

when I could find someone in charge of the case. I then introduced myself. We sat in & tried to call upstairs but all the lines were busy. He said he would take me up. As we stood waiting on the elevator I reached into my left-hand pocket for a handkerchief & apparently a handkerchief I feel almost certain that the Capt. thought I was reaching for a gun because he turned as to prepare himself but then he saw it was a handkerchief. We went upstairs and he found Capt. Fritz who was in charge of the case. I stood back & he asked what I want in another office. The office I went into was where mother was & a Star-Telegram reporter & 3 F.B.I. Agents. Two of the Agents were here.

Mother & I talked briefly & after about 30 min. we were taken across the hall to her room & the 2 children were (This was the first I saw of the new baby). A Mrs. Bain was also present. We talked a little & then by Mrs. Bain - who are police had

been talking to / came out of the office  
 & Mrs. Paine introduced us. I did  
 not like the appearance of Mrs. Paine neither  
 really to put my finger on but I  
 just had a feeling.

I did not know why <sup>she</sup> Mrs.  
 Paine or someone involved in this  
 affair.

Shortly thereafter Miller, Marina & children  
 & the Paines left at 10 to the Paine's  
 house in Irving & I advised them I  
 would stay there to see them tomorrow.

I stood around for a short while & finally  
 started a conversation with ~~the~~ <sup>the</sup> ~~runner~~ <sup>runner</sup>  
 I believe this was his name. He of course discussed  
 the happen of the date and I do not feel  
 we were in any type of "formal or informal"  
 interview we were just talking. This  
 officer did state he did arrive at the  
 movie show shortly or during Lee's  
 arrest. He did give me my first  
 first hand report & generally it  
 was at announced on the radio & then  
 the press. That he was captured in the  
 theatre after shooting a policeman later  
 identified as Tippet. Also he was  
 thought to be involved with the President's

death. We talked about 30-45 min & I finally decided I could gain nothing the night - this night of unspeakable horror.

I walked to my car about 7 blocks away (I was not known to reporter at this time & was not bothered at all) & I just started to drive to drive down ~~Highway 80~~ to Fort Worth & returned to Dallas by the turnpike the only stop I made was a mid way gas stop. I do not recall my thoughts other than I was attempting to average my thoughts & my fear in my own mind.

I arrived back in Dallas approx 10:30 PM & checked into the Statler-Hilton hotel, which is located across the street from Dallas Police Station. After checking in I went to my room & then decided to eat something, which I did in the coffee shop I had a ham sand-which.

After eating I decided to go back to the Police Station this was approx 11:15 PM approx 11:30 PM anyway I asked to see Capt. Smith again and was taken to his office but again he was busy.

ever and I stood outside of his office  
an F. B. I. agent who named I do not  
recall asked if he could not speak  
with me and of course I said yes. We  
sat in a small office & another F. B. I.  
agent came in & we start & covered  
more or less the same ground covered by the  
original interview with the exception of  
one thing the man <sup>never</sup> had come to  
my home in Ft. Worth while I was there  
the was Mr. Peter Gregory (I later become  
to know him, at least a little bit, and find  
him to be a fine guy). At approx 11:55  
one agent left and returned and said  
12-7 "What you might as well know now they  
are charging your brother with the President  
death (he had all ready been charged  
with Bolivar Toppitt death) I looked  
at my watch it was a few minutes  
after 12 midnight.

I left the Police Station a few  
minutes later & as I walked to the  
Hotel approx 2 block away my body suddenly  
began to shake all over. I remember I  
required control by the time I reach  
the entrance to the hotel. This young  
body of mine had then started to

act to this unbelievable day & during the  
next 7 days especially my young body  
mind & soul was aged a great deal.

I went to bed the Friday night of  
November 22, 1963 but I know I never  
really went to sleep.

Saturday November 23, 1963

I started moving about at 7 AM  
took a shower & because I didn't have  
a comb, razor or anything I went to the  
drug store & purchased a comb & hair oil  
returned to my room combed my hair &  
left for a shave in the hotel barber  
shop.

The barber who shaved me & the barber  
in the next chair had a discussion on the  
past day's happenings. I listened in-  
tensely & even now (months later) I can-  
not recall just one part of that was  
made by the barber who shaved me. The  
point was even the crime Lee was charged  
with he deserved like anyone else a  
just & fair trial. I never commented to  
any part of the discussion but I did  
leave my barber a \$0.4 tip.

I went, without breakfast to the

Police station and after hanging around  
for 30-40 min I thought that since  
charges had already been made that the  
District Attorney's office might be the  
place to contact. I called from the first  
floor of the Police Station & was advised  
by an Asst. D.A. that the D.A. was not  
in but I was asked to go to his office.

12-11-53

When I arrived the D.A. Mr. A. Wade  
was there & I was shown right in & also  
met Asst. D.A. Jim Bowie. We talked  
for about 1 hour on so mostly general things  
about when & where the trial would be  
held & would it be a Federal case or  
not. The answer was no to Federal case  
since it was not against Federal law & Bill  
a President. All of our conversation was  
pleasant & not to in fact in or either side.

I received a call from Mother while I  
was at the D.A.'s office & she advised  
that she was at the Palm Hotel (I believe) &  
was with Life magazine reporters. She  
stated the Capt. ~~Smith~~ Fritz had agreed  
to see her around 12 noon. I left  
the D.A.'s office at approx 11 AM & went to  
the hotel. I remembered I walked there

I believe it was 6 or 7 blocks.

When I came to the hotel room 2 Life men were there one F.B.I. Agent by the name of Edson & an interpreter (she was a mess just to see this interpreter). Maria apparently did not want to talk to the F.B.I. at this time so we made ready to go to the jail to see Lee.

We arrived approx. 12 noon & were asked to wait for a little bit before we could go up. As we were waiting a man asked if he could talk with me. This was Mike Howard of the United States Secret Service. Mr. Howard stated that he would like certain facts about Lee & myself. I indicated I would be more than willing to answer any & all questions the best I could. We had an interview that lasted perhaps 1 hour or so, with my degree of interruption. He mentioned that Mrs. Kennedy was interested in our background etc. at the very first part of the interview. Later as we talk I mentioned to him that perhaps through this directness I could express my deepest sympathy on the death of the President my voice broke & I could not finish. Mr. Howard stated he saw what I was trying to say.

Mother & Maria & the children went

my to see Lee & I was told I would go later.  
About this time a Mr. Kelley came into  
the office where Mr. Howard & I were talk-  
ing. Later I found out the was Inspector Tom  
Kelly of United States Secret Service & talked  
for a few minutes off & on as he was having  
a few interruptions again.

Mike Howard, Mr. Kelly & myself talked  
about whether or not Lee upon seeing me would  
say anything to me because he did not at  
any time admit to any part of the whole  
unbelievable mess. I stated I would do my  
best. (Do not misunderstand here my whole  
intention then as now was to find out the truth  
& nothing else).

Approx 2:45 PM I went up to see Lee & as  
we came face to face thru the glass he  
motioned for me to pick up the telephone which  
we were to talk thru. His first statement to me  
was "How are you" I replied "I'm O.K."  
(he did have cuts & bruises on his face) he stated  
that he was O.K. & that they were "kreatin me  
well". I do not recall anything he say ~~and~~  
did try to point out to him that the evidence  
was over whelmin that he did kill the Police officer  
Tappitt & poison the President. To this he  
replied do not form any opinion on the

to collect evidence. All the time we were talking I searched his eyes for any sign of guilt or what ever you call it. There was nothing there - no guilt no shame no nothing. I finally came up to my looking into his eyes he stated "you will not find anything there". I tried to talk about his family (Marie & the babies) he said "How about the little one I want a boy but you know how that goes". He asked that I not come every day to see him but he did want me to come through & visit with him. He talked about the babies & his friends & that they would take care of Marie & children & stated who he considered to be his friend was not necessary since I did this to try to get them to him, to me his answer was mechanical & I was not talking to see I knew. A police officer finally lay Lee on the shoulder & Lee said that was all & his last words were "see you". There were to be the last word I would ever hear from him.

Mr. Tom Kelly & Mike Howard were waiting outside the door for me & as we entered the elevator & the door closed I said "He did not say anything because I got this up about the first thing Lee said was that the line is tagged. Mr. Kelly said if it was he would not be asking me

what was said.

We discussed briefly what was said & we all agreed that maybe if we had been allowed to enter into a room & not our telephone things might have been different, but we also agree this was now out of the question since DeLoe would feel everything is tapped or wired.

I left the Police Station & went to the hotel & mother & Maria & babies had been moved to another motel by the life reporters. This was the Executive Inn. I called them & told mother I was going to the farm & would see them in the A.M.

When I arrived at the farm Mike Howard had called & left word for me to call back when finally I reached him he stated he would let me know where mother & Maria were & I gave him the new number & telephone number at the Executive Inn.

Sunday November 24, 1963

Arrived 8:45 A.M. Mike Howard called again and advised mother had called M.A. Dragan & was upset over reporters showing up and bothering her & Maria. I advised him I would meet them there (Executive Inn) around 10:30 A.M.

When leaving I decided to go thru Fort Worth rather than to Denton & then to Dallas as I had advised Mike Howard. I stop at a place south of Ft Worth & called Mike Howard & we agreed to meet at the Howard Johnson on the Turnpike.

I arrived first & they that is Mike Howard, Charles Kunkel & Mr. Drayton. I had a cup of coffee but before sitting down I was introduced to Marge Vanderquill of Arlington also some others (about 2 men) who I do not remember. (Believe these were police officers of Arlington).

After coffee Mr. Drayton rode with me & the 2 agents rode together, we followed their car to the Execution Room. On arrival Mr. Drayton & myself went to the room & no regulars were visible anywhere. After a few minutes in the room I left to pay the bill & prepare to leave.

Out front where we parked the car Mike Howard stood waiting & he informed me that they just heard of the radio that Lee was shot. He advised that it had not been serious though & not to worry. I decided not to say anything to Marie & mother but rather that they should

go to the farm. This I spoke to Mike Haver about also that I would go to find out about Lee.

I went to Parkland Hospital (I heard that this was where they were taking Lee) and arrived but had to identify myself to a police officer in order to get into the entrance road. The police officer instructed me to wait & he called a policeman (the first one was a Sgt.) to park my car in front of a patrol car & wait with me.

It took about 20 min or less & Secret Service Agents came out to the car & we talked for a few minutes & then left to go into the Hospital. Roger Wynn was one of the 2 Agents I do not recall the other one name but later on he took the tape recording to Washington.

As we entered a side door of the hospital Agent Wynn gave me a fast shake down for any weapons. This I did not mind since he did not know me at all.

We went into a room on the first floor & one Agent stayed with me (Wynn I believe at first) and then a new one came in (I later saw him at the motel also but can not recall his name). We were there

Approx 30 min when the telephone rang (2 or 3 other calls had come in) Oh, yes before I forget an Agent came in after about 20 min & advised it was not serious & Lee was doing fine. Now approx 10 min later the phone rang, as I mentioned above & the Agent in the room with me requested that the party on the other end repeat what was being said. The agent rose & I look at him & he stated "Robert Lee is dead" I broke down and cried for bid I do not know how long & I was not aware of anything going on around me at this time. Someone finally said there was a minister here in the hospital & asked if I wanted to speak to him & nodded yes.

Before the minister arrived Mr. Tom Kelly came in (I wasn't aware when) but suddenly he stated "violence breeds violence" I replied "does this justify anything or all of this" I do not recall if he answered that or not.

Dr. Pappas talked to me & we prayed together & then agents said I could go & see Lee. We walked slowly down the hall & went to the back or basement of the hospital I do not remember which. They put me in a room & said it would be a few minutes.

About this time Maria, mother & her two children  
came in. They had already seen Lee so  
we waited for a while. Then someone came  
in & said that they had already started  
the autopsy & that it would be impossible  
for me to see him until it was completed.  
They advised it would be 4-5 hours. I  
decided not to wait so plans were made  
to go.

The Secret Service apparently had re-  
ceived orders from the local level to stay  
with us until further notice.

We left in two cars. I was in the  
front car with 2 agents & Maria kids  
& mother & Mr. Gregory was in the last car.  
Only one car with newspaper reporter tried  
to follow us as we headed for the door  
of the Big Glass, Arlington, Texas. We were  
driving down the highway & this car was  
still following us. Additional help was  
called for over the radio & before long  
police cars were stopping the car that was  
following us or speeding or something.

We arrived at the door where the  
agents had set up 4 different rooms.  
We stayed in Room 424 & 423.

Mania took the children in room 423 (actually the rooms were together & we could walk thru without going outside). I do not remember much about what went on the first afternoon (I guess it was around 4 PM when we arrived there) I do recall that Arlington Police were now helping the Secret Service Agents out. I will mention two of these Police officers now. But Parson & Jesse Danner (I do not know what their ranks were but both were around from the day forward until we left the area).

Later in the night Police Chief of Arlington Chief Perry by name came in. I stayed mostly in the main room 424 & everyone that came in was introduced to me. Also I do not sure whether it was the night or the following night by Sheriff Lon Evans of Ft. Worth came in & I remember having a cup of coffee with him & talking about different things & he told me anything he could to help the Court on him.

We never suggest that night & all I had was a milk shade (I found out on the day I left that the law usually didn't never milk shade & that they had to find a machine somewhere).

During the general. Tim person  
Bob Pass went to Dallas Parkland Hospital  
& "Stole" my car. He look it &  
Culight Police didn't they put a guard  
on it.

After Maria had eaten they (the Secret Service Agents) started an interview with Maria & Mr. Droney & the interrogator. I was present during this entire interview which was on a tape recorder & Maria answered all questions to the best of her ability - of this I am sure of. Maria never did mind talking to the Secret Service. Agent Charlie Kunkel was the interviewer. Mike Howard controlled the tape recorder for a while & then I believe they found it did not need any further adjustment.

A telephone call started in which I was making a decision on what arrangements were to be made for the body of the. I talked with Mike Howard & decided that Miller's funeral home in Ft. Worth would be my preference. Agent Howard called & talked with the funeral home Director Mr. Groody.

Much later I would say around 10 or 11 PM Mike received a call from the hospital wanting to confirm that Miller funeral home was to pick up the body.

I was to call & ask for Mac Cahn & he would identify me & O.K. removal of Miller's.

After this I believe the interview was

Complete with mania.

Agent <sup>Charlie</sup> Kunkel who was really dead on his feet stretched out on the sofa & went to sleep. Bob Brown was outside walking around (they are more or less expected to F.B.I. any time now) with a carbine in case someone should show up. As I went to bed someone usually was peering in the door) rattled the door knob & Charlie Kunkel came alive & I knew by sheer reflex will draw pistol but Jesse Brown had reached the door now & it was Bob Brown waiting in.

\* After mania interview I was interviewed by Mike Howard perhaps for 20 or 30 minutes also they had Marion Longford take a picture of mania and me.

Monday November 25, 1963

Somewhere around 6:30 AM I got up. I do believe I ~~was~~ never really went to sleep. Also around 8:30 either the Funeral Home called or we called them the I do not remember by ~~the~~ <sup>to</sup> make funeral arrangements over the phone.

Around 11 AM the first great shock of the day was to hit me - One Cemetery (Lancel built in Ft. Worth what was a decent for body) also they were having a hard time locating

a minister to quit the service. The Funeral Director was going to continue until he found something out for sure. We had planned the funeral for around 4 P.M.

Someone came in & said that a Lutheran minister was here & did we want to talk with him. I said yes. They had been talking about <sup>religious</sup> matters but it was shy because I was so badly shook-up over so called Christian people not even visiting I don't see.

The above mentioned Minister (his name I do remember & perhaps never forget) I will not quit - he has my deepest sympathy because he is the honest of all in my work. He was so afraid for his personal reputation that he would avoid any possible question he could be at my quit said he would prefer the service but when he left we never saw him again.

Later we learned (around 1 P.M. & 2 P.M.) that every other was ready & would be ready for 4 P.M.

It was necessary to purchase a dress for mine and a few other odds & ends for the funeral, just to show a little of the industry & the Secret Service was understood.

See, who always loved his children <sup>mine</sup> too, had

said she she needed new shoes, she had  
been wearing a pair of canvas top shoes for  
children, early this morning Nov. 25, 1963 Maria  
was dressing <sup>James</sup> & she said in her broken  
English "You need shoes" I looked to see what  
size and turned I could not enter myself  
and broke once again. I called Agent  
Charlie Kunkel over and with tears falling down  
my cheeks I said "I realize this is personal  
and explained briefly about the shoes" ~~he~~  
his reply was as he put his hand on my  
shoulder in soothing like "She will have shoes."  
I said I would of course pay for them &  
be sent money back for the.

On return Maria was again asked to go  
out & find the necessary apparel for Maria  
that he did @ Sears in <sup>Archie</sup> also  
a dress for Jane Lee was purchased (I had  
stated from the beginning that I would pay  
for all the items. I mention this again because  
later this week & early the following week Maria  
regret that the government was paying for all  
this - they never indicated at any time they  
would. because I had from the beginning  
said I would).

We left for the funeral in two  
cars Roger Warner, But Passon & a man

for the Sheriff department was driving the  
car in. Maria & the children and mother  
were in the other car driven by Mike Howard  
with Charlie Tucker also.

Also on a angle to show me under  
the constant pressure all of us were under on  
the way, on in the back car, a car can be  
taken to the 2<sup>nd</sup> car the driver asked  
Bob Parson's to turn around (He & I were in  
the back seat. But carry a M-1 Carbin) and  
Bob Parson's turned and then said it was  
all why two old maid one carrying a hub  
gun. Every one laugh I believe it was the  
first time I had laugh in over 2 days.

As we arrived at the gate to Rose Hill the  
F.P. units Policemen made all Agent & Police  
officer identify themselves they were taking  
no chances. We pulled up to the "Chapel" and  
getting on on the inside and register with  
various studies gathering around I felt again as  
if I were literally torn apart because I had  
dropped for a few minute alone before the  
burial but the also could not be so fast my  
walked to see again a cavern particularly  
but he came up to my face and I al-  
most lost control because I believe if  
I had to take a couple more steps to the

car I would have looked in down, the  
I am sure would have been exactly what they  
hope for. As I sat down in the back of the car  
again. But Parn, who had orders to stay in-  
side with the Carline, said "But, boy, you  
are doing fine". We drove down to burial place  
and the funeral began conducted by Mr. Parn  
Sander. I do not remember much but there  
was someone right in front, one speaking Russian  
to Maria. I finally asked Mike Howard,  
the picture in Life magazine showing ~~the~~ aged  
standing over me was Mike Howard, and I was  
asking him to see if all the negatives could  
not be saved such so that we may have  
a few prints made with the cabinet open.  
This was done & also a half-dozen were so  
policemen in plain clothes formed a semi-  
circle around the head of the casket for further  
protection in of no pictures while the casket was  
open. Maria bowed her & slipped (rather the  
funeral director or helped her) her ring on  
her's finger. Mother bowed her and so did  
I & said a pray as I laid over him.  
After the funeral was over we went back  
to the hotel.

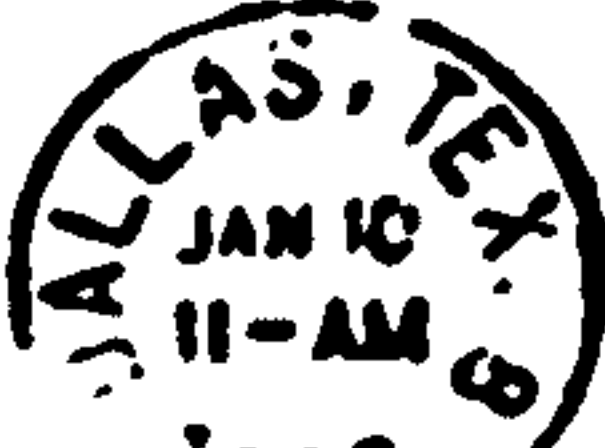

Sunday  
Jan 17, 1964

Jim advised that Maria told him that Lee wanted to - - - - - NMR also but Maria locked Lee in the bath room all day. This was confirmed later the day by Maria, on the way to the cemetery.

Sunday Jan 19, 1964

Maria & the Martins had gone to Katy Ford house in Richardson & arrived at the Martin's home around 2 PM they return about 4:45 PM.

On the way to query Jim said the F.B.I. had asked Maria during the week ~~if~~ if she knew how hard Lee & could suicide while in Russia prior to their marriage. She did not and it was the first she knew about it. Maria had later confirm the call said that she had <sup>seen</sup> Lee 2 or 3 times what was the cut on his waist pointing to the cut on his left waist, Lee would be very nervous and tell her nothing. The F.B.I. read the in Lee "book", understood he had a date with another girl around 8 PM (this is in Moscow) the night before she was due to arrive he cut his waist. Maria said she was "shocked" when the F.B.I. told her the story.
