LEE HARVEY OSWALD, aka
IS - R - CUBA

On 3/23/64, USA BAREFOOT SANDERS called and introduced me on the phone to Mr. LEON HUBERT, Attorney with the Commission. Mr. HUBERT stated that he was most appreciative of the assistance the FBI had given the Commission. He had no requests at this time, and said he would like to meet me sometime while he is here. He expected to be here all this week and then come back next week. He stated he was primarily dealing with the RUBY angle and that the model sent down would be most helpful.

He was advised that in the event he made any requests, they should be made to me or to my assistant, Mr. CLARK. It is also noted he advised me he is a former professor at Tulane Law School. He said that working with him is FRED GRIFFIN.

Above for information.
