ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

RE: Federal Liquidators, Inc.

On January 7, 1964, [Mr. JOHN C. NEELY, Chief Investigator, Fraud Section, Violations Branch, Social Security Administration, 6401 Security Boulevard, Baltimore, Maryland, made available a copy of a letter which he had received from [redacted] who gave his return address as [redacted] Washington, D. C. The letter was dated December 23, 1963, and postmarked at 11:00 P.M. on December 25, 1963, Washington, D. C. It included the statement "The late President was killed by the same organization, Federal Liquidators, Inc., 307 account Bank of America, Los Angeles, California". Mr. NEELY stated he was also furnishing a copy of this letter to Secret Service.

[Mr. NEELY] stated that [redacted] had first come to his attention in May, 1963, when he had visited his office at the Social Security Administration and protested against a claim which he said his wife had filed for Social Security Benefits on the basis of [redacted] mental handicap. At that time he had displayed two pocketsful of pills in bottles which he claimed his wife was using to poison him or to put him asleep while she went out and sold her services to men on the street as a prostitute. He also claimed in illogical ravings that the AMA doctors were involved in the conspiracy to kill him. He did not mention the full name of the organization indicated by the initials AMA. [redacted] mentioned that his wife thought him to be crazy and had him committed to a mental institution, that he had left the institution but she had brought him back.

ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

RE: Federal Liquidators, Inc.

On the occasion in May he did not mention anything about an organization allegedly called Federal Liquidators, Inc.

[Mr. NEELY] stated that it was apparent that [redacted] was mentally incompetent and had no basis for his wild claims.-- [redacted] had stopped at the Social Security Administration on one occasion since, when [Mr. NEELY] was not there. He had followed this visit with the letter addressed to [Mr. NEELY] in which he again made non specific references to alleged acts against him by his wife and doctors.

On November 7, 1962, a letter was addressed to the Baltimore Division, Federal Bureau of Investigation, by one [redacted] Maryland. [redacted] referred to a previous letter of his dated November 26, 1961, alleging income tax violation which had been referred to Internal Revenue Service, Baltimore, Maryland. He mentioned that he had been drugged by his wife and deceived into the University Hospital on January 21, 1962. He also mentioned correspondence with Social Security Administration concerning accounts [redacted] and [redacted]. He stated that he also had sent information to Secret Service. He enclosed carbon copies of twenty-four letters dated from October 22, 1962, to November 7, 1962. The letters were addressed to Internal Revenue Service, Parkersburg, West Virginia, Attorney General ROBERT KENNEDY, Editor of Washington Post, various doctors, a minister and others. These letters contained allegations that [redacted] wife in conspiracy with doctors and lawyers had drugged [redacted] inducing him to have a heart attack in June, 1960. They contained no indication of any violations within the jurisdiction of the Federal Bureau of Investigation.

On May 24, 1963, [redacted] Maryland, appeared at the Baltimore Office and claimed that his wife [redacted] who worked at the Women's Reformatory, Jessup, Maryland, was in conspiracy with doctors of University Hospital in drugging him. He stated he had been in two mental institutions.

ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

RE: Federal Liquidators, Inc.

In a letter postmarked at Rainelle, West Virginia, on ~~June~~ 22, 1963, [redacted] again referred to having taken drugs which he felt were injuring his health. He mentioned having been committed to Spring Grove and to having left an institution at Sykesville, Maryland, on [redacted]. He referred to this latter instance as a flight to avoid prosecution on two counts.

[redacted] Spring Grove State Hospital, Catonsville, Baltimore County, Maryland, advised on January 7, 1964, that [redacted] Maryland, had been admitted to Spring Grove State Hospital on March 22, 1962, on certificates of two physicians of University Hospital, Baltimore, Maryland, where he had been a patient since January 21, 1962, in the Psychiatric Institute. He was accompanied to Spring Grove by Baltimore City Police. He was not too willing to come but felt he should be transferred to the Veterans Administration Hospital.

[redacted] had been born [redacted] in [redacted]. [redacted] had received one year of college education, a course in accounting and part of a course in engineering. He had served in the United States Army from August 4, 1944, to May 4, 1946, and had serial numbers [redacted] and [redacted]. He was married on November 24, 1943, to [redacted] who was twenty years old at the time. He had three children, a daughter age seventeen and sons aged ten and seven. His occupation was that of auditor, accountant and civil engineer. In June, 1960, he had spent twenty-one days in St. Agnes Hospital, Baltimore, Maryland, with a heart attack which he now claimed had been caused by his wife [redacted] putting Doriden in his coffee.

At the time of his admission [redacted] was diagnosed as being preoccupied with paranoid delusional ideas, schizophrenic reaction, paranoid type.

On April 13, 1962, [redacted] told his wife he would cut his throat if she did not take him out of Spring Grove.

Hospital. On May 23, 1962, [REDACTED] wife visited the hospital and both he and she requested that he be released. It was explained to them that he needed continued psychiatric treatment but they both were insistent on his release. Since the patient was not overtly psychotic at that time and not considered a danger to himself or others, he was released. Final diagnosis of [REDACTED] was that of schizophrenic reaction, paranoid type.

[REDACTED] was described as follows:

advised that [REDACTED]

before Magistrate STYLES on a charge of assault on October 20, 1962, on [REDACTED]. Upon his admission his condition was diagnosed as schizophrenic reaction, paranoid type. [REDACTED] had made the statement that he beat up his wife because she wanted to make it appear he had a heart attack. [REDACTED] said he had a gun pointed against his wife for several hours to make her tell the truth and that he would have killed her and himself. He claimed that drugs had been given to him by his wife who had received these from four doctors who had in turn been paid to do this by his employer. [REDACTED] said the object was to destroy his memory because they wanted all the detailed figures he knew in accounting and engineering out of his head. He added that they had succeeded in part because he felt like there were thousands of red hot needles in his head. Twice in February, 1963, [REDACTED] ran away from the hospital but on February 18, 1963, he had called his wife from the Trailways - Bus Station in Washington, D. C., saying that he was going to take pills to commit suicide. On February 21 [REDACTED] wife went to the Salvation Army Home for Men, Washington, D. C., picked up [REDACTED] and brought him back to Springfield State Hospital. On March 6, 1963, [REDACTED] was diagnosed to have uncontrolled diabetes.

On [REDACTED] [REDACTED] eloped from Springfield State Hospital. On October 22, 1963, [REDACTED] wife advised the hospital that she had not seen [REDACTED] since he left the hospital but that he had called her many times from Pennsylvania, West Virginia, California, Indiana and other places telling her that people were threatening him. Since [REDACTED] had not returned within the specified ninety-day period, he was placed on discharge status by Springfield State Hospital. His diagnosis was that he is not mentally competent.

The following is the text of the letter mailed by [REDACTED] to [JOHN C. NEELY] on December 25, 1963:

"Searching for piece of Mine
December 23, 1963

Mr. JOHN M. NEELEY
Chief of Investigation of Fraud
Whores Benevolent Fund
Social Security Blvd.
Baltimore, Maryland

"Dear Sir:

"I was in your office early in May trying to give you a clean cut fraud case. After talking to me for a few minutes you left the room to see or make a call to find out if I was under the AMA murder route or planned parenthoods grip.

"Since that time I secured employment and have earned nearly \$3,000.00 as the social reports are going to support. But I doubt if the Gov't does anything about it so I have to upon the basis that the Gov't and I went into agreement in 1937 about setting money up in trust for my old age. Yes the laws are so written that it covers a mans wife and children which is a good thing. But it wasn't intended to cover a bunch of whores. As a certain group in our society has turned it into. Now man has a right to change his marriage status and lay claim to his sons because he does not wish to live with a big time whore who is a play thing for a group of wealthy people and their sons, and in spite of a group of murdering doctors who tried to kill me off. I have now been a cornary case, a dibetic case, maybe a veneral disease case and maybe a leprosy case according to the A.M.A. and I have proved every dam one a liar. I know one thing I was drugged and my emotions were destroyed which has caused a hell of a lot of headaches for some people. What happens to a lawyer where he misshandles a trust. He is convicted, so the whores benevolent fund or relief can be accused of doing the same thing. I don't think any other man realized or tried to test this before the supreme court. But it should

be made a example for the future because the pimps, whores and whore mongers are becoming to theck accross the country. What a system this country as developed. Murder excused by a doctor signature an a death certificate. Heart failure, over dosage of insulin, nicotinic acid, philicarpate, paretrate, sugrell. Gee medical science is brilliant. It has done some wonderful things in saving lives and it has done some evil things in putting men into mental institution and prisons. Medical science is supposed to save lives, instead of taking them and performing abortions and dispensing of drugs to wives to use on the husband and sons to put them to sleep so they can sneak out at 1:30 at night to whore all night. (Mr. NEELY) have you ever been up driving in a city at 4:30 to 6:00 A.M. and watch the whores return to their homes by the two's, I have in different cities across this country. I went further than that I got their names and the client they were servicing. Boy is a lot of husbands and wives in for a jolt.

"Where does it stop, who stops it as the city police are in on it up to their ears. The state of Maryland is running a call girl service and abortion racket out of its woman's reformatory at Jessup, Maryland. I was handed a rough time because I wouldn't change my mind and accept such a thing. Yes I know its been going on since the beginning of time but it isn't what God wanted. A system that is contrary to the ten comandments breaking each and every one. Planned Parenthood it is called. The catholics don't like it yet their men demand the service as well as other types of religion. The Late President was killed by the same organization, Federal Liquidators, Inc. 307 account Bank of America, Los Angles, California. This account is in every one of their Banks, all syndicated crime.

The following investigation was conducted by SA
ARTHUR J. SULLIVAN at Minneapolis, Minnesota:

HARLOW ROSS, proprietor, Ross and Haines, Inc.,
a bookstore at 413 South 4th Street, advised 1/8/64 that
approximately three-four weeks ago a man called him and
said he was sending some material to "Life" or "Time"
magazine and requested ROSS to be his literary agent at the
usual ten percent commission. He refused to identify himself
to ROSS and indicated he expected to have some of his
writings published.

He expressed a great interest in the Pythagoras
Numbers Formula and astrology generally.

He mentioned something to the effect that he could
have predicted President KENNEDY's assassination.

The unknown caller told ROSS that he could be
reached at Federal 5-1329 and to ask for the man in room 18.

He gave ROSS as references the Salvation Army Social Center in Tacoma, Washington, and mentioned that he was well known by Rev. SNOWDEN, the chaplain and the brigadier, a Mr. BERRENGER.

ROSS said the unknown caller telephoned him again approximately ten days later and said he might move and if so he would telephone him his new number.

ROSS said he had no idea who the man was but he did make a notation of the information he furnished. He said he sounded middle-aged, intelligent in a fashion, but left him with the impression he was a "crackpot."

[REDACTED] Northwestern Bell Telephone Company (Conceal Identity) advised SA DONALD E. WALLER 1/8/64 that telephone number Federal 5-1329 was listed to WILLIAM M. FRANKLIN, 1313 South 3rd Street, Minneapolis.

WILLIAM M. FRANKLIN, 1313 South 3rd Street, the owner and operator of a rooming house which might better be described as a "flop house", advised 1/9/64 that he recalled the former occupant of room 18 very well.

He said his name was EDWIN SHERMAN, an itinerant who rented the room for a period of two weeks, having claimed to have traveled from Tacoma, Washington, where he stayed at the Salvation Army. He left on Friday, 12/13/63, leaving no forwarding address but indicating he was going to travel around the country again.

FRANKLIN described SHERMAN as a self-styled writer who spent most of his time at the Minneapolis Public Library or in his room reading. He discussed politics, religion, and astrology with whomever he could find who would listen to him.

FRANKLIN said he recalled SHERMAN discussing President KENNEDY's assassination and that he claimed he could have predicted it from an astrology formula which he discovered years ago.

MP 82-9114

FRANKLIN said SHERMAN had no other employment other than odd jobs he did for him around the rooming house and he paid him \$3 a day whenever he worked.

FRANKLIN described him as white male, single, 5'10", 180 lbs., medium build, fair complexion, wore glasses occasionally, was dressed in workman's clothing and wore a cap with ear flaps always pulled down. FRANKLIN recalled that SHERMAN said he was 54 years of age and originally had lived on a farm somewhere in California.

It was FRANKLIN's opinion that SHERMAN was an intellectual eccentric and nonconformist, however, he did not view him as dangerous to any extent.

MARTIN MUMBLEAU who resides at 1313 South 3rd Street, advised on 1/9/64, that he conversed with EDWIN SHERMAN on a number of occasions and recalled him discussing astrology and the connection between astrology and President KENNEDY's death.

MUMBLEAU recalled that SHERMAN sent a night letter he thought, to Washington, D.C. and that it was supposed to be 4,000 words long. He said he did not know the subject of this letter except that it probably pertained to President KENNEDY's death and politics generally.

MUMBLEAU recalled that SHERMAN claimed he had gone to Texas following President KENNEDY's assassination and talked about his theory to the FBI there.

MUMBLEAU felt SHERMAN was a harmless individual but definitely eccentric. MUMBLEAU had no idea where SHERMAN could be located at the present time. His description of SHERMAN matched that given by FRANKLIN.

In view of the above information, no further investigation re SHERMAN is being conducted by the Minneapolis Division.

Minneapolis through its sources has tentatively identified the sender of the 12-12-63 communication as Edwin Sherman, an itinerant who has been described as a self-styled writer, intellectual, eccentric and nonconformist and a "crackpot." The 12-12-63 communication to the editor of Life contained a hodgepodge of unrelated and confusing ramblings and nothing of interest to the investigation was found. It is pointed out that Sherman is reported to have a great interest in the "Pythagoras Numbers Formula and astrology." In the communication Sherman alleges he could have predicted President Kennedy's assassination.

While it does not appear Sherman is a threat as such to the President, it is very likely he will communicate with the Secret Service in the future if he has not done so already. Since our investigative results are readily available, dissemination of this information to Secret Service could conceivably save them considerable investigative time and effort and would serve as a cooperative function with this agency. Therefore, above instructions have been issued. When the LHM is received, it will be disseminated to Secret Service.

ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY
DALLAS, TEXAS
NOVEMBER 22, 1963
ASSAULTING A FEDERAL OFFICER

Oscar Krutzner, 930 Elm Avenue, Grand Junction, Colorado, stated he is Vice-President of the Plumbers and Steam Fitters Union, Local No. 145, at Grand Junction, Colorado. He is also a representative on, and the Chairman of the Grand Junction Trades and Labor Council. He stated that he wished to emphasize that he had no definite information concerning the assassination of President Kennedy or concerning any group that may have participated in such assassination.

Krutzner exhibited a leaflet which was put out by the Republican Action Fund, 1625 Eye Street, Northwest, Washington 6, D.C., which pictured three empty rocking chairs entitled "His", "Bobby's", "Teddy's". This leaflet asked for contribution of \$10 "to the Kennedy retirement fund." The leaflet on the opposite side was headed up "The Time To Contribute Is Now." The first two paragraphs of the leaflet are set out as follows:

"Not that the Kennedys need money, or that they are fixing to retire voluntarily. They're not.

"But to blast them out of the White House, Justice Department, Senate, Peace Corps--and dozens of other federal agencies where the Kennedy kin have entrenched themselves--will take money." ...

CONFIDENTIAL

DEC 2 1972

Krutzner stated that in his opinion the phrase "blast them out" was treacherous and seditious. He stated that it was apparently a statement made by irresponsible people. He felt that this type of statement tended to encourage persons of extreme views to take actions that they might otherwise not take, and actions that might lead to the assassination of Presidents.

He stated that his wife had received this leaflet from an unknown source sometime during the early summer of 1963. He had no information concerning the assassination and again stated that he had no knowledge of anyone or any group that was in any way connected with the assassination.

Krutzner stated that he visited his brother Otto Krutzner at Las Vegas, New Mexico during September of 1963 at which time Otto Krutzner and he were engaged in heated discussions on politics. Otto claimed he was planning to support Senator Barry Goldwater and that he would contribute \$1,000 to Goldwater's campaign. During the conversation one evening, Otto Krutzner told Oscar Krutzner "You watch and see, someone is going to get that man (Kennedy) as he is careless in observing security precautions and people are fed up and disgusted with the Kennedy Administration."

Krutzner advised that his brother Otto Krutzner is approximately 57 or 58 years of age. Otto Krutzner owns and operates the Pepsi Cola Bottling Works at Las Vegas, New Mexico. He has one son-in-law by the name of Dash Nichols who works with him. Nichols is about 22 to 25 years of age. Nichols entered in on the discussion with Otto Krutzner and appeared to have approximately the same feeling toward Senator Barry Goldwater as Otto Krutzner did. Oscar Krutzner advised that as a result of their heated conversation during the first evening they arrived he stayed only for one day further and then proceeded on

to another location. He stated that his brother has one daughter by the name of Judy Krutzner who is taking nursing training in some hospital in Dallas, Texas. He advised that recently he had learned that Otto Krutzner was supposed to have been in Dallas on the date of the assassination of President Kennedy.

Oscar Krutzner advised that this information came to him through his sister Mrs. Harry Bahm (Hanna) who lives at 474 East Scenic Drive, Grand Junction, Colorado. She had talked to Otto Krutzner and his wife by telephone approximately Christmas, 1963. She later advised Oscar Krutzner's wife, who then informed Oscar about the fact that Otto was in Dallas, Texas. He does have business in Dallas in addition to going to see his daughter.

Oscar Krutzner advised that he has absolutely no feeling that his brother was in any way connected with any group except as a supporter of Senator Barry Goldwater. He further stated that he did not have any feeling in any way that his brother was connected with the assassination or with any group that would support an assassination. He requested that his brother not be notified concerning the source of any information concerning Oscar Krutzner.

Dear Mr. President;

You are doing a remarkably fine job as our President, and I feel certain that I speak the feelings of most loyal Texans in saying that we are so proud of the actions taken by you in assuming the Presidency under the circumstances. You can do so much to help overcome the stigma placed on our great State by showing the world that you are proud of your home State, and that the very first President from Texas can be a good and great President. Please join with me in making this a matter of genuine sincere prayer, for with God's help, you can do anything that is pleasing unto him. And as you are well aware, our great Nation is the only truly Christian Nation on the face of the earth, and I am sure, that as long as we remain a Christian Nation, God will bless us and keep us secure and in his favor. Although I preferred a Protestant for President, I voted for John F. Kennedy, and he did not disappoint us in this respect. But I feel much more favorably that we are in the will of God by having a Protestant as our President. We will continue to remember you in our prayers.

Mr. President, Dallas has been the target for so much unfair criticism since the unfortunate death of President Kennedy, that something must be done to stop this radical talking. You can do just that.

First, Dallas was blamed for this incident as a city, which is most unfair. Our Police Department has really been blamed for everything but the actual pulling of the trigger. But you know that the Dallas Police was without any power to do anything except to assist the FBI and the Secret Service. They took all of the authority out of the hands of our local authorities, yet our fine Police Dept. gets all of the criticism and blame.

Not one single person with authority or prestige has commended Chief Curry and the Dallas Police Department with the fact that they captured the suspect, Lee Oswald, within one hour and 15 minutes, and without the help of the FBI or the Secret Service. In doing so, one officer lost his life, and another officer just barely missed losing his life as Oswald pulled the trigger on a gun aimed at this officer. Only the quick action of another officer who grabbed Oswald's gun just as he pulled the trigger, prevented the gun from firing. I think the fact that the suspect was captured by the Dallas Police Department so quickly certainly deserves real commendation from someone. Can't you do that? We have a fine Chief Of Police, and an excellent Police Department, and they deserve some praise for their excellent job.

It seems to me that the FBI and Secret Service should share or take the blame for overlooking Oswald since they knew he was here and knowing he was not only a communist sympathizer but had defected to Russia and was married to a Russian girl. But all we hear is that they stated it was utterly impossible to protect the President from gunfire. They do not accept any of the blame, allowing the blame to fall on the Dallas Police Department completely.

And, when Oswald was shot by Jack Ruby, where was the FBI and Secret Service? With all of their protective know how, why were they absent?

I don't think the Dallas Police are to be blamed at all, and I feel strongly that your voice in this matter can help erase the stigma placed on Dallas, by your public commendation and praise for the fine work done by this Department in their quick action and daring efforts to apprehend Oswald. Can't you do this for this great State, this fine City and especially for Chief Curry and his excellent Police Department. Can't you cite this fine group for service above and beyond the call of duty? Then, you will find out how many Democrats there are in Dallas. And the ones who voted Republican will respect your actions.

And speaking of Party affiliations, I have been giving serious thoughts to the future of the Democratic Party. With you at the helm, it looks excellent and I will shortly send you a plan I have in mind for the future advancement of our fin party. This will take some time, but I think you will like the plan. It is too lengthy to go into it now.

Right now, I am so concerned about the blight cast on Dallas and our Police Department that I hope and pray that you can lend your voice to turn the tide and give Dallas some praise instead of all criticism.

Thank you Mr. President for reading this lengthy letter, and may God bless you and be with you every hour of every day in everything you say and do. Then, we can rest assured that our future is preserved and secure.

Sincerely,

Pat Murphree

AMERICAN NAZI PARTY

On January 2, 1964, a source who has furnished reliable information in the past, provided a copy of the "combined issue for December 15 and January 1, 1964" of "The Rockwell Report," an official publication of the American Nazi Party (ANP), the cover sheet of which contains a photograph of President Lyndon B. Johnson. In the upper right-hand corner the word "NEXT?" appears and beneath the President's photograph is the statement, "It Must Never Happen Again!" A copy of this edition is attached.

A characterization of the ANP is also attached.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

AMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
ALSO KNOWN AS THE GEORGE LINCOLN
ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. The source said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, RICHARD BERRY NORTON, the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December, 1962, it received all its literature from George Lincoln Rockwell's ANP.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "that attainment of power through the votes of the newly-won masses."

IT MUST NEVER HAPPEN AGAIN!

Official Publication of the American Nazi Party

THE ROCKWELL REPORT ordinarily sells for 50c per copy and subscriptions are \$10.00 per year, mailed twice a month, first class, in a sealed and unmarked envelope. To expose the deadly facts about the communist conspiracy, however, and prevent further assassinations and bloodshed, we are reducing the price for this issue ONLY to 35c and the subscription price to \$6.50 with the coupon

The assassination of President Kennedy was predictable. It was bound to happen. **THERE WILL BE MORE!**

This is no threat. It is a simple, scientific prediction based upon past experience.

President Kennedy was not the first U.S. President to be shot by Communist terrorists.

Incredible as it is, we lost another President under almost identical circumstances, and a third president missed Communist assassination only by seconds!

President Kennedy was shot by a boastful disciple of the Jew Karl Marx. Oswald repeatedly boasted that his "bible" was Marx's book of boiling hate, "Das Kapital". Oswald was filled with murderous hate of millionaire Kennedy. Further on in this **ROCKWELL REPORT** we will present actual examples of the violent and murderous preachings of these Reds--the words which triggered the assassination of a President.

It all happened before.

NOTE: Much of what follows is simply incredible. But it is also "incredible" that the President of the United States could be shot in 1963. There are logical and relatively simple reasons why it happened. But these reasons, themselves, are even more incredible than the shooting itself. They show that we are smack in the middle of a wave of Communist terrorism which has **ALREADY** killed **TWO**, not one, U. S. Presidents and almost killed another; that Oswald was not and **COULD NOT** have been a "loner" but was part of the Communist plan to destroy the Right Wing once and for all and jam through the Communist "civil rights" "laws"; that the top officials of the U. S. Government, from the President and the Chief Justice on down, are promoting the same "line" on the assassination as the Soviet Union and the Communist Party, -that it was anti-communist, right-wing, "extremist" "hate" which killed the President, when the assassin was obviously a **COMMUNIST**; and that, if the American people do not react immediately and vigorously to this Communist terrorism and the conspiracy by our own officials to protect the filthy thing, the assassination will soon spread into the nationwide bloodshed, murder, terrorism and assassinations of the planned **COMMUNIST REVOLUTION IN AMERICA!**

Precisely because what follows is so incredible, we have gone to great pains to include notes of original sources for all facts. We offer a \$100 reward, -all we can afford, -to anybody who can prove in a public meeting that we have lied or misrepresented in these documents. Or better yet, those who claim we are just liars can hale us into Court for "criminal libel" and have us thrown in prison, -if what follows are not the plain, damning **FACTS**.

At 12:01 p. m., September 16, 1920, Communist terrorists bombed and slaughtered masses of American

capitalists in Wall Street, New York City, because of the hatred generated by Communist class warfare against successful businessmen.

U. S. Attorney General Palmer investigated and seized the culprits, a gang of Communist anarchists Russian Jews organized as the "Federation of the United Russian Workers". Two of the leaders of this group were Alexander Berkman, an admitted Communist, anarchist Jew, and a Jewess who attempted to lead Communist revolution in America, Emma Goldman. The Jew Berkman, like Oswald, an avid reader of "Das Kapital" and filled with Communist hatred of businessmen, had walked into the office of steel executive H. C. Frick and shot him. To Berkman, business executives and wealthy persons were "tyrants". In Berkman's book, in 1912, "Prison Memoirs of an Anarchist", the Jewish assassin wrote, "The removal of a tyrant is merely justifiable; it is the duty of every true revolutionist. Human life is, indeed, sacred and inviolate. But the killing of a tyrant, of an enemy of the people, in no way to be considered as the taking of a life".

Marx's "Communist Manifesto" and "Das Kapital"--the "bibles" of presidential assassin Oswald, -no bones about calling all "capitalists" "TYRANTS"!

Young J. Edgar Hoover, on behalf of the government, prosecuted these two Jew Communist revolutionists Berkman and Goldman, and managed to deport them to Russia.

But not before Jewish Communist leader Goldman had won over as a disciple a man named Leon Czolgosz.

Filled with the wild Jewish-Communist doctrine of Emma Goldman, **CZOLGOSZ ASSASSINATED PRESIDENT MCKINLEY AS A CAPITALIST "TYRANT"!**

(For Documentation of all this, see "THE FBI STORY", by Don Whitehead, particularly pages 55,

The "Fair Play for Cuba Committee", organized and operated by the Jew V. T. "Lee", the Socialist Workers Party, whose presidential candidate was a Jewess, and the Socialist Workers Party's violent paper "The Militant", along with 1/2 Negro Fidel Castro himself--poured out the violently anti-American Communist venom which filled Lee Oswald with enough insane hate to shoot our President. The same murderous Communist incitements have already filled **THOUSANDS OF OTHER**

AMERICANS--OTHER "OSWALDS"--WITH THE SAME DEADLY AND VIOLENT COMMUNIST HATRED WHICH KILLED PRESIDENTS MCKINLEY AND KENNEDY.

UNLESS THE AMERICAN PEOPLE ARE PERMITTED TO REACT NATURALLY AND CLEANLY OUT EVERY LAST VESTIGE OF THIS COMMUNIST

**JEWISH HATRED AND ITS MURDEROUS ADHER-
ANTS, ASSASSINATIONS AND MASSACRES WILL
BECOME COMMONPLACE IN AMERICA AS THEY
HAVE WHEREVER THIS FILTHY AND INSANE
COMMUNIST PREACHING HAS BEEN ALLOWED TO
SPREAD.**

The "love-mongering", lefties and soft-on-Communism liberal gang will insist that Communism is "only an idea", that it is "mellowing", and that it is ANTI-Communist "hatred" which divides and will "destroy" our nation.

Lenin and Stalin further amplified these doctrines of criminal hatred, assassination and murder with thousands of inflammatory written statements demanding the annihilation and extermination of any one who dares to oppose Communism or even dares to succeed in business.

In 1905, the Jew Leon Trotsky, who was born Davidovich Bronstein led the ignorant Russian peasants in a "march" on the palace of the Russian Czar, precisely like our present "civil rights" "marchers", demanding all sorts of "reforms". The Czar agreed that many of these reforms were reasonable and asked Tro-

THE TRUTH IS EXACTLY THE OPPOSITE!

For more than a hundred years, long before there were any "right-wing extremists" or "anti-Communist hate mongers", Communism has been spreading insane and criminal hatred against all successful White Gentiles, particularly businessmen--the kind of "filthy capitalists" who built this great America they all want to come to.

In 1848, in the "Communist Manifesto", the Jew Karl Mordecai--who took the name Marx--wrote, "The Communists disdain to hide their aims. Let the ruling classes tremble... What we seek is nothing less than the violent overthrow of all existing conditions." Marx wrote further, "Whatever is, is worth destroying!"

In one of his early books, Mao Tse Tung, Chinese Communist leader who has murdered millions, candidly stated, "Political power comes out of the barrel of a rifle".

sky and his Red gang to wait until the duma, the Russian "congress", could meet in a few days to act on the Communist demands. Trotsky, precisely in the manner of the current "civil rights" leaders, denounced this as fast enough to suit the "workers" and led the Communist-maddened workers in a physical assault on the palace. With no other choice left them, the guards of the Russian "White House" opened fire to protect the Russian Government and hundreds of "workers" were massacred--(including the intrepid Jewish leader, Mr. Trotsky, and the other inciters of this insanity who were well to the rear when the shooting began.) This event, known as "Bloody Sunday", was then used by the Communist agitators to whip up the "workers" to a fever pitch which resulted in the so-called "Russian" revolution. The leaders of this "Russian" revolution were, besides Trotsky (Bronstein), Zihoviel (Apfelbaum), Steklov (Nakhank), Kamenev (Rosenfeld), Dan (Gurvich), Sverdlov (Stein), Radek (Sobelson), Larin (Lurye), Jaffe, Axelrod (orthodox), Bogdanov (Zilberstein). -all Jews!

In the process, these Communist agitators incited the bombing and assassination of no less than 15 top Russian officials, including also Czar Alexander II, a "liberal" "reform" Czar--much like Mr. Kennedy--who attempted to "go along with" the Communist hell raisers.

For his appeasement of the Jewish Socialist Labor Band, the forerunner of the Communist Party, Alexander II was assassinated by Jewish Communists during a parade **PRECISELY IN THE MANNER USED AGAINST PRESIDENT KENNEDY!** Much in the manner of our Mrs. Kennedy, a female relative of the Czar had to retrieve his head, which had been entirely blown off by the Jewish murderers.

Other Russian leaders were bombed, stabbed, shot from ambush and otherwise assassinated and exterminated.

In the course of the Communist revolution in Russia, a Jew Commissar by the name of Yankel Yurovsky, acting on the orders of Comrade Trotsky (Bronstein), assassinated the Czar--**AND HIS WHOLE FAMILY, INCLUDING THE WOMEN AND CHILDREN WHO WERE MURDERED IN COLD BLOOD IN A CELLAR IN EKATERINBURG** (renamed Sverdlovsk by the Communists after the Jew Sverdlov).

After the revolution, by their own boastful admissions, in order to establish the "workers' paradise", the Communist bosses exterminated more than 18 million Gentile Russian peasant kulaks, who resisted the seizure of their private farms by the Soviet Government. Subsequently, under the direction of Comrade Trotsky (Bronstein), the Communist Internationale started bloody Red revolutions in Germany, Hungary, Rumania and almost all of the countries of Europe--always led by more Jewish comrades like Trotsky himself. In Germany, it was Rosa Luxemburg and Karl Liebknecht. In Hungary, Bela Kuhn (Cohen), etc. In Austria, Friedrich Adler; in Rumania, Ana Pauker; etc.

Everywhere, these Communist hell-raisers used assassination and mass murder as a calculated scientific revolutionary technique. "Terror" was their motto and their method. They were proud of it, boasted of it and never once ceased using these criminal methods.

In March 1917, Trotsky (Bronstein) said in a speech in Yiddish in New York City before he left for Russia to lead the Russian Revolution: "I want you people to organize and keep on organizing, in order that you may be able to overthrow this dirty, rotten government of the United States. I am going back to Russia to overthrow the government there!"

Trotsky (Bronstein) ordered the heads of the murdered Czar, Czarina and children to be brought to Moscow where they were featured as public exhibits in alcohol-filled glass jars. Trotsky stated in a Russian paper, the "Red Gazette", on September 1, 1918, "We will harden our hearts into iron. We will temper them in the fires of endurance and in the blood of the enemies of liberty. We will be cruel, hard, pitiless, until we feel no pity and

are unmoved by the sight of our enemy's blood. We open wide all the outlets of sentiment. Without pity, sparing nothing, we will massacre our enemies by the hundreds. We will drown them by the thousands in their own blood. For the blood of Lenin, Zinoviev and Volodarski (Goldstein), let us shed torrents of bourgeois blood. More blood! More blood!"

After his exile, Trotsky formed the "Fourth International". Quotation from Lenin: "We Bolsheviks will bring the revolution to Europe, as well as to America. It will come systematically, step by step. The struggle will be long, cruel and sanguinary. But what does the loss of 90% mean, if 10% Communists are left to continue the revolution?" "The dictatorship of the proletariat is nothing else than power based upon force unlimited by nothing--by no law and no rule."

The United States Rohrberg Commission of Inquiry reported, "The whole cement floor of the great garage of the Department Secret Police of Kiev was flooded with blood, brains, pieces of skull, tufts of hair and other remains. All the walls, riddled by thousands of bullet wounds, were bespattered with blood. Pieces of brains and of scalps were sticking to the walls. A gutter, 25 cm. x 25 cm. deep and about 10 meters long, ran from the center of the garage to a subterranean drain. The gutter along this full length was filled with blood.

"Usually, as soon as a massacre had taken place, the bodies were conveyed out of town in motor lorries and buried in shallow trench graves. We found in another corner of the garage, another grave which was older and contained about 80 bodies. On them we discovered traces of cruelty and mutilations--the most horrid and unimaginable. Some were literally hacked to pieces. Some had their eyes put out and their faces, necks and trunks covered with deep wounds. Further on we found a corpse with a wedge driven into its chest. In the corner of the grave we found a quantity of arms and legs belonging to no bodies we could locate. "Similar conditions have existed at one time or another throughout most of Russia." America's problem is living a lie, the Jewish lie that right-wingism and particularly Nazism, are evil--when the truth is that only Nazism and right-wingism can save America from the deadly danger of Communism which actually has already killed the President.

THE COMMUNISTS HAVE NOT CHANGED!

In 1930, the Jewish director of the Lenin School in Moscow, Comrade Manulsky, wrote: "War to the death between communism and capitalism is inevitable. Today, of course, we are not strong enough to attack. To win, we shall need the element of surprise. The bourgeoisie will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard-of concessions. The capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be our friends. As soon as their guard is down, we shall smash them with our clenched fist." (Hearings before the House Committee on Un-American Activities, before the subcommittee of the House Committee on Un-American Activities, 86-2, Part 2, May 13, 1960).

When it suits their purpose, the Reds extend the hand of friendship and preach love and "brotherhood". In the recent New York State elections, the open Communist candidates (like Gus Hall) ran as members of the "Brotherhood Party".

Simultaneously, with all of this, rich Jews, who were secretly in sympathy with their Bolshevik comrades, men like Bernard Baruch, who financed and helped organize the Yiddish Communist Abraham Lincoln Brigade which fought for Communism in Spain and Jacob Schiff, head of Wall Street Kuhn, Loeb & Co. and hundreds of others like them, exerted their enormous money power to gain control of our press, radio, television, etc., so that none of these facts would ever be made available to the American people--and anyone who attempted to inform our people of these facts was immediately branded as a "bigot" and "hate monger" and driven into poverty, ostracism and, if possible, suicide. For those who imagine this indictment is too strongly drawn, let me point out that, in modern America, our most potent medium of public information and opinion-molding is television. There are three national television networks. No news, opinions or national programs can originate except those approved by these three networks.

ALL THREE NETWORKS IN AMERICA ARE COMPLETELY MONOPOLIZED BY RUSSIAN JEWS.

The Chairman of the Board of NBC is Robert Sarnoff, a Russian Jew. The President of CBS is William Paley (Palinski), a Russian Jew. The Chairman of the Board of ABC is still another Russian Jew, Leonard Goldenson.

The New York Times is owned by Arthur Hayes Sulzberger, a Russian Jew. The Washington Post is owned by the family of Eugene Meyer, another Russian Jew. The New York Post is owned by Dorothy Schiff, a granddaughter of Jacob Schiff, the Russian Jew boss of Kuhn Loeb & Co., mentioned above, who put more than 20 million dollars into the Russian Communist Revolution.

It is because the radical and rich Jews like these control either directly or through advertising all of our press, TV, etc., that you have never heard of the deadly facts presented herein, and you never will, until brave Americans are willing to face up to the disgrace, ostracism, poverty and physical terrorism which confronts any American who dares expose the real evil of Communism and especially its Jewish nature.

Starting in the 1900's, Emma Goldman, Alexander Berkman and hundreds of other similar Yiddish Communists who swarmed on the lower East Side of New York City began to spread their murderous doctrines of hatred, terror, assassination and revolution throughout our beloved America. All attempts by Americans to defend themselves were met by massive and incredible campaigns in the press and other media, of lies, ridicule, etc. Henry Ford, with all his millions, was forced to crawl to these revolutionary Jews when he tried to expose their Communist activity. The same fate befell

Father Coughlin, Charles A. Lindberg, Joe McCarthy, Douglas MacArthur and, most recently, General Wa

Every effort to warn America of the INTERNAL threat from these hordes of alien-minded, race-mixed Jews and Communists has been destroyed and silenced with the magic word "hate". This incredible campaign to keep America from defending itself from Jewish Communism and race-mixing has reached such fantastic proportions that, even when the President of the United States is publicly assassinated in the midst of a wave of pro-Castro Communist terrorism all over the world, the highest officials in our land, including the President, the Chief Justice of our Supreme Court, use all the influence they can bring to bear TO PROTECT the Communist assassins and turn the wrath of America on the ANTI-Communists who seek to defend our country from such scum as Oswald and the rest of the Castro Communist gang.

How could this possibly be?

The answer is that the militant, highly organized Communists and Jews have managed to divide the White Gentiles of America into two almost perfectly equal political teams of "Republicans" and "Democrats" who have no real differences of opinions--BUT WHO ALMOST EXACTLY CANCEL OUT EACH OTHER'S VOTING POWER. The Republicans and Democrats--names which mean almost nothing--almost perfectly counteract each other at the polls--AND POLITICAL POWER IN AMERICA, THEREFORE, RESTS ENTIRELY IN THE HANDS OF TWO FANATIC RACIST "BLOCS"--THE JEWS AND THE NEGROES.

THIS IS NO ACCIDENT!

The Communist program is to organize and unite the scum of the world in a vast "mutiny" against the natural biological elite of humanity under the alluring banner of "democracy". These malcontents are then scientifically inflamed to passionate hatred of the industrious, the successful, the intelligent and the excellent. At the same time, the cunning Jews who operate this vast Communist confidence game against humanity tell the victims that it is "bigotry", "prejudice", "hate", finally, "Fascism" or "Nazism" for the White Gentiles to defend themselves against this criminal and violent attack.

Way back in 1912, Britain's leading Communist Israel Cohen, in his book, "A Racial Program for the 20th Century", made the strategy clear. (This statement was printed in an exposure by the U. S. Congress "Congressional Record", June 7, 1957, p. 8559.)

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill

In the whites a guilt complex over their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause.

In the Bronx, New York, when he was an adolescent youth, Oswald admitted that his dark journey into Communist terrorism began. He was handed a pro-Communist leaflet on behalf of the two convicted Jewish Communist spies, Julius and Ethel Rosenberg, who were finally electrocuted for treason at Sing Sing Prison. (The same sort of "love-mongering", pro-Communist Jewish literature as that handed Oswald is currently flooding America on behalf of another convicted Jewish Communist spy for the Soviet Union, Morton Sobell. Martin Luther King and many of the other so-called "civil rights" leaders are agitating for the pardon and release of Jew Communist atom spy, Sobell.)

Who knows how many young "Oswalds" will read this current batch of Communist-inciting literature and be launched on their own career of Communist terrorism as was Oswald?--Yet none of the Jews, liberals, "civil rights" leaders or other bleeding-hearts ever refer to this treasonable and vicious literature as "hate". Always it is only ANTI-Communist literature which is blasted as "hate". Unspeakably treasonable and un-American incitements to Communist violence, like New York's "Worker", the Jewish Communist paper "Freiheit"--published in Yiddish, daily, for Jewish Communists--"The People's World" in San Francisco, are openly sold all over America with never a peep of protest from men like Earl Warren and the brigades of pinko crusaders against "hate".

After reading the Communist pamphlet on behalf of the Jew Communist Rosenbergs, Oswald was moved to obtain and read the works of Marx and Lenin. Later, in Dallas, Oswald boasted that "Das Kapital" became his "bible".

Instead of enjoying normal American pursuits and interests, young Oswald began to soak his mind in the fanatic class hatred of Communism. All millionaires were "enemies of the people", "tyrants" and should be killed.

The juggernaut that would, on November 22, 1963, blast out the brains of an American president--a millionaire--was launched in New York's Bronx from the pages of the "Communist Manifesto", Rosenberg literature and "Das Kapital".

Continuously soaking himself in this poisonous Communist hatred, Oswald became a typical young, liberal pseudo-"intellectual". His Commanding Officer in the Marine Corps, First Lt. John E. Donovan, has told how Oswald, just like the young leftist college students I meet all the time, was full of his "liberal", Marxist and "intellectual" conceit, and arrogant attitude of superiority to all non-Marxist humanity.

In October 1959, full of hatred for the "capitalist" United States, Oswald traveled to the Soviet Union,

turned his passport in to the U. S. Embassy, denounced his native America and applied for Soviet citizenship. In his press conference in Moscow, he heaped abuse on the United States of America, said its people were "bigots" and "exploiters" and scorned everything American.

In Kiev, Russia, the Soviets maintain a school for terrorists and assassins. While ostensibly living in Minsk, Russia, Oswald made frequent trips of long duration to Kiev. While in the Soviet Union, Oswald, strangely enough, was granted a most extraordinary privilege, especially for a non-citizen. He was allowed to use a RIFLE and practiced target shooting. He married a very attractive Russian woman, Marina Pruskova, and had a child. After 2 1/2 years in the Soviet Union, Oswald suddenly asked the Soviet Government for a favor almost never granted--he wanted to obtain an exit visa for his Soviet wife and child to return to the U.S.A.

Amazingly, he had no difficulty whatsoever in getting this rare permission. He then wrote to Senator John Tower, demanding help in returning to the United States.

Here is a man who committed naked TREASON, denounced his native land, turned in his passport and still was openly contemptuous of the United States, its people, its government and its ideals.

Nevertheless, tremendous forces went to work and the U. S. Embassy in Russia GAVE SOVIET-LOSER OSWALD HIS PASSPORT BACK!

As if this were not enough, Oswald thereupon applied for, and got, from the very government he had denounced and betrayed \$435.00 to return to the United States of America.

The State Department of the United States Government then issued a special non-quota immigration permit for Oswald to bring his wife, Marina, into the United States.

(Just for purposes of comparison, let the reader note the way I was hunted down and thrown out of England a year-and-a-half ago by the British Government although I am no criminal, nor in any way disloyal, while Jewish Communist traitor Soblen was pampered in every way and England would not turn him over for deportation to the United States!)

Traitor Oswald and his wife arrived in the United States on June 13, 1962 and proceeded to Dallas.

The record shows that Oswald told a public stenographer that in 1962 an "engineer" in the area offered to publish a book about the Soviet Union to be written by Oswald. It just happens that a man named Michael Paine is an engineer who claims that he did not meet Oswald until a left-wing party in 1963. Oswald, having recently returned from the Soviet Union, was invited to a Russia-loving party, and all the local left pro-Communists and other Unitarians, Quakers and "peace" workers (i.e., pinkos and leftists) attended the

meet Oswald and his Russian wife, Mrs. Paine, who attended that party, had been a super-leftist liberal at Antioch College in Yellow Springs, Ohio and the University of Pennsylvania, and had studied Russian in line with the "magnetic attraction to everything Russian and Soviet. At this party, we are supposed to believe, the Paines became so entranced with this little boy Oswald that they began to subsidize him and his family and he actually moved in with them.

During this time, with Mrs. Paine and Mrs. Oswald amiably chatting every day, in Russian only, Oswald obtained and lost several jobs and traveled to New Orleans, the city with the largest port and concentration of Communists in the South. Here Oswald contacted the Communist Party and the "Fair Play for Cuba Committee" at 799 Broadway, New York City.

The "Fair Play for Cuba Committee" now claims that Oswald's activities in New Orleans were in no way authorized by the Committee. Yet there are six lengthy letters from Oswald to the Committee which were published in the New York Times of December 9, 1963, p. 38, which make it perfectly obvious to anyone of normal intelligence that Oswald WAS working hand-in-glove with the "Fair Play for Cuba Committee". The head of the "Fair Play for Cuba Committee", Mr. V. T. Lee, has announced that he has "lost" or "mislaid" the carbon copies of the answers which he wrote to all these letters of Oswald's.

During this period, Oswald had his photograph taken holding up a rifle and his favorite newspaper, "The Militant". "The Militant" is the newspaper of the Trotskyite Communist "Socialist Workers Party" and its title is clear enough indication of its nature. The Trotskyite Communist members of the "Socialist Workers Party", about 90% Jews and Negroes, are violently "militant" and scorn the more subtle activities of the regular Communist Party and Soviet Russia as "too slow". They are passionate adherents of Trotsky's doctrine of "international violent revolution". The Chinese Communists, the African Communists (100% Negro) and Castro (50% Negro) are also violent adherents of the bloody Trotsky doctrines of bloodshed, murder and assassination.

I went to the Library of Congress and obtained a copy of "The Militant" from the approximate period during which Oswald proudly had his picture taken with his assassination rifle and "The Militant". Here is a quotation from that filthy Communist rag. -- Judge for yourself what kind of "hate" killed President Kennedy and will kill all of us if we don't put an immediate and complete stop to this sort of incitement.

HAT CASTRO WOULD DO ABOUT RACISM IF HE WERE PRESIDENT OF THE UNITED STATES

"May I draw a word-picture of what we are really talking about when we say 'Decolonize America now'. Let us imagine that in November 1960, Fidel Castro, instead of John F. Kennedy had been elected president of the U. S. On the basis of his clear record of eliminating all racial barriers in Cuba and stopping police brutality, about 95% of the cops in this country, Black and White, North and South, would catch the first planes

out to escape prosecution. Many of them would wind up in South Africa as "refugees". There they would find a political and racial climate wholly compatible and congenial.

"If 'Bull' Conner were caught and arrested before fleeing, Fidel Castro would not permit anyone to lynx him. He would be given a fair trial. In open court, evidence would be presented of 30 years of his tyranny and terror as Birmingham police commissioner. O' 'Bull' would have full opportunity to testify in his own defense. His attorneys could cross-examine all the prosecution's witnesses, many of whom would be Negroes. And then, since it is inconceivable that any court would find him innocent, he would be taken out and shot.

Meanwhile, on his first day in office, Fidel would have occupied the entire South with Federal troops without bureaucratic delays, the jails would be empty of all Freedom Fighters and other victims of the Jim Crow system. Fidel's new cabinet would decree the immediate desegregation of all public facilities. Heretofore, all persons who continued to discriminate would go to jail or to humanely operated rehabilitation centers (Communist euphemism for "concentration camp"-- G. L. R.) in an effort to cure them of their racist insanity. All jobs, all housing, all opportunities would be made available to everyone without discrimination.

"Most beautiful of all, Fidel would disband the entire repressive F. B. I. apparatus and would burn the secret police garbage and intimate gossip that thousands of psychopathic F. B. I. agents have assembled over the years. He would put J. Edgar Hoover in an integrated cell in an Atlanta penitentiary as punishment for four decades of criminal neglect of duty. Hoover has never protected the Constitutional rights of Negroes.

"Sadly, but realistically, even a Pacifist has to make a prediction that will scare and alarm many persons. The prediction is that it is going to take a dramatic Castro-type revolution before this problem of the race will be resolved. North and South, the twisted White Man in the U. S. has no more intention of giving up the Jim Crow system than do the fanatics in the Union of South Africa."

While living with the Paines, Oswald practiced sharp-shooting with the rifle he kept in the Paine's garage. He took a pot shot at General Walker, ran him in and boasted of the fact to his wife in Russian, explaining that Walker needed to be wiped out for his "extremist right-wing anti-Communist views. Mrs. Oswald, with complete naivete, has told this to the Federal Bureau of Investigation. But we are supposed to believe that she never mentioned this to Mrs. Paine, her protectress, only confidante, the only person in America who regularly talked with her in Russian, the only language she understood.

In September it is announced that President Kennedy will visit Dallas.

**THREE WEEKS LATER, MRS. PAINE CALLS
UP MR. TRULY, THE MANAGER OF THE TEXAS
SCHOOL BOOK DEPOSITORY AND GETS OSWALD
A JOB WORKING THERE.**

... building is on the only logical route a presi-
dential parade would take, AND AT THE PRECISE
SPOT WHERE THE PRESIDENTIAL VEHICLE
WOULD BE FORCED TO SLOW DOWN AND GIVE
A PERFECT SNIPER'S SHOT WITHOUT DEFLEC-
TION!

Within a matter of only an HOUR or TWO
after Mrs. Paine contacted Mr. Truly to get
Oswald the job at the ideal assassination spot on
the Presidential parade route, Oswald appeared
at a rooming house at 1028 N. Beckly Street, USING
THE NAME "O. H. LEE"!!!! The room was far
smaller than the one he already had and cost him
\$1 per week more! Also, why the phony name?
(See New York Post, Dec. 10, 1963, page 22). Can
any reasonable person doubt that there was a CRIM-
INAL INTENTION present, at least in the mind of
Oswald, when he GOT the job at the Book Depository,
and that Mrs. Paine's involvement is, at the very
least, HIGHLY suspicious?

Meanwhile, two New York Jews drive all the way
down to Dallas to place a full-page advertisement in
the Dallas papers for publication the precise date of the
President's assassination. Printed with a big black
border, the advertisement attacks Kennedy in a most
extreme manner.

Consider; Dallas, supposedly a hot bed of right-
wing extremism could apparently produce no "extremists"
willing to put up the money for or write such an "ex-
treme" anti-Kennedy ad. Jew Bernard Weissman had
to come all the way down from New York to print this
"extremist" ad in Dallas. WHY?

Later, it turns out that Weissman's partner in this
1500-mile extremist excursion to Dallas from New York
City is a top leader of "Young Americans for Freedom"--
an organization put together and master-minded from 79
Madison Avenue, by Jew Marvin Liebman--AN "EX"-
COMMUNIST!

During his period in Dallas, at the request of a
local "engineer" (Mr. Paine was an "engineer"), Oswald
began writing a Marxist, pro-Communist, pro-Trotskyite,
pro-Castro--but ANTI-SOVIET book. (It should be
pointed out here that vast numbers of American Com-
munists, particularly Trotskyites and Reds in our State
Department, feel that the Soviets have "betrayed" the
Communist Revolution by recreating the necessary in-
stitutions of society--authority, the family, marriage,
discipline, etc.--which these Marxist fanatics consider

to be "Fascist" perversions of "pure Communism".
Trotskyite Communists, which include most of the
Communists, are becoming RACIST Communists like
the yellow Chinese Communists, the all-Negro Black
Communists in Africa, and the mongrel Negro Commu-
nists like Castro and the Cubans. These are the "wa-
ter" "leftist" Communists who favor Jewish Trotskyite
bloody doctrines against the more moderate policies
of White Gentile Khrushchev. And it is interesting to note
that White Gentile Communist Khrushchev is finding him-
self more and more at odds with the dark racial Com-
munists of the world and the Jew Trotskyites who lead
them.)

Thus, the gentle anti-Soviet aspects of Oswald's
reported manuscript does not make him any less a
Communist--quite the reverse.

But the most significant and startling thing about
Oswald's book episode is the public stenographer's story
of what happened when Oswald began to give her sections
of the book mentioning KIEV, where the Soviets maintain
their school of assassination and terror.

The stenographer reports that when Oswald
reached the Kiev episodes, he became highly agitated,
snatched away the entire manuscript, notes and car-
bons--leaving only \$10 in payment!

The Paines took Oswald to a meeting of the Amer-
ican Civil Liberties Union, which has defended literally
thousands of Communists, murderers and saboteurs,
say nothing of assassins, and got Oswald to apply for
membership. He was told the ACLU "defends radicals"
--which it does.

Three days before the assassination of President
Kennedy, the F.B.I. seized three Castroite terrorist
precisely like Castroite Oswald. The Federal Bureau
of Investigation revealed that had these three Castroite
terrorists NOT been caught, they planned to bomb Wall
Street, blow up oil refineries in New Jersey and spread
a wave of assassinations and terror throughout New
York!

This would have occurred about November
22, --THE DAY THE PRESIDENT WAS SHOT!!

Here is a quote from the "New York Journal
American", November 18, 1963:

"If the F.B.I. had failed to smash a Cuban plot
designed to spread death, terror and destruction in the
metropolitan area, Government sources said the three
arrested saboteurs planned to destroy national defense
material sites and utilities in New York City; blow up
gasoline and oil refineries--the expected result: 100
million dollars worth of damage; plant incendiary bombs
in New York City's largest department stores; train
other pro-Castroites in the art of sabotage. These
were already undergoing training clandestinely. The
expected result: a stepped-up program of sabotage that
in time might completely paralyze the City. The blowing
up of bridges and subway facilities, for example,
might have been part of the plot for the future."

One day before the assassination, on November 11, Havana Radio boasted that Castro Communism would "export" bloody terrorism TO ALL THE NATIONS IN THE WESTERN HEMISPHERE--INCLUDING THE UNITED STATES! (Washington Post, Dec. 8, 1963)

Meanwhile, inexplicably Oswald slips over to Mexico to the Cuban and Soviet Embassies and IS SEEN BY WITNESSES IN A STATION WAGON. The border guard remembers there were two women and a man with Oswald--Mr. & Mrs. Paine and Mrs. Oswald. (Toronto Telegram) (Mrs. Paine had a station wagon and used it to transport the Oswalds several times, including from New Orleans to Dallas.)

Simultaneously, Castro, as a matter of historical fact, IS spreading murder and terror in Venezuela, where U. S. citizens have been beaten, kidnapped and killed by the Castroite terrorists.

On November 7, 1963, United States Congressman Kirsten wrote an official warning to President Kennedy THAT THE COMMUNISTS WERE TRAINING PROFESSIONAL ASSASSINS FOR ACTION IN THE UNITED STATES! (Northern Virginia Sun, Nov. 27, 1963, Page 1).

Exactly fifteen days later, President Kennedy was killed by a Communist Assassin, AND NOW WE ARE TOLD IT WAS ONLY THE ACT OF A "LONER", AND WE MUSTN'T GET MAD AT THE COMMUNISTS, SOVIETS OR CUBA!!!

On November 22, 1963, Lee Oswald killed the President by shooting out of one of the windows of the building where he had been gotten a job by Russian-loving Mrs. Paine! A "coincidence" of course.

Within a matter of minutes after the assassin turned out to be a Communist, the United States State Department sent out a top-priority demand to leading U. S. news agencies to minimize any connection between Oswald and world Communism "in order to avoid disturbing relations with the Soviet countries and Cuba" (Washington Daily News, Dec. 4, 1963, p. 5) We get hurried to the redness of our own State Department. Perhaps it will help the reader see the red reality here if we reverse the situation. Suppose Hitler's Germany were still going strong, and I shot the President. Can you imagine the State Department sending out a plea to the press not to mention that I am a "Nazi" to avoid disturbing relations with Mr. Hitler?

Any normal American cannot help asking himself how it is that a traitor and defector to Russia could calmly sit in the window of a building on a Presidential parade route with a rifle and shoot the President, in spite of the FBI, the Secret Service and the Dallas Police Department, and then GET AWAY!

The answer is absurdly simple. Tragically simple! Because of the intense anti-right-wing-"extremist" propaganda led by the President himself, all the security forces were watching ANTI-Communists, and

there was nobody left to pay any attention to the REAL and DEADLY danger the Communists!

Within moments of the shooting, five ANTI-COMMUNISTS were seized by Dallas Police by the officers right on their tails in the crowd. These five were held FOUR DAYS because of the crazy hysteria whipped up against ANTI-Communists, even though the Police, while they were holding these anti-Communists, caught the real culprit, a KED, allowed him to be shot in the basement of the Police Station by a Jew, and then locked up the assassin's assassin.

The President was shot because he, along with the Jews and the rest of the left wing, had BLINDED America to the deadly menace of the REDS, -calling it "witch-hunting," "hate", etc., and set all our Security forces on a very REAL "witch-hunt" after the Birch Society, the D. A. R., etc, -while trained and deadly Communist killer Oswald was allowed to run around FREE of surveillance, --just like hundreds of thousands more like him who are running around America TODAY, right now! The American Nazi Party is damned by the Attorney General as unAmerican, etc, -but if the American Nazi Party had had its way the Attorney General's brother never would have been shot, because Lee Oswald would have been in his GRAVE, where traitors belong, according to the Constitution. And dead Communists can't shoot people or overthrow governments.

There is no "middle ground" with the Communists, no "moderate" position. You either KILL THEM --or they KILL YOU, --as they DID kill our President, and WILE kill more if we don't STOP them!

After Oswald had gotten clear of the building from which he shot the President, the whole plan of the Jews and the Reds to wipe out the Right-wing and jam through the enabling legislation for a Soviet America was IN THE CLEAR, if Oswald had not been caught, there would not have been one voice raised to suggest that a COMMUNIST might have done it, and, just as the Birmingham bombing, the anti-Communist Right-wing would have been violently LYNCHED, --"for shooting our beloved President"! -although just as in Birmingham, there was no fair trial and no "defendant" whatsoever.

But I believe Destiny took a hand at this point and threw a monkey-wrench into the Jew-Communist machinery. By the most IMPROBABLE of chances, a Dallas Policeman heard the barest possible description of the suspect, -height, weight, age, etc, --and saw a man who might fit. When he tried to stop this man, the man SHOT him, -and all the plans of the reds went up in smoke!

Oswald was clearly on his way to Rubenstein's apartment, probably to hide out, But the shooting of heroic officer Tippit "loused up" the plans, and he ran for a movie house in panic, and got caught.

IT IS IMPOSSIBLE TO OVEREMPHASIZE THE THOUGHTFUL READER THE HISTORY-

CHANGING MAGNITUDE OF THIS EVENT! HAD
OSWALD "DISAPPEARED" LIKE THE "BIRMING-
HAM HATE BOMBERS", --THE ASSASSINATION OF
THE PRESIDENT BY THE "DANGEROUS" RIGHT
WING "EXTREMISTS" AND "FASCISTS" WOULD
HAVE BEEN USED WITH DEADLY EFFECT TO
HAMMER IN THE LAST LINKS OF COMMUNIST
SLAVERY IN AMERICA IN THE EMOTIONAL
ATMOSPHERE WHICH WOULD HAVE PREVAILED,
NOTHING COULD HAVE STOPPED THE PASSAGE
OF THE MOST EXTREME "CIVIL RIGHTS" LAWS
AND THE COMPLETE LIQUIDATION OF ALL
"ANTI-COMMUNIST EXTREMISTS".

TO ACCOMPLISH THIS, THE RED TERROR-
ISTS WERE WILLING TO SHOOT A PRESIDENT!
EVEN WHEN CAUGHT RED-HANDED, WITH
THE UTMOST ARROGANCE, THEY ARE STILL
TRYING TO DO IT!

But Destiny put Officer Tippit in the path of these
fiends. Tippit died doing his duty. But his death saved
America from the immediate threat of the Communist
Revolution! I must admit that I could not believe the
reds would be insane enough to shoot the President, but
as I dug up more and more of the deadly facts, I be-
came thoroughly convinced that November 22nd was
"REVOLUTION DAY" on the Red calendar. We could
never have resisted or survived the raging LYNCH MOB
they would have whipped up, had Officer Tippit not
stopped Oswald and thus led to the immediate capture
and identification of the killer as a RED!

While the President was driving through Dallas,
an ex-Chicago Jew named Jacob Rubenstein was point-
edly in the advertising offices of the Dallas newspaper
going over his display which promoted his degenerate
strip-tease burlesque club. As the President was driv-
ing by outside, RUBENSTEIN REFUSED TO JOIN
OTHER IN THE OFFICE IN GOING TO THE
WINDOWS TO WATCH HIS "IDOL"!

Later, when Oswald was caught, Rubenstein
rushed to the Police Station and managed to slip by all
guards, FOR AN ENTIRE DAY, while Oswald was in
the Police Station, Rubenstein was running around in
the middle of everything, often brushing past Oswald
as he was moved through crowds of reporters, TV men,
etc, and even participating in a press conference and
prompting the District Attorney with the answer to a

question on local geography! Rubenstein was busily
passing out his bawdy "calling-cards" for his burlesque
show to police and reporters. As long as Oswald showed
no signs of "breaking" in his questioning by police,
Rubenstein "joked with reporters" and simply hung
around.

Then it was announced that Oswald was "ready
to talk" and appeared ready to expose the real set-up.
Within hours, Rubenstein suddenly became so "upset
over the President's death, and was so "touched" at
thought of Mrs. Kennedy's sorrow, that he up and shot
Oswald, sealing his lips forever!

Now consider the position of the conspirators!

If Oswald talked, the whole thing would blow wide
open and, instead of a RED victory, the atmosphere
Oswald admitted he was in on an International Jewish
Communist plot would have been NAZI. The Jew Com-
munists and traitors would have had to flee for their
lives, --as they should!

But even if Oswald DIDN'T talk, the prolonged
trial of this COMMUNIST assassin would have driven
into American consciousness at last the deadly danger
of tolerating this criminal conspiracy on our soil for
one moment longer, and would have led to a glorious
revival of the patriotism the reds call "McCarthyism"
--and an impossible position for the Communists. The
trial of Oswald just simply MUSTN'T HAPPEN. ALL
the day before the shooting of Oswald, it seems reason-
able to me that the high councils of treason in America
were desperately scrambling for the solution, --and they
found it, --the same solution they ALWAYS find, death.

At the very last moment when Oswald could be
reached by "Ruby", --as he was being transferred to
custody quarters from the police station, the Jew Ruben-
stein rushed forward, WAS RECOGNIZED BY OS-
WALD, AS SLOW MOTION MOVIES HAVE PROVED
BEYOND DOUBT, --and shot the assassin dead.

With Oswald's death, the worst of the crisis was
over for the conspirators! Consider what was bound to
happen if Oswald had NOT been shot, and now will
NEVER happen.

Here are some of the deadly FACTS which would
have come out of Oswald's trial, and will now be COV-
ERED UP by the Warren Commission:

Oswald was working for the "Fair Play For
Cuba" Committee. We have met and fought this gang
of swine PERSONALLY, several times, --and can tes-
tify that they are the FILTHIEST, VILEST, most
treasonable and vicious gang of reds in the Country.
But more important, they are the NUCLEUS OF THE
"CIVIL RIGHTS" MOVEMENT! On April 6, 1960,
"Committee" was launched by an ad in the New York
Times, a full page, --paid for with CUBAN red money.
At the TOP of the list of sponsors for this vile ad on
behalf of treason is the name, "JAMES BALDWIN",
the repulsive, black sexual pervert "author". The rest
of the list contains NAACP luminaries, and, perhaps
even more important, big shots in the American Civ-

Liberties Union! The head of the Fair Play Committee in L.A. and a national Co-chairman is Jew A. L. W... Who is ALSO the head of the LA ACLU! The head of the vile committee is the Jew, V.T. "Lee" (Tappin), who also lurks out to be the Secretary of the ACLU in Tampa, Florida.

trial of Oswald would have driven into the consciousness of America the unspeakable treason of these people who keep pulling off the same old Communist trick of calling violent Communist terrorists "reformers" until these murderers have seized control of pro-American, Christian governments as Castro did to Batista and Mao Tse Tung did to Chiang Kai-shek-- after which the filthy Red fakers in America moan and wring their hands at their "betrayal" by these hard-core Communists who always seem to "fool" these trusting lovers of "civil liberties" and "civil rights".

Just a few weeks before the President's assassination, OUR GOVERNMENT, WITH THE HELP OF THESE PRO-COMMUNISTS, CIVIL LIBERTARIAN CREEPS, SNUBBED AND INSULTED PRO-AMERICAN CHRISTIAN MADAME NHU. THEN THE VIET-NAM COMMUNIST "REFORMERS" BRUTALLY ASSASSINATED HER HUSBAND AND TURNED OVER

SOUTH VIET-NAM TO MORE OF THESE CRYPTO-RED "REFORMERS"

The U. S. Government actually helped more of these "reformers" to assassinate Christian, pro-American Trujillo so that they could install veteran Red, Juan Bosch. Daily exposure of all of this would have been inevitable in any trial of Oswald. And such daily exposures would have inevitably and finally aroused the American people to the deadly facts about Communism which we of the right wing have been trying so hard to warn America.

In short, the trial of Oswald would have been a fatal blow to the Communist conspiracy in America. It would have been utterly impossible for Martin Luther King, Queer James Baldwin, A. Phillip Randolph, Queer Bayard Rustin and the rest of the "liberal" and "civil rights" Jew and Negro leaders who have infiltrated even our churches to continue their deadly but creeping Communist revolution in America. Oswald had to go.

And he went. He was gunned down in typical gangland fashion by a man typical of "Murder, Inc." For new readers who have not been exposed to the kind of facts published in the ROCKWELL REPORT, let me say briefly that the ROCKWELL REPORT for November 15, 1963 amply proves that "Murder, Inc." was headed by the Jew Louis Lepsky Buchalter, and was almost 100% made up of brashy and violent Jews like Jacob Rubenstein, alias Ruby. In that ROCKWELL REPORT, we listed dozens of these Jewish icepick killers, stranglers, assassins and murderers of all sorts: Waxey Gordon

WECHSLER, Mickey COHEN, Pitts Phil (STRAUSS) "Bugsy" SIEGEL, Meyer LANSKY, "Dutch" Schultz (FLEGENHEDMER), Arnold ROTHSTEIN, "Bugsy" STEIN, "Pretty" LEVINE, Abe RELES, "Gangy" C and literally dozens of others. (See the book. "Murder, Inc.")

Jake Rubenstein, alias Ruby, was a two-bit hanger-on in this vicious gang of commercial assassins.

Now consider what would have happened had Oswald not been caught within hours, as he was.

Remember the Birmingham bombing. The perpetrator of this bombing assassination in a church was never discovered. Yet, as we pointed out in the ROCKWELL REPORT for October 1, 1963, the murder of these little colored girls in Sunday school has been universally attributed to evil Southern racists and Communists, ALTHOUGH ANTI-COMMUNIST RACISTS WOULD HAVE ABSOLUTELY NOTHING TO GAIN AS WE POINTED OUT IN THE ROCKWELL REPORT, BY BOMBING LITTLE GIRLS IN SUNDAY SCHOOL. Had it been the work of racist "hate mongers" they would have been much more likely to have bombed Martin Luther King, James Baldwin, or another object of the righteous wrath of good, White, Christian Southern people. THE ONLY GROUP WITH ANYTHING TO GAIN BY BOMBING THOSE LITTLE GIRLS IN CHURCH WERE THE COMMUNISTS AND THEIR "CIVIL RIGHTS" FRONT GROUPS!

The very liberals who are staunchest in their advocacy of civil liberties and their hatred of "lynching" were the most fanatic lynchers of the entire South-- the right-wing anti-Communist movement which was "convicted" without a trial or even a defendant of being "guilty" of the Birmingham bombing.

IF OSWALD HAD NOT BEEN CAUGHT, THE ASSASSINATION OF PRESIDENT KENNEDY WOULD HAVE LED TO THE IMMEDIATE LYNCHING OF THE WHOLE ANTI-COMMUNIST RIGHT-WING!

Can you doubt that?

Even if Oswald had managed to escape detection for only a few weeks, an hysterical hue and cry would have been raised against the "vicious hate mongers" (the anti-Communists) who "shot our beloved President" which would have been more than enough to put out of business and in fear of their very lives even the most timid anti-Communist ladies of the D. A. R.

There is no doubt in my mind whatsoever that, had Oswald not been caught and identified immediately by

the Dallas police, not a stick of our headquarters would have been left standing and I would be either dead, in jail, or hiding from enraged "posses"--lynch mobs violently agitated by every engine of press, TV, magazines, etc.

Instead, when the killer was, by a lucky chance, immediately identified as a COMMUNIST, every force available to the government and the persons of power and influence in America were immediately set to STOPPING any possible public indignation at the Communist killers of the President.

Incredibly, instead of permitting our people to rise up in their righteous wrath and strike down once and for all the very REAL "hate"--the filthy COMMUNIST hate which killed the President, our leaders, from the new President and the Chief Justice of the Supreme Court on down, did their level best to turn the wrath of outraged and frustrated America against ANTI-Communists!

In a last desperate effort by the Jews to use the assassination to lynch anti-Communist patriots, a New York Jew named Stephen Harris Landeberg rushed to the FBI and told the agents that he and a man from Greenwich Village used to go to leftist and Communist meetings with Lee Oswald where Oswald and these Jews would then attempt to disrupt the Red meetings--the clear implication being that Oswald was a secret "hate-mongering right-winger". Later, the FBI revealed that this Jew had lied and has indicted him for attempting to pervert the processes of justice.

THE FBI HAS identified this man as STEPHEN HARRIS LANDEBERG of New York, whom FBI agents arrested for allegedly giving them false information that kept them looking for a non-existent associate of Harvey Lee Oswald, accused assassin of President Kennedy.

the hands of a man killed by a man going to the office at work

Not only that, but there were two investigations launched which had a good chance of bringing into the open and into the consciousness of Americans, the nightmare menace of which Oswald was an arm. Senator Eastland in Washington, and the State of Texas began inquiries which I was sure would result in a long overdue national clean-up campaign against the Red octopus in America which produced assassin Oswald.

Reacting to this possibility, the new President appointed an unprecedented Commission, headed by the anti-Communist "haters" whom he accused of being responsible for the President's assassination. Tremendous pressure was brought to bear on Eastland and on the State of Texas to drop their investigations--WHICH THEY HAVE DONE! The man who stood up in the rotunda of the Capitol by Kennedy's bier and placed the

blame for the President's assassination on the "hate" (the anti-Communists) will now "judge" the facts.

Can there be any doubt about his "findings"?

UNLESS WE CAN STIR UP A HORNET'S

NEST OF PROTEST, The Warren Whitewash Commission will serve only to reinforce what Warren has already blessed out at America with such venom, -that the President was killed by ANTI-COMMUNIST "hate"

Unless WE ALL raise a storm, and keep it up, we will NEVER know the FACTS about Mrs. Paine, who was on the INSIDE with the Oswalds every step of the filthy way. We will never know why Oswald was officially denied Soviet citizenship in Russia, AND THEN ALLOWED TO TRAVEL FREELY THERE, -AN UNHEARD-OF PRIVILEGE. We will never know why Oswald was allowed by the Soviets to get a JOB and the sacred "rabochaya knishka" - the all-important work-permit which is hard even for GOOD Russians to get, let alone Trotskyites who are officially declared "enemies of the state", as was Oswald. We will never know why he was permitted to marry a Russian girl, who would have instantly dropped Oswald like a hot potatoe at one word from the KGB (State Security Police). We will never know how come Oswald's wife, a highly skilled Pharmacist in a country starved for such workers, was allowed to LEAVE Russia with NO TROUBLE whatsoever. We shall never know if Oswald attended the Soviet assassination school in Kiev.

Above all, we will never know the FACTS about that ubiquitous Mrs. PAINE. What was her record at Antioch College and University of Pennsylvania where she was a Unitarian and Russian student? (For the uninitiated reader, the Unitarian "Church" where one can join even as a professed atheist, is the center for "liberals" Russia-lovers, reds, Trotskyites, Jews, race-mixers, etc in every community.) We are too poor to do much, but I have already ordered every person in the areas concerned to dig as hard as possible into Mrs. Paine's RECORD. Have you notice that, with pictures of EVERYBODY else involved all over the papers, there has not been ONE PICTURE, at least in any of the thousands of papers we've seen, of MRS. PAINE? Does it not seem likely that people might RECOGNIZE such a picture of Mrs. Paine and reveal her "peace"-marching activities, race-mixing marches, red "work-shops", etc. and blow the lid off this filthy cover-up?

To any American who has been "reached" by the shocking facts herein and who wants to DO something to prevent the cover-up of this filthy Marxist attack on our Country, "ZERO IN" on Mrs. Paine. There's the KEY! In my opinion. We have NO MONEY. But there may be one reader of this piece who does, and who will use it to pay investigators to do what pinky Warren never will. A documented study of Mrs. Paine's record would do more to save America than all the literature and rallies we have held for fifty years. If you live near Yellow Springs, Ohio, where Mrs. Paine

went to college at Antioch, LOOK UP IN OLD NEWS FILES any items about red speeches and activities at Antioch. I'm betting Mrs. Paine was THERE. First, of course, we must find her maiden name. We need a PICTURE of this Russian lover. Readers near University of Pennsylvania can dig into the records there. If we uncover her documented RECORD, and PUBLISH IT, we can FORCE Warren and the State Department gang to stop embarrassing the RED ENEMIES OF AMERICA IN MC COW AND HAVANA, INSTEAD OF COVERING UP THE TRUTH TO AVOID HURTING THEIR DIRTY, COMMUNIST FEELINGS.

I have examined and re-examined, and then again re-examined, every available fact in this atrocious affair.

THERE IS ONLY ONE POSSIBLE LOGICAL EXPLANATION FOR THE WHOLE SERIES OF EVENTS.

THE ASSASSINATION OF PRESIDENT KENNEDY WAS PART OF THE COMMUNIST TERRORISM

WHICH HAS BEEN GOING ON NOW FOR MORE

THEN A HUNDRED YEARS AND IS REACHING A

CLIMAX WITH THE RISE OF CHINESE COMMUNISM

AND CASTRO TERRORISM. AT THE SAME TIME

IT WAS DESIGNED TO DESTROY THE RIGHT-WING

OPPOSITION TO THE COMMUNIST REVOLUTION

IN AMERICA.

IN MORE THAN 100 YEARS, THE COMMUNISTS HAVE NEVER QUIT OR BACKED DOWN.

THEIR TEMPORARY FAILURE IN DALLAS MEANS

ONLY THAT THEY WILL RE-DOUBLE THEIR EFFORTS.

THEY WILL STRIKE AGAIN! AND AGAIN! AND STILL AGAIN!

The days of Communist terror and bloodshed against which the right wing has been so desperately warning America are upon us. Our treasonable or criminally stupid political leaders continue to aid our nation's deadly internal enemies with their revolution and continue to lie about and harass all anti-Communists as "hate mongers".

All of this happened before, just like a movie you have already seen. It happened in Spain. It happened in Russia. It happened in Italy. It happened in Germany.

These fanatic, insane, blood-thirsty Communist murderers, butchers, assassins and tyrants are preparing more of their bloody Birmingham bombings and Dallas assassinations for America even while our officials and press try to drum up lynch mobs against such feeble anti-Communists as we have. In Russia, their "Birch societies", their "D. A. R." and Kosher "conservative" organizations and their veterans' "patriot" societies were not enough to save the Russian people from capture, slavery and slaughter by the Jewish Communist revolutionaries. In Italy, Germany and Japan, the people themselves produced COUNTER REVOLUTIONARY LEADERS, patriotic anti-Communist fanatics like Hitler and Mussolini. With the help of the Catholic Church, these anti-Communist leaders were able to rise and beat back the Communist enemies of Western Christian civilization. In Spain, with the help of the guts and brave anti-Communist troops of Hitler and Mussolini, Christian General Franco was able to smash the Yiddish "International brigades" of Communism which were led by Bela Kuhn (Benjamin Cohen) who had led the unsuccessful Communist revolution in Hungary after WW I.

The assassination of President Kennedy is smoldering proof that America will not survive much longer if it tolerates the hundreds of thousands of "Oswalds" who are reading their "Das Kapital" Communist "bibles" at this very moment as you read this.

As I dictate this, a whole cache of Castroite terrorist weapons has been uncovered in Venezuela—they are the same kind of ITALIAN RIFLES WHICH KILLED PRESIDENT KENNEDY!

IT IS KILL, OR BE KILLED FOR AMERICA!

These unspeakable Bolshevik assassins have already killed two American presidents, McKinley and Kennedy!

In 1950, with machine guns, Puerto Rican Red terrorists blasted their way into Blair House, across from the White House (where President Truman was living temporarily) and were stopped only seconds before these Reds would have assassinated U. S. President No. 3. The same Red gang slipped into the gallery of the House of Representatives and cut loose with machine guns at the Representatives below in 1954.

The entire record goes to show that they have only begun. There will be more.

I despised John Kennedy, personally, and I especially despised all the un-American things for which he stood. But I would have unhesitatingly given my life to protect THE PRESIDENT OF THE UNITED STATES from assassination, just as I risked my life to protect this country in WW II and Korea.

President Johnson is already exceeding even President Kennedy in betraying the White Race and our Christian Constitutional Republic into the hand of Communistic villains like James Baldwin and Martin Luther King. Nevertheless, I do not want to see the terrorists assassinate one more United States official--let alone our President. (It should be remembered that if I had had my way, the President never COULD have been shot, because Oswald and all like him would have been in their GRAVES as traitors on November 22, 1963.)

AND THE ONLY WAY TO PREVENT THE FURTHER ASSASSINATIONS AND NIGHTMARISH COMMUNIST BLOODSHED AND TERRORISM WHICH

LIES AHEAD IS FOR AMERICA TO WAKE UP, STAND UP AND CLEAN THESE RED RATS OUT OF OUR BELOVED AMERICA.

It is my dearest hope that we can reach enough Americans with the deadly facts contained herein to stop the "black" revolution (a very real Red revolution) and ALL revolution in these United States of America.

After reading and pondering this bloody record of a century of Jewish Marxist terrorism and assassinations, what American will not agree with me that the only way to deal with such criminally insane killers is to KILL THEM--BY LAW!

EXTERMINATE THE RED ASSASSINS!

USE THIS COUPON

Little things can change history

Three cents worth of lead, less than an ounce, brutally fired by one man in Dallas, threw the whole world into an uproar and changed world history forever!

Do you need any more proof of the Immense power of ONE person?

Now world history is being changed by the liars who are parroting the Soviet line that President Kennedy was killed by ANTI-communist "hate". And the same man who has twice, already "pre-judged" the case, Chief Justice Warren, will now formally "judge" what he has already "judged" with such bigoted, anti-anti-communist venom.

Only a public outcry can stop our leaders from officially announcing what the Soviet Union has been screaming, that the killing was the result of ANTI-communist "hatred".

YOU, -yes YOU, -just YOU, one person, can produce that public outcry which will change history forever and start rolling BACK the bloody red tide of Communist revolution!

Just as the tiny bullet in Dallas blasted world history apart, you now hold in your hands the deadly "truth-bullet" which has the power to "assassinate" the traitors and liars.

Dear Mr. Murphree:

I deeply appreciate the interest which prompted your letter of December 17th, with enclosure, and want to thank you for your expression of confidence, as well as your thoughtful prayers.

Your concern for the reputation of Texas and for the police authorities in Dallas is certainly understandable and is shared by me. Because of my desire that all the facts be known, I have appointed a Presidential Commission to look into all aspects of the tragic events in Dallas.

With regard to the actions of the FBI and the Secret Service in Dallas, they have specific responsibilities defined by Federal statutes and Executive Orders. They cannot lawfully exceed the authority granted them. For this reason these agencies could not "take over" from the Dallas Police Department which was handling a criminal matter within its jurisdiction. Under existing legislation neither of these Federal agencies had lawful authority to have custody of or to participate in guarding and transporting Lee Harvey Oswald.

In accordance with my instructions, the FBI is thoroughly investigating and has submitted its initial report to the Presidential Commission. The FBI has continually promptly advised the Secret Service of all information in its possession indicating a potential danger to the President of the United States or his family. The data the FBI had prior to November 22nd regarding Oswald gave absolutely no clue that he was a potential assassin.

Mr. M. M. "Pat" Murphree

Every resource is being used to resolve all possible ramifications relating to the assassination of President Kennedy and the murder of Oswald. I have instructed the Commission to submit its findings as promptly as possible. When it has completed its study of all available information, I will make the results public and let the facts speak for themselves.

It was very thoughtful of you to consider sending me a plan for the future advancement of the Democratic Party and I look forward to receiving it.

Sincerely yours,

(For President Johnson's Signature)

This proposed letter for the President's signature is OK, if the President will buy it. However, the last two sentences on page one constitute a clean bill of health for the FBI, which the President may regard as a proper function for the Presidential Commission, following its study of the assassination and the subsequent murder of Oswald.

The President may feel that we are putting him on the spot by including these two sentences, even though we regard them as truthful and accurate.
