Director, FBI

ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY

A highly critical full-page ad costing \$1,465 appeared in the "Dallas Morning News" on the morning of November 22, 1963, entitled "Welcome Mr. Kennedy to Dallas." This ad was signed by the American Fact Finding Committee, Bernard Weissman, Chairman, P. O. Box 1792, Dallas 21, Texas. This article brought great public indignation and prompted several newspaper articles as well as inquiry to this Bureau from Congressman Bernard F. Grabowski who described this ad as "vicious, cruel and one which employed the type of verbiage which tends to incite to hatred." This ad was in the form of a questionnaire to President Kennedy listing twelve questions concerning principally foreign policy matters.

An interview on December 2, 1963, with Larrie Henry Schmidt, who was born July 6, 1935, has revealed that this ad was prepared by Schmidt, a Dallas, Texas, insurance salesman, and by Joseph B. Grinnan, a Dallas independent oil man, who are both members of the John Birch Society. The money for this ad, according to Schmidt, was solicited by Grinnan from half a dozen prominent Dallas businessmen. Schmidt further advised that Bernard Weissman, the signer of the ad, is a friend of his whom he met while in the United States Army. It was decided to use Weissman's name on the ad for the purpose of countering charges of anti-Semitism which had been directed against the "conservatives." The American Fact Finding Committee was simply a name selected by Schmidt for use in the ad and he advised there is no such organization. Schmidt who described himself as a "conservative," felt no demonstration should be given to a President, but felt some type of activity should indicate disapproval of President Kennedy's policies. Schmidt denied any organization backed this ad. Schmidt has been identified as a close friend of Warren Carroll, a writer for "Lifetime," an enterprise controlled by H. L. Hunt. A wealthy Dallas oil man, [unclear] has been identified as a close friend of [unclear].

NOTE: Memo 12-6-63 Branigan to Sullivan entitled "Lee Harvey Oswald, IS - R," was prepared and forwarded and a teletype dated 12-7-63, was attached to this memo instructing seven offices to immediately discontinue.

1 - The Deputy Attorney General

Our investigation did not indicate any relationship between the placement of the above ad with Lee Harvey Oswald or Jack Ruby. No further investigation is being conducted in this matter.

An interview on December 5, 1963, of William Milton Burley, who was born July 17, 1935, indicated he and Weisman arrived in Dallas on November 2, 1963, and obtained local employment. Both served in the United States Army with Schmidt and were recently separated. He stated Weisman signed the ad because he and Burley would receive business support from Dallas businessmen if he did so. Burley advised subject matter from ad was taken from a brochure of the John Birch Society which listed approximately fifty questions and from these questions twelve were eventually chosen. Bernard Weisman, born on November 1, 1937, was interviewed on December 5, 1963, and substantiated the above information furnished by Schmidt. *TEXAS*

In connection with the exhibits which are too indistinct for adequate handwriting comparison, the original documents or a clear photograph thereof should be obtained and submitted. For your investigative assistance in this matter, some handwriting similarities were noted between the known writings of OSWALD and the endorsements on the warrants in GCR dated 8-9-63, 8-21-63, 8-3-63, 8-13-63, 8-23-63 and 10-1-63. Also, some handwriting similarities were noted between the known writings of OSWALD and the signature on LA Form 1B-2 dated 8-3-63 in GCR and LA Form 1B-2 dated 8-21-63.

~~CONFIDENTIAL~~

It appears from above information highly improbable that OSWALD could have traveled from Laredo, Texas, to Dallas, Texas, on 10/3/63, in time to appear personally at TIC, Dallas, that date to file claim for unemployment insurance.

Appropriate manifests of Trans-Texas Airlines, the only airline at Laredo with Dallas connections, being searched; thus far, no information developed that OSWALD flew from Laredo to Dallas on 10/3/63. Rand-Healy Chicago guide shows distance from Laredo, Texas, to Dallas, Texas, to be 426 miles.

A portion of OSWALD's TEC file (see enclosures) is Texas Employment Commission - Austin, Texas - B-4 form, reflecting that on 10/3/63, OSWALD filed a claim for unemployment compensation at Dallas, Texas. From information available, San Antonio Office, it is necessary for claimant to appear personally at TIC office when filing such a claim.

Mexican Immigration Officer CHAPA worked on 10/3/63, from midnight to 8:00 a.m. at Nuevo Laredo and checked OSWALD through Immigration there. CHAPA does not remember OSWALD.

Legat, Mexico has advised that OSWALD stayed at Del Comercio Hotel in Mexico City when he was there between 9/26/63 and 10/1 or 2/63. OSWALD checked out of this hotel on 10/1/63; however, paid for his room rent for the evening of 10/1/63. On 10/2/63, OSWALD took the La Frontera bus from Mexico City to Nuevo Laredo. This bus scheduled to leave Mexico City 9:00 a.m. and arrive Nuevo Laredo 7:00 a.m. following day. Therefore, if bus on which OSWALD traveled was on schedule, he would have left Mexico City 8:00 a.m., 10/2/63, and arrived at Nuevo Laredo, 7:00 a.m., 10/3/63.

~~CONFIDENTIAL~~

CONFIDENTIAL

Also three airlines employees flying from San Antonio to Dallas between 10:00 a.m. and 4:00 p.m.

On 11/29/63, check of Braniff and Trans-Texas Airlines; San Antonio, for 10/3/63, for passage of OSWALD under name or known aliases from San Antonio to Dallas. American Airline records maintained New York and teletype lead set forth for New York Office to check records.

OSWALD could have been taken from Laredo to San Antonio and then taken a plane from San Antonio to Dallas.

Following investigation conducted due to possibility

Attempt to determine through Texas Employment Commission, Dallas; if OSWALD appeared personally at that office on 10/3/63, and, if so, obtain all details.

AT DALLAS, TEXAS

DALLAS

- 1. Will compare various purported signatures of OSWALD in enclosures with each other to determine if written by same person.

UP TO THE TEXAS SCHOOL BOOK DEPOSITORY BUILDING, HE SAW A
MAN IN A WINDOW LOCATED NEAR THE CORNER OF THE FLOOR
BENEATH THE TOP FLOOR AND THE MAN OBSERVED IN THE WINDOW
HAD WHAT APPEARED TO BE A HEAVY RIFLE IN HIS HANDS. BRENNAN
COULD NOT DETERMINE WHETHER OR NOT THE RIFLE HAD A TELESCOPIC
SIGHT, BUT THE MAN IN THE WINDOW WAS PROTRUDING ABOUT HALF
OF THE RIFLE'S LENGTH OUTSIDE THE WINDOW. HE SAW THIS
PERSON TAKE DELIBERATE AIM AND, AFTER HAVING FIRED THE
THIRD SHOT, OBSERVED THIS PERSON TO PLACE THE BUTT OF THE
RIFLE ON THE FLOOR AND STEP SLIGHTLY BACK MOMENTARILY TO
OBSERVE THE SCENE WHICH WAS CREATED BELOW FROM THE FIRING
OF THE SHOTS. BRENNAN PICKED OSWALD FROM A POLICE LINEUP
