The recordings were made available to SA THOMAS F. SULLIVAN on 3/16/64 through the confidential cooperation of [redacted] of Amherst College, Amherst, Mass. At the time [redacted] furnished SA SULLIVAN the tapes, he stated he had been in telephonic contact with JOHN McCLOY at Washington, D.C., since Mr. McCLOY, in addition to being a member of the Warren Commission, is also Chairman of the Amherst College Corporation. In view of Mr. McCLOY's unique position, [redacted] said he personally desired to send to Mr. McCLOY a copy of the tapes of LANE's talk when one became available.

In this regard, [redacted] Language Laboratory Office, Amherst College, who mechanically copied the tapes submitted by SA SULLIVAN, advised on 3/16/64, that she would not be able to furnish [redacted] the copies that he requested until 3/18/64.

The attention of the Bureau is directed to that portion of Reels 3 and 4 wherein LANE in the question and answer portion of his talk indicated in response to a query about funds that he has exhausted his personal funds and that there are no funds currently available to adequately carry out the necessary aspects of the investigation of this case. He indicated that an organization is being formed in NYC called "Citizens Committee of Inquiry." The purpose of the committee would be to obtain funds so that investigators could be sent to Dallas to reconstruct OSWALD's true activities during the pertinent periods just prior to and after the assassination of President JOHN F. KENNEDY. LANE further indicated that the committee is endeavoring to establish similar committees on college campuses and various cities throughout the U. S.

ED KENNEDY, Radio Station WFLP, Springfield, Mass., on 3/17/64, advised SA THOMAS F. SULLIVAN that he had inquired of LANE at the conclusion of his talk at Amherst what his future plans were and that LANE answered "he had no information to give at this time as to what his future plans would be."

A copy of this communication is being furnished New York since they are Origin in regard to MARK LANE and so that they may be aware of and make appropriate inquiry of the formation of the "Citizens Committee of Inquiry."
