(Handwritten text of a song)

Who is going to the field so early?
Who is welcoming dawns in the field?
It is a collective-farm girl,
A kind that would make a fellow lose his sleep.
Her hair is long
And her eyes are languid.
Old and young alike, all the people in the street,
Look at the girl with admiration.

(Refrain): Oh, there must be a reason

Why Russian beauties are famous!

(Repeated twice)

Is it she, who mows the grass near the oak
grove,
Vying with others?
Is it not about her that village accordionists
Play songs in the gardens at night,
While trampling over the spring grasses?

108 - 50-255 - 109-15

(Refrain)

Was it not a dashing fellow who met her by the grove?
He met her, yet would not come close,
For she is quite a girl!
He looks at her murmuring:
"Oh, heavens forbid, I may fall in love!"
Yet, he is reluctant to leave;
He keeps gazing at her
Unable to take his eyes away.

Is it not she who comes down to the river?
Looking intently at the water
With her eyes so bright
She bends over the water;
She looks down and wonders:
"Could this be me?
"Perhaps this is only a red dawn
"That is flaming in the sky
"Which is reflected in the river?"

(Refrain).

Letter from Ruth to Marina

May 16, 1963

Dear Marina,

At home once again and everything as usual: have to clean the floor, wash the dishes, wash the sheets, it's especially boring after our visit, which was interesting and unusual. It is true, life is busy now, but not as interesting as with you.

Today I'm carrying on a war against a beetle (cockroach). I think that I will win. Tomorrow I intend to prepare a new soup and salad in order to find out whether it will be good for guests on Saturday. I have to explain that I know little about preparing foods for more than 4 people. We'll see what happens.

Mikhail did not phone me to ask about the trip. I finally phoned him at work, and he's never home, at his apartment. Today I'm mad at him and intend to take off immediately for New York to find a lover. He is fond of his cars and that's all.

Send regards to Lee please. Write me soon about napkins, beetles and such domestic themes! (subjects).

Give June a kiss

TRANSLATION FROM RUSSIAN

Item 237

American Embassy
Moscow, USSR

Dear Sir:

We refer to your inquiry in which you ask what is necessary to do for presenting application for obtaining immigration visa for entry into the United States of America. The Embassy has received from the Ministry of Foreign Affairs of the USSR your passport with exit visa.

You can now prepare for presenting the application taking the following steps:

1. Certificate of Birth. Two certified copies of Certificate of Birth are required from each person desiring to immigrate. The certificate must indicate the date and place of birth and the names of parents. The certificate must also indicate that it is recorded from the official records. Photo copies are acceptable under condition that they represent the original to the Consulate employee.

Certificate of Birth which cannot be obtained.

In rare instances it will probably be impossible to obtain a Certificate of Birth by reason of the destruction of official records or refusal of authorities to issue such a document. In such a case, a certificate of baptism, in two copies, can be presented for examination under conditions that herein are indicated; the date and place of birth, data about parents, and that the baptism took place soon after birth. If it is not possible to submit a certificate of baptism, then a close relative, preferably the mother of the applicant, must fill out two information copies in which the date and place of birth of applicant must be indicated, the full names of both parents and the maiden name of the mother. This information must be officially registered in the presence of an official having the right to register such official documents.

WBW
Translated by WILLIAM B. WATTS, JR., and DONALD W. CHASE,
March 14 & 15, 1964 *fw*

2. Photographs. Three separate photographs, size 37 x 37 mm. taken full face without head wear, against a white background on fine grade paper. Photographs are required from all immigrants regardless of age.

3. Certificate of Marriage. All married persons must present two copies of the Certificate of their marriage. Documentation of the dissolution of any former marriage must also be presented in two copies (or for example, certificate of death of one of the spouses, decision of the Court on divorce or annulment of the marriage.)

4. X-ray photograph of chest and analysis - 1 copy.

5. Certificate of inoculation against smallpox.

6. Serological analysis of blood (Wasserman)

7. Translations. All documents, if they are not in the Russian or English language, must be accompanied by certified translation in the English language. Translations of the documents must be in two copies and certified by competent translator under oath confirmed in the presence of a notary.

You must make all efforts to acquire the indicated documents. In the event there are any circumstances which make them impossible to obtain, you may come without them. In such a case, it is necessary for you to bring information as to the impossibility of obtaining them.

The applicant for the immigrant visa must appear at the Embassy for a medical examination and, if it is favorable, sign under oath his own application for issuance of the American Immigration visa in the presence of the Consul. The Consulate fee for the Immigration visa is 22.50 rubles. (\$25.00)

Before arriving in Moscow for obtaining the visa, for your personal information you must prove that you have the means for travel to the United States when it is demanded. A ticket from Moscow to New York by plane costs approximately

500 rubles. Tickets by ship cannot be reserved in Moscow. Arrangements for the trip must be handled by you personally although the Embassy will give you help.

The Embassy also does not provide accommodations. At the time of arrival in Moscow you must have a place to stay and have sufficient funds for the hotel and other necessities during your stay in Moscow.

There will be no necessity for you to leave Moscow and to return directly to your former place of abode because you will receive your passport with the necessary Soviet and American visas in OVIR (possibly "Division of Passes and registration") in Moscow. For the passport the Soviet department in Moscow requires payment of approximately 20.00 rubles.

Your relatives in America may, if so desired, transmit money for you directly to the Foreign Trade Bank in Moscow thru any one of its correspondent banks in the United States, for example, the Chase Bank in New York City.

Finally when you have all the documents enumerated in this letter please advise us that you are prepared to present your documents when you are requested to do so. **DO NOT SEND US ANY DOCUMENTS AT THE PRESENT TIME.** When we receive your letter, you will be advised the date when you can bring your documents to us so that you would be able to process the official application for obtaining a visa (This sentence crossed out in ink.)

You should consider that it will be necessary for you to spend at least ten (10) days in Moscow and perhaps longer depending on how long it is required to process the documents and to obtain the ticket. Therefore, it is desirable that you try to arrive here in the beginning of the week, preferably on Monday or Tuesday. Do not send your documents and photographs by mail, but bring them personally. The Embassy is located at 19/21 Chaikovsky Street, close to the square of the Revolution, is open from 9 A.M. to 6 P.M., on Saturday until 1 P.M., and closed on Sunday. Telephone number of Embassy is 02-00-10.

If we do not receive any information from you in the course of 60 days, we will assume that you have renounced your intention to immigrate to the United States and your name will be stricken from the list of persons waiting their turn for entry into the U.S.A.

Yours truly,

J. F. MATLOCK
Consul of the United
States of America
