Dear Robert;

We sent you a package with a few little Christmas presents for everybody. you have already received the color books for Cathy. The package may be a little late you may not get it until about New Years. We sent the package only today.

We still haven't received any word about our visit.

Maria says that she cannot wait until she gets to the U.S. and sees little Robert Jr.

If you like, you can send me a football (they only have round ones here) just deflate it and send it to me like a letter. Also you can pick up a few diagrams of plays at any filling station and send them along also. These Russians seem interested in learning how to play and thought maybe you could help me out and together

will show them a little bit of American sport.

Our deal about the crisis is not getting any better, and I think about New Year, I'll fly into Moscow, and go to the Embassy about it.

As time goes on, our complaints, and their inactivity, will bring things to a head, and one side or the other will break.

We sent you a can of a kind of Russian candy, called "KHAMMA", it's made from grain and sugar, so when you'll open the package you'll know it's candy. I eat a lot of it, if you all like it, will send some more.

We'll send all this or about Dec. so you should receive it about Christmas (I hope).

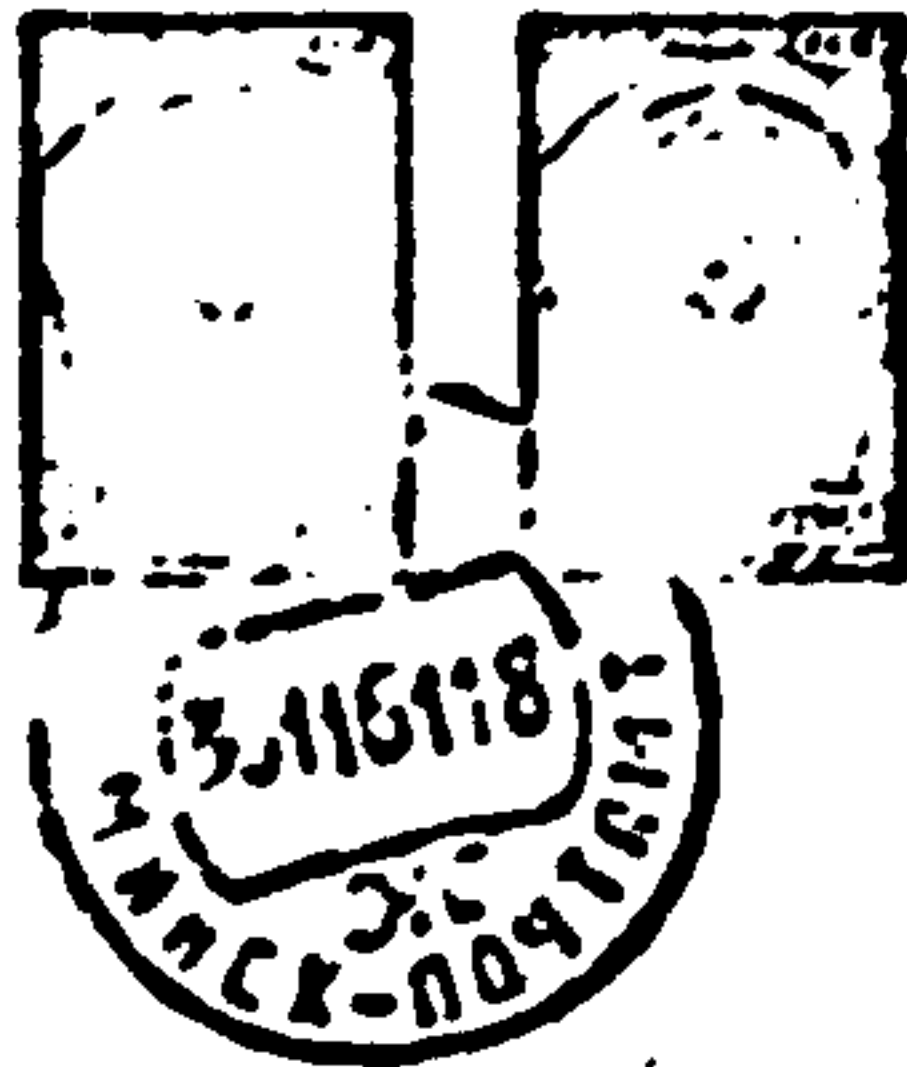

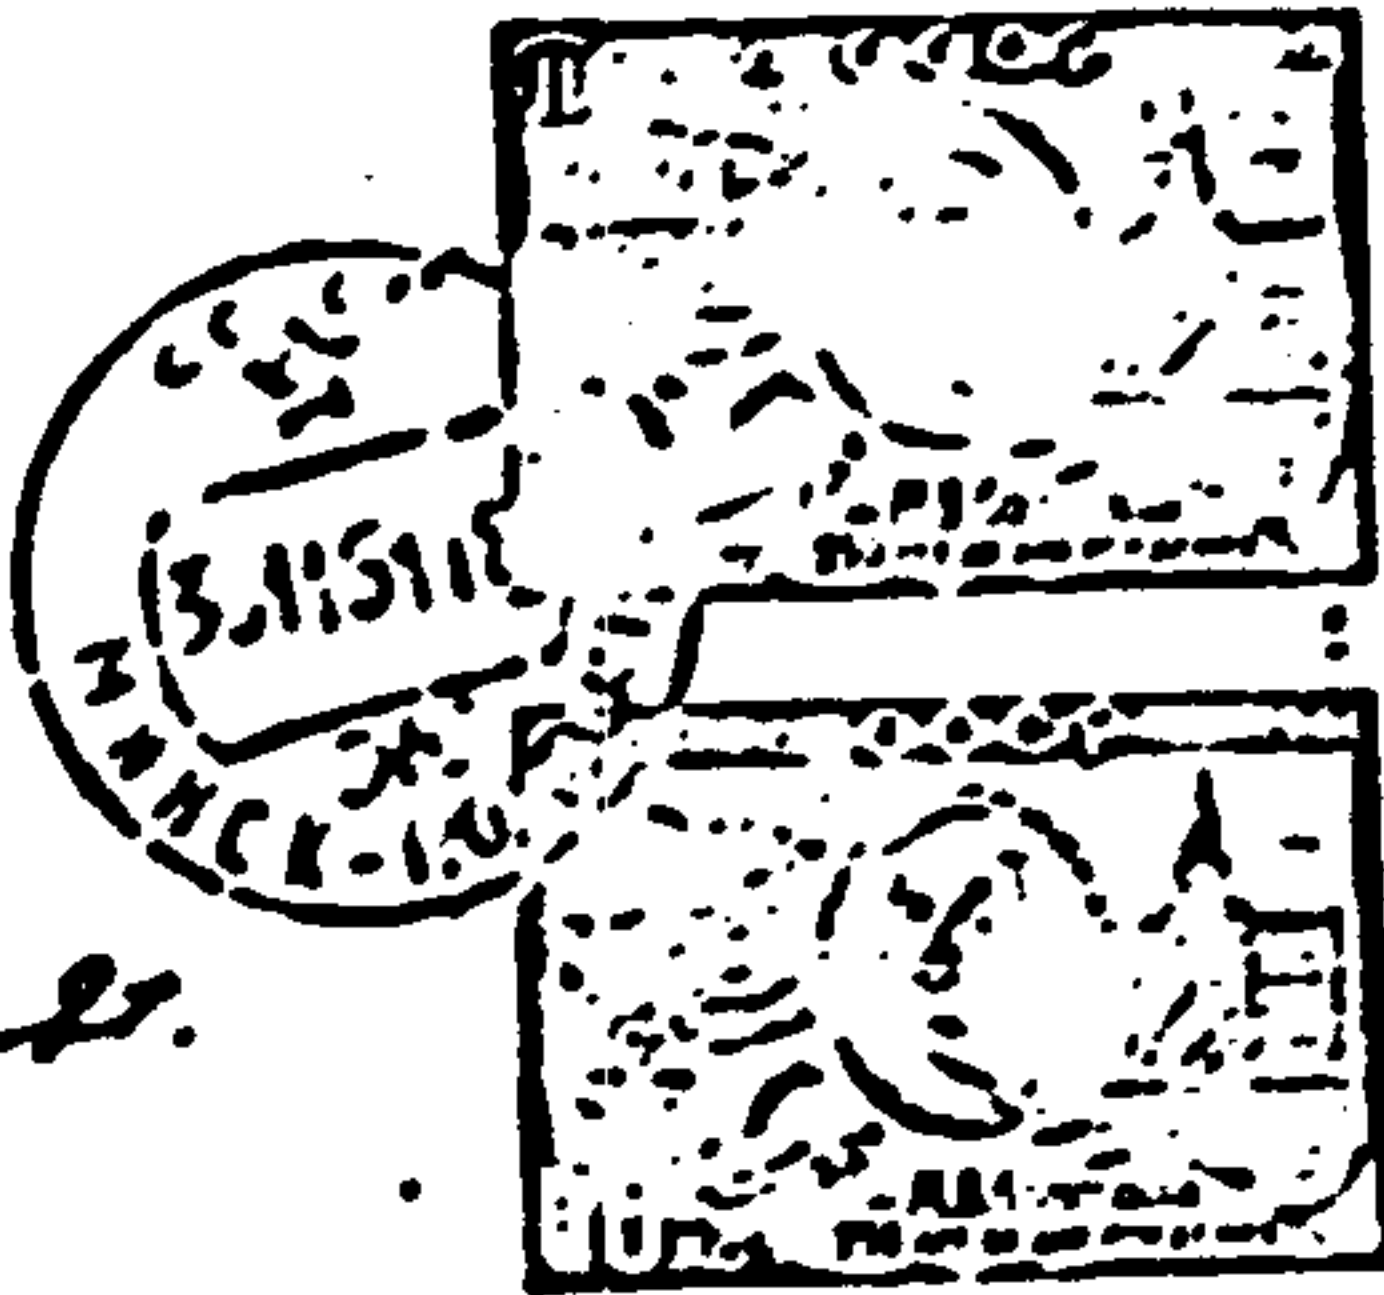

Yours Best,  
D.P.

Dear Robert,

I got your birthday card a few days ago. Thanks for the thought.

Mamma came back from her vacation on Oct. 28 so everything is back to normal here.

Well, it looks like I'm going to be a papa at the beginning of March. Of course, we want a boy, but you never can tell.

Our visits have still not come through, although, we have already waited for four months. These people are never so quick to grant visits to anybody.

We heard over the radio today that the present Russian government has decided to remove Stalin's body from the hall in Red Square. This is big news here, and it's very funny for me, it shows what these people are made of; one day a hero and the next

... state, and another says somebody doesn't.  
They employ it of "Louisiana" over  
here, and as when I refer to the  
... or to some of the political comments  
we have had, I always think of the  
... book "1854" in which "Louisiana"  
is the way of life here.

In any case, everything over here  
is very interesting, and the people are  
generally simple and nice.

I haven't been doing too much  
writing lately, I'm more a "home body" over  
here.

Well, that about all the news  
from here.

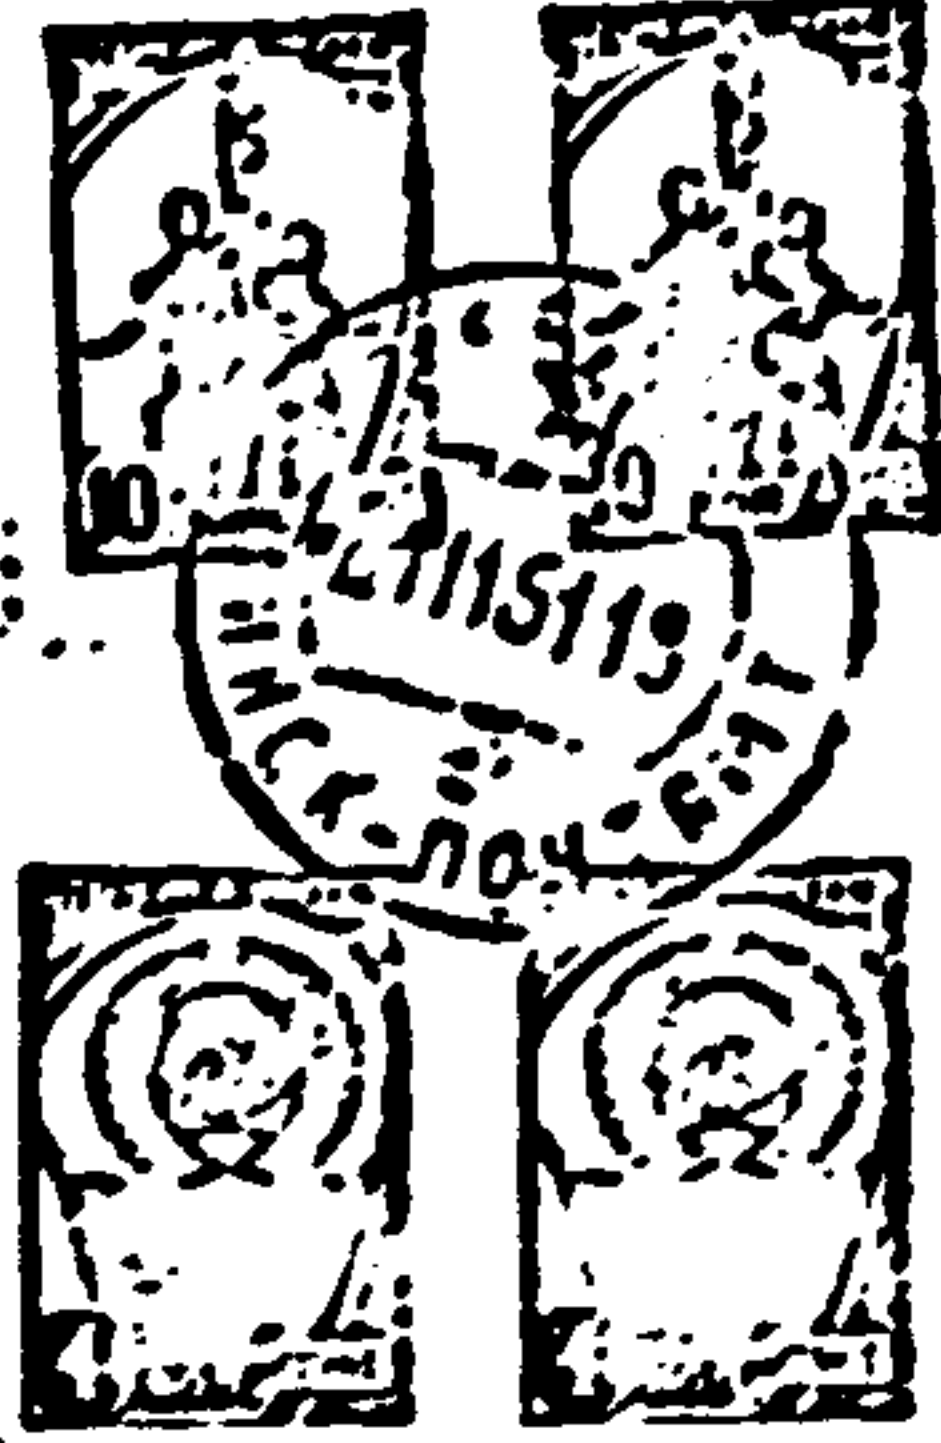

Yours truly  
J. H.

Dear Robert

Today I received your letter of Nov. 28

First of all, I can confirm what you thought about some of your letters, I did not receive any letters with certain questions. It's quite possible they destroyed it.

Did you get my letter about how they took down the status of Stalin? Bob as you say, we hope the crisis come through.

I got a package of books and magazines today from mother, its very interesting to read some of the stories in "Time" about life and politics in the U.S.S.R., most of its stories are wrong, they are too uninformed. I hope you get our little

package by Christmas. Maria worked  
on those little naptuns for Vada for  
two weeks.

at the post office they did not  
allow me to send some "LILLY" (handy)  
they said it was "produce".

Its mighty cold here, about 10  
below zero, as far as I can tell.

The snow is covered with  
snow, but the pine trees and out greens  
the river near our apartment house  
is frozen now. We have a very good  
view from our 4th floor windows.  
Well, thats about all for now.  
Maria sends her love, keep writing.

Dear Bob,

Well, I've been told that  
we'll get our visas about the 1st of  
February, if everything goes quickly.  
If we do get our visas we  
should arrive in the U.S. before  
the 1st of March. I hope this  
of course, my company  
the Soviet side is to be large.

We arrived in New York  
at some friends place, I had  
wanted to call you on New  
Year Eve, but since they are  
going to spend our winter soon  
I thought I'd wait a month  
or so and maybe we'll get  
to see each other.

I really don't trust these

January 30, 1962

Dear Robert,

Well, I haven't heard from you for quite awhile either you're not writing or your letters aren't getting through to me.

I told you in my last letter that we have finally been granted exit visas for leaving the Soviet Union will probably be in the states in the spring.

You once said that you asked around about whether or not the U.S. government had any charges against me, you said at that time "no", maybe you should ask around again, its possible now that the government knows im coming they'll have something waiting

Mother wrote me a letter the other day in which she informed me that the Marine Corps had given me a dishonorable discharge in Nov. 1959

ΣΡΣΣ-090601-09

Did you know this?

Of course, this is not too bad, since it relieves me of some duty, but still I should take this into account.

I wrote a letter to John B. Connally, Secretary of the Navy, who lives in Ft. Worth asking about my dishonorable discharge matter you could ask him to look

into the case since I don't know whether the Russians will let that bill through.

You said you were sending us something but it still hasn't gotten anything but worry packages are being shown coming and going.

The Embassy said they will see about a loan of \$100 million when we leave so it seems our money problem will not be too acute.

Marina still has a month to go so by the time you get this bill, you'll be pretty close to being on wheels. March 1 is the big day.

Mamma sends her love to all, as.

I do hope to see you all soon.

I really don't know where we'll settle  
I'd sort of like New Orleans.

How's the hunting out at the farms?  
How the weather, and all?

If you find out any information  
about me, please let me know, I'd like  
to be ready on the draw so to speak  
I'll keep writing until we  
get ready to leave so don't quite  
writing

Dear Robert,

Well, I have a daughter,  
June Marina Oswald, 6 lbs. 2 oz.,  
born Feb. 15, 1962 at 10 AM.

How about that?!

We are lucky to have a  
little girl, don't you think?

But then you have a head  
start on me, although I'll try  
to catch up. Ha. Ha.

This makes you an uncle,  
- Congratulations!

The chances of our coming  
to the States are very good.  
As I already told you, we received  
the Soviet exit visas. I can leave  
the country at any time. But  
there are still formalities concerning  
marina's entrance visa into the  
U.S. These are granted by the  
U.S. government, and they have

assured me they are getting all the papers together (they are quite nice) and certified accepted.

How are things at your end? I heard over the voice of America that they released POWs to a spy plane fellow. That's big news where you are. I suppose. He seemed to be a nice, bright American-type fellow, when I saw him in Moscow.

You wouldn't have any clippings from the Nov. 1955 newspaper of Est. Worth, would you?

I am beginning to get interested in just what they did say about me and my trip back.

The information might come in handy when I get back. I wouldn't hate to come back completely unprepared.

The American Embassy in Moscow has offered us a loan to pay for the price of the airline...

things, so we don't really, to  
worry about temporary things  
like.

Have you heard from Pic  
at all, what's he doing now? still in  
the air force do you know?

Well, I guess that's all  
for now.

P.S. I received a letter from you  
dated Jan. 3. I did not get it until  
Feb. 5. The censors are so stupid  
over here it sometimes takes them  
a month to censor a letter before  
letting it through.

Love to Vada, Cathy and  
little Robert Jr. He and Gene will  
play together. Am quite sure.

Dear Robert.

Received a letter from you  
not too long ago dated Feb. 8.  
I suppose by now, you've received  
my letter telling about the birth of  
my daughter on Feb 15<sup>th</sup> only in that  
letter I said her name would be  
June Maria Oswald but we finally  
registered her as June Lee Oswald  
so that's that.

maria and June are both

doing well mami left the hospital  
on Feb. 24 75.

Will probably be on the state  
in May since we want to wait  
for little June to gain weight  
and strength.

In another month or so it'll  
start to show out here although  
I suppose it's already hot in Texas  
I heard a "voice of America" program  
about the museum releasing prisoners.  
I hope they visit going to the  
line in the U.S. or anything.

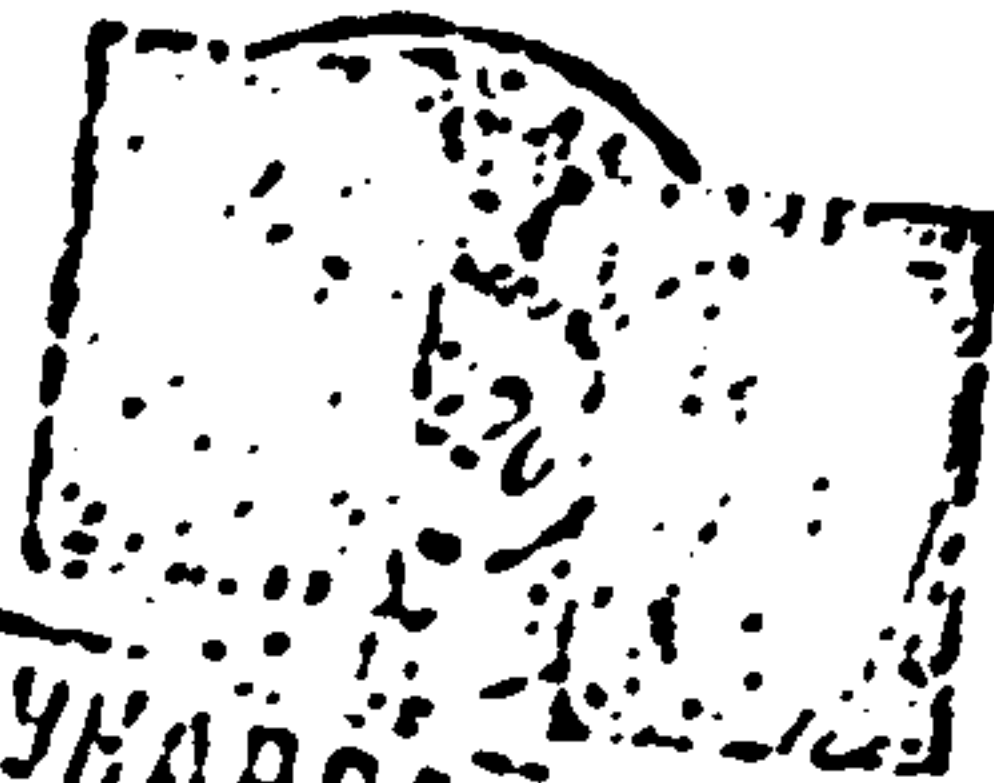

Thanks alot for your offer  
of taking us in when we get back  
to the state. It's a nice gesture  
and I'll see about whether I'll  
take you up on it or not, lads.  
Write about all for now loves

Dear Robert,

Well spring has finally come to  
march with the snow melting and  
above-freezing temperatures.

It looks like we'll be  
leaving the country in April  
or May, only the American side  
is holding us up now. The Embassy is  
as slow as the Russians were.

How is everything at the  
house?

I got a letter from the Marine  
corps. not too long ago. Then I sent  
them a request for a re-hearing  
on my undervalued discharge. I told  
them I would be back in the U.S.  
after 90 days, and they could contact  
me through your address.

Now that winter is gone,  
I really don't want to leave until  
the beginning of fall, since the

spring and summer here are so nice.  
Mama and June are all right.  
June already weighs 11 lbs or so.  
she's real cute.  
Mama sends her "hello" to the  
family. That's about all for now.

(I hope they won't), I want to

I know what was said about me when  
I left the U.S. as they sent me some

I hope that it was just the shock of  
the news which made you say all these  
things. However I'll just remind you to  
ask not to make any statements or  
comments if you are approached by  
the newspapers, between now and the  
time we actually arrive in the U.S.

Dear Robert;

Received your letter today and was surprised to hear you have moved and put the house up for sale, of course, its always better to take advantage of your chances as they come along so I'm glad for you.

Well, how is everyone adjusting to the new city? I've never been to Ark. so I don't know how it looks but some how I get the impression it must be something like Belarussia, pine forest ect., Mamma says where there are pine forest, its all in very good, which will be good for the kids;

June he was a year old in Feb. and is growing very quickly

she has several teeth set, but  
I don't have to tell you how they  
grow.

My work is very nice, & will  
get a raise in pay next month, and  
I have become rather adept at  
my photographic work. it is  
very interesting for me.

How's Pic? what's the latest  
word from him?

I think it would be very  
nice to visit you, if some  
time we can come will try to  
make it.

we don't have a phone, and  
we have moved to this new apartment  
just March 2nd so it would be  
better for you to write me at P.O.

well, write soon

For the history of the past 2 weeks  
or more than my eyes & heard with  
my ears & felt with my body & with  
future reference for myself &  
future members of the family.

Friday - November 22, 1963

I was out to lunch, on this noon to  
be by day, with Bill Damm, Burnett  
of the lunch & Dick & Bud Adams all  
of the lunch & Dick Co. As we were leaving  
the lady's Bill in order to earlier.  
Commented "Have you heard speaking to all  
that the President had been shot  
this was approx 1:00 P.M. As we walk to the  
car generally we all had doubt if it  
were true or not. Soon as <sup>we</sup> entered  
the car the radio was turned on &  
it was real enough but at the time  
the reports were still stating they  
serious the President was as Gov. Connally  
was near on the yard of the "old"  
Dante Plant when a man from the  
single dept said the President Kennedy  
was dead. It seems in true & hard  
to believe it was in real & it's

sure none of these really grasped the full meaning of that statement.  
We return to the "New Denton Plant" with many degrees of comment from everyone in the car. Soon as we stepped from the car someone said we should have our flag at half-mast. This was done promptly.

After about 2 hrs in the office we went out on the yard of the "New Plant" and returned to the office approx 2:30 p.m.

I returned to my desk & worked on some papers for about 15 min. I left my office & walked by to the front desk & then into Marvin Ellis' office & Miss Providence the receptionist located there also had a portable radio going. I remember that the radio announcer said Lee's name & Miss Providence said 'Donald' with shock & realization on her face - then she heard Tom Lee's name - then it hit me my statement was "That's my hiel brother!" I turned & ~~then~~ went to my phone & called Vada & asked her if she had heard she had not. I explained briefly &

told her I would be home shortly.  
I received, before leaving the office, a  
phone call from [unclear] with [unclear] credit  
number in [unclear] "but [unclear]  
[unclear] [unclear] has been arrested" [unclear]  
[unclear] "I replied" [unclear] I [unclear]  
[unclear] he advised me that [unclear]  
[unclear] was trying to reach me & gave  
me a number to call. I called &  
we agreed to meet in the [unclear] Hotel  
in Dallas & that a [unclear] - [unclear]  
agent would take her there.

I left the office & came home & on  
arrived Vada & I agreed best to call  
her father & have them pick up the kids  
& herself (at first Vada insisted on going  
with me - I am thankful I would not  
let her go).

I called the Fort Worth General office &  
asked for [unclear] [unclear] but he was on a long  
distance call so I called for Bill Davis  
& advised him I needed to go to Dallas  
& he stated [unclear] he had heard [unclear]  
in [unclear] Do not let [unclear] need to do & don't  
worry about the office, also the F. B. I. had  
called the office for me.

I called the F. B. I. Fort Worth office

and spoke to a Mr. Jennings & informed him that unless he wanted me to do something else I was going to Dallas & he asked that I go to F.B.I. Office in Dallas soon as possible. I advised him I would give him a call before I arrived.

It was approx 5:15 P.M. as I rang the night bell at the F.B.I. Office. I don't know but I do not recall the agent name who interviewed me for 2 hours or more on the last time I was here? Or who was the last time I made him heard from him? This was an interview with no name applied to me. His first statement was that he had a right not to answer any questions & by reply was I didn't need a lawyer & he could feel free to ask any question. On completion of our talk I asked where was Lee being kept & he said Dallas City Jail or Police Station. I walked into the Police Station around 7:15 P.M. & ~~was~~ had to go in an elevator but it was the wrong floor. I found a Capt. Baker in traffic & asked
