Hullo Jack,

Greetings and salutations from Bonnie Scotland. It was good to hear from you and to find that you are in good form. Keep it up! We are all rooting for you here and in Ireland I would say even more so. God loves impetuous guys. I am one too and I should know. Am a direct descendant of Robert the Bruce who was a King of Scotland and a real tough guy. It was he who was the hero of the Battle of Bannockburn and responsible of the crushing defeat of the English. Scotland has deteriorated a bit since his day unfortunately but he is still thought of with great respect and they are putting up a statue for him at the site of the battle. A bit late after 500 years or so!

Think your solicitor Mel is a great fellow. Read an article by some Scots who met him in California.

I help quite a few people to keep cheery. 2 months ago a friend in England wanted me to do something for an old lady of 84 who had gone to an eventide home near Edinburgh. I heard from her the other week and she reports that she is feeling much better and all her cares have left her!

In fact a girl up the street who is going with a Texan is flying out for a holiday in U.S.A. in June. One of these days I hope to make it too. Would like to see California and all the scenic beauties of your great states. I like living close to Nature - it's the LIFE. I stay in one of the best parts of Scotland near the mouth of the River Clyde. The steamer sailings cant be beaten - they pass through some of the finest scenery in Scotland. Keep smiling Jack - Everything will be O.K. soon.

Dear Sir- I am being so bald to write to you because I am so very sorry for you and to tell you that I pray often for you, and do hope that you are in touch with our Heavenly Father so that He can comfort and strengthen you in this time of stress.

You know, of course that He loves you enough to allow Jesus to be crucified that folks like us can find the way to eternal life. ( John 3:16 ) and Ephesians 2:7,8,9 )

The following verse has comforted me many times and I am sure it will comfort you too. " Thou will keep him in perfect peace whose mind is staid on Thee, because he trusteth in Thee."

( Isaiah 26:3 )

As I am assured that I pray often for you

Lovingly-

Just a word of encouragement-----

We of the "Prayer Fellowship for Israel" are praying for you---  
--not that you may escape what may be the will of God for you  
---punishment for the crime you are charged with, but that you  
may see the another has taken your place, and bore your sins on  
Calvary's Cross , even your own Messiah if you will receive it.

Do read the tracts enclosed. Take Courage and prove  
not that a Jew has guts, as the radio announcer gave us the other

Verily, verily, I say unto you, He that heareth My Word, and believeth on Him that sent Me, hath everlasting (Spiritual) Life, and shall not come into condemnation, but IS passed from death unto Life." St. John 5:24.

March 9th, 1964  
157 N. Bath Ave.  
Waynesboro, Va.  
22980.

My Dear Friend:

God has put the compassion of His love upon my heart for the welfare of your precious soul that God has gave Heaven's Best, Jesus Christ to redeem you from the power of SIN, sickness, <sup>OF SOUL</sup> and Satan that caused you to do what you have done. *"Father! forgive him for he knew not what he did."*

My Friend, please ask your self, "What are you doing with the life that God has given you, to serve Him? Christ is tenderly inviting you to, "Seek ye the Lord while He may be found, call ye upon Him while He is near; Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and He will have mercy upon him; and to our God, for He will abundantly pardon. For My thoughts are not your thoughts, neither are your ways My ways, saith the Lord." Isaiah 55:6-8.

"Ye shall know the TRUTH, and the TRUTH shall make you free." St. John 8:32., for "Thus saith the Lord; Cursed be the man that trusteth in man (lawyers that divert the TRUTH and donot reach the soul) and maketh flesh his arm, and whose heart departeth from the Lord", as of the present while we have a chance; GOD is in your hands.

You may do as you please with God now. It is permitted. God placed Himself in men's hands when He sent Jesus Christ into the world as perfect God and perfect Man in One Being. He was then in man's hands. They ciused Him. It was permitted. Men spat on Him. God allowed it. They callen Him a devil. God withheld His wrath. Finally they falsely arrested Him, gave Him a mock trial, flogged Him, nailed Him on a Cross and hung Him between earth and Heaven; and God allowed it, all because for His great love for ALL sinners to come to Him through repentence of their sins and to accept His Son, Jesus Christ Who paid it all for you, for me and to whosoever that will come to Him believing, He will in no wise cast out.

You can do likewise though Christ is not bodily present. You can through satan, ignore Him. You ignore His precious Book, the BIBLE, and His Church. You may laugh at His blood-bought Salvation, curse His followers, and laugh at Hell. It is permitted. The Eternal Christ may tenderly knock at your precious soul's door, that still small voice

outside of your life. You may refuse Him, spit on Him, call Him a devil, curse Him. It is permitted. You may take His Name upon your lips (that He created to use in serving Him) in vain oaths and curses if you so chose. He is in your hands -- now!

My Dear Friend, on the other hand, you may seek His favor in sincere prayer, humble yourself before Him and beg His mercy, implore His tender forgiveness, by confessing your sins by crying out to Him, "Lord! be merciful unto me, for I am a sinner, save my soul, forgive me of my trespasses and make me whole", forsake your sins, and abandon your remaining life to Him. God will do just as He said He would. He said, "Behold, I stand at the door (your soul which is your ever living personality), and knock; if any man hear My Voice, and open (receive Him as their very personal Saviour) the door, I will come <sup>in</sup> to him, and will sup (give peace at heart before God, love and joy such as the world never can offer) with him, and he with (to cast all of our cares upon Him for He careth for you) Me." Revelation 3:20). <sup>CF</sup> The decision is up to you, my Friend. Do not let Satan (the great deceiver, the author of SIN, sickness, wickedness, death, Hell and the grave) rob you of everything good that God has to offer you for free; only believe and ye shall receive! The latch is on your side of the door. There is no sin that is too great that God will undertake and pardon you of through His great love for sinful and lost mankind. *O how you and I concerned about him!* Jesus loves you more than any ever could, he is much concerned about your precious soul that is held bound by Satan. The choice is yours and only you can make that blessed decision unto Him; forever more. A man! The choice IS yours: the revellings and banquetings of this materialistic world that are all vain OR quiet communion with God (man's soul that God gave individuals to commune with and have constant fellowship with our Heavenly Father; for He knows everything); OR the ever burning vain lusts of the flesh OR the Powerful Victory of the ever present Holy Spirit discipline. The choice IS yours: God IS in your hands -- now!

God has already set the day when you and I as individuals will be in His hands, What He does with you and I as individuals then depends on what you and I as individuals *are* doing with His Son, Jesus Christ now! Then it will be a "fearful thing to fall into the

"Come unto Me, all ye that labour and are heavy laden, and I will give you rest. Take My yoke upon you, and learn of Me; for I am meek and lowly in heart; and ye shall find rest unto your souls. For My yoke is easy, and My burden is Light." Matthew 11:28-30.

fire, prepared for the devil and his angels" (Matthew 25:41), or "enter thou into the joy of thy Lord" (Matthew 25:21). The verdict that will fall upon you depends on what you are doing with Jesus Christ now!

Truely my Friend, Jesus Christ is the ONLY shelter in life's trials, tribulations and also in the soon coming Day of God's Divine wrath. Jesus Christ is the appointed heart felt and soul assurance expression of God's love to us as individuals, demonstrated in His Life, death, and resurrection. Through the touch and moving of the Holy Spirit, He continues His divine love, moving and convicting upon our human spirit and the prompting our human conscience of which is God's lie detector upon the sins of man's soul. You have no connection with God or with Heaven but only through Jesus Christ; Who knows all sins. There is "One mediator between God and men, the Man Christ Jesus.

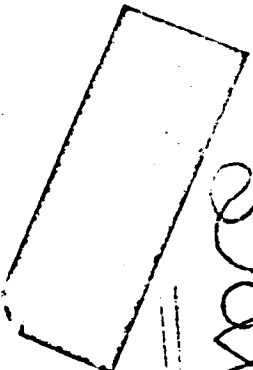

My Friend, you may choose to be neutral, but that is a delusion of Satan, who will surely destroy all sinners, unbelievers and all liars in the lake of fire that burneth for ever and ever. You may postpone (prayerfully seek that you make the right decision before it's too late) decision, but to God, postponement is a flat "no", for excuses don't count before God. This is your day, my precious Friend. Do not let Satan deceive you any more before it's too late. Turn from Satan now! unto God for God is in your hands now! In God's soon coming Day when every knee shall bow, every eye shall behold Him and every tongue shall proclaim the Mighty Name of Jesus. No my Friend, there shall be no Mediator then! for He Who is now Mediator has already been appointed to be final Judge in that Day. My Friend, please listen! if you want mercy and pardon, you must get it now! For God truly wants to be in the center of every born-again Christian's Life.

Prayer changes things, for Jesus has said, "All things are possible to him that believeth" and also, "If two of you agree on earth as touching anything, it shall be done."

God is longingly and tenderly wants to save your precious soul, I know God's Word and I firmly believe that if you are willing to surrender your heart to Jesus Christ that God will make you a new creature in Him. It shall come to pass.

Believe with me to day, as I believe with you. This is between God and you. Lay your hand upon this letter and let us join hands with God across the miles as we bring your precious need to Him, in faith believing. Then cast all your care upon Him, for He careth for you.

Why should you carry the burden when Christ has carried it for you? Satan's des-

Dear Mr. Ruby:

I hope you get off but there is a price for everything and you may have to pay for it, but I sure as Hell hope that you do not. You are a red blooded texan. Everyone else seems to have been wearing an apron. It is too bad the wretch was not placed in a barrel of nails and rolled around the town a few times, and tortured before he got his in the end. The z President had to pay for being the President by getting himself bumped off by a man whom everyone must have known was peculiar and the Government actually gave him money to come back, knowing he was an enemy of the Government. Holy Cat fish, can you beat that. Don't holler, you took the law in your own hands and had I been there I might have well done the same thing. Everyone sat or stood or what have you and no one got mad or anything and I was so furious I could not sit still to think that such a wonderful person as Kennedy is gone. Now this mess i Cyprus is about to plunge us into what looks like a war he could have got us out of it. But that wretch that has you on the carpet had to kill him. And all the hypocrites out there want to see you get yours for doing what they

So this is the big land cattle country. Oil. They don't care about justice or anything else so long as nothing infringes on their sacred good reputations because if anything does why they could not make their lil ol money could they.

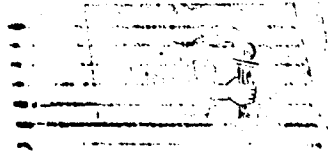

I better not say any more because I am getting more angry by the minute. Hurray for you. Hip, Hip, Hip Hip Hooray, for you. You did the right thing the wretch ~~xxxx~~ should have been lynched. But anyway you did your best. If you are not cuckoo don't pretend you are, and don't let yourself go cuckoo either, you did the right thing buddy. So help me God you did the right thing. Shake Buddy, Shake. Kennedy thakes your hand, that is for sure. If there were more people like you there would not be this kind of thing.

To you we throw the torch, be yours to hold it high, if ye break faith with us who die, we shall not sleep the poppies blow in Flanders Fields.

Robbing two little children of their father, and Jaqueline plunged into a sorrow she did not deserve, as for the wretch Oswald's family, they are beetter off without him. His wife, God help her, will be far safer without him, he would probably bumped them all off before he was through.
