Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Pennsylvania Ave. & 9th St. N. W.
Washington, D. C. 20535

Dear Mr. Hoover:

An examination of the Commission's files does not reveal that a complete check has been made of long distance telephone calls from Fort Worth, Texas, number Jefferson 4-8525 for November 22, 23 and 24, 1963. That number was listed to Mr. Bruce Ray Carlin.

The Commission would appreciate your examining your own files and providing such report if it is available or conducting such further investigation as may be necessary.

Sincerely

J. Lee Rankin
General Counsel

Enclosed herewith are two copies of a letter from the President's Commission dated 9/4/64 requesting that a check be made of long-distance telephone calls from the telephone listed to Bruce Ray Carlin for the period 11/22/63 and 24/63.

You will note that the Commission by letter dated March 2, 1964, requested a check of phone calls from his telephone, Jefferson 4-8525, for the period 9/26/63 to 11/22/63. This check was made and the results furnished to the Commission by report of SA Manning C. Clements at Dallas dated 3/28/64. It is possible that the check for the three days requested has also been made but results of this check cannot readily be located in Bureau files.

Upon receipt check your files to determine if such a check has been made and, if so, advise identity of communication setting forth the results. If not previously checked, promptly make appropriate check for the period requested and submit results by letterhead memorandum suitable for dissemination to the President's Commission.

NOTE:

The Commission by letter 3/2/64 requested a check of toll records for telephones listed to Ruby, all of his relatives, Carlin and a number of other associates of Ruby for the period 9/26/63, which is the date on which President Kennedy's trip to Dallas was publicly announced, and 11/22/63, the date of the assassination. This was done and results submitted. At other times the Commission has requested a telephone check of Ruby and certain associates for the period 11/22/63 and 24/63 and subsequent periods in some instances, however, it does not appear from review of Commission's request that they have made this specific request before re Carlin. Carlin is the common law husband of Karen Eennett, the stripper employed by Ruby to whom he sent the money order on the morning of 11/24/63.

NOTE FOR SAC, DALLAS:

ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
11-22-63, DALLAS, TEXAS
MISC. - INFO CONCERNING

ReNYairtel dated 9/3/64 enclosing copies of the above referred to newspaper articles. One copy of New York's airtel and the enclosed articles are furnished for your information. Subsequent reporting of this material is not desired.

NOTE: Lane is the New York attorney who injected himself into the Oswald case through the "National Guardian" newspaper. Lane has been married often, has engaged in [redacted] and is known to be associated with communist dominated organizations. He has been making speeches around the country and particularly in New York endeavoring to prove that Oswald was innocent. His material is based on malicious half truths and theories. The article by Kilgallen relates to a thoroughly investigated allegation made by Lane in his testimony before the President's Commission that a meeting took place at Jack Ruby's Carousel Club on 11/14/63 between Bernard Weissman, officer J. D. Tippit and Ruby. Weissman placed the controversial full page ad in the Dallas newspaper prior to President Kennedy's visit. Tippit was shot and killed by Oswald. We have investigated this allegation in the past and no proof of such meeting was developed. The Kilgallen article rehashes this allegation and adds a new dimension in that a fourth individual allegedly attended this meeting at the Carousel Club who is identified by Kilgallen as a "rich oil man." The article by Hathaway briefly discusses Lane's continuing lectures on the assassination and their effect on the general public. Hathaway claims Lane speaks with logic and many people come away believing his theories. We have furnished the Commission numerous items relating to Lane's speeches, newspaper articles and the like. It is not felt any additional investigation is warranted.

Re Bureau airtel to Dallas and New York, 9/4/64, enclosing a copy of President's Commission letter, 9/3/64, requesting display of six Commission photographs to designated individuals and the obtaining of a photograph of LEE HARVEY OSWALD as appearing on page A-25 of the 11/25/63, issue of the "Dallas Morning News".

Enclosed herewith are ten copies of a letterhead memorandum incorporating the results of the requested investigation.

By routing slip, the six photographs were sent AMSD on 9/5/64, to the New York Office for their use in displaying the photographs to GEORGE SENATOR mentioned in referenced Commission letter, (per Dallas and Bureau teletypes of 9/5/64).

Inquiry at the "Dallas Morning News" on 9/6/64, noted that their newspapers are numbered by numerical sections and not by alphabetical lettering. Review of the 11/25/63, issue of the "Dallas Morning News" fails to disclose a page "A-25" or a page "1-25". However, the 11/25/63, issue of the "Dallas Times Herald" has a page "A-25", which is composed of four photographs, including one in the upper left corner of LEE HARVEY OSWALD being led by two individuals. By teletype dated 9/7/64, the Bureau was requested to contact the President's Commission to determine if the latter is the photograph which they requested.
