Mr Ruby

If only you  
had turned the  
gun on yourself after  
your horrible act on  
a hand cuffed man.

Then the Jewish faith  
would not have to  
hold their heads in  
shame. You would  
have died with respect.  
No matter what you  
do now - it doesn't  
matter. God's love  
never on you.

Betrifft: Verurteilung des Mr. R u b y .

Sehr geehrten ~~Herr~~ ~~Belli~~ ! Frau Ruby !

Als großer Verehrer, des so traurigen Mordanschlag an dem Herrn Prä-  
sidenten Kenedy, möchte ich an Sie die große Bitte richten, doch unbe-  
dingten Freispruch ohne jegliches Strafmaß für Herrn Ruby zu fordern.  
Fast ganz Deutschland verehrt Herrn Präsident Kenedy, & fast ganz  
Deutschland ist für Freispruch für Herrn Ruby. Hierzu möchte ich bemer-  
ken, wer einen Präsidenten Kenedy tötet, ist nicht wert nur noch eine  
Sekunde zu leben. Warum muß erst lange über so einen Mörder Oswald  
verhandelt werden. Es steht ja klar fest das er der Mörder war. Auch  
hätte Oswald nie Aussagen gemacht. Kein Volk der ganzen Welt hat den  
Herrn Präsidenten Kenedy so verehrt, wie das Deutsche Volk, & so muß  
Freispruch für Herrn Ruby erfolgen. Denn sein Handeln war gut, & er ist  
kein Mörder, sondern Oswald war es nicht wert noch länger zu leben, der  
einen so verehrten Präsident Kenedy ermordet hat. Wieviele tüchtige  
amerikanische Soldaten müssen Ihr Leben lassen, bei Durchführung Ihrer  
Pflicht, wo sind da die Richter gegen die Mörder. Was ist mit Rußland,  
die Flugzeuge einfach abschießen, wo sich die Piloten nur verirren, &  
die Menschen getötet werden, wo ist da der Richter. Es ist ja auch in  
der Weltgeschichte einmalig, daß so ein geliebter & verehrter Herr  
Präsident Kenedy gelebt hat, & wenn Herr Ruby Oswald erschossen hat,  
ist es nur recht & billig, denn ich möchte nochmals wiederholen, daß  
Mörder Oswald nicht wert ist weiter zu leben.  
Ferner frage ich Sie an sehr geehrter Herr Anwalt Belli, ob ich mich  
noch an den jetzigen Präsidenten Herrn Johnson mit einer Bittschrift  
wenden soll, bitte geben Sie mir einen werten Bescheid. Denn ich möchte  
nochmals wiederholen das ein Herr Ruby freigesprochen werden muß.

Denn wenn ich so sagen darf, hat er nur im Interesse vieler Millionen

mit meinem Ersuchen etwas anfangen, & das es möge Erfolg haben, denn ein  
Todesurteil gegen Ruby kann & darf es niemals geben.

Ferner möchte ich Sie bitten meinen Namen nicht zu veröffentlichen,  
ich bin nur ein einfacher Ehrlicher Geschäftsmann, als Namen geben Sie  
bitte an ein Deutscher.

Einem werten Bescheide, sehe ich entgegen & verbleibe Ihnen mit den  
besten Grüßen & zeichne hochachtungsvoll

N.B. Die Änderung erfolgte weil ich erfuhr  
daß Sie einen anderen Anwalt haben.  
Vielleicht kann Ihnen dieser Brief  
etwas nutzen. D.N.

Attorney at Law  
Mister Balli  
Dallas, Texas

Seefeld, March 8th, 64

Dear Sir,

The radio informs us that Mr. Ruby shall expect this is turning law up side down and making brutality legal.

Mister Oswald had to be killed as presumptive shooter to Mister Kennedy. His real murderers sit; however, free in Washington.

It is NOT cleared why Mister Kennedy was down to Texas.

Mrs. Eunices Shriver coldbloodedly told me she was going to kill her brother and she was present, when I informed President Kennedy on his murder.

I have to do with the Kennedys since many years and terrors to force me away from his brother JFK.

They are using all methods for political ideas and they must have had some effective spleen in their heads when going down to TEXAS. I did all under the sun to prevent this and told the outcome as clear as I could. I was not given any time.

nothing else, but to kill sovereigns !  
Here against must be safety!  
Kennedy had never the slightest safety !  
Please try to bring the real background up  
as soon as you can as we dont understand at  
all HOW a president can be within half an hour  
as a warm body fly into his closed in SARG.  
He was NOT attended with his wounds at all,  
there was no bloodtransfusion, there was only  
a deadly cut in the hospital!  
So who determined that HE HAD TO DIE ?!  
You please hang these people!  
Not to talk on the wife, the syster, the invi-  
tation which he had to deny to accept!  
If anybody knew what was going on 't was him and  
me and Eunice and the Kennedys killed my child  
killed me, if they could and threaten us be-  
cause they are both terrorists and cracy!  
With hope for your success and hope that you  
see the worldwide consequences of your job  
I remain

yours very truly

fr. D. Balli

The electrical I have shall

**TIPPIT'S DEATH:** J. D. Tippit, a near neighbor of both Oswald and Ruby, knew the latter well and appears to have also known the former. Tippit was waiting alone in a patrol car—which was not only against the rules, but "inconceivable" in an area that was being combed for an armed murder suspect. For whatever reason Tippit's normal patrol-car companion (never identified) was absent. Tippit would have time to pick up another policeman before 1:16, when he stopped Oswald. But Tippit was accomplice No. 9, whose risky mission was to intercept the fugitive and do it alone. Oswald, a witness has stated, smiled on approaching him; Oswald had been assured that he would be gotten out of the country, and this was presumably the rendezvous. According to the script of the conspiracy Oswald would try to draw his gun; Tippit would kill him in legitimate self-defense; and "the only suspect, the Fidel Castroist, the fanatical Communist, would be silenced forever." Tippit was too slow on the draw. Accomplice No. 4 followed Oswald to the movie house. The only alternative was then the one which was to have been avoided at all costs—to take Oswald alive.

While the press was being told that one man has planned and executed Kennedy's assassination, the police did not at first accuse Oswald of complicity in that, but concentrated on interrogating him about the murder of Tippit. Until he was shown to the press, Oswald did not know that full responsibility for killing the President was being pinned on him. He insisted on his right to a lawyer, which was denied; if he had seen one, his first question would have been: "What chance have I of getting out of this alive if I name my accomplices?"

Ruby kept him from ever asking the question. Buchanan went no further on Ruby's murder of Oswald, out of respect for Ruby's right to defend himself before a court of justice, a right which he denied to Oswald. (The articles appeared before the Ruby verdict.) Let Ruby be placed in an asylum for life or until he recovers his memory. "On that day, when he remembers names and places, we shall be able to ask him what happened to his old friend 'Needles' Labriola, who was killed by strangulation in 1954."
