JOE BROWDER WILLIAMS, 8053 East Avon Lane, <sup>LA,</sup> Lincoln, Nebraska, self-employed Research Consultant, advised on August 25, 1963, he was in New Orleans for two and one-half weeks in August, 1963, directing a state-wide political survey for the Opinion Research Corporation, Princeton, New Jersey. He lived at the Hilton Inn, near the airport. During the period of time between August 18, 1963 and August 22, 1963, probably the afternoon of August 19, 1963, he took a cab at a cab stand across Canal Street and near the State Employment Service Building. The cab may have been black and white. The cab was driven by a man in his 50's; medium build; 5'10 or 11"; brown-gray speckled hair. He wore glasses and no hat. WILLIAMS cannot further describe the driver of the cab. The driver was friendly and also quite profane. The driver remarked he did not like trips to the airport as he had to "deadhead" back.

WILLIAMS, as is a custom, asked the driver some of the questions on the KENNEDY Poll. The cab driver made the following remarks in essence: "I'll bet you most people will tell you what we think of the S-O-B down here." (Meaning President KENNEDY). "I'll bet you find out one thing, they hate that brother of his worse than they do KENNEDY." (Referring to ROBERT KENNEDY). He then referred to "BOBBY" KENNEDY with profanity. The driver mentioned that he, the driver, was a member of the White Citizens Council and had been to a meeting either one or two nights before. He then said, "We are going to kill that little S-O-B." He spoke of the hatred of KENNEDY by his group and stated that "they have already drawn straws to see who would get him and they will take care of him like they took care of HUEY LONG." <sup>LA,</sup>

<sup>DL</sup> The driver made numerous references to the KENNEDYs' Civil Rights Program and referred to them as "Nigger lovers".

WILLIAMS stated he did not think too much of the remarks at the time as he believed the driver to be either

telling untruths or, if he was telling the truth to a stranger, he felt that law enforcement agencies must know of plans or activities of the group. He did not recall the incident until the evening of November 24, 1963; when he felt he should probably report the incident. He was unable to supply additional information, description or statements by the cab driver. He does not know if he would recall this driver from photographs.

Re: MAJOR JOHN S. WYLLIE;  
GEORGE PATRICK WYLLIE

KX 89-27  
DL 89-43

Mr. J. LEE HANKIN, General Counsel, President's Commission on the Assassination of President Kennedy, Washington, D.C., requested interview of G. P. WYLLIE and Major JOHN S. WYLLIE to determine if there is any evidence to support the claims made by G. P. WYLLIE in a letter to the President's Commission dated January 4, 1964.

In this letter, Mr. WYLLIE alleged that the Texas gamblers, who were being investigated by General EDWIN A. WALKER TEX and Governor JOHN B. CONNALLY, knew that they could not openly and obviously murder Governor JOHN B. CONNALLY, as this would spell the doom of their enterprises. Mr. WYLLIE further alleged they tried to kill General Walker in order to scare Governor CONNALLY, when he was with President KENNEDY, and make it look like a mistake, but "the mistake happened in reverse". In this letter Mr. WYLLIE further alleged JACK RUBY was acquainted with a deceased Cleveland, Tennessee gambler, "CUE" HOOPER and they had met in Chicago. According to Mr. WYLLIE, his brother, Major JOHN S. WYLLIE, while on leave last month said "OSWALD was after CONNALLY".

The following investigation was conducted by Special Agent FRANK W. MORRIS:

3/17/64 1937

Mr. GEORGE FAIRICK WYLLIE, a white male, age 27, was interviewed at the home of his parents, 863 Main Avenue, Cleveland, Tennessee on January 21, 1964. Mr. WYLLIE advised he was not employed, has had no gainful employment and was engaged at the present time in completing his education along "scientific lines". He did not explain what was included in this education.

PHI  
WYLLIE  
Mr. WYLLIE advised he had no information that General EDWIN A. WALKER and Governor JOHN B. CONNALLY of Texas were investigating gamblers in Texas. He said he had reasoned this was so because both men were shot at by snipers. It was his reasoning alone which told him gamblers had first attempted to kill General WALKER in order to frighten Governor CONNALLY. His reasoning also told him the sniper, who shot and killed President JOHN F. KENNEDY, had actually been trying to kill Governor CONNALLY.

KX 89-27  
DL 89-43

CLEVELAND, TENN. DECEASED  
Mr. WYLLIE said he had heard from his sister-in-law, Mrs. RUTH WYLLIE, 1923 Harle Avenue, that JAMES PAUL "CUE" HOOPER had been acquainted with JACK RUBY. He stated "CUE" HOOPER was a ILL ILL TEX Cleveland, Tennessee, night club operator and gambler, who had been killed by his son about three years ago.

Mr. WYLLIE stated he had no knowledge of any connection between JACK RUBY and LEE HARVEY OSWALD. He had no information to furnish concerning the assassination of President KENNEDY, the shooting of Governor CONNALLY, or the killing of LEE HARVEY OSWALD. He did not give any reason for writing this letter.

CLEVELAND, TENN.  
Mr. CLEMENT A. WYLLIE, 863 Harle Avenue, father of Mr. GEORGE PATRICK WYLLIE, said his son was very interested in "politics," but was not interested in anything else. Mr. WYLLIE stated his son had been engaged for a considerable time in writing letters to Washington, D. C., but he did not know the identities of the addressees of these letters and he did not know the subject matter of any of these letters.

Mrs. RUTH WYLLIE, 1923 Harle Avenue, Cleveland, Tennessee, sister-in-law of Mr. GEORGE PATRICK WYLLIE, advised she worked evenings as a waitress at the bar of the Cleveland, Tennessee, Country Club. On the Sunday evening when the shooting of LEE HARVEY OSWALD appeared on television, LARRY HOOPER, whom she described as no relation of "CUE" HOOPER and who was then present at the bar of the country club, stated he understood "CUE" HOOPER had met JACK RUBY at Chicago or New York. Mrs. WYLLIE stated she had no other information and further stated she was sure LARRY HOOPER had no information of value in connection with LEE HARVEY OSWALD or JACK RUBY. TENN

Mrs. WYLLIE further advised Mr. GEORGE PATRICK WYLLIE, her brother-in-law, was 27 years old, had never worked, but "laid around home all the time." According to Mrs. WYLLIE, he subscribed to numerous drawing courses and draws pictures at home all day.

Mr. LARRY HOOPER was interviewed at the residence of his grandfather at Hopewell, Tennessee, on January 23, 1964. He said he had no knowledge of any contact between JACK RUBY and "CUE" HOOPER. He stated he had heard his father, BRACKETT

KX 89-27  
DL 89-43

HOOPER, make a remark that "CUE" HOOPER had been in contact with JACK RUBY at Dallas, Texas several years ago.

Mr. BRACKETT HOOPER, 207 Country Club Drive, Cleveland, Tennessee, was interviewed at the Chattanooga, Tennessee Stockyards on January 23, 1964. Mr. HOOPER said he had learned from BEN BURNS, whom he described as a Cleveland, Tennessee drunk and frequently an inmate at Cleveland City Jail, that "CUE" HOOPER had frequented JACK RUBY's night club at Dallas, Texas, several years ago, and BEN BURNS and HAZEL BRADLEY were there with him. Mr. BRACKETT HOOPER stated his father was a first cousin to "CUE" HOOPER's father.

Mr. BEN BURNS, Cleveland, Tennessee City Jail, said he had been at Dallas, Texas with "CUE" HOOPER and HAZEL BRADLEY from January, 1956 to March, 1956 and "CUE" HOOPER and Mrs. BRADLEY had stayed at Dallas until April, 1956 at which time they returned to Cleveland. Mr. BURNS stated he and "CUE" HOOPER had frequently visited a small bar two or three blocks from the Dallas, Texas Police Department. Mr. BURNS advised he had asked someone whose name he never knew, the name of the bartender at this bar. Mr. BURNS said this person told him the bartender was JACK RUBY and that RUBY owned a large night club in Dallas.

Mr. BURNS further advised he had no other information concerning JACK RUBY. Mr. BURNS also stated he had made a remark at the Cleveland City Jail several days after LEE HARVEY OSWALD was shot by JACK RUBY to the effect that "CUE" HOOPER had known JACK RUBY at Dallas, although he knew this was not true.

Mr. BURNS also voluntarily related he had been arrested on numerous occasions in Cleveland, Tennessee for drunkenness and he had no permanent home address.

Mrs. HAZEL BRADLEY, Circulation Department, Cleveland Daily Banner, Cleveland, Tennessee, on January 22, 1964 advised she and "CUE" HOOPER had gone to Dallas, Texas, in 1957 and were there for several months. She said while in Texas Mr. HOOPER had not engaged in any night club activities and had not engaged in any gambling activities. She stated they were there for the purpose of trying to introduce coupon books among the laundries

KX 89-27  
DL 89-43

at Dallas. Mrs. BRADLEY advised that the only person she specifically recalled having been in touch with in this activity was a police lieutenant who had an interest in the Blue Bonnet Cleaners at Dallas.

She further stated she had never met JACK RUBY and had never heard HOOPER mention him by name. She said if HOOPER had any contact with RUBY she was unaware of it. The only prior recollection she had of JACK RUBY was that she seemed to recall his name had been mentioned in connection with publicity about a strip-teaser, CANDY BARR. She advised that she had no information or knowledge concerning the shooting of President KENNEDY at Dallas in November, 1963.

 Major JOHN S. WYLLIE, ASN 0946715, is Senior Unit Advisor (SUA) of the U. S. Army Reserve Center, 12th and Bern Streets, Reading, Pa., which is the meeting place of approximately 15 local Army Reserve Units. Major WYLLIE on January 20, 1964, advised that his home was originally in Cleveland, Tenn. His mother still lives there, and he visited her a couple of weeks before Christmas 1963. He has a young brother, GEORGE PATRICK WYLLIE, who resides at home. The Major said he did not see his brother, "PAT," on his last trip home; however, this was just a few days after the assassination of President KENNEDY in Dallas and "Naturally, everybody was talking about." Major WYLLIE said that he had been stationed in the Canal Zone when during 1963 President KENNEDY made a trip there and WYLLIE had been part of the Army Security Guard at that time.

Major WYLLIE said he personally has no first hand information of any sort about the assassination of the President or any of the following events. He did say that the papers had been full of articles and some speculated as to the fact that OSWALD might have been trying to kill Governor CONNALLY, because CONNALLY had been Secretary of the Navy when OSWALD tried to get an honorable discharge. Major WYLLIE may have said to his mother that "no one knows for sure who OSWALD wanted to kill."

Major WYLLIE was stationed at Fort Hood, Texas, from September 1961 to September 1962 but related that he spent 99 per cent of his time on the base and denied that he had related any information about gambling operations in that area to any of his superiors or even learned of any such operations.

According to Major WYLLIE, "CUE" HOOPER was a "local character" in Cleveland, Tenn. HOOPER was rumored to be a gambler and bootlegger and was said to have killed at least one man personally and numerous others through his rotten bootleg whiskey. CUE HOOPER was murdered by his own son about seven or eight years ago.

on 1/20/64 at Reading, Pa. File # Philadelphia 157-916  
 by Special Agent WILLIAM EDWARD DAVIS/JLB Date dictated 5/11/64

Major WYLLIE stated that his brother PAT is about 27 or 28 years old. PAT does not and never did work and has more or less been "babied" by their mother. PAT has never been institutionalized and graduated from high school but is "odd" in the major's opinion. He reads a good deal and on the last occasion when Major WYLLIE was home, PAT locked himself in his room and refused to come out whenever the major was around. PAT was also rejected from military service on some doctor's recommendation, but WYLLIE does not know any of the details on this. He could furnish no further information in this matter.

The above indicated corrections have been made to Bureau copies of rerep. The Bureau wishes to reiterate that information previously furnished to the President's Commission need not be incorporated in subsequent reports in this matter. For example, the information contained in pages 306 to 312 is based on a specific request of the President's Commission and

RE: ASSASSINATION OF PRESIDENT KENNEDY

was previously furnished to the Commission by the Bureau. Such duplicate reporting requires close scrutiny to insure it agrees with previous information furnished the Commission and also requires additional administrative handling by your office.

In reproducing letters received by your office or the Bureau in report form, it suffices to place quotation marks preceding each paragraph and at the conclusion of the letter. Any mistakes appearing therein are presumed to have been made by the writer. However, when you specifically call attention to these errors by underscoring, you then are responsible for detecting all errors including grammatical, spelling, etc., otherwise, undetected errors will be presumed to have been made by the FBI. This is being pointed out inasmuch as several letters reproduced by you contained undetected errors which were not underscored. It is suggested in the future, you merely quote each paragraph of letters reproduced and omit underscoring.

Any additional corrections detected by your office should be immediately furnished to the Bureau by teletype. It is anticipated this report will be disseminated Friday, 6-26-64, and therefore, any additional corrections must be at the Bureau on or before Thursday noon 6-25-64.

Note for Files and Communications Division, Consolidation Unit

The four copies of rerep held in room 5730 have been appropriately corrected. These copies are to be disseminated outside of the Bureau. The remaining six copies, including the original, should be corrected as indicated in this communication. Please handle.

NOTE:

The above 340 page report is the fourth such report received at the Bureau containing the results of investigation relative to allegations against persons other than Lee Harvey Oswald since the assassination. The information relates to remarks allegedly made by various persons relative to their feelings about President Kennedy, other officials and the policies of the administration. Two copies of this report will be disseminated to the President's Commission and one copy will be furnished to the Department and Secret Service.
