ROBERT KERMIT PATTERSON, commonly known as BOB PATTERSON, appeared at the Dallas Field Division on November 27, 1963. PATTERSON advised that he resides in Room 511 at the YMCA located at 605 North Ervay Street, Dallas, Texas. PATTERSON advised that at the present time he is a student at the Metropolitan Technical Institute, 402 North Good-Latimer, Dallas, Texas.

According to PATTERSON, he was born on January 24, 1930, at Lincoln, Nebraska, and had the rating of RD-3 while in the U. S. Navy. His U. S. Navy Serial Number is 4278665.

PATTERSON informed that he is a homosexual and as such has access to the so-called "gay" bars and lounges in the City of Dallas, Texas. He said that although he has only been in Dallas for approximately two years he is acquainted with many of the "gay" people in Dallas.

PATTERSON stated that on the evening of November 26, 1963, he was at one of the "gay" spots in town, specifically The Villa-Fontana, 1315 Skiles. PATTERSON said that he was broke and prevailed upon JERRY, the bartender at the Villa-Fontana, to set up some beer for him. While at the bar drinking, JERRY, the bartender, introduced him to another chap named JERRY, who was also sitting at the bar. JERRY, the bartender, who is a member of the "gay" set in Dallas, vouched for PATTERSON's standing with the "gay" set to the other JERRY, and the conversation thereupon flowed freely. During the conversation, the unknown JERRY, the customer, whom PATTERSON described as about 33 years old, heavy set, approximately 5 feet 7 inches, dark hair and round face, made the statement that he is the former lover of JACK RUBY. PATTERSON also heard one or the other of the JERRYS mention that GEORGE SENATOR, roommate of JACK RUBY's at the time of RUBY's arrest, was also a "gay" person.

PATTERSON likewise stated that he heard it mentioned at the Villa-Fontana on November 26, 1963, that LEE HARVEY OSWALD had been seen at the Holiday Bar and also in Gene's Music Bar, both of which PATTERSON described as hangouts for the "gay" crowd.

Although he did not hear the full context of the conversation between JERRY, the bartender, and JERRY, the customer, PATTERSON said he heard them say something to the effect that five "big people" were involved in the assassination of President JOHN F. KENNEDY. He said to the best of his recollection, the five "big people" were described as being one from Dallas, two from Chicago and two from Kansas City. PATTERSON stressed that he did not overhear the full conversation concerning this matter and was merely trying to repeat that portion which he had heard. He said he did not understand the full significance of it.

In this connection, PATTERSON stated that he, himself, did not know GEORGE SENATOR or JACK RUBY to be members of the "gay" set but pointed out that he would not necessarily be aware of their being members of the "gay" set due to the fact that they did undoubtedly travel in different circles.

According to PATTERSON, an individual whom he merely knows as "LS", the owner of the Lavender Lounge, located at Main and Carrol Streets, Dallas, Texas, is acquainted with most of the "gay" people in Dallas, although he is not believed to be "gay" himself. PATTERSON said that "LS" is crippled and uses crutches at all times.

PATTERSON further related that an (FNU) KELTY, a *Texas* member of the Chance-Vought Company or of the Link-Belt Company, commented to him on the preceding evening, that JACK RUBY formerly resided at the YMCA approximately twelve years ago. PATTERSON said that he did not know KELTY to be a member of the "gay" set and said he has asked KELTY if he had known that JACK RUBY was a member of the "gay" set. KELTY said that he knew very little concerning RUBY, since they had lived at opposite ends of the building when JACK RUBY was then residing at the YMCA. PATTERSON said that Mr. KELTY still maintains a residence at the YMCA.

When questioned, PATTERSON said that the following could be considered the hangouts of the "gay" crowd in Dallas, Texas:

Gene's Music Bar  
307 S. Akard

The proprietor of this bar discourages the presence of the female members of the "gay" set.

1 *MRS* DONALD C. STUART, 121 Pleasant Drive, Dallas, *Texas* advised that he has been associated with ROBERT K. PATTERSON in the operation of Contract Electronics at 2533 Elm Street in Dallas, Texas.

*Nancy Stuart*

Approximately four weeks ago, JACK RUBY accompanied by a younger man whose identity was unknown to STUART, came to the shop at 2533 Elm Street to discuss the possible revamping of the public address system at the Carousel Club, operated by RUBY. CHARLES ARNDT, one of STUART's employees, was present at the time. ROBERT PATTERSON also came into the shop while RUBY and his companion were there. RUBY told STUART and PATTERSON that he wanted to give them some passes to the Carousel Club. When he asked for STUART's name, the latter took out his driver's license and handed them to RUBY, who immediately wrote STUART's name in a small notebook, which he believes was approximately 5" by 4" and black in color. He is positive that RUBY did the writing in this notebook, inasmuch as it was done directly in front of him after he had handed his driver's license to RUBY. He noted that there were additional names written in this notebook with what appeared to be pass numbers beside them. He then gave STUART and PATTERSON temporary passes and told them that they would be issued a permanent pass. He has not yet received permanent passes.

While RUBY was in the shop he discussed an exercise device which he had in his automobile and had his younger companion go to the automobile to get the device which he demonstrated to them.

STUART examined a photo of LEE HARVEY OLSWALD and advised that he cannot be sure at this time whether or not OLSWALD is identical to the person who accompanied RUBY. He believes this person may have had thicker hair than OLSWALD. He further described this individual as a white male, age in his 20's, about 140 lbs., slight build, dark brown hair. He did not say much and stayed very close to RUBY. He believes RUBY introduced this man, but he could recall the name. He also believes RUBY stated this man worked for him.

STUART stated that he has been told by PATTERSON that

RUBY returned later on the same date to have a microphone repaired but he was not present on this occasion. He stated he did not have in his possession at the shop any type of a receipt which would show the date of the microphone repair. However, there is a possibility he may be able to locate some type of a record at his home which would provide this date. He will make an immediate check and in the event such a record can be located, he will notify the FBI Office.

CHARLES ARNDT, Room 516 YMCA, 605 W. Ervay, Dallas, Texas, advised that he is employed at the Contract Electronics Company, 2533 Elm Street, Dallas. Approximately four weeks ago while he was at the shop with DONALD C. STUART, JACK RUBY entered the shop accompanied by a younger man. He discussed with STUART the possibility of installing a new public address system in the Club Carousel. While he was there, ROBERT PATTERSON, one of the owners of Contract Electronics entered the building. RUBY told STUART and PATTERSON that he wished to give them passes to the Club Carousel and wrote their names in a small notebook. ARNDT stated he recalled that STUART gave RUBY his driver's license and RUBY copied his name from the driver's license into a small notebook he was carrying in his pocket. He does not recall specifically seeing RUBY write PATTERSON's name in the notebook.

ARNDT examined a photo of LEE HARVEY OSWALD and advised that he could not definitely state whether or not OSWALD is identical with the younger man who accompanied RUBY.

He described the younger man as a white male, in his 20's, 5'7", 140 lbs. or possibly a little more, slight build, dark brown hair, of average thickness. This man had very little to say. ARNDT could not recall that his name was ever given, but did recall that RUBY stated he worked for him;

ARNDT advised that he was at the shop later in the day when RUBY accompanied by the younger man again returned to the shop with a microphone which needed repairing. He believes it was about 6:30 p.m. at this time and RUBY specified that he had to have the microphone no later than 9:00 p.m. The microphone was repaired and PATTERSON delivered it to the Carousel Club.

1 HAROLD GORDON ALDERMAN, 6232 Delord Street, Tulane University Graduate Student, advised that in the past he has participated in Fair Play for Cuba activities in New York City, Washington, D. C., and Seattle, Washington. He said he has never been a member of the Fair Play for Cuba Committee but that during the approximate time of the Bay of Pigs Invasion he picked up literature from the Fair Play for Cuba Committee Office in New York City, and a lapel button with the words "Hands Off Cuba." Also, at the approximate time he participated in a picket line sponsored by the Fair Play for Cuba Committee in the area of of Central Intelligence Agency Office Building in Washington, D.C. Later, he was in a Fair Play for Cuba Committee picket line which picketed former President JOHN F. KENNEDY in Seattle, Washington.

ALDERMAN said that he has engaged in no activity in New Orleans in furtherance of the aims of the Fair Play for Cuba Committee, with the possible exception of the stand he took in a debate at Tulane University with writer ALEXANDER HORKE in October, 1962. He said that he is in sympathy with the aims of the Fair Play for Cuba Committee but was disappointed with the people who constituted the membership. He said that in the main, in his opinion, they are motivated emotionally rather than politically. He said he knows of no Fair Play for Cuba Committee organized activity in the New Orleans area, now or in the past.

ALDERMAN said that in the summer of 1963, possibly in July, 1963, a graduate student at Tulane, HUGH MURRAY, mentioned to him that he had picked up a Fair Play for Cuba Committee handbill being handed out on the Tulane campus, possibly in the library. ALDERMAN informed MURRAY that he would like to see the literature and later shortly thereafter, MURRAY gave it to him.

ALDERMAN said that he tacked the handbill on a door in his apartment and was surprised when the name A. J. HIDELL figured in the assassination of the late President KENNEDY. He said that this name, which he learned from the newspapers was an alias of LEE H. OSWALD, was stamped on the Fair Play for Cuba Committee literature which he had in his possession. Also, the address "P. O. Box 30061, New Orleans, Louisiana",

appeared on the handbill. He said that when he read about this in the New Orleans newspaper, he called the local FBI Office and volunteered to furnish the handbill but was advised that the FBI Office already had this handbill and did not want his copy.

ALDERMAN said that he did not follow up receipt of the literature with the contact of OSWALD and he knows no one who did. He said that he doubts that there is any organized Fair Play for Cuba Committee activity in New Orleans at this particular time. He does not know JACK RUBY, LEE H. OSWALD, or O. H. LEE.

HUGH T. MURRAY, 8928 Dixon Street, advised that in about May, 1963, he was a graduate student at Tulane University in New Orleans. At that time, a pile of handbills were found to have been left in the foyer of the Tulane Library at Tulane University. MURRAY picked up one of the handbills and noted that it was captioned "Hands Off Cuba", and that the handbill was under the sponsorship of the Fair Play for Cuba Committee. He said he recalled that the handbill had a name and post office box stamped on it. He does not remember the name of the individual or the box number.

MURRAY stated that he never saw the individual who left the handbills at the Library, and knows no one who saw this person. He said he did not follow up by correspondence with the individual at the box number. He knows no one who did follow up receipt of the literature.

MURRAY stated he does not know LEE H. OSWALD, JACK RUBY, A. J. HIDELL, or O. H. LEE.

No threats, rewards, promises or other inducements were made to PORETTO in connection with this interview and he voluntarily advised as follows:

On examination of a photograph of LEE HARVEY OSWALD New Orleans Police Department number 112723, Mr. PORETTO said he had never seen this individual in person before and was positive that he had never had any business dealings or association of any kind with this person.

According to Mr. PORETTO, since the assassination of President JOHN F. KENNEDY, he had seen numerous photos and TV shots of both LEE HARVEY OSWALD and JACK LEON RUBY since that time and had never seen or known of either person prior to this time. He said he had never heard of JACK RUBY even by reputation prior to his notariety in the newspapers.

Mr. PORETTO stated he cannot recall having had any business dealings with anyone in about March or April, 1963 or at any other time, who resembled OSWALD enough for a mistaken identity.

VERN A. DAVIS, 6120 S.E. 6th Street, advised that he was born in Oklahoma City, Oklahoma, on May 27, 1917, and was employed as an income tax accountant and salesman, his last occupation being with the Midwest Publishing Company, Midwest City, Oklahoma, in advertisement sales. DAVIS stated that he phoned the managing editor of The Daily Oklahoman concerning the information reported in an article in The Daily Oklahoman on November 25, 1963. He said that he went to Dallas, Texas, on November 17, 1963, his purpose being to join the Lone Star Showman's Club which he described as a club consisting of carnival and concessionaire people. He said while in Dallas, at about 7 or 7:30 P.M., at what used to be Jack's Bar, now believed to be Ed's Bar at 813 Exposition Street, he was discussing various topics of conversation with some "carnival people." He said while there, an individual joined the group and began making derogatory statements about then Vice President LYNDON JOHNSON and his forthcoming trip to the Trade Mart. He said at no time was President Kennedy's name mentioned by this individual.

He said he believed this individual to be LEE HARVEY OSWALD, whose picture he saw both in the newspaper and television. He said he then left the bar for a short period of time and when he came back he noticed the individual he thought to be OSWALD had left and JACK RUBY was standing at the bar. He said he had met JACK RUBY about ten years ago in Dallas, Texas, and he said JACK RUBY was a gambler who followed the fairs and carnivals throughout the country "hustling" poker games. He said he asked JACK RUBY if he knew anyone at the Lone Star Showman's Club and RUBY told him he knew an individual named COTTON WHEELER. He said COTTON WHEELER later sponsored his application for the Lone Star Showman's Club. He said further he did not know RUBY as a night club operator but only as a gambler going from carnival to carnival.

DAVIS said specifically that in further reflection about the identity of OSWALD, he was not really as sure that OSWALD was in the club as he had been the day before.

Date 11/27/631

Mrs. ALLEN LEWIS, 2514 West 5th Street, Irving, Texas, furnished the following information:

Upon viewing a photograph of JACK RUBY, she stated she has never seen this individual to her knowledge and has no information concerning him.

Upon viewing a photograph of LEE HARVEY OSWALD, she advised she had seen this individual on one or two occasions under the following circumstances: Several weeks ago, she learned a woman of foreign birth began residing with her child across the street from Mrs. LEWIS at 2515 West 5th Street, the home of RUTH PAINE. She understood that her husband was working somewhere in Dallas and sometimes came to visit his wife. On October 27, 1963, she noticed a man resembling OSWALD's photograph, whom she presumed was OSWALD, sitting in a lawn chair in the yard of Mrs. PAINE. Some children were playing in the yard and she does not recall any other individuals in contact with him at that time. She believes she had seen him previously sometime in October, 1963, date unrecalled, one morning when he came out of the house and entered an automobile which had just pulled up, which car was driven by a man who in no way fits the description of RUBY. This car was an old car, a black Chevrolet. The men drove off and she has not seen the driver since. She presumed the man picked OSWALD up to take him to work. She is not sure the man who left the house was OSWALD, but is sure he was not Mr. PAINE.

When she and Mr. LEWIS began residing here in May, 1963, she learned that Mrs. PAINE and her husband were separated. Mr. PAINE came back on several occasions to visit her during the week ends. She talked to him only on one occasion, namely, during the afternoon of November 24, 1963, shortly after the murder of OSWALD. PAINE stated he wanted to talk with them, but did not specify his purpose. She surmises that he wanted to apologize for the events which had occurred at Dallas relative to the assassination of President KENNEDY, inasmuch as OSWALD had been visiting in his home and OSWALD's wife had been living there. He did not mention OSWALD or the tragedy.

MICHAEL PAINE, 2377 Dalworth Street, Apt. 217, Grand Prairie, Texas, telephone AN 2-7976, an employee of Bell Helicopter, Arlington, Texas, telephone CR 5-5211, was interviewed at the home of his estranged wife, Mrs. RUTH PAINE, 2515 West 5th Street, Irving, Texas.

PAINE advised after examining a photograph of JACK RUBY that he had never seen this person in the company of LEE HARVEY OSWALD or MARINA OSWALD and that he had never heard either of them mention RUBY's name.

He stated that LEE OSWALD had no interest in cafe society, night clubs or burlesque clubs and he doubts very much that OSWALD was ever in an establishment of this type in Dallas, Texas.

*Irving, Texas*  
 Mrs. RUTH PAINE, 2515 West 5th Street, telephone BL 3-1628, advised that she has known LEE OSWALD and his wife, MARINA OSWALD, since about February 1963. She stated that he never exhibited any interest in night clubs or in striptease joints and recalled that on one occasion in September 1963 RUTH PAINE was in New Orleans and she exhibited a curiosity about the striptease joints along Bourbon Street. She and MARINA OSWALD with their children toured Bourbon Street together but LEE OSWALD was never interested and stayed home and did the dishes.

*Mrs. Michael Hyde Paine*

She examined a photograph of JACK RUBY and stated that she has never seen this individual in the company of LEE or MARINA OSWALD and has never heard either one of them mention his name.

She advised that LEE OSWALD showed very little interest in drinking and she does not believe he drinks at all and thus she is of the opinion he would not be in a night club or beer joint.

## FEDERAL BUREAU OF INVESTIGATION

Date November 25, 1963Dallas, Texas

Mrs. A. C. JOHNSON, 1026 North Beckley Street, advised that she and her husband owned the building at that address in which she rents several rooms on a regular basis. Mrs. JOHNSON furnished the following information:

On October 14, 1963, a young man using the name O. H. LEE rented a room at that address, which room is a tiny room opening out onto the dining room and living room of the building. Mrs. JOHNSON was shown a photograph of LEE HARVEY OSWALD whom she identified as the individual renting this room. The man told her that he came there to rent a room in order to be near his work. He stated he would be returning to Irving, Texas, each weekend.

Mrs. JOHNSON advised that OSWALD regularly left the house early during the morning hours to go to work and would return about 6:00 p.m. from work. He usually made one or more telephone calls from the telephone located in the dining room section of the house. All of these calls were local calls and he made no long distance calls. In each instance, he made the calls himself and at no time did he receive a telephone call. She could not follow the conversations inasmuch as he always spoke in a foreign language which she could not identify.

While residing there, OSWALD carried on practically no conversation with her or with the other individuals living there, and to her knowledge, never had any visitors. He spent most of his time, in fact about 95 per cent of the time, in his room where she believes he did quite a bit of reading. Occasionally, he would come to the living room and watch television with others for a few minutes at a time, during which time he would not converse with the other people. She said OSWALD appeared to be a hard working man, neatly dressed, and to the best of her knowledge, neither drank alcoholic beverages nor smoked. He appeared to be a timid type of individual but, in her opinion, not a good mixer. She stated she never knew he was married since he furnished no information

concerning his background. He usually brought food to the house where he would prepare and eat his meals in his room. Practically every weekend he would be away from the house. He would leave his room on Friday morning and would return to the house after work on Monday evening. There were two exceptions to this routine. On the weekend of Sunday, November 17, 1963, he remained at that address over the weekend. He was absent from his room on the night of Thursday, November 21, 1963.

Mrs. JOHNSON was shown a photograph of JACK RUBY. She stated she is sure she has never seen this individual and that he has never been in her house. She repeated that to her knowledge OSWALD ~~never had a guest~~ at this house.

Date November 25, 1963Dallas, Texas

Mrs. EARLENE ROBERTS, 1026 North Beckley Street, advised that she is employed as housekeeper at this address and due to this employment and to the fact she resides on the premises, she has had occasion to be acquainted with LEE HARVEY OSWALD, a roomer who has been there since October 14, 1963. She was shown a photograph of LEE HARVEY OSWALD, and she stated this is a photograph of the individual residing at that address in a room to himself since October 14, 1963, under the name of O. H. LEE.

Mrs. ROBERTS stated that OSWALD kept to himself all the time and never had any company while living at that address. She stated his habits were usually to leave the house early in the morning to go to work and would return about 6:00 p.m. each day during the week. He practically always made a telephone call right after returning from work but would always speak in a foreign language which she believed to be possibly German or Russian; however, she recalls that on a few occasions he ended his conversations with the word "Adios." During the weekends, he would leave, according to OSWALD, to go to Irving, Texas. He would leave the house Friday morning to go to work as usual and would not return until the following Monday evening after work.

While living at that address, OSWALD did not talk to other people living there and did not have any visitors to her knowledge. She added that it would, in her opinion, have been impossible for him to have had a visitor in his room without her knowledge inasmuch as her room is adjacent to the one occupied by OSWALD, and she could have not only seen any visitor but could have been aware of same by hearing footsteps and conversations and also she is a very light sleeper.

Mrs. ROBERTS stated that when OSWALD first arrived and registered, she requested him to furnish a name of someone, preferably a relative, who could be notified in case of an emergency but he refused to do so and only stated "It doesn't matter."

Mrs. ROBERTS was shown a photograph of JACK RUBY whereupon she advised she has never seen this individual and is sure he did not ever appear at her residence during the time OSWALD was living there.

Mrs. ROBERTS advised she never saw a gun of any type in OSWALD's room nor does she recall seeing any books. She recalls seeing a map of the City of Dallas, which may be a common type and did not appear to be anything to attract her attention.

In connection with OSWALD's telephone calls, she stated she had no way of knowing whether the individual to whom he talked was a man or a woman and also that she knows he did not make any long distance calls he may have made from this telephone. She added that OSWALD never at any time received a telephone call, visitors or any mail while residing at that address.

1Date November 24, 1963

JERRY DUNCAN, operator of an Enco Service Station, 1030 North Zangs, Dallas, advised that OSWALD lived at 1026 North Beckley just across the street from his station. Although he had no automobile, he came to the station on occasion. He secured change with which to make long distance telephone calls from DUNCAN at least twice. He believes this was approximately six weeks ago. The calls were made from a coin telephone booth located at the side of his station, telephone number WH 3-0062.

Approximately six weeks ago, OSWALD went out with one of DUNCAN's employees, JOHN L. FORD, to drink beer. So far as DUNCAN knows, they were out together only on the one occasion. FORD has left Dallas, and his whereabouts is unknown to DUNCAN. He could not supply his last Dallas address or the identity of anyone who might supply background data concerning him. He did recall that FORD's home address is Monroe, Louisiana, but could not supply a street address. He advised that FORD is a white male, age 24.

DUNCAN advised he has never observed JACK LEON RUBY in the neighborhood or associated with OSWALD.
