All of the above reels are fully identified by a sticker attached to the outside of the box containing the specific reel.

Mr. BASCOMB furnished these tapes to the Cleveland Office on the late afternoon of February 28, 1964; however, due to a technical difficulty at the KYW Studio, they were not fully reproduced from the KYW library original which necessitated another re-recording.

The Bureau is being furnished the six - 7" reels of tape recordings under separate cover.

In connection with the NELSON G. KARL, who appears on instant program, the 1963 Cleveland Telephone Directory reflects a NELSON G. KARL, who is an attorney with offices in the Engineers Building, Cleveland.

The files of the Cleveland Office reflect that [REDACTED] on May 5, 1954, made available a postal card postmarked April 21, 1954, which announces that on April 24, 1954, a Mr. NELSON KARL, Attorney, Engineers Building (Cleveland), representing the Cleveland Civil Liberties Union, was a speaker at a public meeting held at 6411 St. Clair Avenue, Cleveland. The speakers subjects were listed as "The McCarthy Row" and "McCarthy - Saint or Sinner".

The indices of the Cleveland Office contain no references identifiable with NELSON G. KARL; however, it is believed that NELSON G. KARL is probably identical to the NELSON KARL representing the Cleveland Civil Liberties Union in 1954. However, for the purposes of the letterhead memorandum, he is self-described in such a manner as to provide a sufficient characterization of himself.

The Boston Office will make arrangements with Radio Station WBZ, Boston, Massachusetts, to obtain the tape recordings of BOB KENNEDY's program "Contact", on which MARGUERITE OSWALD was to have appeared Wednesday, February 26, 1964, or possibly March 2, 1964. It is noted that Mrs. OSWALD claims to have knowledge of something wonderful that happened to subject which has never been made public. Arrangements should be made to obtain two recordings of the program, one for the Bureau,

CV 105-7674

and one for the President's Commission, and a summary should be made thereof as a letterhead memorandum suitable for dissemination UACB.

No further investigation is contemplated by the Cleveland Office.
