On November 24, 1963, SAs IVAN D. LEE and ROBERT M. BARRETT were contacting EDDIE BARKER, Director of KRLD-TV and Radio News, at his office. In Mr. BARKER's office was a television monitor and BARKER explained it was set on a closed-circuit channel and that in a few moments the Agents could observe the removal of LEE HARVEY OSWALD from the Dallas City Jail to the Dallas County Jail via this closed-circuit television. Texas

After observing a man later identified as JACK L. RUBY shoot OSWALD in the basement of the City Hall, and within 30 seconds of the shooting, SA BARRETT telephonically reported what he and SA LEE had observed via television to Special Agent in Charge J. GORDON SHANKLIN at the Dallas FBI Office. SAC SHANKLIN has advised SAs BARRETT and LEE that immediately upon receiving their report he placed a telephone call via direct dialing to FBI Headquarters in Washington, D. C., telephone No. EXecutive 3-7100, to report the incident.

After telephonically reporting the incident to SAC SHANKLIN, SAs BARRETT and LEE made notes of what they had observed to be used later in the dictation of a report of the matter. Preparation of the notes took place about 8 to 10 minutes after the shooting and the Agents had to approximate the time of the shooting as 11:25 a.m. This approximation was based on estimation of time lapse and the Agents' own personal wristwatches, the accuracy of which is unknown.

EDDIE BARKER, Director, **KRLD-TV** and Radio News Department, advised he had had the station engineers check a video tape in possession of the station, which tape depicts the shooting of **LEE HARVEY OSWALD** by **JACK RUBY** on November 24, 1963, in the basement of the Dallas City Hall, in an effort to determine the exact time of the shooting, without success.

BARKER explained that the engineers had told him that they had checked the tape every way known to them and had checked the station records in an effort to establish the time, but had been unable to do so with any degree of accuracy.

IVAN T. MUNDY, Manager, Metal Products Company, 2326 Topeka Street, Dallas, Texas, advised he was at Sol's Turf Bar, Dallas, Texas, on November 23, 1963, and recalled the following event:

MUNDY stated FRANK BELLOCCHIO, a jeweler, was seated nearby and was displaying a full-page advertisement from a Dallas newspaper to several individuals in the bar. This advertisement said something such as "Welcome, President KENNEDY, to Dallas, but we would like answers to the following questions." The advertisement then listed about twelve questions, and at the bottom was the notation that the advertisement was paid for by BERNARD WEISMAN with a Post Office Box number. MUNDY said he, BELLOCCHIO, and several other persons at the bar were discussing this advertisement when an unknown individual entered the bar and barged into the conversation. This man, who MUNDY later learned was JACK RUBY, said, "I've checked that out," and proceeded to tell all within hearing distance that the Post Office Box was a dummy box. MUNDY assumed at this point that RUBY was a newspaperman because of his apparent knowledge and interest in the advertisement.

MUNDY said RUBY did not appear overly excited, was coherent in his conversation, but definitely displayed more than usual interest in the newspaper advertisement. RUBY stated that the advertisement was "wrong" and expressed disapproval of the contents of the advertisement. MUNDY said BELLOCCHIO then put the advertisement in his pocket and he (MUNDY) can recall no further conversation regarding this advertisement.

MUNDY recalled that at this time JACK RUBY produced two Polaroid pictures showing a sign which read "Impeach EARL WARREN." RUBY was indignant over this sign and expressed displeasure of this sign. MUNDY stated that BELLOCCHIO asked RUBY for one of the photographs, but RUBY refused and made a remark to the effect that he could get an "exclusive" with

these photographs. MUNDY then told RUBY that signs such as in the photographs were prominently displayed all over Dallas and were even used as car stickers. RUBY was not aware of this and MUNDY recalled that RUBY put the two photographs back in his pocket and disappeared.

MUNDY recalled that after RUBY left, he (MUNDY) asked if anyone knew that man and somebody said that was JACK RUBY. MUNDY said he associated the name RUBY with a night club in Dallas. He said this was his only association with JACK RUBY.

ELMER RAY SOLOMON, 3603 South Versailles, Dallas, Texas, owner, Sol's Turf Bar, Dallas, stated he recalls that an individual known only to him as SEYMOUR was present in his establishment on November 23, 1963, when JACK RUBY discussed the BERNARD WEISMAN advertisement with several individuals. SEYMOUR KURTZ, employed as a salesman by Jeanne Manufacturing Company, 205 North Record, Dallas, Texas, advised he is an acquaintance of JACK RUBY, having met RUBY briefly about three times. KURTZ advised he last met RUBY at Sol's Turf Bar on Wednesday or Thursday evening, November 20 or 21, 1963. KURTZ recalled entering Sol's Turf Bar on one of the two above dates and speaking with Mr. SOLOMON, the owner of the bar, who was sitting alone at a booth. After saying hello to Mr. SOLOMON, KURTZ recalled noticing JACK RUBY nearby. RUBY had some cards on his table. KURTZ said he asked SOLOMON, "What are those?" KURTZ said he was making reference to the cards on JACK RUBY's table. At this point JACK RUBY said, "They are not for you." Upon hearing the comment by RUBY, KURTZ left the bar. KURTZ said he has not seen JACK RUBY since that date and has no knowledge of any conversation on November 23, 1963, with RUBY, or any conversation with RUBY pertaining to BERNARD WEISMAN or an advertisement in any newspaper.

KURTZ stated he is positive he was not at Sol's Turf Bar on November 23, 1963, as he recalls staying home that day and watching television.

KURTZ stated he did not see RUBY after the assassination of President KENNEDY. He never heard of LEE HARVEY OSWALD prior to the assassination and knows of no relationship between OSWALD and JACK RUBY. JACK RUBY never mentioned the name OSWALD in KURTZ's presence. KURTZ emphasized that he knows little about JACK RUBY and their conversation consisted of merely exchanging greetings.

STOKES advised he spoke with RUBY strictly on a neighborly basis several times during the one year they were neighbors. He recalled a brief conversation with RUBY on Saturday, November 23, 1963, around noon. RUBY mentioned something about fixing STOKES a hamburger, but STOKES declined as he had to report to work autopsy on that day.

STOKES said he cannot recall seeing RUBY on November 24, 1963, and can recall having no conversation with RUBY on that day.

STOKES advised he was not well acquainted with RUBY, and knows nothing of RUBY's acquaintances or background.

Mr. HUEY REEVES, 2903 Reynolds, ^{Dallas, Texas} telephone TA 4-8428, was interviewed at his residence in order to clarify the time that \$5.00 was given to LITTLE LYNN by a Nichols Garage employee.

At the outset of the interview, REEVES was asked to recall his meeting with JACK RUBY on the evening of November 23, 1963. REEVES was unable to recall the exact time that LITTLE LYNN entered the Nichols Garage where he was then employed as the Night Manager.

In an effort to pinpoint the time, he refreshed his memory by reading a typed copy of his previous interview by an Agent of the Federal Bureau of Investigation. REEVES, at this point, said LITTLE LYNN could have come into the garage at 7:30 or 10:30 p.m. He was not paying any attention to the clock when she entered the garage on November 23, 1963, and he could not recall the exact time. He said when he told the other Agent of the Federal Bureau of Investigation it was 7:30 p.m., he was just guessing. He further stated after viewing the receipt described as follows: "For Jack Ruby \$5.00 Received by Little Lynn" which was date stamped "1963 Nov 23 PM 10 33" that she must have entered the garage at about that time and RUBY arrived at the garage about 20 to 30 minutes later. He advised he made a mistake in the time and wished to change this statement and made the following affidavit on June 9, 1964, in the office of the United States Attorney, Dallas, Texas.

A F F I D A V I T

I, Huey Reeves, 2903 Reynolds, formerly employed as Night Manager for Nichols Garage, Commerce Street, Dallas, Texas, after being duly sworn, depose as follows:

On Saturday evening, November 23, 1963, I recall an employee of Jack Ruby's Carousel Club, Little Lynn, entering the Nichols Garage where I was then the Night Manager. She made a telephone call. I am unable to recall the exact time this occurred because I was not paying attention to the time when she came in. I recall being interviewed on a former occasion by another Agent of the Federal Bureau of Investigation and advising him that Little Lynn entered the garage at approximately 7:30 p.m. When I said this, I was guessing. She could have come in at 10:30 p.m.

A minute or two after she used the telephone, Jack Ruby telephoned and asked me to give \$5.00 to Little Lynn and to get a receipt. After the telephone call, I gave Little Lynn the money and wrote the following receipt on a piece of paper which I took off of a Republic Carloading scratch pad: "For Jack Ruby \$5.00 received by" and signed "Little Lynn." I am pretty sure that I date stamped

this receipt immediately after I wrote it. Little Lynn left the garage after she received the money.

I think Ruby arrived at the garage approximately 20 to 30 minutes later. This would have been about 10:50 p.m. or 11:00 p.m. Jack Ruby stayed at the garage for about 10 or 15 minutes and then he left.

I have viewed a photostatic copy of the receipt described as follows: "For Jack Ruby \$5.00 Received by Little Lynn," I can identify the handwriting "For Jack Ruby \$5.00 Received by" as my handwriting.

At this time I would like to change my previous statement wherein I stated that Little Lynn appeared at the garage at about 7:30 p.m. and Ruby arrived approximately 30 to 45 minutes later because it is my belief that I date stamped the receipt at the time I made it out. I would like to state that I made this receipt out at about 10:33 p.m. and Ruby arrived at the garage 20 to 30 minutes later.

Records of Southwestern Bell Telephone Company, Dallas, reflect a pay station at Phil's Delicatessen, 3531 Oak Lawn, Dallas, was assigned number LA 6-9425, as of October 20, 1963. The "agent" for the telephone is shown as Phil's, Inc., same address.

The coin box in connection with this telephone was emptied on November 26, 1963, at which time tabulation was made of the money as follows:

\$2.00 in quarters, \$53.90 in dimes, and \$6.90 in nickels

The toll charge to Arlington, Texas, is 25 cents, no tax.

Toll tickets involving long distance calls from a pay station, such as the one in question, are not maintained with the same precision as in the case of toll tickets made from ordinary telephones where calls are made "on credit." Tickets with regard to this pay station are mixed in with literally hundreds of other toll tickets involving other pay stations.

Four of the quarters taken from the coin box on November 26, 1963, were believed identified with a call to Omaha, Nebraska, not identifiable in any way with JACK L. RUBY or RALPH PAUL. A telephone company representative advised to check all of the toll tickets involved and to say with certainty a particular charge was identifiable with JACK L. RUBY or to say none was identified with him would require an enormous expenditure of man-hours.

Records concerning the above telephone can be obtained through issuance of a subpoena duces tecum directed to R. A. BURROW, Chief Special Agent, Southwestern Bell Telephone Company.

Mr. ROBERT OPPENHEIMER, General Manager, Stanley Oliver Manufacturing Company, 1001 South California Avenue, Chicago, Illinois, advised that this firm lost all employment records for the period prior to 1946 in a fire that occurred at the company plant in 1955. Mr. OPPENHEIMER advised that he had not been associated with this firm prior to 1951 and has no knowledge of whether JACK RUBY was ever an employee with the company prior to that time. He stated that no employee now with the firm would have been here prior to 1943 nor could he suggest any former employee now alive who might have known RUBY. Mr. OPPENHEIMER stated that Mrs. PHYLISS WEISENTHAL, a co-owner of this firm, might have some knowledge of company employees for the period between 1936 and 1943. He advised that Mrs. WEISENTHAL is not now active in this business but resides at 5025 5th Avenue, Pittsburgh, Pennsylvania.

Mrs. PHYLLIS WEISENTHAL, 5025 Fifth Avenue, Pittsburgh, Pa., advised that she is the present owner of Stanley Oliver Manufacturing Co., Chicago, Illinois, and also owned this company during the period between 1936 and 1943; that during this period the company employed between 20 and 25 people; that she knew them all personally; that JACK RUBY was never employed by Stanley Oliver Manufacturing Co.; that she is positive of this since she is well acquainted with the Rubenstein family, including JACK RUBY; and that JACK's brothers, EARL and SAM RUBENSTEIN, worked part time for the company while attending school sometime between 1936 and 1943.

Mrs. WEISENTHAL stated that she has had no contact with JACK RUBY since he moved to Dallas, Texas, which to the best of her recollection was sometime between 1944 and 1946. She regarded JACK RUBY as somewhat of a "show off" type of boy always seeking attention. To the best of her knowledge he was never, prior to the OSWALD incident, involved in trouble of a serious nature.

Mrs. WEISENTHAL stated there was a fire at the company on or about 1946, and practically all records of the company were destroyed. She stated she still is quite active in the affairs of the company, and that she maintains an apartment in Chicago, Ill., in addition to her residence at Pittsburgh, Pa. She can always be reached at her home at Pittsburgh (telephone number 681-3255), at the office of the company, or her apartment at Chicago (telephone number 327-0441).

Mrs. WEISENTHAL stated that she is most willing to cooperate with the Government, in any way whatsoever, in regard to the JACK RUBY case.

Mr. VIC ROBERTSON was contacted at Radio Station WFAA, Dallas, Texas. Mr. ROBERTSON had in his possession the audio portion indexed as follows: WFAA-TV, PKA-5, VIC ROBERTSON, 41:45. ROBERTSON stated that this tape was made late in December 1963, exact date he does not recall.

Mr. ROBERTSON stated that in late December 1963, the management of WFAA-Television and Radio Stations asked all employees to reduce to tape everything they could think of that occurred during the pertinent period of the assassination. Mr. ROBERTSON related that during the time he was at the Dallas Police Department on November 22, 1963, he saw JACK RUBY at the Police Department, but at that time the fact that he saw RUBY was not significant to him and he made no mention of it. He stated that the first time that RUBY was mentioned by him was on a portion of the tape that he recorded in late December 1963, which is indexed WFAA-TV, PKA-5, VIC ROBERTSON, 41:45.

Mr. ROBERTSON stated that there were two uniformed police officers of the Dallas Police Department stationed at the door to the entrance of the Homicide Bureau of the Dallas Police Department to keep unauthorized persons out of the Homicide Bureau during the time LEE HARVEY OSWALD was being questioned by Captain WILL FRITZ. Mr. ROBERTSON stated that he could not recall the exact time on the afternoon of November 22, 1963, that he observed JACK RUBY attempt to enter the Homicide Bureau, but it was between 5:00 and 6:00 o'clock in the afternoon. TEXAS

As to other newsmen, the only other person that Mr. ROBERTSON knew, according to him, was MIKE WHITAKER of the United Press International. He stated that WHITAKER may have seen RUBY attempt to enter the Homicide Bureau. TEXAS

Mr. ROBERTSON stated that he did not know the names of the officers on the door guarding the Homicide Bureau.

ROBERTSON stated that he had no information relative to RUBY's activities, on November 23 or 24, 1963, of his own personal knowledge.

The following information is set forth verbatim as taken from the tape made by Mr. ROBERTSON in late December 1963:

"Another thing about that particular evening that's memorable was the appearance of JACK RUBY. I just happened -- this reporter had known RUBY for about two years, not well, casually, enough to have some knowledge of his character and his outlook, but not enough to say, 'I really know this man.' JACK arrived up there at Captain FRITZ's -- arrived, put his hand on the knob, turned it, opened the door and started in, probably not more than a step or a step and a half before the officers reacted and pulled him back out. Then he went on down the hall. The interesting thing about it in retrospect was at that time although none of us paid a great deal of attention to JACK, we can look back and say that at that moment JACK RUBY appeared to be anything but under stress or strain. He seemed happy, jovial, was joking and laughing and more like -- oh, any exuberant, interested person, a curious person who just had to see what was going on in his normal, extroverted self. He disappeared and I didn't see him again."

Mr. D. Mr. JOHN LOUIS YANCY, Field Representative of the AFL-CIO, Room 1025 at 608 South Dearborn Street, Chicago, Illinois, furnished the following information:

The Scrap Iron and Junk Handlers Union, Local 20467, was first issued a federal charter during the 1930's because Local 20467 was not affiliated with any international union. Mr. YANCY explained that at the time the AFL combined with the CIO in approximately 1956, there were 800 such federally chartered unions in the United States. About half of these have now become affiliated with some international union and today, there are only about 400 such federally chartered unions still in existence.

The Waste Material Handlers Union, Local 20467, about 2½ years ago, became affiliated with the International Union of the United Transport Service Employees, AFL-CIO, 444 East 63rd Street, Chicago, Illinois, and, therefore, it is no longer a federally chartered union.

Mr. YANCY explained that the original seal and charter are now at the AFL-CIO headquarters at the AFL-CIO Building, 815 16th Street, N.W., Washington, D.C., under the custody of Mr. WILLIAM SCHUTZLER, Secretary. Several years ago when Local 20467 was investigated by a United States Congressional Committee, all of Local 20467 records were shipped from this office to the AFL-CIO headquarters. As a result, none of the old records are available in Chicago.

Concerning the general nature of the activities of Local 20467, Mr. YANCY cited page 7 of the "Report and Recommendations of AFL-CIO Vice President Joseph A. Beirns, Hearing Officer to President George Meany, Regarding Charges Against Waste Material Handlers Local 20467 and Paul Dorfman" dated July 30, 1957, which reads as follows:

"Dorfman's testimony was quite lengthy. According to his testimony, the Waste Material Handlers Union, then known as the Scrap Iron Handlers Union, was in existence before he was connected with it. Prior to 1939, Dorfman had been a business agent for the Retail Clerks Union in Chicago and had also worked for the Painters Union and other unions in the Chicago area. In 1939, the Local Union, which had been largely a shake-down operation, collapsed as a result of a fight between the two men who were running it. Dorfman was asked by the Regional Representative of the American Federation of Labor to take over the Local and attempt to reorganize it. He went to work in the industry and was subsequently elected as Secretary-Treasurer of the Local. At that time, the Union had no assets and virtually no organization."

Mr. YANCY pointed out that subsequently, PAUL DORFMAN was removed as Secretary-Treasurer of Local 20467 and the Local was placed in trusteeship.

Mr. YANCY stated that he has never been a member of Local 20467, and he is not personally acquainted with JACK RUBY. The only individuals he could suggest who might be helpful are Mrs. GLADYS WALSH, the Office Manager of Local 20467, and HARRY YOUNG, an original member of Local 20467 who is now working for the Lissner Paper Grading Company in Chicago.

MRS Gladys M. WALSH

Mrs. GLADYS WALSH, Insurance Administrator, Waste Material Handlers Union, Local 20467, 72 East 11th Street, Chicago, Illinois, furnished the following information:

She has been employed as a clerk in the office of Local 20467 since 1939.

Mrs. WALSH made available a copy of the second charter issued to Local 20467 by the American Federation of Labor on August 19, 1941. This charter was issued to the Waste Material Handlers Union, Local 20467, for the purpose of changing the name of the union from that of Scrap Iron and Junk Handlers Union, Local 20467, which union was originally chartered by the American Federation of Labor on March 11, 1937.

The names of the following officers, without title designation, are contained on the face of the above charter:

JAMES LOGAN
CHARLES JONES
ALEX JOENSON
PAUL J. DORFMAN
CHARLES STRICKLAND
ALBERT BRYANT
R. D. BUCHANAN.

PAUL DORFMAN

She does not know the whereabouts of any of the above listed individuals with the exception of DORFMAN and BUCHANAN. The latter is presently employed by the Sangamon Paper Company, 1613 West 15th Street, Chicago, Illinois. However, she does not believe that BUCHANAN knew JACK RUBY.

She explained that on February 21, 1961, Local 20467 became affiliated with the International Union of the United Transport Service Employees, AFL-CIO, Chicago, and a third charter was issued Local 20467 on that date.

ILL.
She recalled JACK RUBY as an organizer for Local 20467 along with JOE MEDILL in about 1939. There are no records available on any of these early employees, and if any do exist, they would be at the AFL-CIO Chicago office of Mr. JOHN L. YANCY. She recalls that these records were turned over to Mr. JOE BRIEDEL of the AFL-CIO office about five years ago, but that Mr. BRIEDEL is deceased.

She recalls how RUBY and MEDILL would come into the office once a week at about 4 o'clock in the afternoon to turn in their cash and make reports. This would be just at about the time she was leaving the office and, therefore, she never got to know RUBY or MEDILL very well. She believes that RUBY was an organizer for about a year, and she never did learn why he left Local 20467. As she recalls it now, RUBY and MEDILL just disappeared for unknown reasons. She further recalls the talk in the office at the time was that JOE MEDILL was the name of a west side boxer, and there was speculation in the office that the individual who was working with RUBY as an organizer was using the name of JOE MEDILL as an alias. She has no idea where MEDILL is today, and she never heard of him after he and RUBY left the union. She suggested that perhaps RUBY might know MEDILL's present whereabouts.

Mrs. WALSH explained that she is the only old-time employee left at Local 20467. At about the time RUBY was there, the membership totaled an estimated 300 to 400 members. There were no business agents, just the two organizers, RUBY and MEDILL. The members of the union were employed by contractors handling rags, scrap and paper.

She can recall nothing concerning the reputation of RUBY except to say that she heard nothing adverse about him. RUBY seemed to her at that time to be a very normal person. Both RUBY and MEDILL were in their mid-20's at

3

that time. She only recalls one strike involving Local 20467, and she believes that was during the time when PAUL DORFMAN was the Secretary-Treasurer. She does not believe that RUBY was with Local 20467 at the same time that DORFMAN was associated with it but rather, that LEON COOK, deceased, was the Secretary-Treasurer when RUBY was there, which she believes was in about 1939.

Mrs. WALSH identified the following individuals, in addition to COOK, as possibly being the officers of Local 20467 at the time RUBY was employed there:

JACK MARTIN, President
(deceased)

HARRY YOUNG, who is still a
member of Local 20467.

When she first went to work for the union, it was located at 188 West Randolph Street, Chicago, in the year 1939. Shortly after she commenced her employment, the union moved to offices at 3159 West Roosevelt Road, Chicago, also in that same year, 1939. Subsequently, the union moved to 130 North Wells Street, Chicago, year unrecalled, where it remained until April, 1958, at which time the union moved to its present address at 72 East 11th Street, Chicago.

Date June 12, 19641HARRY H. YOUNG

HARRY H. YOUNG, Assistant Foreman, Lissner Paper Grading Company, 1050 North Branch Street, Chicago, Illinois, furnished the following information:

He did not join the Waste Material Handlers Union, Local 20467, until PAUL DORFMAN became an officer in the union in about 1941. He never met or saw JACK RUBY, and he never saw or knew of a JOE MEDILL.

Sometime after the assassination of President JOHN F. KENNEDY in November, 1963, he believes he participated in a conversation with JEROME SNYDER, who is the owner of Huron Paper Stock Company, 2534 West Fulton Street, Chicago, Illinois, and AUSTIN SULLIVAN, a fellow employee at the Lissner Paper Grading Company, at which time he understood SNYDER to recall the following incident:

About 25 years ago, JACK RUBY was attempting to organize the employees of the Lissner Paper Grading Company at their plant at 1801 North Leavitt Street, Chicago, Illinois. LEON COOK was with RUBY and an argument developed as the result of which RUBY pulled a gun.

Other than the above, he never had any association with RUBY and did not know him by reputation. He does not know the whereabouts of any of the former officers of Local 20467, listed below:

JAMES LOGAN
CHARLES JONES

PAUL J. DORFMAN

JEROME SNYDER, Owner of the Huron Paper Stock Company, 2534 West Fulton Street, Chicago, Illinois, advised as follows:

He recalls JACK RUBY as an organizer for the Scrap Iron and Junk Handlers Union, Local 20467, about 25 years ago, and he believes that RUBY worked for Local 20467 with another individual, "possibly" his (RUBY's) brother. At the time he, SNYDER, was employed by the Lissner Paper Grading Company at 1801 North Leavitt Street, Chicago. RUBY did make an effort to organize the employees there on one occasion. At no time did RUBY engage in any type of violence, to his knowledge, and RUBY never pulled a gun on anyone, to his knowledge. Furthermore, he has never made a statement to anyone to the effect that RUBY pulled a gun on someone. He has not had a conversation with HARRY YOUNG or AUSTIN SULLIVAN concerning RUBY.

He does not know the whereabouts of any of the former officers of Local 20467 who held their jobs when RUBY was employed by that Union. He never heard of a JOE MEDILL. At the time RUBY was connected with Local 20467, the union had a good reputation, as far as he can now recall.

AUSTIN SULLIVAN, Assistant Foreman, Lissner Paper Grading Company, 1050 North Branch Street, Chicago, advised that he has been employed by the above company since 1930. He joined the union in about 1937, and he specifically recalls that HARRY YOUNG, also still employed by the Lissner Paper Grading Company, was the union steward at the time. He believes the union had a good reputation in 1942 and prior to that time.

He never knew JACK RUBY, and he does not know the whereabouts of any of the former officers of the union, listed below. He never heard of JOE MEDILL:

JAMES LOGAN
CHARLES JONES

PAUL J. DORFMAN

SULLIVAN specifically denied having had a conversation with JEROME SNYDER of the Huron Paper Stock Company, and he never heard any story to the effect that RUBY had pulled a gun on anyone. He does not know a JOE MEDILL, or of anyone by a similar name ever being connected with the Waste Material Handlers Union, Local 20467.

Although RUBY just sat there during the conversation, he nevertheless left him with the impression that he was sort of "nutty" at the time. He could furnish no further basis for this impression. Mrs. GLADYS M. WALSH, Insurance Administrator, Local 20467, Waste Material Handlers Union, 72 East 11th Street, furnished the following information:

She made available a minute book of Local 20467 then known as the Scrap Iron and Junk Handlers Union, for the period February 2, 1940, through June 3, 1954. Mrs. WALSH noted that after having made an examination of the minutes, which are in her handwriting and which are signed by her as GLADYS M. WALSH, that the only mention in these original minutes of the presence of JACK RUBY is in the meeting of February 2, 1940. In these minutes she noted that Mr. JACK RUBENSTEIN, whom she knows also as JACK RUBY, was present.

Mrs. WALSH stated that beginning with this meeting of February 2, 1940, she now recalls this as the first meeting in which she took the minutes, which was at the request of JOE BRIEGEL who had been appointed to run the union by the AFL-CIO. She does not know of the existence of any union minutes prior to February 2, 1940. She noted in the minutes of this meeting that in addition to JACK RUBENSTEIN and JOE BRIEGEL, those present included PAUL DORFMAN, who is listed as "Sec-Treas." Members of the Executive Committee present included Miss NETTIE JOHNSON, Mr. ALF JOHNSON, R. D. BUCHANAN, CLARENCE BROWN, and JAMES LOGAN. A Miss MOZEL ELLIS was also in attendance.) ILL.

Mrs. WALSH noted that from a review of the minutes she did not notice the name JOE MEDILL, whom she previously described as an organizer along with RUBY, as having been in attendance at these meetings. Mrs. WALSH suggested that perhaps MEDILL used another name in conducting his union business, but that was the only name by which she knew him and she is still unable to furnish any additional information as to his whereabouts or by what other name he may have been known.
