"I, Spaulden Earnest Jones, make the following statement to Thomas T. Trettie, Jr., who has identified himself as a Special Agent of the Federal Bureau of Investigation. I am a white male and was born on 1-22-24. I reside at 7723 Deer Trail, Dallas, Texas.

"When President John F. Kennedy was shot on 11-22-63 I was having lunch at the Blue Front Restaurant, 1105 Elm Street, Dallas, with one of my sales representatives, Herbert Junker. I am the manager of the Macmillan Company, with offices at the Texas School Book Depository Building, and was so employed on 11-22-63. Mr. Junker and I left the Texas School Book Depository Building about 12:00 noon for lunch and planned to see part of the parade. We were sitting at a table in the Blue Front waiting for our order when the owner told us the President had been shot. I have seen photographs of Lee Harvey Oswald and to the best of my knowledge he was not at the Blue Front Restaurant where I had lunch on 11-22-63.

"I cannot recall seeing any person in the Texas School Book Depository Building, on the morning of 11-22-63 who was a stranger to me.

"After finishing our lunch Mr. Junker and I returned to the Texas School Book Depository Building. It was then about one o'clock. We were permitted to return to the Macmillan offices where we were questioned by the police. I left the building about 3:30 that afternoon with the other employees.

"To the best of my knowledge I have never met Lee Harvey Oswald at the Texas School Book Depository Building.

"I am a Caucasian female, born October 16, 1931, in Sioux City, Iowa, and presently reside at 825 Arpege Circle, Dallas, Texas.

"I am presently employed as a clerk-typist by McGraw-Hill Publishing Company, third floor of the Texas School Book Depository, 411 Elm Street, Dallas, Texas, and was so employed on November 22, 1963.

"I recall that on the afternoon of November 22, 1963, I left the Depository building at about 12:15 PM in anticipation of viewing the Presidential Motorcade which I knew was scheduled to pass the Depository building. I was accompanied by Mrs. Roberta Farker and Mr. Lloyd Viles, both employees of McGraw-Hill and we took up a position along the parade route which I recall to be about fifteen feet west of the southwest corner of Elm and Houston Streets.

"I recall that moments after the car bearing President John F. Kennedy passed my position, I heard a loud report which I first thought to be a firecracker. Following the second shot, however, I then heard screaming and saw people running and I then believed the reports I had heard were gunfire. Although I was across the street from the Depository building and was looking in the direction of the building as the motorcade passed and following the shots, I did not look up at the building as I had thought the shots came from a westerly direction in the vicinity of the viaduct.

"I recall that, following the shooting, we crossed the street to the Depository building and stood in front of the building listening to radio reports coming over a motorcycle patrolman's police radio. I stayed in the vicinity of the Depository building until about 3:00 PM, and then we entered the building to get our coats and I immediately left the building and went home.

"I, Dorothy Ann Garner, freely furnish the following voluntary statement to Eugene F. Petrakis and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a caucasian female and reside at 911 Royal Street, Forney, Texas. I was born on August 30, 1928, in Grandfield, Oklahoma, and am employed as office supervisor for Scott, Foresman and Company, located on the fourth floor of the Texas School Book Depository building, 411 Elm Street, Dallas, Texas. I have been employed for Scott, Foresman and Company for ten and one-half years.

"On November 22, 1963, at the moment of the assassination of President John F. Kennedy, I was seated at a desk in the fourth floor offices of Scott, Foresman and Company and was watching the Presidential Motorcade through a window located on the south side of the Texas School Book Depository building and I know this window to be the fifth window from the east end of the building. I recall that Mrs. Elsie Dorman was sitting next to me at that time looking out the sixth window and that Victoria Adams and Sandra Styles were both standing next to Mrs. Dorman and myself looking out the fifth and sixth windows. Styles, Adams and Dorman are all likewise employees of Scott, Foresman and Company.

"I recall that moments following the passing of the Presidential car I heard three loud reports which I first thought to be fireworks but only seconds later realized something had happened on the street below although at the time of the shots, the Presidential car was out of view behind a tree. I thought at the time the shots or reports came from a point to the west of the building.

"I do not recall ever having seen Lee Harvey Oswald at any time prior to the assassination of President Kennedy and am positive I did not have occasion to see Oswald on the morning of November 22, 1963. Further I do not recall

"or taking note of any strangers in the Depository building on the morning of November 22, 1963, or at any earlier time.

"Following the shooting of President Kennedy, I remained on the fourth floor of the building in the Scott, Foresman offices until approximately 2:30 PM, November 22, 1963, at which time I and the remaining employees departed the building. I did not return to the building again until Tuesday morning, November 26, 1963.

I recall that Judy McCully, also an employee of Scott, Foresman and Company, was standing by me, I believe, on my left. A moment after the car in which President John F. At first I did not realize that these explosions were gun shots, but when I saw a policeman running in the direction of the President's car I surmised that someone had shot at the President. I did not know from which direction the shots had come, but thought they were from the direction of the viaduct which crosses Elm Street west from where I was standing. "At approximately 12:15 pm on November 22, 1963 I left the Texas School Book Depository building en route to a luncheon engagement in company with Roy S. Truly, Director of Warehouse Personnel at Texas School Book Depository. As Mr. Truly and myself left the building we observed throngs of people lining both sides of Elm Street and recalled the presidential motorcade was scheduled to pass by the building in a few minutes. Mr. Truly and I decided to view the motorcade and took up a position next to the curb on Elm street adjacent to the street signal light. I recall that at the time of the assassination of President John F. Kennedy, Texas School Book Depository employees, Mrs. Bonnie Richey, Mrs. Carolyn Arnold and Mrs. Jeraldean Reid were standing at my elbow and likewise witnessed the assassination.

"I recall that shortly after the car in which the President was riding passed the Texas School Book Depository building I heard shots being fired from a point which I thought was near the railroad tracks located over the viaduct on Elm Street. I definitely did not see Lee Harvey Oswald at that time and in fact had no occasion to look back at the Texas School Book Depository building as I thought the shots had come from the west. I have had occasion to view photographs of Lee Harvey Oswald and to the best of my recollection never saw him while he was employed by the Texas School Book Depository. "I, Mrs. Robert R. (Gloria) Calvery, make the following Voluntary statement to Alfred D. Neeley who has identified himself as a Special Agent of the Federal Bureau of Investigation.

"I am of the Caucasian race, twenty-one years of age and reside at Apt. 120, 1023 Huffwitz Rd., Irving, Texas.

"On November 22, 1963 I left my office, South-Western Publishing Co., Room 203, Texas School Book Depository Building about 11:30 AM to see the Presidential Motorcade which was to pass along Elm Street in front of the building. I was with Mrs. Carol Reed, 6428 Silvery Moon Drive, Dallas, Tex., Mrs. Ksran Hicks, 926 North Marsalis St., Apt N., Dallas, Tex., and Miss Karen Westbrook, 6606 Atha St., Dallas, Tex. We walked to Elm Street and stopped at a point on the north edge of Elm Street about halfway between Houston Street and the Triple Underpass. We were standing at this point when President John F. Kennedy was shot. The car he was in was almost directly in front of where I was standing when I heard the first shot.

"I did not see Lee Harvey Oswald. I do not know Oswald, however, I had seen him in the building. I do not recall seeing any strangers in the building on the morning of November 22, 1963.

"After President Kennedy was shot, I returned to my office. I stayed there a short time then returned to the front entrance of the building. I remained there only two or three minutes and then came back to my office. I left my office for the day at about 1:30 PM and went home.

"I have read this statement consisting of this and two other pages, and it is true.

"I, Mrs. Donald Sam Baker, formerly Miss Virgie Rackley, freely make the following voluntary statement to Eugene F. Petrakis and A. Raymond Switzer who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a caucasian female born on September 7, 1945 at Ennis, Texas and presently reside at 3600 1/2 Live Oak Street, Dallas, Texas. I am employed by the Texas School Book Depository as a clerk and was so employed on November 22, 1963.

"At approximately 12:15 PM on November 22, 1963, I left the second floor of the Texas School Book Depository and went out the south door of the building to watch the Presidential Motorcade which I knew was due to pass at about 12:30 P.M. I was accompanied by Betty Drago, Carolyn Arnold, Judy Johnson and Bonnie Richey all of whom are likewise employed by the Texas School Book Depository. I and the above mentioned girls then stationed ourselves on the edge of the pedestrian parade line at a point approximately thirty feet directly in front of the main entrance to the Depository Building.

"I recall that moments after the Presidential car passed I heard three loud reports which I first thought to be a prankster throwing firecrackers. As soon as we realized shots had been fired at President John F. Kennedy we ran in the direction of the Presidential car, which I estimate to be about fifty yards from where we were standing, but when we got there the Motorcade had already driven away. We stood there for several minutes trying to find out what happened and then returned to the Depository Building entrance. We were told by another building employee that if we went in the building we would not be able to get out again so I did not re-enter the building at that time.

"I recall further that I remained in front of the building until approximately 2:15 P.M. when I left to go to a restaurant. I returned to the Depository Building at approximately 3:00 PM as I had left my coat and purse in the office. I was in the building about ten minutes and determined that Betty Dragoo had already picked them up for me. I left the building after leaving my name with an officer and met my father at 4:00 PM and he drove me home.

"I knew Lee Harvey Oswald only as an employee of the Depository Building, and did not know his name and did not speak to him at any time.

"I do not recall seeing Oswald at any time on November 22, 1963 nor do I recall seeing any strangers in the Depository Building on that morning.

"I, Danny Garcia Arce, make the following statement to Thomas T. Trettis, Jr., who has identified himself as a Special Agent of the Federal Bureau of Investigation.

"I presently reside at 1502 Bennett Avenue, Dallas, Texas. I was born on September 14, 1945, in Dallas, Texas. I am a member of the white race. At present I am employed as an order filler at the Texas School Book Depository Building and was so employed on 11-22-63. When President John F. Kennedy was shot I was standing on the grassy area directly in front of the Depository Building approximately thirty feet from the President's car. However, I could not see the President's car when the shots rang out. To the best of my knowledge there were three shots and they came from the direction of the railroad tracks near the parking lot at the west end of the Depository Building. I was alone when the shots were fired and I did not see Lee Harvey Oswald at that time.

"On the morning of 11-22-63 about forty-five minutes before the arrival of the President's Motorcade I met an elderly white man at the entrance of the building who asked me to direct him to a rest room. I helped this man up the steps of the Depository Building and showed him a public rest room. The man was very old and feeble and could hardly make it up the steps. About five minutes later I saw this man leave the building and enter an old Buick automobile with three elderly white women. The Buick then drove north on the service street in front of the Texas School Book Depository Building, made a right turn on Elm Street, and drove west through the underpass. I would describe this man as a white male, approximately 80 years old, white hair, and wearing a brown suit and light colored western-style hat. He had a thin build and was about five feet nine inches in height. I never saw this man before 11-22-63 and have never seen him since that day.

"After the President was shot I entered the Texas School Book Depository Building and we were questioned by some Dallas police officers. At about one o'clock in the afternoon

"I, Victoria Elizabeth Adams, freely make the following voluntary statement to Eugene F. Petrakis and A. Raymond Skitzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am a Caucasian female, born February 8, 1941 at San Francisco, California and I presently reside at 4906 Wenonah, Dallas, Texas. I am employed as an Office Service Representative by Scott, Foresman and Company, Room 401, Texas School Book Depository Building, 411 Elm Street, Dallas, Texas and was so employed on November 22, 1963, the day President John F. Kennedy was assassinated.

"On November 22, 1963 at about 12:20 P.M. I was in my office and I went to the sixth window from the left to watch the Presidential Motorcade. Also viewing the parade with me were Elsie Dorman, Sandra Styles and Dorothy Garner, all employees of the Scott, Foresman and Company. I recall that at about 12:30 PM, just after the car carrying President Kennedy had passed on the street below, I heard three loud reports which I first thought were firecrackers. But, when I saw all of the confusion on the street below I knew they must have been shots. After the third shot I observed the car carrying President Kennedy speed away. Sandra Styles and I then ran out of the building via the stairs and went in the direction of the railroad where we had observed other people running. We had not gone far when a Police officer stopped us and instructed us to return to the building, which we did.

"I never knew Lee Harvey Oswald, but I believe I did see him on one occasion in the Depository Building about two weeks before President Kennedy's assassination. I did not see him on the day President Kennedy was assassinated, nor did I observe any strangers in the Texas School Book Depository Building on the morning of November 22, 1963.

"I believe I left the Texas School Book Depository Building between 2:00 PM and 2:30 PM on November 22, 1963 and I went home.
