Sir:

On November 29, 1963, Lioutenant Jack Revill and Lieutenant P. G. McCaghren went to the Western Union Telegraph Company offices located at 2034 Main Street and interviewed Mr. Doyal Lane of 6549 Lake Circle, TA 1 0560.

Mr. Lane is a supervisor for the Western Union Telegraph Company and was on duty at this location on November 24, 1963. At 11:16 A.M., Jack Ruby sent a \$25.00 Money Order to an employee and was given a receipt which was stamped with the time (11:16 A.M.).

Mr. Lane was shown several photographs, and he readily picked the photograph of Jack Ruby from these and stated that he knew Jack Ruby inasmuch as he had sent several telegrams in the past.

Lieutenants Revill and McCaghren timed, by watch, the amount of time needed to walk from the Western Union offices to the Main Street ramp into the City Hall basement. It takes 1 (one) minute and 13 (thirteen) seconds to walk this distance. It requires another 22 (twenty-two) seconds to walk down the ramp from Main Street to the location where Oswald was shot.

A check of the dispatcher's records reveals that a call was placed for an ambulance at 11:21 A.H.
