SAC LETTER NO 64-23

(B) MRS MARK E. MARTIN, AKA - SHIRLEY MARTIN - BOX 566, HOMINY, OKLAHOMA - INFORMATION CONCERNING -- Mrs. Martin is currently engaged in a campaign of disseminating to FBI Offices, Federal agencies members of Congress and other prominent individuals, communications apparently authored by her. These communications relate to the assassination of President John Fitzgerald Kennedy and are critical of the FBI. She reportedly is conducting her own investigation of the assassination which has included telephonic and personal interviews of principals connected with this investigation.

Mrs. Martin has been previously interviewed and exhibited an insulting, argumentative and antagonistic attitude toward the FBI and its personnel. She recently contacted one of our Southwest offices by telephone and although identifying herself, endeavored to elicit information pertinent to the assassination by using the pretext of belonging to a ladies garden club. Two days later this office received a communication which in effect was a transcript of Mrs. Martin's telephone conversation with our Agent.

It would appear Mrs. Martin is endeavoring to embarrass the FBI and may possibly telephone your office under pretext. You should be extremely circumspect in any dealings with her and be particularly alert to the possibility she may be recording your conversation. Any contacts with Mrs. Martin or pertinent data developed relating to her should be promptly furnished to the Bureau marked for the attention of the Crime Records Division. Letters from Mrs. Martin are not being acknowledged by the Bureau.

Very truly yours,

The following is submitted pursuant to a request of the President's Commission to obtain the originals or photographic copies of all documents relating to K 1 (C 10) as well as a 6.5 Italian carbine rifle bearing Serial Number 2766 which was included in a shipment of 6.5 Italian carbine rifles made on July 5, 1962, from Century Arms, Incorporated, of St. Albans, Vermont, to Aldens of Chicago, Illinois:

RE: 6.5 M/M Mannlicher-Carcano  
Italian Military Rifle,  
Model 91/38, Serial Number C2766  
(Exhibit C 17, also identified as K 1)

Mr. Louis Feldsott, President, Crescent Firearms, Incorporated, 2 West 37th Street, New York, New York, advised his company was organized to handle importation of foreign surplus rifles, especially those of an Italian origin, and the purchases of these rifles were made by him personally in Italy from the Italian Ministry of Defense.

The guns purchased were packed by a Crescent company agent in Italy in the presence of Italian authorities and at that time the serial number for each rifle was checked. The rifles were packed in cartons of ten each and a Crescent company shipping slip bearing the serial number for each rifle was attached to the outside of each rifle carton. Other copies of the shipping slip bearing the rifle serial numbers were forwarded to the Crescent company in New York City. Adam Consolidated Industries, 404 Fifth Avenue, New York, New York, was the importer of the rifles and stored them in a bonded warehouse upon their arrival in the United States. The rifles were subsequently cleared by Freedman and Slater Company, New York, New York, who are customs brokers.

LEE HARVEY OSWALD

Since the rifles were used and in need of repair, they were subsequently trucked by Mr. Fred Rupp under Crescent company instructions to Perkasio, Pennsylvania, where Rupp serviced the rifles and shipped them to purchasers as directed by the Crescent company.

Office Copy of Ten Shipping  
Slips Reflecting Carton Numbers  
(Exhibit D 173)

Office copy, Crescent Firearms, Incorporated, shipping slip No. 3620 pertaining to carton No. 3376, lists a rifle having Serial Number C2766 as the third gun in the carton. This list was prepared at the time the rifles were packed in Italy.

Bill of Lading Number 18 for  
Motor Ship Elettra Fassio  
(Exhibit D 174)

This Bill of Lading, dated September 29, 1960, pertains to a shipment of 520 cartons of obsolete rifles to Adam Consolidated Industries, Incorporated, 404 Fifth Avenue, New York 18, New York, by S.N.T. Fratelli Gondrand. The rifles are further described as "No. 1700 Mod. 38 Cal. 6.5" and "No. 3500 Mod. 91 Cal. 6.5." The port of loading is indicated as Genoa and the port of discharge is New York. This Bill of Lading contains cartons "3305/3436" among the cartons listed.

Copy of Inventory List Reflecting  
Carton Numbers Attached to Above  
Bill of Lading Number 18  
(Exhibit D 175)

This inventory list indicates carton No. 3376 contains ten serial numbers including "C2766."

**RE: THE PRESIDENT'S COMMISSION**

It is noted that during the discussion today it was brought out that all living occupants of the car in which the President was riding, with the exception of the President's wife, have been interviewed and testimony taken by the Commission. This point obviously was of considerable contention between members of the Commission staff inasmuch as they were constantly making remarks indicating that they were without benefit of possible additional information and felt that this work in Dallas should not proceed until this additional information was obtained or at least an attempt made to interview Mrs. Kennedy.

In the event a request is received from the Commission requesting the Bureau to participate, full consideration will be given and recommendations made.

Klein's Purchase Order for  
One Hundred Rifles Effective  
January 15, 1962  
(Exhibit D 163)

On April 15, 1964, William J. Waldman, Vice President, Klein's Sporting Goods, Incorporated, 4540 West Madison Street, Chicago, Illinois, furnished the following information regarding the above Purchase Order which was directed to Crescent Firearms, 2 West 37th Street, New York, New York: This Purchase Order is the bottom page of a multi-page document containing data from various purchases, and in this case, all relating to Italian Mannlicher Carcano rifles. The center of the page contains a series of vertical columns each bearing the designation "A/R." Mr. WALDMAN noted that on an unused Purchase Order blank, in addition to a bottom page similar to this exhibit, there would be other pages with their leading edges extending to the vertical lines of each of the "A/R" columns. Each subsequent page in the Purchase Order blank would be narrower in width than the succeeding page and as a result would make reference only to one specific vertical column and the data contained thereon.

Mr. Waldman advised the "Effective 1/15/62" appearing on the above exhibit is correct and the date is utilized for administrative purposes only by his firm and indicates when the Purchase Order was first initiated. This date does not indicate in any way the date the order was placed, shipped, billed, or invoiced.

LEE HARVEY OSWALD

- This particular purchase order is only concerned with the column headed by Order No. 1243 dated January 24, 1963, and the vertical line drawn through the column makes reference only to a shipment of 100 of the described rifles which he commented is the shipment containing rifle bearing Serial Number C2766. The figures "200 and 400" in adjoining columns have no reference to the shipment of 100 rifles which contained the rifle having Serial Number C2766. Mr. Waldman advised this purchase order as shown makes reference only to an order and subsequent shipment of 100 Italian Mannlicher-Carcano rifles, Klein's Catalog No. C20-T749. The bottom of the purchase order indicates the shipment of 100 rifles consisting of ten packages was received February 21, 1963, via Lifschultz Freight under Bill of Lading No. 3041342 which weighed 750 pounds. He also noted this form under the columns "Accounting Department" and "Extension" bears Klein's Extension No. 85000 which indicates the receipt of the one hundred rifles was recorded for accounting purposes on February 22, 1963.

Exhibit D 163 was furnished by Mr. Waldman on March 12, 1964.

(Exhibit D 151)

Fred W. Rupp, Rural Free Delivery Two, Mink Road, Perkasio, Pennsylvania, advised he has a subcontract with Crescent Firearms, Incorporated, New York City, to clean various types of Italian-made rifles and he periodically obtained these guns from Harborside Warehouse Terminal, Jersey City, New Jersey. He said his records do not show the serial number of any individual gun handled by him. The only record he has is the carton number record of the cartons he ships from his place of business to various customers designated by Crescent Firearms, Incorporated, New York City. His shipping book reveals that on February 12, 1963, on Crescent Firearms, Incorporated, Order No. 3178, he turned over carton No. 3376 to North Penn Transfer Company, Lansdale, Pennsylvania, for shipment, however, his records do not reflect to whom the shipment was made because the Bill of Lading furnished to him by North Penn Transfer Company was sent to Crescent Firearms, Incorporated, New York City.

(Exhibit D 180)

This document pertains to a shipment from Empire Wholesale Sporting Goods, Limited, Montreal Quebec, consigned to Century Arms, Incorporated, 54 Lake Street, St. Albans, Vermont. The shipment is described as 41 cases of used guns (1300) and "No further use except for ornamental purposes CLASSIFICATION No.: 73080."

Exhibit D 180 was furnished by William Sucher, owner, International Firearms Company, Limited, 1011 Bleury Street, Montreal, Canada.

In connection with efforts to obtain documentary exhibits from Empire Wholesale Sporting Goods, Limited, Montreal, Canada, it was learned the concern is not active. It is operated by a Mr. Itkovitch, a brother-in-law of William Sucher, owner of International Firearms Company, Limited, Montreal, and is reported as probably fully owned by the latter company.

William Sucher on March 12, 1964, advised he has bought hundreds of thousands of rifles overseas as Italian Government surplus and he does not maintain the serial numbers of these rifles. Many were collected from battlefields and places of improper storage and they were in very poor condition. They were usually bought by the

LEE HARVEY OSWALD

pound rather than units. Upon arrival in Canada, defective parts were removed and salable rifles were sometimes composed of parts of three or more weapons. Sucher advised the Mannlicher-Carcano rifle was manufactured in Italy from 1891 until 1941 however in the 1930's Mussolini ordered all arms factories to manufacture the Mannlicher-Carcano rifle. Since many concerns were manufacturing the same weapon, the same serial number appears on weapons manufactured by more than one concern. Some bear a letter prefix and some do not. Sucher stated at times he has prepared a listing of serial numbers of rifles in a given shipment for customs purposes and that listing was thereafter transmitted with the shipment. International Firearms Company, Limited, did not maintain a copy of the serial numbers of the rifles and no such listing is required by law.

Sucher located a record of documents listed as Exhibit D 156 which invoice was paid by Century Arms, Incorporated, on August 6, 1962, and Exhibit D 180. He advised there are no additional records of this shipment in the possession of his company and he is sure the serial numbers of the individual weapons involved were not recorded at the point of shipment as he is certain his purchase was on a per pound basis.

ALLEGATION CONCERNING AMERICAN ARRESTED  
IN MEXICO CITY DURING 1962 VISIT OF  
PRESIDENT KENNEDY TO MEXICO  
(DAVID JOSEPH ST. JACQUES)

BASIS FOR INQUIRY

On November 26, 1963, [REDACTED], Mexicali, Baja California, Mexico, furnished information to the effect that he had learned unofficially through his agency that during the visit of the late President KENNEDY to Mexico in 1962, the [REDACTED] of Mexico City had arrested an American who allegedly was planning the assassination of President KENNEDY in Mexico. [REDACTED] stated he had not learned the name of the above-described American.

ARREST OF DAVID JOSEPH ST. JACQUES IN MEXICO

On December 17, 1963, a confidential source, who requested that his identity not be divulged but who has furnished reliable information in the past and is in a position to be very thoroughly informed with respect to activities of the Mexican police and security agencies in connection with the visit of the late President JOHN F. KENNEDY and Mrs. KENNEDY to Mexico in 1962, advised as follows:

The only American citizen who was arrested in Mexico during the 1962 visit of the KENNEDYS to Mexico and who might be the individual referred to by [REDACTED] is DAVID JOSEPH ST. JACQUES, who was arrested by Mexican authorities on

June 29, 1962, when he endeavored to approach the automobile in which President KENNEDY was riding along Paseo de la Reforma Avenue in the general area of the Mexican Social Security Institute. As the Presidential car approached him, ST. JACQUES stepped in front of the caravan, which did not pause, causing him to step back. As he did so, he was knocked down by an escort officer and was taken into custody and detained at the Ministry of "Gobernacion" (Interior or Government, which also includes the Department of Immigration.)

Licenciado (Attorney) SANTIAGO IBANEZ LLAMAS, Chief of the Mexican Immigration Service Inspection Department, provided the following data with respect to ST. JACQUES:

At the time of his arrest, ST. JACQUES had in his possession three Bibles, a quantity of religious papers and documents, a diary, a notebook, a receipt in the amount of 100 pesos (\$8.00 U. S.) for a gas pellet gun, and miscellaneous papers. He affirmed that his purpose in trying to stop the motorcade was to speak to President KENNEDY concerning the fact that "seven hundred people are dying each day in the United States from hunger and unemployment or from noxious chemical elements which cause cancer with the chemical producing companies doing nothing about them." He did not have the gas projectile gun in his possession and claimed that he had arranged to purchase it because he had intended traveling to Guatemala, which he understood was a "dangerous place." He alleged he had never taken delivery of the weapon.

Included in the notebook of ST. JACQUES were some highly complimentary notations concerning Mrs. BETTY BIVINGS, identified as the executive secretary of the American Benevolent Society in Mexico, which provides assistance to indigent Americans in Mexico City. Upon being interviewed by a confidential source abroad on June 29, 1962, Mrs. BIVINGS related as follows:

BACKGROUND DATA REGARDING ST. JACQUES

ST. JACQUES first appeared in Mexico about three and one-half years earlier and secured a room in the home of a very prominent Mexican family with the surname of AVILA DuCLOUD. She believed this family resided at Calle

Montanas Rocallosas 517, Colonia Lomas Virreyes, Mexico, D. F. (D. F. refers to "Distrito Federal" - Federal District or the Mexican Federal Capital). ST. JACQUES fell deeply in love with a daughter of this family, MARIA PILAR AVILA DuCLOUD; however, the family objected to their marriage and reportedly sent the daughter to a school outside Mexico, possibly in Germany. ST. JACQUES felt that the daughter was sent to Germany because the AVILA DuCLOUD family was closely connected in some way with one General GROETMAN (phonetic) of Mexico, D. F., who was said to be a retired German General who served with the German Army, possibly during World War II.

After the daughter was sent away, ST. JACQUES became very upset and commenced a search throughout Mexico in an effort to ascertain her whereabouts. His efforts were unsuccessful, and ST. JACQUES went to Tucson, Arizona, where he worked for a time in order to secure funds to continue his search.

ST. JACQUES returned to Mexico, D. F. and continued his efforts to ascertain the whereabouts of MARIA AVILA, but was unsuccessful.

It was the opinion of Mrs. BIVINGS that ST. JACQUES was an extreme "paranoid" and had a fixation involving the location of his girl friend. It was her opinion that ST. JACQUES was definitely in need of psychiatric treatment, although she believed him to be harmless. She expressed the opinion that he would not intend any action against the President of the United States. She also believed ST. JACQUES had undergone psychiatric treatment in the past. As an example of his unusual behavior, Mrs. BIVINGS related that ST. JACQUES claimed he had entered into a pact with his girl friend not to shave until she should reach the age of twenty-one, when she would inherit a large sum of money and be free to marry ST. JACQUES. Mrs. BIVINGS had noted that ST. JACQUES' mental condition had become progressively worse during the previous two years.

Mrs. BIVINGS stated she was surprised to learn that ST. JACQUES was still in Mexico, D. F., because he had told

~~SECRET~~

ber he had given up his apartment in Mexico, D. F., about two weeks earlier, in order to go to the State of Guerrero to instruct illiterate Indians in a school operated by a religious order.

Mrs. BIVINGS indicated that she knew very little about the background of ST. JACQUES, other than that he had stated his mother resided in a small town in Texas. (It is to be noted that ST. JACQUES stated to interviewing officers of the Ministry of "Gobernacion" that his father was dead and that his mother resided in Queens, New York, New York, and was sending him a weekly payment of \$10.00 U. S.)

On June 29, 1962, information was received to the effect that in 1949 one DAVID ST. JACQUES appeared at the New York Office of the Federal Bureau of Investigation and complained that he was being bothered by sonar devices. The conclusion was reached at that time that the complaining individual might be mentally unbalanced.

Licenciado SANTIAGO IBANEZ LLAMAS advised on July 3, 1962, that on that date DAVID JOSEPH ST. JACQUES had been deported from Mexico by the Mexican Immigration Inspection Department, having been embarked at the Mexico City Central Airport on a direct airline flight to San Antonio, Texas.

On July 9, 1962, the identification record for DAVID J. ST. JACQUES, who also had used the name of DAVID JOSEPH ST. JAMES, under FBI No. [REDACTED], was received, with the following information listed thereon.
