Mr. J. E. Curry  
Chief of Police

Sir:

This is a statement of facts relating to my activity as a Reserve Officer Sunday, November 24, 1963, to the best of my knowledge and recollection.

1. Approximate time I reported to duty. 11:25 A. M.

2. I reported to Assembly Room - Lt. Norrell.

3. Assignment - Lt. Norrell told me every one was busy searching and guarding the basement, that Oswald was about to be brought down. I went from the Assembly Room to the area and just as I was about to open the doors that lead into the parking area, it happened. I heard the shot. I had caught a glimpse of them bringing Oswald from the elevator. Then, I joined a group of reserves in sealing off the area leading into the jail office where they took Oswald and Ruby. I don't believe any regular officer was there with us, but we sensed that the reporters and cameras should not be allowed to push their way into the jail office.

4. Names of other officers in the same area that I can recollect are:

Lt. Norrell, A. B. Craig, and others I do not know their names.

5. Did you know Ruby? No.

6. When and under what circumstance did you see Ruby?

Never could see him.

Intruder Jimmy D. Brockway, 398

On November 30, 1963 Reserve Officer, Patrolman Jimmy D. Brockway was interviewed by the undersigned officers as to any information he might have concerning the shooting of Lee Harvey Oswald which was not covered in his original report dated November 27, 1963.

The only discrepancy found in his original report is that he reported on duty at approximately 11:15 a.m. instead of 11:25 a.m. as originally reported. He further stated that he entered the Police and Courts Building via the basement doors on the Commerce Street side and that there was no one on duty at those doors. However, he stated that there was a reserve officer on duty on the sidewalk just outside these doors. Brockway does not remember who this reserve officer was.

Brockway further states that he has not been contacted by any federal agency at this time.

REPORT ON OFFICER'S DUTIES IN REGARD TO OSWALD'S DEATH

C. W. FORM - E759

On the 24th of November, 1963, I reported to work at 7:30 am driving Squad Car #376. After an interview of the suspect, Lee Harvey Oswald, by Captain Fritz, I was told to set my car and get in position in front of the other squad car to carry Oswald to the County Jail. At approximately 11:10 am, I went to the City Hall basement and drove my car about half way up the south ramp, which leads out to Commerce Street, and my partner, Diority, moved the other squad car up behind me. We both started attempting to back up to the jail office door when I heard a shot. I immediately put the emergency brake on and ran back to the other car. By this time, other officers had removed Lee Harvey Oswald and Jack Ruby into the jail office. I went back to my car and moved it back into the parking area so the ambulance could get through. When the ambulance arrived, Captain Fritz, Sgt. F. E. Beck, L. I. Montroery and I proceeded to him the ambulance to Parkland Hospital and set up security, first in the Emergency Room, then to the fourth floor, where Oswald underwent surgery. After Oswald died at 1:37 pm, the body was removed to the X-ray room on the ground floor. Judge Pierce McBride was contacted via telephone, and he reported to the morgue desk and gave authorization for a post mortem to be performed by Dr. Rose of the Parkland staff. Dr. Rose took charge of the body, and I went with him and met the wife and mother of Oswald from the waiting room and let them view the body in the X-ray room. After the relatives viewed the body, I accompanied it alone with my partner, C. N. Diority, and Dr. Rose to the morgue. At the morgue, Diority and I witnessed the preliminary photos taken of the body by Dr. Rose and his staff. After this, I returned to the office and continued our investigative work there.

SEARCH INFORMATION CONCERNING THE  
MURDER OF LEE HARVEY ODEALE

SIMP

At approximately 11:00 or 11:15 a.m., I was instructed by Lieutenant Bain to leave the Burglary and Theft Bureau and report to the area near the information desk to assist in any manner needed in the transfer of Lee Harvey Oswald and await further instructions.

I rode down the elevator with several other detectives and a K-9-A-TV camera and two newsmen with this camera.

I walked off the elevator and took a post near the jail office window to observe the crowd of photographers and newsmen who were in this area.

I was standing near the jail office window when the prisoner was escorted through the jail office. When he walked out of my view and out of the jail office, I walked toward the basement stairs. I heard a shot and ran into the basement.

Several officers were pulling the prisoner and another man toward the jail office door, and I heard one of them call to get a doctor.

I heard a Supervisory officer state, "Secure the basement." I ran around the officers and prisoners and up the rear entrance on the north side to prevent any one from entering or leaving the basement.

Sir:

Sometime around 11:00 A. M. on November 24, 1963 Captain Frank Martin came into the Juvenile Bureau and asked that Detectives Lowery, Coolsby, Miller, Cutshaw, Harrison and myself follow him to the City Hall basement. We did so. The basement was crowded with officers, newspaper, radio and television people. He proceeded to the area just outside the basement door that adjoins the parking area. It is reported to Captain O. A. Jones who assigned the Detectives where he wanted them.

Shortly after our arrival an armored car backed partially on to the basement ramp on the Commerce Street side. Chief Batchelor, Sergeant P. T. Dean and myself proceeded to search the armored car. Nothing was found. I instructed officers on the Commerce Street exit not to let anyone in or out of the basement until we advised them otherwise. Sergeant Dean and Chief Batchelor then left me with the armored car. Sergeant Dean returned and said his boss told him to ride inside the truck with the prisoner.

Shortly afterwards an unmarked police car drove on to the ramp from the basement area. This car parked near the jail door entrance on the ramp. I was aware from the excitement of the crowd that Lee Oswald was in sight but could not see anything for the police car between us. Next a shot was heard. I ran down, yelling to the officer not to let anyone out of the basement.

I was advised by someone that Jack Ruby had shot Oswald. In a very short time an ambulance came and rescued Oswald.

Just prior to my taking my position on the armored car, I had looked over the crowd carefully that was gathered near the door. I have known Jack Ruby for years but did not see him at that time. This observation made approximately ten minutes before the shooting.

In searching the armored car that day, November 24, 1963, which was parked on the Commerce Street basement ramp, with Assistant Chief Charles Batchelor, we found an empty soda water bottle which fell out of the truck and broke.

SUBJECT: Information regarding the  
arrest of Lee Oswald

Sir:

On November 24, 1963 at approximately 11:00am, I was assigned by Lt. Swain to the basement hallways around the Records Bureau.

I was standing by the last window on the left of the jail office observing the people gathered there, when Oswald was brought down.

Just seconds after he was taken out the jail office door leading to the drive, I heard what sounded like a shot.

I then saw Detectives Coates, Graves, and Levelle attempting to get Oswald, who was down, back into the jail office.

As I attempted to assist with Oswald the rush of the others bringing in the suspect carried me into the jail office.

I then attempted to assist with Oswald until we placed him on the ambulance stretcher.

After the ambulance left Lt. McKinney ordered me to Parkland Hospital. I stood guard at the stat end of the second floor operating room the remainder of the day.

Subjects Incident involving Lee Harvey  
Oswald

Sirs:

On November 24, 1963, at approximately 11:15 A.M., I was standing in the basement of the Police building as part of a security guard. I was standing about five feet from the door of the jail. Mr. Oswald was led by me and I was attempting to keep people away from him. I was standing just behind Mr. Oswald and saw a flash and heard a shot. I saw Mr. Oswald fall and this man was then facing me but he was crouched over. I caught a glimpse of a pistol he had in his right hand. I attempted to get the pistol and grabbed his arm. At that instant someone else grabbed the pistol and several other officers were helping to subdue him.

We then took the suspect into the jail office and searched him. Some other officers placed him on the jail elevator and I was ordered to go to Parkland Hospital to help the officers there.

T. E. Chambers was interviewed by Lieutenant C. C. Wallace and P. O. McLaughlin at 4:05 pm on November 29, 1963. The interview was essentially the same as his original report dated November 27, 1963. The following was added by T. E. Chambers:

I have been asked if I know Jack Ruby. I do not know him. I was standing beside the jail office door and was guarding it. There was a large group of people coming and going. I was told by Captain Jones to keep the press personnel away from the prisoner. I was there approximately 15 minutes before Oswald was brought down.

After the shot was fired, I helped subdue the suspect, who I later found out to be Jack Ruby. I assisted in removing Ruby to the jail office. Later I helped carry and care for Oswald in the ambulance.

I over heard Detective Cutchess talking to two TV cameras. Cutchess was saying that three of the cameras came in with the camera and there were only two at the present time. The question was, where was the other man. I related this information to Captain King.

After the shot was fired, I went to the 5<sup>th</sup> floor with the prisoner. He was being questioned by several officers, and as I recall, the officers were Glenn King, Sgt. L. T. Dean, and Mr. Sorrells of the Secret Service. When asked why he did it, he replied, "Somebody had to do it, ya'll couldn't."

When asked how he got in, he said that he walked by the officer on the ramp when he turned to talk to his friend, who drove out the entrance. He said he heard somebody yell, "Hey you." He didn't know where it came from, so he ducked his head and kept walking.

He also told us that he sent \$25.00 by wire to a girl in Ft. Worth. He said also that it was a spur of the moment thing, and it was a million to one chance that he got down there at the actual time Oswald was brought down.

I have been interviewed by the Federal Bureau of Investigation. They talked to me Monday around 2:30. I gave them the same information I have given here.

Sir:

I would like to submit the following report regarding the incident occurring in the basement on November 24, 1963.

On the morning of November 24, 1963 while on duty in the Auto Theft Bureau, Lieutenant Smart advised me not to leave the City Hall as I was to be available when the prisoner was escorted from the City Jail. About 10:00 a.m. Lieutenant Smart advised me and the other officers in the bureau to report to the jail office. Upon arrival I took a position near the southwest corner near the driveway. A couple of minutes before the prisoner was brought down, I had looked over the crowd, and, at this time, I did not see Jack Ruby in the crowd. I have known Jack Ruby for eight to ten years, and if I had seen him I would have recognized him.

As word was heard that the subject was being brought down, I was watching the driveway to the basement and to the driveway to Commerce Street where the armored truck was. I saw a fast blur of movement out of the corner of my left eye, and, before I could turn, I heard a shot. As I turned I partly lost my footing and was bumped by people from both sides at the same time. Before I could get balanced, the subject, Jack Ruby, was under a pile of officers.

I helped others try to keep the press back until both the prisoner and Jack Ruby were taken inside the jail office. I then went to the jail office, and at that time Detective J.C. Watson was at the door keeping other people from entering. Detective McMillon, Detective Archer, Detective Blackie Harrison, and Lieutenant Smart, and another officer were holding Jack Ruby on the floor. I took Detective McMillon's gun and placed his gun and my gun in the locker. Then Detective McMillon, Detective Archer, Detective Blackie Harrison, and myself took Jack Ruby directly to the fifth floor where we searched him. Then I took the handcuffs off and gave them to Detective McMillon as they were his cuffs. We then stripped Jack Ruby to his skin and searched his clothing completely.

Lieutenant Baker of homicide had been contacted and requested that we stay with the prisoner until the arrival of officers from the Homicide Bureau. Detective Harrison had left after helping take the prisoner up. Detective McMillon, Detective Archer, and myself were with the prisoner. Mr. Sorells of the Secret Service came to the jail office and talked to him briefly and left. Then F.B.I. Agent Hall came up and talked to Jack Ruby for some time, probably two hours or better.

A jailer came back and told us that a lawyer was to see Jack Ruby and it had been okayed by the Homicide Bureau. I am not sure which jailer this was. We took the prisoner to the fourth floor, Detective McMillon. F.B.I. Agent Hall, one of the jailers,

and myself. He talked to a lawyer for about two minutes. Before he was returned to the fifth floor, he was checked by a city doctor who was on duty at this time. We returned to the fifth floor and F. B. I. Agent Hall continued to question Ruby until Homicide Detective E. L. Boyd, Detective M. G. Hall, and Detective Montgomery arrived on the fifth floor at about 2:30 p.m. Along with the three Homicide officers and Agent Hall we escorted the prisoner to the Homicide Bureau.

Subject: Shooting of Lee  
Harvey Oswald

Sir:

On Sunday, November 24, 1963, I was working regular hours of 8:00 A.M. until 4:00 P.M. in the Special Service Bureau, Vice Section.

At approximately 10:50 A.M., I was in the basement of City Hall near the jail office. I was engaged in conversation with Detective B. L. Beaty and Officer J. D. Hutchinson. We were approached by Captain O. A. Jones. Captain Jones told us to remain in the basement near the jail office. He further stated that all the other available officers in City Hall would be down into the basement soon.

I overheard Sergeant J. A. Putnam reiterate his orders to the officer and the reserve officer working the passageway leading out of the basement into the parking basement. He stated very emphatically to the officer that no one but police and press members with press passes were to be admitted to the parking basement.

A short time later several officers and detectives came down from upstairs. Captain Jones took all officers out into the passageway just outside the jail office. He told all of us that we were to form a line on each side of the passageway in order to make a lane for the prisoner Oswald to be escorted. He told some officers to get all the newsmen out of the jail office booking room. He then cleared the passageway immediately outside the jail office. At this time Sergeant J. A. Putnam asked all the newsmen to move to the far side of the driveway, this being the side across from the jail office. Captain Jones then told officers to keep the lines that we had and for officers to fall in behind and to keep newsmen from rushing in.

Besides the above listed officers, other officers that I remember to be in the basement were:

R. L. Lowery #1081, Chief M. W. Stevenson #16, T. D. McMillon #1349, W. E. Chambers #1087, Sgt. P. T. Dean #882, L. D. Montgomery #1047, J. R. Leavelle #736, L. C. Graves #702, C. H. Dherity #476, Charles Goolsby #1141, W. J. Harrison #579, L. D. Miller #1236, Capt. F. M. Martin #397.

W. J. Cutchshaw #1111, Capt. C. E. Talbert #463, Lt. W. L.  
Wiggins #434, Chief Chas. Bachelor #11, Lt. G. E. Butler #51,  
Lt. R. E. Swain #531, C. W. Brown #759, Capt. J. W. Frits #9.

I did not observe anyone that I knew who did not belong in the basement. Everyone that I saw were either police or people I thought to be newsmen. I did not observe Jack Ruby until just seconds before the shooting.

Who, after being by me duly sworn, on oath deposes and says: I am a Reserve Police Sergeant with the Dallas Police Department. On November 4, 1963 I reported to the Police Assembly Room at approximately 8:30 a.m. to Lieutenant Ferrell who was making assignments. I then took over making assignments from him. I wrote the men up as the roster at the time they arrived and made assignments to them until approximately 10:30 a.m. At that time I went to the basement and worked there: the basement of the City Hall, on 1st and Commerce where I was late arriving, and also checking in there my son had been assigned. Prior to my son's assignment in the basement of the City Hall I noticed myself at the foot of the guest bed of the room in the basement. I was there for quite some time awaiting the reporters. Someone had made the remark to voice the reporters, and to do that back against the wall. There were seven or eight reporters in front of me. Captain Scott was standing to the right of me. I was approximately in the middle of the room between the wall and the rail. Someone in authority gave instructions to have the press back against the rail. At that time I turned and saw the man standing to my left to have back against the rail. One of them men had a nation picture camera, the other was wearing a dark green coat with black thread woven into it. He was wearing a brown hat. (My father has a coat something similar to the one the man was wearing that I saw) I then turned my attention back to the reporters which were standing in front of me. I believe this man that I spoke to to have been Mr. Ruby. The man with the nation picture camera put up on the rail. The man with the dark green coat etc., got back on the floor. I turned back around and one of the officers came out of the grill office and then Captain Scott, and then they brought him out. He was handcuffed to one of the officers and there was a gun on each side of his holding his arms. There was a reporter standing there with a microphone in his hand. The reporters then converged on himself. The reporter with the microphone asked him if he had any comment? At this time I observed a blue cone from my left side. I was off balance. This caused me to fall down. I fell down and hit my head on the floor. I fell down and hit my head on the floor.

Who, after being by me duly sworn, on oath deposes and says: I saw a man running away from a crowd in a crack. At that instant I pointed my gun at this individual and took out the carbine bullet, shooting to stop him. I saw the man right up to the wall and I heard a shot. At the time I heard the shot, there were several officers who caught him and arrested him to the provost. I also heard a crowd talk of the gun, but there were too many men there for me to be certain. At that point an officer did arrest him and he has been. I didn't get to see him, so they were arresting him. The first known to this officer was him. At this point orders were given to seal the documents. I saw a man fully dressed by the curb road, and arrested, so, excuse trying to leave the bar events. During the interview with Lieutenant John Murphy and Lieutenant J. C. McCall about things was instructed about an automobile leaving the bar about the eighth road to the Main Street. I recall an automobile driving out, but I can't recall the time or if I recall how many men were in this automobile. I tried to recall this automobile as being a light blue sedan. John G. Subject: Shooting of Lee Harvey Oswald.

Sir:

At the time that Oswald was being brought down from the jail, I was stationed next to the door leading to the jail office. Prior to Oswald coming out, a T. V. Camera was pushed out of the basement lobby into the basement. There were three men pushing the camera. The man with the green shirt was on the right and the man with the black rain coat was on the left. The third person was in the center and had on a dark suit. He was bent over low behind the camera pushing on the base. The camera was pushed down the ramp into the parking area but was not hooked up. After the shooting the camera was being pushed up the ramp by two men. The man in the dark suit was not one of them. I stopped the two men and asked them where the other man was that helped them push the camera out. They stated that no one was with them.

After the shot, I jumped on the man and had him by the left arm. I held this position till we reached the jail office door where I had to release my hold so they could get inside the jail office. After they got inside I stood guard on the door.
