 and those traveling on form FM-3, since the forms FM-11 are so set up. The number appearing before each name is the number which appears on form FM-11. The following is a brief resume regarding each person who entered Mexico on September 26, 1963. Information was available regarding the mode of transportation on entry, a brief description of the person, the residence listed, proof of citizenship was shown and the Mexican Immigration Service employee who handled the entry, and this information was set out in detail in memorandum dated March 16, 1964.

María Bocanegra No. 1165, Colonia Industrial, Monterrey, Nuevo Laredo, Mexico, had stated that he and his wife entered Mexico at Nuevo Laredo on September 26, 1963, in their personally-owned automobile and that they had not seen or heard anything about OSWALD until November 22, 1963.

T-4 advised on December 13, 1963, that GUILF ERMO MEVIA VILLAR, residence 117 West Johnson Street, San Antonio, Texas, and Mrs. MARIA OTERO PABLOS, residence 1101 Pecan Street, McAllen, Texas, who had entered Mexico by automobile on September 26, 1963, at Nuevo Laredo, had no pertinent information concerning OSWALD and they had not observed him.

He could not recall anyone resembling OSWALD at Nuevo Laredo or on the bus on which he traveled.

(K) Interview of ROBERTO MORALES, Driver of Flecha Roja (Red Arrow) Bus No. 516 from Nuevo Laredo to Mexico City on trip for September 26 and 27, 1963.

T-11, a confidential source abroad, advised as follows:

On March 14, 1964, ROBERTO MORALES, driver of Flecha Roja bus No. 516 on September 26-27, 1963, from Nuevo Laredo to Mexico, D. F., Mexico, furnished the following information:

He could not recall specifically the trip which he made on September 26-27, 1963, from Nuevo Laredo to Mexico City, because he has made numerous trips and seen a large number of passengers since that time. He was shown the baggage list recording the names of some of the passengers on that trip and stated he is not acquainted with any of the names and does not know any of the persons listed. He was unable to identify photographs of OSWALD and of JOHN HOWARD BOWEN, true name ALBERT OSBORNE. MORALES stated that his co-driver from Monterrey to Mexico City usually is ALFREDO GARCIA CERVANTES, who resides in Mexico City, address unknown to him.

On May 14, 1964, ALEJANDRO SAUCEDO, manager of the Mexico City terminal of "Servicios Unidos Autobuses Blancos Flecha Roja, S. A. de C. V." (The Unified Services of White Autobuses Red Arrow, Incorporated), Calle Heroes Ferrocarrileros 45, provided the following information with respect to the Flecha Roja baggage manifest mentioned above:

The baggage list reflects it was prepared for bus No. 516, which departed from Nuevo Laredo, Tamaulipas, at 2:00 p.m., September 26, 1963, driven by ROBERTO MORALES. The number "18" encircled at the bottom of the list indicates that 18 pieces of baggage were checked and baggage claim checks issued for storage and handling in the baggage compartment of the bus and revision by Mexican Customs.

SAUCEDO affirmed that the number of passengers departing on the bus from Nuevo Laredo is not specified on the baggage list and that only the persons who check and become responsible for one or more articles of baggage are listed thereon. He pointed out that unaccompanied baggage also may be sent in this manner and the presence of a name on the baggage list does not insure that the person actually traveled on the bus.

(L) Interview of ERNESTO HERNANDEZ, codriver of Flecha Roja (Red Arrow) Bus No. 516 from Nuevo Laredo to Mexico City on September 26 to 27, 1963

T-12, a confidential source abroad, advised on April 21, 1964, that ERNESTO HERNANDEZ, codriver of Flecha Roja (Red Arrow) bus No. 516 on September 26 to 27, 1963, from Nuevo Laredo to Mexico, D. F., Mexico, furnished the following:

He resides at Aldama No. 4, Tizayuca, Hidalgo, Mexico, and for the past nine years he has been employed as a bus driver for the Flecha Roja bus company.

He has no independent recollection of having been the codriver of bus No. 516 on September 26 to 27, 1963, but when his recollection was refreshed, he stated that for the first and only time he had been the codriver for ROBERTO MORALES on bus No. 516 on the trip from Nuevo Laredo to Mexico, D. F., on September 26 to 27, 1963. He normally does not work as a codriver with MORALES but did recall having substituted for MORALES' regular partner, ALFREDO GARCIA CERVANTES.

He was unable to identify the photographs of OSWALD and JOHN HOWARD BOWEN. He could not associate OSWALD with anyone he might have seen in the past. He had seen photographs of OSWALD in the newspapers following the assassination of President KENNEDY but he did not associate OSWALD with anyone he has seen.

He was shown the baggage list for passengers for the above trip and he did not know any of the names on this list. He advised that it was difficult for him to distinguish one trip from another or to recall individual passengers in the absence of a particular incident which might occur on a trip. He could not recall the above-mentioned trip made by bus No. 516, the portions of the trip during which MORALES had operated the bus or between what points he, HERNANDEZ, had driven the bus.

He could not furnish any data to assist in identifying OSWALD as being a passenger aboard Flecha Roja bus No. 516 on September 26 to 27, 1963.
