"Dear Lynn Bedford,

"I have not contacted you for some time as I was very discouraged by lack of results, even more I was especially discouraged by the so called findings of the Warren Commission and the published conclusions of the matter, this stuff that was published was nothing but JUNK. Oswald did not assinate President Kennedy!

"I gave you the name of the man who used the rifle, I gave you the Dallas organization which is part of a large outfit, but the Dallas group is only one unit.

"I will not attempt to detail the visions on the following but rather I will be very brief.

"According to what I am shown - "HARRAH'S" Casino

is a very important link in this whole matter, "JACK BENNY" the comedian is tied into the matter with Harrah in some way.

"I was shown this matter BEFORE, I noticed Jack Benny come out of Harrah's parking lot driving a Rolls Royce! About 4 days later Jack Benny did his act in Harrah's "South Shore Room" in the casino, he was billed for about 2 weeks.

"A Los Angeles newspaper carried the story of how they were called by a person unknown - and told to alert the F.B.I. on the possible assination of President Johnson upon his campaign visit to the L. A. area, the F.B.I. was immediately informed of the call.

"More over, one vision of instruction refered to Harrah and the letters P.K. (I believe this means President Kennedy) if this is true as I believe it is, then this death is linked to Harrah.

"Lynn, I have been working for "Harvey's" Hotel and Casino since the latter part of July, I work in the Kitchen of the Carriage room - (Main Kitchen) 4pm to 12pm, I quit once and went to San Francisco, but I was moved back here in the same forceful way as I was moved in here in the first place!

"I did not want to work here for the reason I like to gamble and that is all there is here to do! I have earned a living but there is no savings - I know this result needs no explanation.

"If I could, I would leave here now - but the power that controls my every move and destination says NO! So here I am knee deep in snow at times, and it sure gets cold here.

"Oh Yes! When I heard and read the Warren Commission conclusion in the Oswald - J.F.K. matter, the tears just

rolled out of my eyes, and Lynn I was not crying! This was a manifestation of the spirit and means Sorrow_ because of error, wrong understanding, etc!

"Well Lynn there is a lot to this matter but I said I would be brief and I have been, Good Luck.

"Written sincerely

"Floyd E. Swink"

Also enclosed in the letter was a postcard advertising that JACK BENNY, and others, would appear nightly through August 26, (year not stated) at Harrah's Tahoe, South Shore Highway 50 Nevada.

Security Matter - C

On December 4, 1964, by means of a suitable pretext by a Special Agent of the Federal Bureau of Investigation, it was determined that Mark Lane will depart the United States by air from Kennedy International Airport, New York City, on December 5, 1964, en route to London, England. It was further determined that Lane will remain in Europe until late January, 1965, during which time he will deliver a series of lectures on the circumstances surrounding the assassination of President John F. Kennedy.

The "New York Herald Tribune" newspaper dated January 15, 1964, page 7, column 1, contained an article entitled "Oswald's Mother Hires Lane". This article stated that on January 14, 1964, Mrs. Marguerite C. Oswald, mother of accused assassin Lee Harvey Oswald, announced she had hired Mark Lane to represent her slain son before the Warren Commission investigating the murder of President John F. Kennedy. According to this article, Mrs. Oswald stated she had been in contact with Lane during his stay in Fort Worth, Texas, the previous weekend. It was also pointed out that Lane had accepted the case although Mrs. Oswald stated she had no funds with which to pay him.

The "New York Times" newspaper dated April 2, 1964, page 37, contained an article stating that Mrs. Marguerite C. Oswald had dismissed

NEW YORK COUNCIL TO ABOLISH THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

ROBERT RONSTADT, 20515 Tiara Street, Woodland Hills, California, a former member of the Communist Party (CP) in Los Angeles, California, from 1946 to 1952 who furnished information to the Federal Bureau of Investigation from 1949 to 1952 advised on September 17, 1952, that FRANK WILKINSON was a member of the Los Angeles County, CP as of September, 1952.

A second source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a modus vivendi the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

A third, fourth, and fifth source have advised during March, 1962, that CP members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP club meetings.

On May 7, 1964, a sixth source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

TO THE FBI OF HOUSTON

Dear Sir:

I would like to have the name of the F.B.I. agent that investagated Mr. & Mrs. James Dommey for the Warren Commission and took what Mrs. Dommey said that I was not reliable for what I said. Mrs. Dommey told the FBI a lie. Every word she told the man was a lie. Mrs. Patterson, mother of Mrs. Dommey, wrote me very often and was a good friend of mine. I was told by Mrs. Patterson that Mrs. James (Doris) Dommey had paid tickets for appeding and law violations. Also, Mrs. Dommey was shot for stealing in Jacksonville. Dr. C. L. Newburn picked the shot out, and when Mrs. Dommey cut her leg on the lawn mower about 4 years ago a Dr. in Houston picked one out. Her statement was all a lie. I did all my Dad and Mothers business for 16 yearsand still do my Mothers business and take care of my brothers four childrens welfare. Dr. Pryor of Jacksonville will tell you my family trust me, and also Dr. J. K. Johnson of Pasadina, Texas will tell you the same for I did all of Dad's business when Dr. Johnson took care of Dad when he was in Jacksonville, that was about four or five years.

I feel that the Warren Commission wanted the truth and with the high tail Mrs. Dommey told it looked like you would check her out to see if she was telling the truth. She was at my house in late '62 in Irving and her Mother wrote that Mr. Dommey was coming not Mrs. Dommey. I saw Oswald and wife and babies. I don't mind about being made out a liar on that, but I do think the FBI took a lot on their hands to turn in a report like they did on me without checking these things out. I have never been mixed up in any murders or tryed to get mixed up inanything. My family trust me 100%. Her own brother disapproved of what she told the FBI.

SA Richard Burnett

Mr. Burnett came cut to see me last week. He is the FBI that called Houston. He read the letter I have from Mrs. Patterson. He said he thought, Mrs. Dommney was trying to get back at me for my brother-in-law having Mrs. Dommney brother and brother-in-lawlocked up for stealing a few years back. I think my family will chock out ok if little questioning would have been done.

SUBJECT: LEE HARVEY OSWALD
INTERNAL SECURITY - RUSSIA - CUBA

PURPOSE

To advise you we have received another complaint from Mrs. J. T. (Gertrude) Hunter of Irving, Texas, who is still claiming the President's Commission report "labeled her a liar" and she is still endeavoring to identify an Agent from our Houston Office who interviewed a relative of hers. It is recommended the attached communication be approved for dissemination to the Department.

BACKGROUND

Mrs. Hunter was one of two women who gave credence to an allegation that Oswald, his wife and child visited a gun shop prior to the assassination to have a telescopic sight mounted and sighted on a rifle. Our investigation suggests the allegation made by an employee of the gun shop was fabricated and that Mrs. Hunter was mistaken in her identification or lied. At the specific request of the Commission we interviewed Mrs. Doris Dominey of Houston, Texas, in an effort to substantiate statements made by Mrs. Hunter. On 8-13-64 during an interview, Mrs. Dominey characterized Mrs. Hunter as being known to tell "tall tales" and her gratuitous observations concerning Mrs. Hunter were incorporated in the Commission's report.

By letter dated 11-20-64, we advised the President's Commission and the Department of two contacts by Mrs. Hunter on 9-29-64 and 11-12-64 wherein she expressed extreme displeasure with the Commission's report. We also advised at this time of Mrs. Hunter's threat to institute suit against Mrs. Dominey and of her intention to continue efforts to identify our Houston Agent who interviewed Mrs. Dominey. The Commission at this time was advised that any further pertinent data would be furnished to the Department.

RE: LEE HARVEY OSWALD

DETAILS

Houston by airtel 12-2-64 furnished to the Bureau and Dallas copies of a letter from Mrs. Hunter dated 11-30-64 wherein she expresses substantially the same opinions about the Commission and again besmirches the character of Mrs. Dominey and states that she feels that the FBI should have checked on Mrs. Dominey before accepting her word. Mrs. Hunter asked our Houston Office to furnish her with the identity of the Agent who interviewed Mrs. Dominey. Houston suggested that Dallas personally acknowledge this letter and reiterate the Bureau's stand in this regard, specifically that we reported what we developed and that we had no control over the preparation and/or publication of the Commission's report.

OBSERVATIONS

It is felt that written acknowledgment of her communication will merely stimulate further communications from her and that it is best for us to again contact her personally and endeavor to get through to her what our responsibilities in this particular matter were.

RECOMMENDATION

That the attached letter to the Department advising them of the recent contact by Mrs. Hunter, with copies to Dallas and Houston, be approved. Dallas is being instructed to orally acknowledge Hunter's letter.

Dallas reviewed the voluminous correspondence Marina Oswald has received from various people throughout the United States since the assassination. One of the items concerned was a letter by Hou-Seye. In this letter Hou-Seye furnished Marina two dollars as an expression of sympathy and indicated that Oswald was driven by cruel circumstances into this act of violence "if, indeed, he is the guilty party." Hou-Seye has previously furnished letter to Director concerning highly technical matters which do not make sense and strongly suggest Hou-Seye is a mental case.

Dear Scott:

Enclosed is a nut letter the like of which, before November 22, 1963, I would have thrown in the wastebasket. Now I think maybe someone ought to take a look, someone better qualified than I to judge whether such guys are dangerous.

The writer evidently hates the Kennedys and the United States, and his hatred is apparently triggered by references to the Oswald case. At least, that is what seems to have triggered this letter to us; it responds to an advertisement in the Saturday Review.

By the way, please instruct anyone who sees the letter to ignore Hoyt's handwritten references to me on the front side of the nut letter. Hoyt doesn't really think I'm "sick, sick, sick"--I hope.

Cordially,

more interest in investing, as indicated by the large numbers of people attending lectures and courses on the subject."

Emphasizing the conservative approach, Gellermann jabbed: "Do you know of any other business which puts nothing in its windows but venetian blinds?"

On a yearly basis, Bache's advertising investment ranges between $750,000 and $1,000,000, an amount exceeded only by Merrill Lynch, Pierce, Fenner & Smith. Bache, one of the three largest brokerage firms, has been an industry innovator. The firm was first on the airwaves with a radio promotion; sponsorship of its present program, "Today's Business," was started with WOR in New York in 1948.

Gellermann, however, goes along with others who place Wall Street advertising in believing that: "Newspapers still do the best job for us and we spend most of our advertising dollars with them."

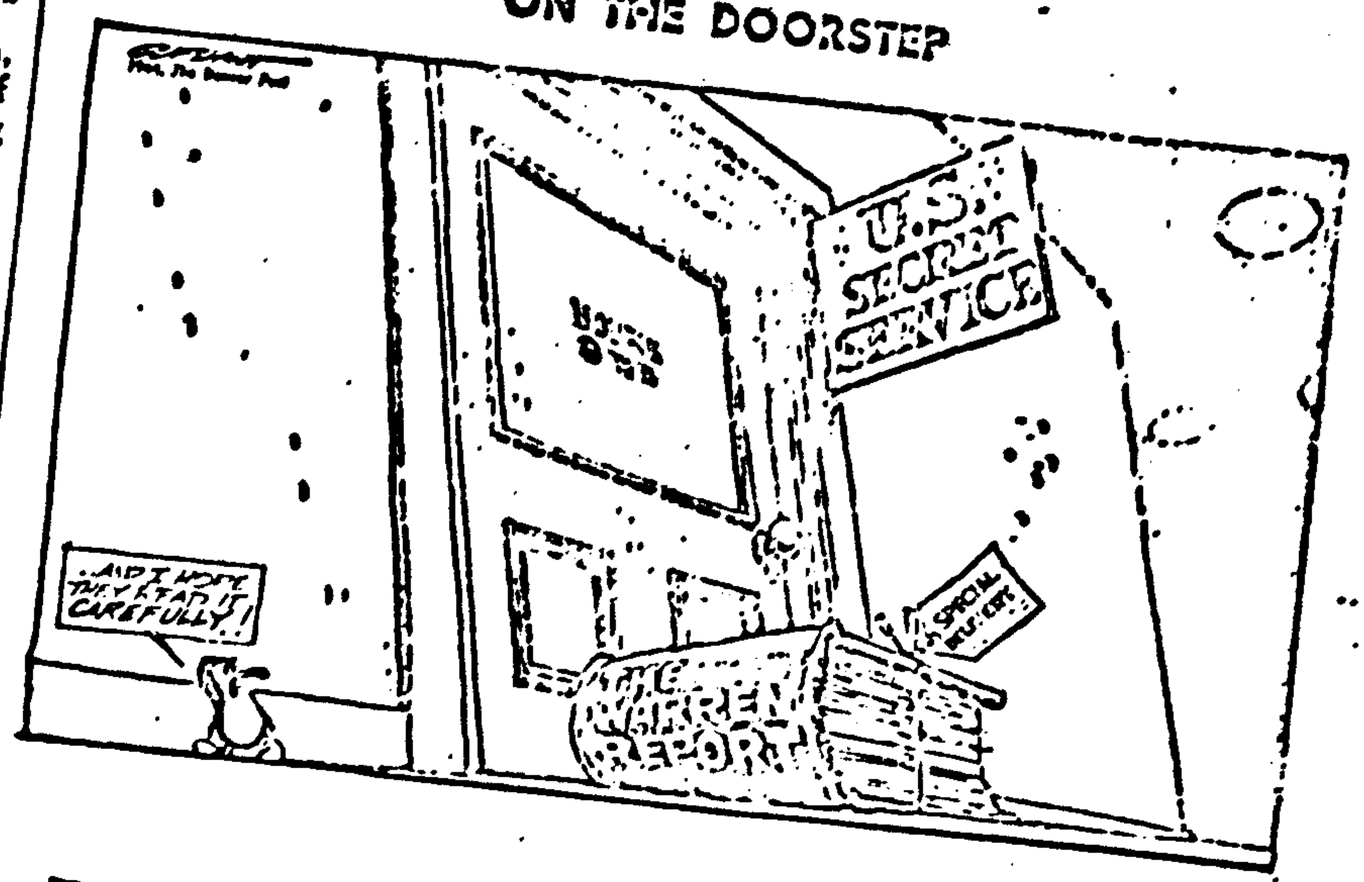
Some brokerage firms have schedules with magazines, but so far there has been only spotty use of television. Yet TV could be a breakthrough for the industry once budgets have been increased enough to make use of it.

An official of Thomson & McKinnon, a brokerage firm that earlier this year made a shift in its agency alignment, also voiced some strong feelings on the subject of financial advertising. "There's an awful lot of room for creativity in financial advertising," said George Bartlett, the firm's partner in charge of advertising. But, he quickly added, "nobody has found the answers yet." Evidently in a search for some of the answers, the account of Thomson & McKinnon was transferred from John O. Powers Company, where it was lodged for twenty-one years, to Albert Frank-Guenther Law.

It's not uncommon for an agency like AF-GL or Doremus & Company, its big rival in financial advertising circles, to have several brokerage firms as clients. One of AF-GL's clients is Merrill Lynch, Pierce, Fenner & Smith. Merrill Lynch is the biggest firm in the industry and has had the biggest advertising budget for years. As the firm opened more offices it increased its annual allotment for advertising. It passed the $1,000,000 mark five years ago. Today it spends $3,000,000. Of this, 40 per cent is used to educate the public on the advantages of investing in the stock market. The balance is targeted to promotion of investing through Merrill Lynch.

There's a reason why the advertising agency doesn't object when the firm spends a substantial share of its advertising outlay into education. "It's our business," said Jack Adams, AF-GL vice president (and supervisor on the account for seventeen years), "that if we increase the size of the pie, our piece will be bigger." Adams, however, con-

ON THE DOORSTEP



It Is More Than a Crime Report

IN THE great monumental mass of the Warren report on the assassination of President Kennedy, it is important that Americans perceive two stories, and not simply one.

The first is the official account of a crime that has changed history, an account that tells us with clarity, detail and assurance who did the killing, how it was done and how it might have been prevented.

This account establishes beyond question what most reasonable men have accepted since last November—that Lee Harvey Oswald was the killer, that he acted alone, that the motivation arose from his own twisted personality and that the crime might possibly have been prevented if there had been more thoroughness and coordination among several security agencies involved.

JOHN F. KENNEDY — one of the brightest, most successful and most favored men in our history — was killed by one of the most rejected and most futile citizens this nation has ever produced.

He was successful at almost everything he undertook—an honor student at school, a hero in war, a winner in elections to the House, the Senate and the presidency.

It is significant that this favored man on the inside of our society should be struck down by a man on the outside, a man who lived in our society most of his life but was never a part of it.

Oswald failed at almost everything he undertook. He was in trouble with the Marines, he was fired from jobs, he was at odds with almost everyone he met.

He was no more at home in the Soviet Union than he was in his own country.

Last Nov. 22, on a street in Dallas, the price of Oswald's alienation proved to be the death of President Kennedy.

THE story of Oswald may be, among other things, a warning that those of us who are at home in our society, no matter how fortunate, can never be entirely safe until we have coped with the problems of those who are alienated from it.

From the Warren report, we hope there will stem a whole series of new Secret Service and FBI measures to protect our presidents more effectively. This is the obvious first point to be made.

But we hope also that there will arise a new awareness of the danger to us all from the alienated and the desperate, hating from the outside a society that they are not quite able to become a part of.

Please don't be so naive, since you know the millions

In this testimony, MARINA OSWALD refers to an interview by an official of the Immigration Service. She is undoubtedly referring to her interview with Mr. FRED HARVEY, an official of INS Headquarters, Washington, D. C.. On 11/28/63, arrangements were made at Washington by the Bureau for an official of INS to proceed to Dallas, Texas, to talk with MARINA OSWALD. In previous interviews, MARINA OSWALD had not been cooperative and had stated she did not desire to be interviewed by a representative of the FBI. Mr. HARVEY and SA BOGUSLAV arrived in Dallas the evening of 11/23/63. Thereafter, Agents HEITMAN and BOGUSLAV and Mr. HARVEY talked with MARINA OSWALD.

The results of this conversation were recorded in a memorandum typed 11/30/63. Mr. HARVEY identified himself as an official of the INS from Washington, D. C., and stated he had come to Dallas to assure Mrs. OSWALD that her immigrant status in this country was legal and that there were no plans to deport

He advised her that the Immigration Service could assure her residence in the United States and eventual citizenship if she so desired and qualified under the law if she would cooperate with Federal officials in the finding out of the facts attendant to the investigation concerning her former husband and the investigation of the assassination of the President of the United States.

MARINA wanted to know what cooperation meant, and she was told by Mr. HARVEY that it meant she would be questioned by Federal officials, and it would be expected that she would give truthful answers to questions pertinent to this investigation and that she would furnish all information in her possession concerning the investigation and concerning herself. MARINA agreed that she would cooperate and expressed her appreciation to Mr. HARVEY for his assurances.

An interview of MARINA, pertinent to the investigation of OSWALD and the assassination, was thereafter conducted on 11/28/63 by SAs HEITMAN and BOGUSLAV. Mr. HARVEY was not present during this portion of the interview. The results of this portion of the interview are contained in a 302 dated 11/29/63, (See page 546 of report of SA WARREN C. DE BRUEYS dated at Dallas, 12/2/63, captioned "LEE HARVEY OSWALD, aka, IS-R-CUBA").

It will be noted MARINA OSWALD was not completely cooperative in subsequent interviews as is recorded in 302's forwarded to the Bureau. I have been informed by SA HEITMAN that MARINA was at no time threatened directly or by innuendo with expulsion or deportation from this country, if she did not cooperate or answer the questions which were asked her. Her immigration status in the United States had been discussed with her by Mr. HARVEY and she stated she understood her status. All interviews with MARINA OSWALD were conducted in a polite, business-like manner.

I have reviewed the portions of Mrs. OSWALD's testimony, as provided on pp. 79,80, of Vol. I, of the "Hearings Before the President's Commission on the Assassination of President Kennedy."

I wish to emphatically state that I or no FBI representative in my presence or to my knowledge under any circumstances took a position with Mrs. OSWALD that if she did not answer questions or cooperate she could not stay in the United States or in this country.

At all times during the interrogation of Mrs. OSWALD a business-like, polite approach was taken by me and by SA WALLACE R. HEITMAN when we talked with Mrs. OSWALD.

Her status in this country was discussed with Mrs. OSWALD by FRED HARVEY of the Immigration and Naturalization Service with SA BOGUSLAV serving only as an interpreter. SA WALLACE HEITMAN was present. This occurred to the best of my recollection in the last week of November, 1963.

No questions posed by Immigration and Naturalization Service, as interpreted by me, could be classified as threatening her with expulsion or deportation if she did not cooperate.

RE: MRS. MARINA OSWALD

On 12/8/64, Mrs. OSWALD stated she is staying with Miss PRISCILLA JOHNSON at the Royal Crest Apartments and is working on a book. Mrs. OSWALD stated she is leaving Sedona 12/21/64 to return to Dallas for the Christmas holidays and will later go to Michigan for awhile. WILL STEELE, Deputy Sheriff, Coconino County, Sedona, Arizona advised SA DANIEL C. PELTON that he had learned that one C. or G. HASTINS, who claims to be from Santa Fe, New Mexico, but drives a Corvair with Alaska license 68767, made the reservations for Mrs. OSWALD and Miss JOHNSON and is apparently the bodyguard of these two people.
