The above reels of audiotape were furnished to SA T. D. MANNING by [REDACTED], Radio Station WBZ, Boston, Mass., on 3/5/64. Mr. O'FRIEL requested that the fact he had furnished these tapes to the Boston Office be kept confidential and that any information relative to these reels should not be made public except in a usual proceeding following the issuance of a subpoena duces tecum, directed to PAUL G. O'FRIEL, General Manager, Radio Station WBZ, 1170 Soldiers Field Road, Allston, Mass.

The attention of the Bureau is directed to Reel 3, "Mrs. OSWALD's Press Conference." The reproduction of the questions asked by reporters is not clear. However, Mrs. OSWALD's answers are clearly audible. One portion of the tape deals with her answer to a question concerning the fact that a photograph had been exhibited to her by an Agent of the FBI when she and her daughter-in-law, MARINA OSWALD, were staying at the Executive Inn, Dallas, Texas, on 11/23/63. Mrs. OSWALD indicated that when this photograph was exhibited to her, she stated she did not recognize the individual. However, she subsequently identified the photograph of the individual as being the same as JACK RUBY. She further indicated that the FBI had acknowledged that they had exhibited a photograph to her but said it was not JACK RUBY.

Reels 3 and 4, while they do not contain any information relative to Mrs. OSWALD's actual participation in the Radio Program, "Contact," were obtained by the Boston Office for the information of the Bureau only and are being furnished for whatever action is deemed appropriate by the Bureau.
