Subject: Assignment of Officer  
Alvis R. Brock.#1661  
Sunday, November 24, 1963

Sir:

On November 24, 1963 at about 9 A.M. I was advised to report to 511. At approximately 9:25 A.M. Lt. Pierce told me to report to Sgt. Dean in the Basement.

Sgt. Patman assigned me to the elevators on the East side of the Basement. My instructions were to let no one but Police Officers and Newsmen into the basement and to check I.D. on everyone. There were several city employees standing in this area looking. I told these people to leave and advised the elevator operator to keep the elevator on the first floor. The only person using the elevator after this was a T.V. man who went to the fifth floor and returned. The elevator operator was told not to answer the buzzer to the Basement again. I remained at this assignment until about 10:45 when Sgt. Dean and Sgt. Patman called several of us together for traffic assignments.

I was assigned to Kln and Ervay to stop traffic and reported immediately to this location. I remained there until about 11:30 A.M., when my partner picked me up and we reported to Parkland Hospital for assignment.

Subject: Assignment Of Officer  
Roy E. Vaughn #1539 ✓  
Sunday, November 24, 1963

Sir:

At approximately 9:00 A.M. while working Squad 105, Officer Roy E. Vaughn received a call to call Extension 511. Officer L. C. Taylor advised me to report to the City Hall and to park the squad car on the street and report to Station 511.

At approximately 9:15 A.M. or 9:30 A.M., Lieutenant R. S. Pierce told Officers A. R. Brock and B. G. Patterson; R. C. Nelson, and I to report to Sergeant Patrick T. Dean in the basement of the City Hall.

Officer B. G. Patterson and I were instructed by Sergeant Dean to guard the north and south ramps of the City Hall. I was assigned to the Main Street Ramp.

During this time there were several police vehicles which contained police officers that entered the basement by this ramp.

At approximately 10:15 A.M. Ex-Police Officer N. J. Daniels came by this location and remained until after the shooting occurred.

At approximately 11:18 A.M. a city squad car which contained Lieutenant Pierce, Sergeant Maxey and Sergeant Putnam exited by this ramp.

At approximately 11:21 A.M. I heard what sounded to be a shot, I stayed by the post and allowed no one to enter or leave the basement area. After the shooting, about five (5) police reserves were sent to this ramp to assist with the crowd and traffic.

At approximately 12:45 P.M. a white male approached me at this entrance and stated that he was an employee of Jack Ruby and would like to talk to someone about this. I escorted this person to the basement of the City Hall after being relieved on my post by a police reserve and called Captain Fritz's office and Detective Boyd came to the basement and took custody of this person.

I contacted Lieutenant Pierce in the Patrol Office and he advised me to secure the post and return to service with the Dispatcher.

Respectfully submitted,

STATEMENT BY ROY E. VAUGHN

During the time I was guarding the Main Street Ramp several squad cars with prisoners came into the basement. I checked each car and occupant to make sure.

About 30 minutes prior to the shooting Tommy, a City mechanic, attempted to drive a police car into the basement and I stopped him. He parked the squad a short distance away and came back to where I was standing and told me that he had to go into the basement to check the automobile or parking situation and I let him through. He explained that he had worked late the two previous days.

I noticed that Sergeant Dean was talking to Tommy at the bottom of the ramp and Tommy came back up the ramp and stayed around a few minutes and left.

A United or Associated Press reporter in his middle twenties identified himself by an official press card and I let him through. This to the best of my knowledge was about twenty minutes prior to the shooting.

At approximately 2 or 3 minutes prior to the shooting Lieutenant Pierce, Sergeant Maxey and Sergeant Putnam drove a squad car up the ramp onto Main Street. This was the only car that drove out the Main Street Ramp while I was on duty. As this car came up the ramp I was standing in the middle between the raised sides and I stepped to the right by the car and walked to the edge of the street to assist them onto Main. Traffic was not heavy but was steady. I do not recall whether or not it was necessary to stop any cars for them. As soon as they drove out I assumed my previous position between the raised portions of the ramp.

There were about 6 people standing on the sidewalk on the west side of the ramp. Ex-officer N. J. Daniels was standing on the east side of the ramp. One of the group on the west side was one of our ex-shine boys. He had a pair of binoculars. Pedestrian traffic was very light. The ones that came by would generally look down the ramp but be on their way.

I met Jack Ruby in 1959 and I have seen him once since that time. I do not believe that I would recognize Ruby if I passed him on the street but probably would if I had a conversation with him. I have not seen him to know him since December of 1961.

I called N. J. Daniels the next day about 9:00 a.m. I told him who I was and that I remembered seeing him. I asked if he remembered seeing the squad car come out. He said that he did. I asked him if he saw anybody go into the basement while I was assisting the car to get out, and he said he definitely did not see anyone.

Who, after being by me duly sworn, on oath deposes and says: On Sunday, November 24, at approximately 11:00 A.M., I came up to the Main Street ramp to the basement of the city hall. I was standing on the Western Union side of the ramp and I spoke to Officer Vaughn, he was on duty at that location. Officer Vaughn was standing in the center of the ramp keeping people from entering the basement of the city hall. I had been standing there several minutes when a squad car drove up the ramp with three officers inside, they drove on to Main Street and turned west on Main. At this time Officer Vaughn stepped out into the middle of Main Street and stopped the west bound traffic on Main so this squad car could make its turn on Main Street. For a brief moment while Officer Vaughn was blocking traffic, the ramp entrance at this location was left unguarded. I was standing at the east corner of the ramp and turned to watch Officer Vaughn stop the traffic. From the position where I was standing it was impossible for anyone to walk behind me and gain entrance into the basement. I did not notice anyone walk in front of me and go into the basement. At this time I was thinking to myself that if I saw anyone go in I would so advise Officer Vaughn. After stopping traffic for this squad car Officer Vaughn took up his duties in the middle of the ramp. Several minutes later I stepped out towards the street so that I could have a better view down the ramp. As I did so I noticed a white male, approximately 50 years of age, 5'10", weighing about 155-160#, wearing a dark (blue or brown) single breasted suit, white shirt, and dark colored tie, this man was not wearing a hat, he had light colored hair thinning on top, round face, kind of small head, fair complexion, he was not wearing an overcoat nor was he carrying one but he did have his right hand inside of his right suit coat pocket, approaching the ramp from the direction of the Western Union. This person walked in the ramp and into the basement going between Officer Vaughn and the east side of the building. Officer Vaughn at this time was standing at the top of the ramp in the middle of it facing towards Main. I did not see Officer Vaughn challenge this person nor did he show any signs of recognizing him,

nor even being aware that he was passing, but I know that he saw him. It struck me odd at the time that Officer Vaughn did not say something to this man. Approximately two minutes after this man had walked down the ramp I saw quite a bit of movement in the basement outside the jail office and then I heard a shot. From the time that I first spoke to Officer Vaughn until I heard the shot, which was approximately a period of twenty-five minutes, at no time did I see anyone leave or enter the basement of the city hall from the ramp entrance on Main Street except one squad car which contained three officers and this one unknown white man who entered. On Monday, November 25, 1963, at approximately 9:00 A.M., Officer Vaughn called me on the telephone at home and asked me if I had noticed anyone going into the basement while Lieutenant Pierce was coming out, I told him "no" I did not. He told me he was bothered about the possibility that someone could have gone in there while Lieutenant Pierce and the other two officers were coming out in the squad car. I told him "no, I did not." But I did not mention the other fellow I saw go in because I was sure he had seen him.

N. J. Daniels C/M/32

Sir:

At 3:10 P.M., December 11, 1963, a polygraph examination was given to N. J. Daniels.

This examination was given to determine if Mr. Daniels was telling the truth in the statement he had given.

During the pre-test interview with Mr. Daniels, he stated that he was sure the person he stated he had seen enter the city hall basement was not Jack Ruby. He stated that he was shown a picture of Jack Ruby and that Ruby did not look like the person he stated that he had seen. He was very confused during this interview and stated he was not sure of anything in his statement. He also stated that he felt like the squad he saw come out of the basement had enough time to get to the county jail before this person entered the basement of the city hall.

He was then placed on the polygraph and the following pertinent questions were asked and answers given.

1. Have you told the complete truth in the statement you gave?  
Answer: Yes Indication: False
2. Have you deliberately made up any of this story?  
Answer: No Indication: False
3. Do you think the person you stated you saw enter the basement at that time was Jack Ruby?  
Answer: No Indication: True
4. Did you actually see the person you described come from the direction of the Western Union?  
Answer: Yes Indication: False
5. Do you think this person entered the basement of the city hall after the squad drove out? Did not answer this question.

6. Have you seen the person you described in your statement around the city hall before? Did not answer this question.
7. Have you given a true description of the person you stated you saw enter the basement of the city hall?  
Answer: Yes Indication: False
8. Did you actually see the person you described enter the basement of the city hall?  
Answer: Yes Indication: False
9. Did you get a good look at this person?  
Answer: Yes Indication: False

Most of the above questions were repeated on other charts with the same answers given and same indications noted.
