LEE HARVEY OSWALD

1. QUESTION: Was there any FBI interest in Oswald before the April, 1960 FBI interviews of Mrs. Marguerite Oswald and Robert Oswald? If so, what was the nature and extent of the interest? What initiated the April, 1960 questioning of Mrs. Oswald and Robert Oswald?

ANSWER: Yes. The FBI's first interest in Lee Harvey Oswald arose as a result of a "Washington Capital News Service" release dated October 31, 1959, at Moscow which announced that Oswald, a 20-year-old former United States Marine, advised the United Press International during his press conference in his room at the Metropole Hotel, Moscow, that he had applied to renounce his American citizenship and to become a Soviet citizen for "purely political reasons." He further announced that he would never return to the United States.

We checked our records on October 31, 1959, and determined that our files contained no information identifiable with Oswald other than a service fingerprint card showing his enlistment in the United States Marine Corps (USMC) on October 24, 1956, at Dallas, Texas. On November 2, 1959, we determined through liaison with the United States Navy Department that the files of the Office of Naval Intelligence (ONI) contained no record of Oswald. On the same date, his record at the Headquarters of the USMC disclosed that Oswald had been released to inactive duty on September 11, 1959, with obligated service until December 8, 1962. No derogatory information was contained in the USMC files concerning Oswald, and ONI advised that no action against him was contemplated in this matter. A stop was placed in the files of the Identification Division of the FBI on November 10, 1959, so as to alert us in the event he returned to the United States under a different identity and his fingerprints were received. A file concerning Oswald was prepared and, as communications were received from other United States Government agencies, those communications were placed in his file. Our basic interest was to correlate information concerning him and to evaluate him as a security risk in the event he returned, in view of the possibility of his recruitment by the Soviet intelligence services.

The questioning of Mrs. Marguerite C. Oswald and Robert Oswald in April, 1960, arose as follows: We determined on January 25, 1960, that Mrs. Marguerite C. Oswald had transmitted

the sum of \$35 to Lee Harvey Oswald in care of the Hotel Metropole, Moscow. That information prompted our interview with Robert Oswald and Mary Louise Oswald on April 27, 1960, and April 28, 1960, respectively.

2. QUESTION: At page 31 of the FBI Report on the Investigation of the Assassination of President Kennedy, it is stated that:

"An FBI investigation of Oswald had been instituted on May 31, 1962, so that the FBI would be notified of his re-entry by Immigration authorities. The purpose of this investigation was to determine if Oswald had been recruited by a Soviet intelligence service."

What was the nature of the FBI's investigation prior to May 31, 1962? Why was the investigation to determine if Oswald had been recruited by Soviet intelligence not instituted earlier, since his plans to return to the United States were known much earlier than May 31, 1962. (According to the report of SA Fain of July 3, 1961, page 10, the files of the State Department Passport Office were reviewed on May 9, 1961, and revealed Oswald's correspondence with the U. S. Embassy in Moscow regarding his desire to return to the United States.)

ANSWER: Prior to May 31, 1962, our investigation involved the development of background information concerning Lee Harvey Oswald and the taking of appropriate steps to insure our being advised of his return to the United States. Such steps included the placing of a stop in our Identification Division records on October 10, 1959, inquiry through liaison channels in October, 1960, at the Albert Schweitzer College in Switzerland, the periodic inquiry of State Department and relatives concerning the status of his efforts to return to the United States. Our inquiries at the Department included inquiries on May 9, 1961, August 22, 1961, January 29, 1962, February 28, 1962, March 27, 1962, and May 5, 1962. On May 17, 1962, the State Department furnished information indicating that Oswald was returning to the United States and based upon that information, on May 31, 1962, a communication was directed by FBI Headquarters to the Dallas Office instructing that Oswald be interviewed upon his return. Other than these steps, until his return to the United States, there was no practical investigation which could have been initiated to determine if Oswald had been recruited.

3. QUESTION: Since the State Department advised the FBI on June 4, 1962 of Oswald's scheduled return, why did the FBI apparently wait until June 22, nine days after arrival, to check on his arrival? Why did the FBI not interview Oswald upon his arrival?

ANSWER: We did not wait until June 22, 1962, to check on Oswald's arrival. A news clipping on June 9, 1962, indicated that Oswald was on his way back to the United States and on June 12, 1962, our New York Office confirmed with the Immigration and Naturalization Service (INS) that Oswald's name was on the Advanced Manifest for the SS. "Maasdam." Our New York Office subsequently verified with INS the arrival of Oswald, his wife and daughter and determined that they were destined for 7313 Davenport Street, Fort Worth, Texas. The New York Office also determined that INS Inspector Frederick J. Wiedersheim interviewed Oswald upon his arrival in the United States. Oswald told Wiedersheim that he had been employed as a mechanic in Russia, had threatened to renounce his United States citizenship but had never carried out the threat, had never voted in Russia and had not held any position in the Soviet Government.

He was not interviewed by the FBI on his arrival in the United States, since the FBI preferred to interview him after he had established residence, and instructions had been issued to our Dallas Office on May 31, 1962, to this effect.

4. QUESTION: Did the FBI learn of Oswald's return to Fort Worth from his sister-in-law, Mrs. Robert Oswald (who advised on June 26, 1962 that he had arrived in Fort Worth on June 14), or was this information developed independently, and if so, in what way? Was Oswald placed under surveillance upon his arrival in New York, or was the first FBI contact the interview with him on June 26, 1962?

ANSWER: INS advised our New York Office on June 22, 1962, of Oswald's destination as 7313 Davenport Street, Fort Worth, Texas. On May 18, 1962, Mrs. Robert Oswald was interviewed and she promised to advise FBI Agents at Fort Worth immediately upon the arrival of Lee Harvey Oswald in Fort Worth. As Mrs. Robert Oswald did not notify the Agents, she was reinterviewed on June 26, 1962, at which time she advised that Lee Harvey Oswald, his wife and child had arrived in Fort Worth on June 14, 1962, and were currently residing at her address. He was not placed under surveillance upon his arrival in New York as such action was considered undesirable and unnecessary. Our first contact with him was on June 26, 1962.

Commission Exhibit No. 833

5. QUESTION: What was the FBI evaluation of Oswald as a result of the June 26, 1962, interview?

ANSWER: The report of SA John M. Fain dated July 10, 1962, describes reported the results of the interview of Oswald on June 26, 1962, by SAs Fain and B. Tom Courtney. According to that report, Oswald exhibited an evasive and arrogant attitude and when questioned as to why he made the trip to Russia, Oswald stated he did not care to "relive the past." Oswald did agree to promptly contact the FBI should he be contacted in the future under suspicious circumstances by representatives of Soviet intelligence. SA Fain described Oswald as being generally uncooperative, but said this interview developed no indications that Oswald represented any potential for acts of violence.

6. QUESTION: Why was Oswald interviewed so soon thereafter on August 14, 1962? What was the FBI evaluation of Oswald as a result of this interview? Where was this interview held, how long did it take, and was there anything remarkable about Oswald's conduct during the course of the interview?

ANSWER: The second interview of Oswald was conducted by SAs John M. Fain and Arnold J. Brown on August 14, 1962. The results of this interview are contained in the report of SA Fain dated August 23, 1962, at Dallas. This interview was in the nature of a follow-up interview to determine Oswald's employment, to again alert him to our interest should he be recontacted by the Soviets and to further evaluate whether or not he represented a security risk to the internal security of the United States. No information was developed during that interview to indicate he constituted a potential threat to the personal safety of the President or to anyone else. This interview was conducted in secure surroundings in an FBI automobile in the vicinity of Oswald's residence (at that time 2608 Mercedes, Fort Worth, Texas). This interview lasted from approximately 4:45 p.m. to 6 p.m. and Fain and Brown have advised that they noted nothing unusual about Oswald's demeanor during this interview. Brown's recollection of the interview is that Oswald seemed a little evasive but was not belligerent or antagonistic and he gave no indication of being dangerous. Fain recalled that Oswald, during the interview, continued to play down the possibility that the Soviets were interested in contacting him but agreed to contact the FBI should the Soviets initiate contact with him in the future.

Commission Exhibit No. 833

7. QUESTION: The Retail Merchants' Credit Association of Fort Worth has stated that the FBI inquired about Oswald on February 27, 1961, and again on February 7, 1962. If these inquiries took place, why are they not mentioned in the FBI reports for the period involved?

ANSWER: Inquiries were made at the Retail Merchants' Credit Association of Fort Worth on February 27, 1961 (not February 27, 1962) and again on February 7, 1962. The purpose of these contacts was to obtain background data for leads concerning Oswald. Since both inquiries determined there was no record, these contacts were not considered pertinent for inclusion in an investigative report.

8. QUESTION: The report of SA Zosty of September 10, 1963, contains the following item:

"On April 23, 1963 Dallas confidential informant T-2 advised that J. W. CANNON of Dallas, Texas, was in contact with the Fair Play for Cuba Committee in New York City at which time he advised that he passed out pamphlets for the Fair Play for Cuba Committee. According to T-2, CANNON had a blackard around his neck reading, 'Hands Off Cuba Viva Fidel'."

Is this information correct as of the date indicated, and does it describe activities which occurred before Oswald's move to New Orleans?

ANSWER: Information from our informant, furnished to us on April 23, 1963, was based upon Oswald's own statement contained in an undated letter to the Fair Play for Cuba Committee (FPPC) headquarters in New York City. A copy of this letter is included as exhibit 61 in our Supplemental Report dated January 13, 1964, entitled "Investigation of Assassination of President John F. Kennedy, November 22, 1963."

Our informant did not know Oswald personally and could furnish no further information. Our investigation had not disclosed such activity on Oswald's part prior to this type of activity in New Orleans.

9. QUESTION: How and when did the FBI learn of Oswald's move to New Orleans?

**ANSWER:** A confidential source advised our New York Office on June 26, 1963, that one Lee H. Oswald, Post Office Box 30001, New Orleans, Louisiana, had directed a letter to "The Worker," New York City. Our New Orleans Office checked this post office box and determined it was rented to L. H. Oswald on June 3, 1963, residence 657 French Street, New Orleans. This was an incorrect address and further inquiries showed Oswald was residing at 4905 Magazine Street, New Orleans. Oswald's residence in New Orleans was verified on August 5, 1963, by Mrs. Jessie James Cooper, 4509 Magazine Street, New Orleans. On the same date his employment at the Willard B. Reilly Coffee Company, 640 Magazine Street, New Orleans, was determined.

**10. QUESTION:** What prompted the New Orleans FBI Office inquiry into Oswald's activities, which inquiry appears to have begun at least as early as June 23, 1963? (See report of SA Kaack, October 31, 1963, page 3.)

**ANSWER:** As indicated above, the information received by the New York Office on June 26, 1963, that one Lee H. Oswald, Post Office Box 30001, New Orleans, Louisiana, had corresponded with "The Worker" was furnished to the New Orleans Office, and this caused that office to make inquiries concerning Oswald.

**11. QUESTION:** Why are items about Oswald's residence and employment in New Orleans set forth in almost identical form in the report of SA Keay of the Dallas FBI Office (September 10, 1963) and the report of SA Kaack of the New Orleans FBI Office (October 31, 1963)? Why is there no other mention in the Keay report of information set forth in the Kaack report under dates earlier than the date of the Keay report, and in several instances under dates earlier than the items about residence and employment that appeared in both reports?

**ANSWER:** Oswald's residence and employment in New Orleans, Louisiana, were verified by the New Orleans Office of the FBI on August 5, 1963, and this information was furnished to the Dallas Office by letter dated August 13, 1963. This data was included in the report of SA James P. Keay, Jr., dated September 10, 1963, to record that Oswald had left the Dallas Office territory and had moved to New Orleans. Since this information was originally developed by the New Orleans Office, when SA Milton R. Kaack submitted his report dated October 31, 1963, at New Orleans, he included that information concerning Oswald's employment and

residence. The additional information reported in SA Kaack's report, developed both prior to and subsequent to SA Fosty's report, was not sent to Dallas inasmuch as the New Orleans Office planned to and did include that information in its report.

12. QUESTION: Did SA Quigley, who interviewed Oswald at the New Orleans jail, or SA Kaack, who prepared a report on Oswald, review earlier FBI reports on Oswald? Were they aware that, contrary to his statement, Oswald had not lived with his mother following discharge from the Marine Corps, but rather had gone to Russia? Were they aware that, contrary to his statement, his wife's maiden name was not "Prossa", and that they had not married in Fort Worth but in Russia?

ANSWER: SA John L. Quigley's interview with Oswald at the New Orleans Police Department jail on August 10, 1963, was based on a telephone call from the police to the effect that Oswald had been arrested for disturbing the peace on August 9, 1963, in distributing FPPC leaflets and that Oswald had requested to see an FBI Agent. SA Quigley listened to what Oswald had to say and made it a matter of record. Quigley had not had an opportunity to review prior interviews and investigation of Oswald. SA Milton R. Kaack, who prepared a report concerning Oswald dated October 31, 1963, did review the results of prior FBI investigation concerning Oswald and he, of course, was aware of the various contradictions in the information furnished by Oswald. In the event the investigation of Oswald warranted a further interview, these discrepancies would have been discussed with him.

13. QUESTION: The information about Oswald's residence and employment in New Orleans is also substantially duplicated in the report of SA De Brueys of October 25, 1963 on the Fair Play for Causse Committee -- New Orleans Division. Why, however, is Mrs. Oswald identified only as "his wife" in the Fosty and Kaack report entries concerning residence information given by Mrs. Jessie Garner while the De Brueys' report identifies her more specifically as "his wife, Marina Nikolaevna Oswald" in the same reference to Mrs. Garner's statement? Was either SA Quigley or SA Kaack aware of this indication that Mrs. Oswald's maiden name was not "Prossa"?

ANSWER: The reports of SA James P. Fosty dated September 10, 1963, SA Milton R. Kaack, dated October 31, 1963, at New Orleans, both captioned "Lee Harvey Oswald" and the report of SA Warren C. De Brueys, dated October 25, 1963, at New Orleans

captioned "Fair Play for Cuba Committee - New Orleans Division" accurately set forth the basic information in this instance and in substance all three reports contain the same information with respect to Oswald's employment and residence. At the time SA John L. Quigley interviewed Lee Harvey Oswald on August 10, 1963, and prepared the results of that interview, he set forth the maiden name of Oswald's wife as it was furnished to him by Oswald. SA Kaack's report dated October 31, 1963, at New Orleans, pages 6 through 10, incorporated the results of SA Quigley's interview of Oswald. Inasmuch as Oswald had furnished Marina's maiden name to SA Quigley as "Possa," it was so recorded in SA Kaack's report. SA De Brueys set forth the full name of Oswald's wife and the other two Agents did not feel it was necessary to do so in the context of their reports.

14. QUESTION: What was the FBI reaction to the advice obtained on August 30, 1963 from Mr. Bill Stuckey that Oswald had told him he had worked and been married in Russia as contrasted with his inconsistent statements to SA Quigley on August 10?

ANSWER: That Oswald's statements to Mr. Stuckey were inconsistent with Oswald's statements to SA John L. Quigley on August 10, 1963, was recognized. These inconsistencies were considered in subsequent investigation. In the event the investigation of Oswald warranted a further interview, these discrepancies could have been discussed with him.

15. QUESTION: The report of SA Quigley of October 31, 1963 states that on August 22, 1963 Radio Station WDSU made available a transcript of the radio broadcast in which Oswald participated on August 21, 1963. Why does the report of SA De Brueys of October 25, 1963 not include this item, but state instead that on September 12, 1963 a confidential informant made available a transcript of the same radio broadcast?

ANSWER: Concerning your reference to the report of SA Quigley of October 31, 1963, it is assumed you have reference to the report of SA Milton R. Kaack dated October 31, 1963, at New Orleans concerning Lee Harvey Oswald. Page 11 of that report stated that on August 22, 1963 Mrs. Jeanne Rodgers, Secretary to the Manager, Radio Station WDSU, New Orleans, Louisiana, had made available a transcript of a radio broadcast. Page 12 of the report of SA Warren C. De Brueys dated October 25, 1963, at New Orleans captioned "Fair Play for Cuba Committee -- New Orleans Division" reported that on September 12, 1963, confidential informant NO T-3 made available a transcript of the same radio broadcast. That source is Mrs. Jeanne Rodgers. The date this transcript was obtained from her should have been reported in SA De Brueys' report as August 22, 1963.

16. QUESTION: The report of SA Kaack of October 31, 1963 states that on October 1, 1963 a confidential informant who was acquainted with some phases of Communist Party activities in New Orleans, advised that Oswald was unknown to him. Why does this item not appear in the report of SA De Brueys, which instead includes a similar reference to a statement by a confidential informant made on October 15, 1963, that the informant did not know of Oswald or his wife? Why does this item not appear in the Kaack report?

ANSWER: The informant listed as confidential informant NO T-3 in the report of SA Milton R. Kaack dated October 31, 1963, at New Orleans entitled "Lee Harvey Oswald; IS - R - Cuba" is the same individual identified as NO T-2 in the report of SA Warren C. De Brueys dated October 25, 1963, at New Orleans entitled "Fair Play for Cuba Committee -- New Orleans Division; - Cuba; IS - Cuba." Therefore, both of these reports set forth the same information as to Lee Harvey Oswald. SA Kaack's report shows this informant was contacted on October 1, 1963, and had no information concerning Lee Harvey Oswald. SA De Brueys' report shows this same informant was contacted on October 15, 1963, and was questioned concerning the FPCC activities in New Orleans and Oswald and his wife. This is in accordance with our custom to check with confidential informants having knowledge of communist and subversive activities to determine if they know of the subject under investigation. There is no inconsistency in the reporting in these two reports.

17. QUESTION: The De Brueys report of October 25, 1963 states that on October 7, 1963 a confidential informant advised that P. O. Box 30016 did not exist in the New Orleans area, and on the same date inquiry at the New Orleans Retailers' Credit Bureau failed to turn up any record of an A. J. Eidell. Why do these items not appear in the report of SA Kaack of October 31, 1963?

ANSWER: SA Milton R. Kaack did not repeat in his report of October 31, 1963, the negative record checks with the New Orleans Retailers' Credit Bureau or a check of the city directory in New Orleans regarding A. J. Eidell nor did he report the negative check to determine the subscriber to P. O. Box 30016, inasmuch as he had already determined the correct P. O. Box, 30061, which was rented by Oswald on June 3, 1963.

18. QUESTION: When did the FBI first obtain from the New Orleans Police Department the list of Russian names and telephone numbers which had been obtained from Oswald's wallet at the time of his arrest? If this information was retained by the New Orleans Police Department but not made available until after the assassination, has the FBI received any explanation for this delay?

ANSWER: The FBI first obtained a copy of the list of Russian names and telephone numbers on November 29, 1963. This list was made available to our New Orleans Office by Lieutenant Francis L. Martello of the New Orleans Police Department, who explained that this data had inadvertently been placed with pamphlets, leaflets and booklets taken from Oswald at the time of his arrest on August 9, 1963. Martello said he had not submitted a report until contacted on November 29, 1963. Martello's report is set forth on pages 364-373 of the report of SA Warren C. De Bruyck dated December 2, 1963, at Dallas, captioned "Lee Harvey Oswald."

19. QUESTION: How did the FBI evaluate Oswald's voluntary request to be interviewed by the FBI in New Orleans, particularly in view of the attitude he displayed at earlier interviews?

ANSWER: As is customary with the FBI, when an individual requests an interview, we accommodate him and make a record of the interview. This was done in the case of Oswald when he requested through the New Orleans Police to be interviewed on August 10, 1963. The results were set forth by SA John L. Quigley following the interview. It was apparent from the interview with Oswald on August 10, 1963, that he was making a self-serving statement in an attempt to explain his activities in connection with his distributing leaflets for the FPCC.

20. QUESTION: What was the FBI evaluation of Oswald as a result of the August 10, 1963 interview? What was the FBI evaluation of the Fair Play for Cuba Committee during the summer of 1963, and of Oswald's work for it?

ANSWER: During the interview of Lee Harvey Oswald on August 10, 1963, he appeared to be responsive in furnishing general background information concerning himself and some information concerning the FPCC. However, his attitude changed when he was

requested for details regarding meetings and identities of other KUCC members in New Orleans and he obviously was evasive and uncooperative as indicated by his statements that although he knew other KUCC members by their first names, he could not recall such names and further by his refusal to disclose how he contacted such alleged KUCC members in New Orleans for purpose of notifying them of meetings held allegedly at Oswald's residence in New Orleans.

At no time during the August 19, 1963, interview with Oswald by SA O'Leary did Oswald give any indication he was potentially dangerous or might engage in an act of physical violence.

In regard to the KUCC during the Summer of 1963, you are advised that our investigation during that period in New Orleans disclosed no existence of organized KUCC activities in the New Orleans area. The only activities in behalf of the KUCC appeared to be those efforts made by Oswald. Inasmuch as there were no KUCC activities in New Orleans prior to Oswald's activities in behalf of this organization in New Orleans and since there have been no KUCC activities in New Orleans subsequent to Oswald's departure from New Orleans in September, 1963, it appears that the only activities of such organization in New Orleans were those promoted by Oswald.

In regard to over-all activity of the KUCC during the Summer of 1963 throughout the United States, we have noted that your letter of March 26, 1964, to this Bureau requested in detail what we possessed concerning such organization. Therefore, we are responding to your March 26, 1964, letter by separate communication.

21. QUESTION: Why did the FBI Investigation Division furnish an identification record to the New Orleans FBI Office consisting of a description of the two occasions on which the FBI had received Oswald's fingerprints: first, upon his entry into the Marine Corps; second, upon his arrest in New Orleans? Why was this information furnished under FBI number 327 925 D, and not under Oswald's FBI Bureau File Number which is 105-82555?

ANSWER: It is the policy of this Bureau when the subject of a security investigation of interest to this Bureau is arrested, a complete copy of his identification record as maintained by the FBI Identification Division is furnished to the office concerned for its information.

Under FBI procedures, the FBI Identification Division maintains a separate filing system for handling fingerprint records. In this particular instance, the FBI identification record of Oswald is 827 925 D. The investigative reports on the subject are handled under a different file number. In connection with Oswald, this Bureau utilized file number 105-S2555 to handle the investigative reports of Oswald.

21. QUESTION: The FBI Report on the Investigation of the Assassination of President Kennedy, page 39, states that in October, 1963, an investigation was initiated to ascertain the whereabouts of the Oswalds. Following advice from a frontal agent that they had vacated their apartment and that Mrs. Oswald and their child had departed in a station wagon with Texas registration. What was the reason for this investigation to ascertain Oswald's whereabouts?

ANSWER: In view of Oswald's background and activities the FBI had a continuing interest in him. Therefore, when the frontal agent advised on October 1, 1963, that the Oswalds had moved, investigation was initiated to determine their current whereabouts.

22. QUESTION: What was the FBI reaction to the CIA report of October 10, regarding Oswald's visit to the Soviet Embassy in Mexico City? Why did the FBI not request additional information or follow-up information by the CIA? What was the FBI evaluation of Oswald in view of the CIA report?

ANSWER: The investigation of Oswald in 1963 prior to receipt of the Central Intelligence Agency communication dated October 10, was directed toward the primary objective of ascertaining the nature of Oswald's sympathies for, and connection with, the USSR or other subversive elements. The Central Intelligence Agency communication which reported that a man, tentatively identified as Oswald, had inquired at the Soviet Embassy concerning a telegram which had been sent to Washington, did not specify the nature of the telegram. This contact with the Soviet Embassy interjected a new aspect into the investigation and raised the obvious questions of why he was in Mexico and exactly what were his relations with the Soviets. However, the information available was not such that any additional conclusions could be drawn as to Oswald's sympathies, intentions or activities at that time. Thus, one of the objectives of the continuing investigation was to ascertain the nature of his relations with the Soviets considering the possibility that he could have been recruited by the Soviet Intelligence Services. The Central Intelligence Agency communication dated October 10, 1963, stated that any further information received

concerning Oswald would be furnished and that our liaison representatives in Mexico City were being advised. On October 18, 1963, one of our FBI liaison representatives in Mexico City was furnished this information by Central Intelligence Agency and he arranged follow-up with Central Intelligence Agency in Mexico City for further information and started a check to establish Oswald's entry into Mexico. Subsequent to the assassination, Central Intelligence Agency also advised us of Oswald's contact with the Cuban Embassy in Mexico City at the time of his visit there.

24. QUESTION: Was the FBI aware of Oswald's application on June 24, 1963, for a passport, or the issuance of a passport on June 25, 1963? Why did the FBI not request that the Passport Office of the Department of State include Oswald on a list which would have resulted in advice to the FBI of any application for a passport?

ANSWER: The FBI was not aware of Oswald's application on June 24, 1963, for a passport or of the issuance of a passport to Oswald on June 25, 1963.

We did not request the State Department to include Oswald on a list which would have resulted in advising us of any application for a passport inasmuch as the facts relating to Oswald's activities at that time did not warrant such action. Our investigation of Oswald had disclosed no evidence that Oswald was acting under the instructions or on behalf of any foreign government or instrumentality thereof.

25. QUESTION: What prompted the FBI efforts to locate Oswald on October 18 in Fort Worth, or Robert Oswald on October 19 in Fort Worth (before receiving advice on October 25, 1963, that Oswald had given the New Orleans Post Office a forwarding address in Irving, Texas)?

ANSWER: Information from Mrs. Jessie James Garner, 4909 Magazine Street, New Orleans, Louisiana, on October 1, 1963, to the effect that Oswald and his wife had vacated their apartment at 4903 Magazine Street, New Orleans, on September 25, 1963, and that Mrs. Oswald and child had departed in a station wagon bearing Texas license plates prompted our efforts to locate Oswald at Fort Worth, Texas.

26. QUESTION: Why did the FBI make three attempts within eight days (October 29 - November 5, 1963) to locate Oswald? After being advised of his place of employment by Mrs. Paine, did the FBI attempt to locate him through that lead? Were any further efforts made between November 5 and November 22 to locate Oswald, and if not, why not?

**ANSWER:** Following receipt of information that Oswald had reportedly been in contact with the Soviet Embassy, Mexico City, Mexico, investigation was conducted to determine Oswald's whereabouts and particularly his employment to ascertain whether he had access to strategic information. These efforts included a pretent neighborhood investigation in the vicinity of 2515 West Fifth Street, Irving, Texas, on October 29, 1963; personal contact with Mrs. Ruth Paine, 2515 West Fifth Street, Irving, on November 1, 1963, and again on November 5, 1963. These inquiries established that Oswald was employed at the Texas School Book Depository (TSBD), Dallas, Texas, in a nonstrategic position where he had no access to classified or to information of a national defense nature and that he was residing at an unknown address in Dallas during weekdays and at the residence of Mrs. Paine during weekends. After Mrs. Paine advised on November 1, 1963, of Oswald's employment at the TSBD, a pretext telephone call was made to the TSBD to determine Oswald's residence address. Advice was received that Oswald was working at TSBD but his residence was shown on TSBD records as the Paine residence in Irving, Texas. No efforts were made between November 5, 1963, and November 22, 1963, to locate Oswald since his employment in a nonsensitive capacity had been established and arrangements had been made with Mrs. Ruth Paine to be advised of any change in the status of Oswald.

**27. QUESTION:** Did SA Kosty interview Marina Oswald and Mrs. Puerto alone on November 1, 1963, or was he accompanied by another agent or agents? At what time of day did SA Kosty conduct the interview on November 1, 1963, and did he receive any advice concerning the time when Oswald was expected to visit Mrs. Paine's home that day, or when he might be there on another day?

**ANSWER:** SA Kosty was alone when he interviewed Mrs. Ruth Paine on November 1, 1963. Marina Oswald entered the room during the course of the interview but was not formally interviewed by SA Kosty at that time or any other time prior to the assassination.

The interview was conducted approximately 2:30 p.m. SA Kosty did not receive or specifically ask for information as to when Oswald was expected to visit Mrs. Paine's house on that day or a later day. The information in which we were primarily interested had been established--Oswald was in Dallas and was employed in nonstrategic work.

**28. QUESTION:** What was the FBI evaluation of confidential information received on November 18, 1963 regarding Oswald's letter to the Soviet Embassy in Washington?

ANSWER: The information received on November 18, 1963, concerning Oswald's contact with the Soviet Embassy tended to confirm his contact with the Soviet Embassy in Mexico City as reported by the Central Intelligence Agency and to indicate the reason for such contact, namely to secure visas to the Soviet Union.

29. QUESTION: Did SA Hosty state to anyone on November 22, 1963, that Oswald had contacted two known subversive agents about 15 days before the assassination, but that the entire information was Top Secret? If so, to what did SA Hosty refer?

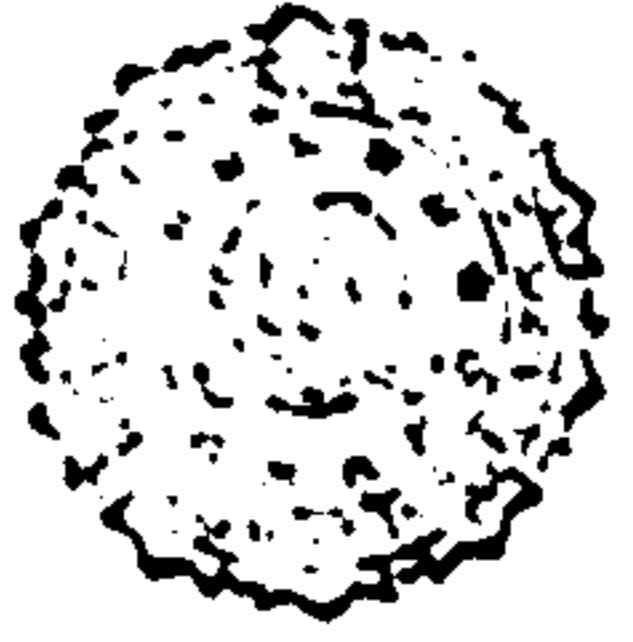

ANSWER: SA Hosty does not recall making such a statement on November 22, 1963, or at any other time, inasmuch as he was not in possession of any information to the effect that Oswald had been in touch with two subversives within 15 days prior to the President's assassination.

SA Hosty does recall that he advised Mr. Sorrels of Secret Service on November 22, 1963, that the FBI had information on Oswald which he was not free to furnish Sorrels, as it was Top Secret but Secret Service Headquarters could obtain the information from FBI Headquarters in Washington. In this connection, Hosty had in mind the information that Oswald had been in touch with the Soviet Embassies in Washington and Mexico City.

30. QUESTION: When and for what reason were pages 279 through 283 of the report of SA Gemberling of February 11, 1954 prepared (setting forth the entries in Oswald's address book which had not been included in the report of SA Gemberling of December 23, 1953)?

ANSWER: Pages 279 through 283 of the report of SA Gemberling dated February 11, 1954, were prepared at the time such report was being typed by the Dallas Office during the few-day period immediately preceding submission of such report to FBI Headquarters by the Dallas Office. In this connection, your attention is also directed to this Bureau's letter to the Commission dated February 27, 1964, enclosing an affidavit executed by SA Robert P. Gemberling explaining in detail his handling and reporting of data in Lee Harvey Oswald's address book. You will note that in his affidavit, SA Gemberling explains why certain data in Oswald's address book was reported in his December 23, 1963, report, whereas the remaining data in Oswald's address book was reported in SA Gemberling's February 11, 1964, report.

Honorable J. Lee Rankin  
General Counsel  
The President's Commission  
200 Maryland Avenue, N. E.  
Washington, D. C.

Dear Mr. Rankin:

Your letter dated March 26, 1964, transmitted specific questions pertaining to the investigation of Lee Harvey Oswald prior to the assassination of President Kennedy and requested a reasoned response to each question.

At the outset, I wish to emphasize that the facts available to the FBI concerning Lee Harvey Oswald prior to the assassination did not indicate in any way that he was, or would be, a threat to President Kennedy; nor were they such as to suggest that the FBI should inform the Secret Service of his presence in Dallas or his employment at the Texas School Book Depository.

The Oswald case was one of many thousands of investigative matters handled by the FBI. During the fiscal year ending June 30, 1963, the FBI handled 636,371 investigative matters in the criminal, civil and security fields. The extent, depth and urgency of each investigation necessarily are dependent on the available facts in the case. A file concerning Oswald was opened at the time newspapers reported his defection to Russia in 1959, for the purpose of correlating information inasmuch as he was considered a possible security risk in the event he returned to this country. When we learned in 1960 that his mother was sending him money, we interviewed her and his brother, Robert Oswald, to determine the reason. Again in 1960 investigation was conducted to determine if he was in Switzerland, as we were advised he contemplated enrolling in a college there. The investigation was reinstated at the time of his return to the United States in 1962, and he was interviewed on two occasions in 1962 in an effort to ascertain if he had been recruited by the Soviet intelligence services and to evaluate him as a possible security risk.

Commission Exhibit No. 833

Honorable J. Lee Rankin

The investigation was continued in 1963 when it was reported that Oswald had corresponded with "The Worker," an east coast communist newspaper, and it was also reported he was engaged in activities on behalf of the Fair Play for Cuba Committee. This investigation was in progress when he was reported in October, 1963, to be in contact with the Soviet Embassy in Mexico, and on November 13, 1963, in contact with the Soviet Embassy in Washington, D. C. The purpose of the investigation was to determine the extent of his activities on behalf of the Fair Play for Cuba Committee and the reasons for his contacts with the Soviet Embassies.

In short, Oswald had gone to the Soviet Union at the age of nineteen and attempted to renounce his American citizenship. He had recanted; his passport had been returned to him and he had been permitted by the Department of State to return to the United States as an American citizen. After his return, he had subscribed to "The Worker," had distributed pamphlets for the Fair Play for Cuba Committee and had admitted publicly that he was a Marxist. He had been in contact with the Soviet Embassy in Washington, D. C.; and it was reported, but not confirmed, that he had been in contact with the Soviet Embassy in Mexico. The reason indicated for his contacts with the Soviet Embassies was to obtain visas to re-enter the Soviet Union. As previously indicated, his activities as known at the time of the assassination did not suggest in any way that he was a dangerous subversive; that he was violating any Federal law; or that he represented a threat to the personal safety of the President. There was no basis for the FBI to keep him under observation. In the absence of any information showing Oswald to be a possible threat to the President, there was no basis to inform the Secret Service concerning Oswald's presence or employment in Dallas, Texas.

The answers to your specific questions are set forth in the attached memorandum.

Sincerely yours,

J. Edgar Hoover

Date 11/23/631

LEE HARVEY OSWALD, 1026 North Beckley, Dallas, Texas, was interviewed by Captain WILL FRITZ of the Homicide Bureau, Dallas Police Department. Special Agents JAMES P. HOSTY, JR. and JAMES W. BOOKHOUT were present during this interview. When the Agents entered the interview room at 3:15 p.m., Captain FRITZ had been previously interviewing LEE HARVEY OSWALD for an undetermined period of time. Both Agents identified themselves to OSWALD and advised him they were law enforcement officers and anything he said could be used against him. OSWALD at this time adopted a violent attitude toward the FBI and both Agents and made many uncomplimentary remarks about the FBI. OSWALD requested that Captain FRITZ remove the cuffs from him, it being noted that OSWALD was handcuffed with his hands behind him. Captain FRITZ had one of his detectives remove the handcuffs and handcuff OSWALD with his hands in front of him.

Captain FRITZ asked OSWALD if he ever owned a rifle and OSWALD stated that he had observed a MR. TRUELY (phonetic), a supervisor at the Texas Schoolbook Depository on November 20, 1963, display a rifle to some individuals in his office on the first floor of the Texas Schoolbook Depository, but denied ever owning a rifle himself. OSWALD stated that he had never been in Mexico except to Tijuana on one occasion. However, he admitted to Captain FRITZ to having resided in the Soviet Union for three years, where he has many friends and relatives of his wife.

OSWALD also admitted that he was the secretary for the Fair Play for Cuba Committee in New Orleans, Louisiana a few months ago. OSWALD stated that the Fair Play for Cuba Committee has its headquarters in New York City. OSWALD admitted to having received an award for marksmanship while a member of the U.S. Marine Corps. He further admitted that he was living at 1026 N. Beckley in Dallas, Texas, under the name of O. H. LEE. OSWALD admitted that he was present in the Texas Schoolbook Depository on November 22, 1963, where he has been employed since October 15, 1963. OSWALD stated that as a laborer, he has access to the entire building which has offices on the first and second

floors and storage on the third and fourth, as well as the fifth and sixth floors. OSWALD stated that he went to lunch at approximately noon and he claimed he ate his lunch on the first floor in the lunchroom; however he went to the second floor where the Coca-Cola machine was located and obtained a bottle of Coca-Cola for his lunch. OSWALD claimed to be on the first floor when President JOHN F. KENNEDY passed this building.

After hearing what had happened, he said that because of all the confusion there would be no work performed that afternoon so he decided to go home. OSWALD stated he then went home by bus and changed his clothes and went to a movie. OSWALD admitted to carrying a pistol with him to this movie stating he did this because he felt like it, giving no other reason. OSWALD further admitted attempting to fight the Dallas police officers who arrested him in this movie theater when he received a cut and a bump.

OSWALD frantically denied shooting Dallas police officer TIPPETT or shooting President JOHN F. KENNEDY. The interview was concluded at 4:05 p.m. when OSWALD was removed for a lineup.

Honorable J. Lee Rankin  
General Counsel  
The President's Commission  
200 Maryland Avenue, N. E.  
Washington, D. C.

Dear Mr. Rankin:

The "Dallas Morning News," Dallas, Texas, had an article in its April 24, 1964, edition entitled "FBI Knew Oswald Capable of Act, Reports Indicate." The article, written by Hugh Aynesworth reported that "A source close to the Warren Commission told The Dallas News Thursday that the commission has testimony from Dallas police that an FBI agent told them moments after the arrest and identification of Lee Harvey Oswald on Nov. 22, that 'we knew he was capable of assassinating the president, but we didn't dream he would do it.'" A copy of the article in question is attached for the information of the Commission.

There is enclosed for the Commission an affidavit executed by Special Agent James P. Hosty, Jr., wherein Special Agent Hosty explains the purpose of his contact with the Dallas Police Department on November 22, 1963. Special Agent Hosty unequivocally denies ever having made a statement to Lieutenant Revill or anyone else that the FBI knew Oswald was capable of assassinating the President or that Oswald possessed any potential for violence. Special Agent Hosty specifically denies ever having made the statement as quoted in this article "We knew he was capable of assassinating the president, but we didn't dream he would do it." Special Agent Hosty points out that prior to the assassination of President John Fitzgerald Kennedy, he never had any information indicating potential violence on the part of Lee Harvey Oswald.

Sincerely yours,

## FBI Knew Oswald Capable of Act, Reports Indicate

By HUGH AYNESWORTH

© The Dallas Morning News, 1964

A source close to the Warren Commission told The Dallas News Thursday that the commission has testimony from Dallas police that an FBI agent told them moments after the arrest and identification of Lee Harvey Oswald on Nov. 22, that "we knew he was capable of assassinating the president, but we didn't dream he would do it."

In a memorandum to superiors on Nov. 22, Lt. Jack Revill, head of the Dallas police criminal intelligence squad, reported that FBI special agent James (Joe) Hosty had acknowledged awareness of Oswald in the basement of the City Hall at 2:05 p.m. Nov. 22. His remark was made as five officers brought Oswald in from Oak Cliff, Revill reported.

L.T. REVILL appeared before Warren Commission investigators here several weeks ago. Police Chief Jesse Curry testified before the commission in Washington Wednesday. Neither would comment on their appearance or their testimony.

Chief Curry was reported to have been questioned about the incident and was said to have given the commission a photostatic copy of Lt. Revill's 8-paragraph memo. He also was said to have given the commission the name of a second Dallas police officer who supported Revill's statement and filled in other parts of the conversation between Revill and Hosty.

The second officer, V. J. (Jackie) Bryant, a member of

the criminal intelligence squad, also declined comment.

CHIEF CURRY had Lt. Revill's report in hand within hours of President Kennedy's death, even before all the facts and circumstances concerning Oswald were known.

Gordon Shanklin, special agent in charge of the Dallas FBI office, would make no comment.

The commission Thursday had not talked to agent Hosty, but The News' source said he anticipated that the agent would be called to testify.

CURRY WILL not show the report to reporters, nor will he comment on it or any other phase of the assassination.

"That's for the Warren Commission to talk about," the chief said.

Revill's memo is still in Chief Curry's possession.

In addition to mentioning that Hosty said the FBI knew Oswald was capable of such an act, the memo said Hosty told Revill other facts about the one-time Russia resident and admitted Marxist.

DALLAS POLICE officers watched several known extremists prior to the Kennedy visit and even sent representatives as far as 75 miles to interview others thought to be planning demonstrations.

Curry privately has told friends, "If we had known that a defector or a Communist was anywhere in this town, let alone on the parade route, we would have been sitting on his lap, you can bet on that." But he has refused public comment.

AFFIDAVIT

I, JAMES P. HOSTY, JR., being duly sworn, depose  
as follows:

I am a Special Agent of the Federal Bureau of  
Investigation, U. S. Department of Justice, and have been  
so employed since January 21, 1952.

My attention has been called to an article appearing  
on the front page of the "Dallas Morning News," of April 24,  
1964, captioned, "FBI KNEW OSWALD CAPABLE OF ACT, REPORTS  
INDICATE," written by HUGH AYNESWORTH, which reads in part  
as follows:

"A source close to the Warren Commission told  
The Dallas News Thursday that the commission has  
testimony from Dallas police that an FBI agent told  
them moments after the arrest and identification of  
Lee Harvey Oswald on Nov. 22, that 'we knew he was  
capable of assassinating the president, but we didn't  
dream he would do it.'

"In a memorandum to superiors on Nov. 22, Lt.  
Jack Revill, head of the Dallas police criminal  
intelligence squad, reported that FBI special agent  
James (Joe) Hosty had acknowledged awareness of  
Oswald in the basement of the City Hall at 2:05 p.m.  
Nov. 22. His remark was made as five officers brought  
Oswald in from Oak Cliff, Revill reported . . ."

The article refers to "Lt. Revill's five-paragraph  
memo" concerning the above-mentioned incident and also stated

that a second officer, V. J. (JACKIE) BRYAN, of the Dallas Police Department had "supported REVILL's statement and filled in other parts of the conversation between REVILL and HOSTY . . ."

The article continues that "in addition to mentioning that HOSTY said the FBI knew OSWALD was capable of such an act, the memo said HOSTY told REVILL other facts about the one-time Russia resident and admitted Marxist . . ."

On November 22, 1963, at approximately 3:00 PM, I arrived at the Dallas Police Department for the purpose of sitting in on an interview of LEE HARVEY OSWALD. When I arrived at the basement of the Dallas Police Department, I met Lieutenant JACK REVILL, whom I know to be the head of the Intelligence Unit of the Dallas Police Department. Lieutenant REVILL advised me that he "had a hot lead" on the assassination of President KENNEDY and that a man whose first name was LEE was the only employee of the Texas School Book Depository who had not been accounted for. I then told Lieutenant REVILL that LEE HARVEY OSWALD had already been arrested about one hour previously by the Dallas Police Department and was at that time in the office of Captain WILL FRITZ, Homicide Bureau, Dallas Police Department, being interrogated.

Commission Exhibit No. 831

To my knowledge, this was the first time that Lieutenant REVILL knew of OSWALD's arrest.

I further advised Lieutenant REVILL that OSWALD had defected to Russia and had returned to this area in 1962, and that OSWALD was employed at the Texas School Book Depository. I also advised Lieutenant REVILL that OSWALD was at that time the main suspect in the assassination of President KENNEDY.

The above constitutes the entire contents of my conversation with Lieutenant REVILL which took place on the stairway from the basement to the third floor at the Dallas Police Department, during which time both Lieutenant REVILL and myself were running up the stairs and not facing each other. There were numerous people going up and down the stairs at the time of my conversation with Lieutenant REVILL and the noise level was very high, making it very difficult to hear anything. Although I know Detective V. J. (JACKIE) BRYAN, of the Dallas Police Department, by sight, I do not recall seeing him on this occasion or ever having a conversation with Lieutenant REVILL in BRYAN's presence, or having a conversation with Detective BRYAN.

I unequivocally deny ever having made a statement to Lieutenant REVILL or anyone else that the FBI knew OSWALD was capable of assassinating the President or that OSWALD possessed any potential for violence.

I specifically deny ever having made the statement as quoted in this article, "We knew he was capable of assassinating the President, but we didn't dream he would do it."

In fact, prior to the assassination of President JOHN FITZGERALD KENNEDY, I never had any information indicating potential violence on the part of LEE HARVEY OSWALD.

My conversation with Lieutenant REVILL on November 22, 1963, lasted not more than a minute and a half. Furthermore, I did not reach the Dallas Police Department until approximately 3:00 PM, November 22, which was after OSWALD had been brought to the Dallas Police Department, identified, and was in Captain WILL FRITZ's office. As stated above, my purpose in going to the Dallas Police Department was to sit in on an interview with LEE HARVEY OSWALD and I commenced this assignment at 3:15 PM, according to my wrist watch.

III. CONNECTIONS WITH LEE HARVEY OSWALD AND MARINA NIKOLAEVNA OSWALD

On October 29, 1963, a pretext interview by a Special Agent of the FBI at 2515 West 5th Street, Irving, Texas, reflected that Mrs. RUTH PAINE resided at 2515 West 5th Street. Mrs. PAINE was separated from her husband, MICHAEL RALPH PAINE, and it was determined that Mrs. PAINE was employed at St. Marks School of Texas, Dallas, Texas, on a part-time basis as a teacher of the Russian language, and she had a Russian-born woman living with her. This Russian-born woman gave birth to a baby girl about a week ago, and Mrs. PAINE was taking care of this woman. It was determined that the husband of the Russian-born woman visited his wife at this address periodically but did not reside there.

On October 31, 1963, Mrs. DOROTHY SMITH, Irving, Texas, Credit Bureau, advised that they had a credit record for MICHAEL R. PAINE and his wife, RUTH PAINE, who resided at 2515 West 5th Street, Irving, Texas. Mrs. SMITH advised their credit was satisfactory, and that Mr. PAINE was employed by Bell Helicopter Company in Fort Worth, Texas, as an engineer. Mrs. PAINE's employment was shown as a housewife.

On October 31, 1963, i.e. EDWARD T. OVIATT, Assistant Headmaster, St. Marks School of Texas, Dallas, Texas, advised that Mrs. PAINE was a satisfactory employee and was loyal to this country. He considered her to be a stable individual. Mr. OVIATT advised that Mrs. PAINE was employed on a part-time basis as a teacher of the Russian language. He also learned in a conversation with Mrs. PAINE that she had a Russian-born woman living with her, and she was assisting this woman in view of the fact that she had recently had a new baby and she, Mrs. PAINE, was improving her Russian speaking ability by having this Russian-speaking person in her house.

On October 31, 1963, Mr. TED SCHURMAN, Security Officer, Bell Helicopter Company, Fort Worth, Texas, advised that MICHAEL R. PAINE was presently employed by that company as an engineer, and he holds a security clearance.

On November 1, 1963, Mrs. RUTH PAINE was interviewed, at which time she advised that MARINA OSWALD, wife of LEE HARVEY OSWALD, was staying with her following the recent birth of her baby. Mrs. PAINE furnished OSWALD's place of employment as the Texas School Book Depository (TSBD), 411 Elm Street, Dallas, Texas, where he was employed as a laborer. Mrs. PAINE stated she did not know where OSWALD was residing in Dallas at this time, but it was his plan as soon as he had enough money to get an apartment for his family and then take his wife and children to live with him. Mrs. PAINE volunteered that she would be glad to furnish this address to the FBI as soon as she determined where the OSWALDS were residing.

On November 8, 1963, Mrs. RUTH PAINE advised that she had been unable to obtain the address of LEE OSWALD in Dallas, but she would furnish it to the FBI as soon as she was able to obtain it. Mrs. PAINE advised that LEE OSWALD had visited his wife, MARINA OSWALD, on November 2 and 3, 1963, at Irving, Texas. Mrs. PAINE then expressed the opinion that she considered LEE OSWALD to be an illogical person and recalled that he admitted to her being a "Trotskyite Communist".

On November 22, 1963, Mrs. RUTH PAINE advised Special Agent JAMES W. BOONEOUT upon interview at the Dallas Police Department that she first met LEE HARVEY OSWALD and his wife, MARINA OSWALD, during the early part of 1963 at a party. Inasmuch as she was interested in the Russian language and was a teacher of the Russian language, she became friendly with MARINA OSWALD.

Mr. JESSIE JAMES GARNER, 4909 Magazine Court, New Orleans, Louisiana, advised on August 5, 1963 that LEE HARVEY OSWALD and his wife, MARINA, have occupied the apartment at 4905 Magazine, New Orleans since June 1963.

Mrs. MARY BERTUCCI, Personnel Secretary, William Reily Coffee Company, 640 Magazine Street, New Orleans, advised on August 5, 1963 that LEE HARVEY OSWALD has been employed as a maintenance man at that company since May 15, 1963.

with Mr. OSWALD who apparently drank to excess and beat his wife on numerous occasions. They had numerous complaints from the other tenants due to OSWALD's drinking and beating his wife.

II. CONNECTIONS WITH THE COMMUNIST PARTY

On September 28, 1962 Dallas confidential informant T-1 advised that LEE H. OSWALD, who at that time resided at 2703 Mercedes Street, Fort Worth, Texas, was a subscriber to The Worker, an East Coast communist newspaper.

On April 21, 1963 Dallas confidential informant T-2 advised that LEE H. OSWALD of Dallas, Texas, was in contact with the Fair Play for Cuba Committee in New York City at which time he advised that he passed out pamphlets for the Fair Play for Cuba Committee. According to T-2, OSWALD had a placard around his neck reading, "Hands Off Cuba Viva Fidel".

1.

APPENDIXFAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening in Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the afore-mentioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the Fall of 1962 and was filled by VINCENT "Ted" LEE, who now formulates FPCC policy. This source observed LEE has followed a course of entertaining and accepting the cooperation of many other organizations including the CP and the SWP when he has felt it would be to his personal benefit as well as the FPCC's. However, LEE has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. LEE feels the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but, not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

Mrs. JESSIE JAMES GARNER, 4909 Magazine Street, New Orleans, advised on August 5, 1963, that the subject and his wife have resided at 4905 Magazine Street since about June, 1963.

Mrs. GARNER advised on October 1, 1963, that the subject and his wife vacated their apartment on September 25, 1963. She said that Mrs. OSWALD and the child departed in a station wagon bearing Texas license plates and driven by the same woman who brought Mrs. OSWALD to New Orleans from Texas. Mrs. GARNER said that LEE OSWALD told her that his wife was going to have a baby and that she was going to Texas for her confinement. She remarked that OSWALD left New Orleans owing her \$17.00 rent for the apartment.

Mrs. CHARLES F. MURRET, 757 French Street, New Orleans, Louisiana, advised on October 1, 1963, that she was LEE OSWALD's aunt and that when the subject's wife originally came to New Orleans a woman driving a station wagon brought her and the child from Texas. She said that this woman spoke the Russian language and apparently was well known by Mrs. OSWALD. Mrs. MURRET thought that Mrs. OSWALD had resided with this woman in Texas while LEE OSWALD was here in New Orleans seeking employment. Mrs. MURRET stated that LEE OSWALD never resided at her residence but that he requested that he be permitted to use her address while he was seeking employment so that he could furnish her telephone number to prospective employers.

CONNECTIONS WITH THE FAIR PLAY FOR CUBA COMMITTEE

A Confidential Informant, NO T-2, advised on June 26, 1963, that LEE H. OSWALD, Post Office Box 30061, New Orleans, Louisiana, wrote a letter on June 10, 1963, to "The Worker", 23 West 26th Street, New York 10, New York. OSWALD claimed in the letter to be a long-time subscriber to "The Worker" and stated that he was forming a "Fair Play For Cuba Committee" in New Orleans and requested that he be sent some of "The Worker's" literature. He also forwarded honorary membership cards for "those fighters for peace, Mr. GUS HALL and Mr. B. DAVIS".

GUS HALL is General Secretary of the Communist Party, USA.

Confidential Informant NO T-5 advised on July 8, 1963, that LEE HARVEY OSWALD, Post Office Box 30061, New Orleans, Louisiana, sent a change of address card to "The Worker", 26 West 23rd Street, New York 10, New York, which showed that his current address is 4907 Magazine Street, New Orleans, Louisiana.

Confidential Informant NO T-6 advised on August 9, 1963, that at about 1:15 pm. that date the informant observed an unknown individual handing out leaflets on Canal Street. Some of these leaflets were white in color and others were yellow in color. The informant was unable to obtain a leaflet but advised that the yellow leaflet contained in large printing "Hands Off Cuba, Viva CASTRO". The informant advised that this individual was passing out these leaflets on the uptown side of Canal Street between Baronne and Carondelet Streets. (She) described this individual as white male, age 25 to 30, 5'10", 140 pounds, slender build, light complexion, sandy hair, wearing an off white or light gray shirt and medium colored trousers.

On August 9, 1963, Lt. WILLIAM GAILLOT, First District, New Orleans Police Department, advised that the following persons had been arrested on Canal Street on that date and charged with disturbing the peace:

1. LEE H. OSWALD, white male, age 23, born October 18, 1939, New Orleans, residence 4709 Magazine, New Orleans, lower center apartment. OSWALD informed arresting officer that he is a member of the New Orleans Chapter of the Fair Play For Cuba Committee with headquarters at 799 Broadway, New York City. Lt. GAILLOT informed that OSWALD was handing out yellow leaflets with inscription "Hands Off Cuba, Viva CASTRO".

2. CARLOS JOSE BRINGUIER, white male age 29, 501 Adele Street, Apartment F, New Orleans, who informed he is the Director of the Cuban Student Directorate for the New Orleans area. He informed he immigrated to this country on February 8, 1961, INS Number A12546223, and has

NO 100-16601/cv

a clothing shop at 107 Decatur Street.

3. CELFO MACARIO HERNANDEZ, white male, age 47, 519 Adele Street, Apartment E. He advised he is a member of the same group as BRINGUIER.

4. MIGUEL MARIANO CRUZ, white male age 18, 2526 Mazant, Apartment C, who advised he is also a member of the Cuban Student Directorate.

According to Lt. GAILLOT, all four individuals were arrested for disturbing the peace when OSWALD became involved in an argument with BRINGUIER, HERNANDEZ and CRUZ and that a crowd developed. Lt. GAILLOT informed that he had no further information at this time.

Lt. FRANCIS MARTELLO, First District, New Orleans Police Department, advised on August 10, 1963, that LEE HARVEY OSWALD had been arrested on August 9, 1963, and charged with disturbing the peace. He said that OSWALD had been distributing literature for the Fair Play For Cuba Committee in the 700 block of Canal Street and was desirous of seeing an Agent of the FBI.

Date 8/15/63

LEW HARVEY OSWALD was interviewed at the FIRST District Station, New Orleans Police Department, at his request. OSWALD said that he had been picked up on August 9, 1963, by the New Orleans Police Department and was charged with disturbing the peace in the 700 block of Canal Street during the time he was distributing "Fair Play For Cuba Committee" literature.

OSWALD stated that he was unemployed at the present time, his last employment being terminated July 17, 1963, as a mechanic with the William B. Riley Company, 640 Magazine Street. He said he was born October 18, 1939, at New Orleans, Louisiana. He had attended Warren Easton High School in New Orleans until 1956 at which time he joined the United States Marine Corps. He had only completed two years of high school at this time. From 1956 through 1959, he was a member of the Marine Corps at which time he received an honorable discharge. Following his discharge he moved to Fort Worth, Texas, where he lived with his mother, MARCELLA OSWALD. He could not recall her address in Fort Worth, but remarked that she was living now in Arlington, Texas, and was a practical nurse by profession.

About four months ago he and his wife, MARINA OSWALD nee Prozza, whom he met and married in Fort Worth, moved to New Orleans.

After coming to New Orleans he said he began reading various pieces of literature distributed by the "Fair Play For Cuba Committee", and it was his understanding from reading this material that the main goal and purpose of the committee is to prevent the United States from invading or attacking Cuba or interfering in the political affairs of that country. Further, that the people of this country should be given an opportunity to go visit Cuba, and in this way they could make up their own minds as to what the internal conditions of Cuba are like at the present time. He says he does not consider the "Fair Play For Cuba Committee" to be communist or a communistic-controlled group. OSWALD said that inquiry in New Orleans developed the fact that there apparently was a chapter of the "Fair Play For Cuba Committee" in New Orleans, but he did not know any of the members or where their offices were located. He said he sent a letter to the headquarters of the "Fair Play

For Cuba Committee", 799 Broadway, New York City, together with \$5.00 and told them he wished to join this committee. During the latter part of May of this year he received a membership card in this organization which bore a date of May 28, 1963, and was made out in the name of LEE H. OSWALD and was signed by V. L. LEE. He described this card as being gray in color and signifying membership in the national organization. A short time thereafter he said he received in the mail a white card which showed that he was made a member of the New Orleans Chapter of the Fair Play For Cuba Committee. This card was dated June 6, 1963. It was signed by A. J. HIDELL, and it bore in the lower right hand corner the number 33 which he said indicated membership number. OSWALD had in his possession both cards and exhibited both of them.

Since becoming a member of the national committee, OSWALD said that he has been receiving the monthly circular of the committee which is about seven pages in length. He claimed that he could not recall the name of this publication.

Since receiving his membership card in the New Orleans chapter of the committee he said that he had spoken with HIDELL on the telephone on several occasions. On these occasions, HIDELL would discuss general matters of mutual interest in connection with committee business, and on other occasions he would inform him of a scheduled meeting. He said he has never personally met HIDELL, and he knows HIDELL did have a telephone, but it has now been discontinued. He claimed that he could not recall what the number was.

OSWALD said that the committee did not have any offices in New Orleans, and whenever meetings were held they were held in residences of various members. He maintained that he had attended only two meetings of the committee, and at each of the meetings there were about five different individuals. At each of these meetings the persons present were different. He did not know the last names of any of these individuals and claimed he was only introduced to them by first names. He maintained that he could not recall any of the first names. From what he understands there are no regularly scheduled times for meetings, and the only way he knows about them is when somebody gives him a call and tells him there will be a meeting. At these meetings he said the general conversation

deals with Cuba and the latest news on the internal affairs of Cuba. OSWALD admitted that on one occasion he held a committee meeting at his home, but he declined to elaborate on how he got word to the various members that it would be held.

Last Wednesday, August 7, 1963, OSWALD said he received a note through the mail from HIDELL. The note asked him if he had time would he mind distributing some Fair Play literature in the downtown area of New Orleans. He said HIDELL knew that he was not working and probably had time. HIDELL also knew that he had considerable literature on the committee which had been furnished to him by the national committee in New York. Since he did not have anything to do, OSWALD said he decided he would go down to Canal Street and distribute some literature. He denied that he was being paid for his services, but that he was doing it as a patriotic duty.

About one p.m. on August 9, 1963, OSWALD said that he went down on Canal Street by himself and started distributing committee literature. He said he had made up a placard which he hung around his neck with a piece of string. The placard was made up of brown cardboard. On the placard were several pieces of literature which expressed the aims and purposes of the committee. At the bottom of the cardboard placard he said he had printed in black capital letters the words "VIVA FIDEL". From this time until around four p.m. he said he distributed a throwaway which was prepared on yellow paper, 11" x 9" in size, which contained the following: "Help Free Cuba! Join The Fair Play For Cuba Committee, New Orleans, Charter Member Branch, Free Literature, Lectures, Etc. Hon. A. J. HIDELL, P. O. Box 30015, New Orleans, Louisiana. Everybody Welcome!". In addition, OSWALD said he had on his person membership applications which he would give out to anyone he thought desired one. This membership application was prepared on a white piece of paper 3 $\frac{1}{2}$ " wide by 5 $\frac{1}{2}$ " in length, and it contained the following information:

OSWALD stated in addition to this he had on his person several copies of a thirty-nine page pamphlet entitled "The Crime Against Cuba" by STELLER LANKF, which he carried with him as it contained all of the information regarding the committee, and he would be in a position to refer to it for proper answers in the event someone questioned him regarding the aims and purposes of the committee.

OSWALD had in his possession at the time of interview a copy of the above three described documents and made available a copy of each to the Agent.

Around 4 p.m. while standing in the immediate vicinity of Walgreen's Drug Store at Canal and Maronne Streets, OSWALD said three Cubans approached him, and he gave each one of the above-described throwaways. These individuals became very angry, tore up the throwaways, threw them down on the sidewalk and began arguing with him. This created quite a disturbance and shortly thereafter the police arrived, and he, as well as the other individuals whom he understood to be Cuban exiles, was arrested.
