By letter dated August 25, 1964, the President's Commission on the Assassination of President Kennedy requested that one "Johnnie" (Last Name Unknown), an employee in November, 1963, of a parking garage near the corner of Jackson and Field Streets, in Dallas, Texas, be located and interviewed regarding a conversation on Saturday morning, November 23, 1963, between Harry Olsen, his wife, and Jack Ruby.

Attached are the results of the interview of John J. Simpson, Jr., Hurst, Texas, who is known as "Johnny", and who on Saturday morning, November 23, 1963, was employed at Simon's Garage, 1300 Jackson, corner of Field Street, Dallas, Texas.

21 JAN 3 1973

Date September 1, 19641

JOHN J. SIMPSON, JR., advised he resides with his sister, Mrs. GRADY AILES, at 731 Norwood Drive, Hurst, Texas, and is currently employed as a service station attendant at the Gulf Service Station located at the corner of Pipe Line Road and Harrison Lane, Hurst, Texas.

SIMPSON advised that he is commonly known by the nickname of "JOHNNY". He stated that from late Friday night, November 22, 1963, until 6:00 a.m., Saturday morning, November 23, 1963, he was employed as the night parking attendant at Simon's Garage, 1300 Jackson, Dallas, Texas.

He recalls that around 1:00 a.m., Saturday morning, November 23, 1963, a Dallas police officer named OLSEN (whom SIMPSON believes is no longer employed as a Dallas police officer) came to Simon's Garage and got his car. OLSEN then pulled up to the garage exit to wait for his girl friend, name unknown, who was working as a dancer at JACK RUBY's night club, located just one block away on Commerce Street. When the girl friend came and got into OLSEN's car, they started to drive off, but the girl apparently saw JACK RUBY walking down the street and she yelled a greeting to him. RUBY called back, and OLSEN stopped his car when RUBY came up to the car to talk to OLSEN and the girl.

SIMPSON stated that RUBY, the girl, and OLSEN must have conversed at least an hour and possibly longer at this time by the garage.

SIMPSON stated he did not take part in any of the conversation and does not know what the three talked about. He does recall having overheard RUBY remark that he had been to police headquarters that same night and had taken coffee and eats to the police officers. SIMPSON stated he knows JACK RUBY

by sight but is not a personal friend of RUBY'S. He knew OLSEN as a member of the Dallas Police Department, and he recognized the girl with OLSEN as one of the dancers at RUBY'S night club, but SIMPSON stated he was not a close friend of any of the three individuals. He would have had no reason to listen to or to partake in their private conversations.

He said that he went to the Carousel Club on the night of 11/10/63 where he saw a person whom he thought resembled Oswald. The Commission furnished certain photographs which were taken in the Carousel Club during early November, 1963, by photographer Eddie Rocco and requests that we exhibit these photographs to Wade to determine if he can identify Larry Crafard who worked for Ruby or other patrons who appeared in the photographs as the person he thought resembled Oswald. The photographs were exhibited to Wade and he did not identify any person in the photographs as the person he thought resembled Oswald.

The President's Commission on the Assassination of President Kennedy by letter dated August 25, 1964, requested that Mr. George Senator be interviewed in reference to his activities during the morning of November 24, 1963, at Dallas, Texas.

The following are the results of the interview with George Senator.

COPIES DESTROYED.

ENCLOSURE

Date 8/23/64

GEORGE SENATOR advised that he presently resides at the Bristol Hotel, Room 1211, 129 West 48th Street, New York, New York. He also advised that he is employed as a cashier at the Mr. Kiska Delicatessen, 150 West 49th Street, New York, New York.

SENATOR gave the following account of his activities during the morning of November 24, 1963:

I arose around 8:00 a.m. and made myself a cup of coffee. RUBY got up later and made himself two eggs and coffee, however, I did not eat.

RUBY left the apartment around 10:30 a.m. alone. RUBY, while in the apartment, was mumbling to himself, and when I asked him what he was saying he replied nothing. RUBY never mentioned anything about killing OSWALD.

I did not make a phone call to WILLIAM DOWNEY on this day and I never recall ever offering to make breakfast for DOWNEY or his wife at their apartment. DOWNEY is a traveling salesman and a very heavy drinker, and when drinking he does a lot of talking and exaggerates a great deal.

When I left Dallas, Texas, DOWNEY and I were not on speaking terms.

On the morning of November 24, 1963, I left the apartment around 11:00 or 11:30 a.m. and went to the "Eat Well Restaurant" on Main Street for breakfast. While I was in the restaurant one of the waitresses told me that she had just heard on the radio that OSWALD had been shot by an unknown man. I immediately called my friend JIM MARTIN, who is an attorney, to tell him the news. JIM's daughter answered the phone and told me he was at church and would be home soon.

Shortly thereafter the radio announced that RUBY had shot OSWALD. I immediately went to JIM MARTIN's home, and when I arrived there he told me he had just seen the shooting on television. At this time both MARTIN and myself went to the court house where I remained all day.

George Senator was a close friend and the roommate of Ruby's at the time of the assassination and Ruby's shooting of Oswald. The Commission indicates that Ruby in his interview on June 7, 1964, indicated that he made up his mind to shoot Oswald at 9:15 that morning. Senator was at the apartment when Ruby left to go to the Western Union Office and one William Downey has reported that Senator called him to come over to his house for breakfast shortly before the shooting. The Commission desires reinterview of Senator to determine if Ruby expressed any indication that he was going to shoot Oswald prior to leaving the apartment and to determine why Senator called Downey. Senator says Ruby didn't say anything about killing Oswald and that he, Senator, did not call Downey that morning.

Dear Sir:

I am taking the liberty of writing to you in regards to the book, Don Dare Call it Treason. To me this is an unAmerican activity. These books are being distributed in My Neighborhood at no cost. Could you tell me if anything is being done to curb this form of propoganda. Is there anything I can do. I have been Americanism ch. in the American Leg Aux in New Jersey for 15 yrs. Naturally I am very upset and cannot believe all that is in that book

I have also been concerned about Ruby, in the Kennedy case. Is it not possible that he was the one that tried to assassinate Ex Pres Roosevelt in Chicago When Cermac was shot by mistake. I have not seen anything in the paper's along these lines. I understand this case has not been closed as yet. Sincerely hope the evidence can be found to prove he killed Oswald for a reason.

SUBJECT: JACK L. RUBY

ASAC Karl L. Browne, Newark Office, telephonically advised that one Joseph Edward Evans had filed a suit in the U. S. District Court, Newark, New Jersey, praying for a restraining order against FBI Director John Edgar Hoover, Attorney General Robert F. Kennedy, and others, to prevent their conspiring against his personal and property rights. Evans states that he went to Dallas, Texas, after the shooting of Oswald by Ruby and offered to defend Ruby or Negroes as an attorney. He alleges that since that time he has been constantly jostled on the streets and under surveillance wherever he goes.

ASAC Browne stated that subpoenas had been issued by the District Court for the Director and the Attorney General and others named, which will be forwarded to the U. S. Marshal, District of Columbia, for service.

The Newark files contain references to Evans which reflect that he is possibly identical to an Evans who is known to have attended Yale Law School and who has a history of mental instability. Bureau files reflect that we conducted an investigation of him at the request of the Department of Justice during 1957. He was at that time an applicant for attorney in the Tax Division. This investigation developed information indicating that Evans was alleged to be a paranoid and in need of psychiatric treatment. A former landlady considered him to be an egomaniac and possibly mentally unbalanced. A former employer in Texas felt that Evans was in urgent need of psychiatric treatment. Another attorney by whom Evans was employed also indicated that he considered Evans to be mentally unbalanced. No information concerning Evans can be located in connection with the Ruby and assassination investigation.

Ruby, when interviewed by the Commission on 6/7/64, stated that he met the Olsen's on the street on the early morning of 11/23/63 and had a discussion about the assassination with them. We have interviewed both of the Olsen's and they have testified before the Commission. The Commission requested that we obtain all existing toll records relating to the Olsen's, both in Dallas and at their present residence in California. The telephone companies are usually required to maintain such records for a period of six months. CARL P. HANSSON, 1230 Ridgeway Drive, interviewed at his residence, advised he was formerly Chief of Police, Dallas, Texas, until early January 1960. He was the Chief of Police at Dallas during the pertinent periods of 1947 and 1950.

HANSSON stated that during the time he was Chief of Police he was well informed on the investigation regarding PAUL ROWLAND JONES. He also stated that he is well acquainted with the part former Dallas County Sheriff STEVE GUTHRIE and Police Lieutenant GEORGE BUTLER took in the JONES investigation. (T...)

HANSSON stated he does not know the present whereabouts of transcriptions of the phonograph records taken of the various interviews between JONES, GUTHRIE and BUTLER. However, he did note that during the course of the JONES investigation, he had on several occasions read these transcripts and does not recall the name of JACK RUBY ever being mentioned. HANSSON stated he positively does not think that the name of JACK RUBY ever came up in the recorded interviews of JONES by GUTHRIE and BUTLER.

HANSSON noted he does not have a good opinion at all of STEVE GUTHRIE and would not place any confidence in any statement by GUTHRIE to the effect that JONES had mentioned the name of JACK RUBY during the interviews.

Regarding the reported return of the transcriptions of the phonograph records to the Dallas Police Department on December 2, 1950, from the Clerk of the Court of Criminal Appeals, State of Texas, Austin, Texas, HANSSON advised this would have been a routine matter and he would surmise the transcriptions were indeed returned at that time to the Dallas Police Department, but he nevertheless does not recall the specific incident.

Assistant Chief of Police GEORGE L. LUMPKIN, Administrative Division, Dallas Police Department, was interviewed in his office regarding the possible location of a transcript of the original recordings taken by the Dallas Police Department in connection with other local law enforcement agencies during the period 1946-1948 in their joint investigation concerning PAUL ROWLAND JONES.

LUMPKIN advised that inasmuch as the investigation was many years ago and the matter regarding JONES has been handled in the courts, he would assume that any such old records have been long since destroyed.

However, LUMPKIN stated on August 6, 1964, that he would have his Records Bureau conduct a thorough search to try and locate the pertinent phonographs and/or their transcriptions.

LUMPKIN subsequently advised on August 10, 1964, that a search by his Records Bureau regarding instant matter was unproductive.

FEDERAL BUREAU OF INVESTIGATION

Date August 13, 1964

Lieutenant GEORGE E. BUTLER was interviewed in his office located in the Juvenile Bureau at the Police Department, Dallas, Texas.

Lieutenant BUTLER advised on August 6, 1963, in regard to the present whereabouts of phonograph records and/or transcriptions of recordings made by former Dallas County Sheriff STEVE GUTHRIE and himself in connection with their departments' joint investigation of PAUL ROWLAND JONES around 1946 - 1948, he did not believe either the recordings or their written transcriptions were still in existence.

Lieutenant BUTLER stated that when he picked up the recordings from the Clerk of the Court of Criminal Appeals, State of Texas, Austin, Texas, reportedly in December, 1950, in behalf of former Dallas Chief of Police CARL F. HANSSON, he believes it was to deliver the recordings to the Kefauver Committee then holding sessions in Chicago, Illinois.

Lieutenant BUTLER stated he took the recordings to the Kefauver Hearings in Chicago, Illinois.

He noted he would make a search of his "personal" records at his home (6447 Velasco Avenue, Dallas, Texas) to see if he could locate any copy of the transcript of these recordings.

On August 11, 1964, Lieutenant BUTLER advised he had located the original recordings, consisting of twenty-two (22) discs, at his home, but could find no written transcriptions of same or an index.

He stated that when he located the recordings at his home, he noted that they were still packaged in the original, unopened container by which they were returned to him in 1960 from the McClellan Committee.

Date dictated 8/11/64

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

BUTLER stated that he now remembers that he had loaned the recordings to the McClellan Committee for their use sometime in late 1959 or early 1960.

It was noted that the package by which these twenty-two records were returned to Lieutenant BUTLER had never been opened and had been sent by "Registered Mail - Return Receipt Requested" on March 17, 1960, from the office of Senator McClellan to Lieutenant GEORGE BUTLER, Dallas Police Department, Dallas, Texas. The Post Office stamp on the outside of the package indicated that the package had arrived in Dallas, Texas, on March 21, 1960. The package bore Registr. Number 220346.

Upon opening the package in the interviewing Agent's presence, it was noted to contain twenty-two records, which Lieutenant BUTLER described as the recordings taken by former Dallas County Sheriff STEVE GUTHRIE and himself in their joint investigation in regard to the joint intelligence investigation of PAUL ROWLAND JONES around 1946 - 1948, the exact dates of which he does not now recall.

Lieutenant BUTLER stated he has retained these twenty-two recordings in his "personal" possession and intends to continue to do so in order to be sure of their whereabouts at all times.

He advised that if the President's Commission desires to personally review the recordings, the Commission should contact him "personally" and not through anyone else at the Dallas Police Department.

BUTLER stated that he had no objection whatsoever to the Federal Bureau of Investigation or the President's Commission taping these twenty-two records or making written transcriptions of them for official use.

Lieutenant BUTLER stated he has not listened to these records for years and cannot positively state whether or not the name of JACK L. RUBY is mentioned in any of the records. However, he stated to the best of his recollection, he does not believe that the name of JACK L. RUBY is mentioned in any of the recordings.

Regarding previous written transcripts and/or an index of names mentioned in any of the records, Lieutenant BUTLER stated that while transcripts had been made years ago, he does not know of their present location or even if they still exist. Concerning any index, Lieutenant BUTLER stated he believes the discs may have been indexed years ago, but he does not know of the present whereabouts or even of the present existence of such an index.

BUTLER added it is entirely possible that the McClellan Committee may have transcribed the contents of these twenty-two recordings for their records.

Date August 19, 19641

On August 17, 1964, the twenty-two recordings pertaining to the transcriptions made of the four meetings between former Dallas County Sheriff STEVE GUTHRIE, GEORGE E. BUTLER and PAUL ROWLAND JONES during November and December, 1946, were returned personally to Lieutenant GEORGE E. BUTLER, Juvenile Division, Dallas Police Department. Lieutenant BUTLER stated that he does not know where or what might have happened to recordings # 8 and # 17 of the "first meeting" between JONES, GUTHRIE and himself on November 1, 1946. BUTLER stated these twenty-two recordings, which he had furnished to the FBI on August 11, 1964, were all of the recordings which had been returned to him by the Mc Clellan Committee in 1960. BUTLER stated that he does not recall any questions in the past regarding the absence of any specific records pertaining to the interviews between GUTHRIE, JONES and himself in 1946. He stated that he does not know at this time whether the "missing record" might possibly be an error in transcribing numbers some years ago or whether such a record actually existed at one time.

Lieutenant BUTLER noted that all of these twenty-two recordings were made during four separate meetings in November and December, 1946, between JONES, GUTHRIE and himself in the home of former Dallas County Sheriff STEVE GUTHRIE. He stated that these records are the original recordings of these transcribed accounts of the four meetings.

The twenty-two recordings made available for review by the Federal Bureau of Investigation, with the permission of Lieutenant GEORGE E. BUTLER, Juvenile Division, Police Department, Dallas, Texas, were monitored on August 14, 1964, in the Dallas Office of the Federal Bureau of Investigation by Special Agent RICHARD J. BURNETT.

It is noted that at no time on any of the twenty-two recordings was the name of "JACK L. RUBY" or "RUBY" mentioned. The records furnished by Lieutenant BUTLER were twenty-two in number. They are marked and identified as follows:

1. Recordings #1 through #19, inclusive, were recorded on November 1-2, 1966, between the hours of 8:00 p.m. and 2 a.m. The conversations recorded thereon were between STEVE GUNHRIE, GEORGE BUTLER and PAUL ROWLAND JONES. They are described as the "first meeting".

It is noted that recordings #8 and #17 which would be on the same record, but opposite sides, are missing.

2. Recordings #20 through #28, recorded between 3:10 p.m. and 6:00 p.m. on November 6, 1964, were recordings of conversations between STEVE GUNHRIE, GEORGE BUTLER, PAUL ROWLAND JONES, and a fourth individual named as "KRAFF". These records pertain to the second meeting of GUNHRIE, BUTLER and JONES.

3. Recordings #29 through #37 were recorded between 8:40 a.m. and 11:40 a.m., on November 7, 1966. The persons involved in these recordings are STEVE GUNHRIE, GEORGE BUTLER, PAUL ROWLAND JONES, "KRAFF", and a fifth individual called "MARTIN". These records are referred to as the "third meeting".

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

4. Recordings #38 through #42 were recorded on December 13, 1946 (time not indicated), between STEVE GUTHRIE, GEORGE BUTLER and PAUL ROWLAND JONES. These recordings are described as the "fourth meeting".

While the names of JACK L. RUBY or RUBY were not noted to have been mentioned in these recordings, of particular significance might be comments made on recordings #9 and #18 made at the "first meeting" between GUTHRIE, BUTLER and JONES on November 1-2, 1946.

During the conversation between JONES, GUTHRIE and BUTLER regarding the setting up of a gambling joint in the Dallas area by an outside group, JONES mentioned to GUTHRIE, who was then a Sheriff-elect and not as of that time officially in office, that he wanted GUTHRIE to choose his own man to operate the proposed gambling joint in Dallas and JONES stated "You pick the man," and JONES continued, "I'm going to train the man you pick." GUTHRIE stated that he would send in only one man from the outside to be connected with this gambling venture, and this would be a "crap shooter". JONES emphasized that "It's got to be local." JONES in describing the individual (the crap shooter), who he would bring in from the outside, stated that he looks like a preacher, "not a Dago, not a Jew".

On August 17, 1964, Mr. ALPHONSE F. CALABRESE, Assistant Counsel, Senate Permanent Subcommittee on Investigations, Senate Office Building, Washington, D. C., made available to Special Agent RICHARD W. KAISER for examination, the following records of that committee:

A forty-eight page transcript of twenty-two phonographic recordings obtained by the committee from Lieutenant GEORGE BUTLER, Dallas Police Department. BUTLER, undercover for the Dallas Police Department, recorded conversations in connection with the Dallas Crime Investigation from 1946 to 1948. ~~Mrs. EVA GRANT~~ *EVA GRANT* 3929 Rawlins, Apartment I, Dallas, Texas, was interviewed to determine the identity of the delivery boy from Gibson's Record Store, Dallas, who reportedly had seen JACK RUBY crying on Friday afternoon, November 22, 1963.

Mrs. GRANT telephonically advised she did not know the identity of this person and had never seen or talked with him. She said she learned of the incident through conversations with JACK RUBY and that RUBY had been unable to identify the delivery boy.

Mrs. GRANT suggested that ROBERT DENSON, a private investigator hired by the family, had made some inquiries regarding this matter and might have determined the identity of the delivery boy.

Mr. ROBERT B. DENSON, 8171 Hunnicut, Dallas, Texas, was contacted to determine the identity of the Gibson's Record Store delivery boy who, according to EVA GRANT, had seen JACK RUBY crying on Friday afternoon, November 22, 1963. Mr. DENSON is a private investigator who had been employed by the family of JACK RUBY to conduct certain investigations.

Mr. DENSON recalled the reported episode and advised that he had made inquiries at the Gibson's Record Store to identify the delivery boy. He said that conversations with employees of that company had developed that the person involved was GERALD COLLINS, but that COLLINS had terminated his employment with that company and had moved to Indianola, Oklahoma. He did not have an address for COLLINS in Indianola, but advised it is a very small town and COLLINS would probably be known there. He said, however, he had not interviewed COLLINS because the RUBY family had not believed his interview important enough to justify the expense of contacting him in Oklahoma.
