Dear sirs;

This is to inform you of recent events since my meetings with comrade Kostin in the Embassy Of the Soviet Union, Mexico City, Mexico.

I was unable to remain in Mexico indefinitely because of my Mexican visa restrictions which was for 15 days only. I could not take a chance on requesting a new visa unless I used my real name, so I returned to the United States.

I had not planned to contact the Soviet embassy in Mexico so they were unprepared, had I been able to reach the Soviet Embassy in Havana as planned, the embassy there would have had time to complete our business. Of course the Soviet embassy was not at fault, they were, as I say unprepared, the Cuban consulate was guilty of a gross breach of regulations, I am glad he has since been replaced.

The Federal Bureau of Investigation is not now interested in my activities in the progressive organization "Fair Play For Cuba Committee", of which I was secretary in New Orleans (state Louisiana) since I no longer reside in that state. However, the F.B.I. has visited us here in Dallas, Texas, on November 1st. Agent James P. Mastly warned me that if I engaged in F.P.C.C. activities in Texas the F.B.I. will again take an "interest" in me.

This agent also "suggested" to Marina Nichilayeva that she could remain in the United States under F.B.I. "protection", that is, she could defect from the Soviet Union, of course, I and my wife strongly protested these tactics by the notorious F.B.I..

Please inform us of the arrival of our Soviet entrance visa's as soon as they come.

Also this is to inform you of the birth, on October 20, 1963 of a DAUGHTER, AUDREY MARINA OSWALD in DALLAS, TEXAS, to my wife.

Respectfully,
L. H. Oswald

On May 29 1963 I requested permission from the FPCC headquarters at 799 Brodweg New York 3, N.Y. to try to form a local branch in New Orleans. I received a cautionet but enthusiastic go-ahead from V.T. Lee National Director of FPCC. I then made layouts and had printed public literature for the setting up of a local FPCC. I hired persons to distribute literature. I then organized persons who display receptive attitudes toward Cuba to distribute pamphlets. I sought response from Latin American consuls of which there are many here in New Orleans, I infiltrated the Cuban Student Directorate and then harassed them with information I gained including having the N.O. city attorney general call them in and put a restraining order pending a hearing on some so-called bonds for invasion they were selling in the New Orleans area. I caused the formation of a small, active, FPCC organization of members and sympathizers. where before there was none.
