

185

The image shows a document page that is almost entirely illegible due to extreme noise and low contrast. At the top left, the number '185' is handwritten. The main body of the page is dominated by a large table with a grid structure. The table has several columns and rows, but the text within the cells is completely unreadable. There are some faint, illegible words and numbers scattered throughout the table area. At the top of the page, there are two circular punch holes. The overall appearance is that of a very poor quality scan of a document, possibly a ledger or a form.
