SUBJECT: Instruction to Moscow drafted March 27, 1961

This division has no objection to the security classification which has been placed upon the subject instruction.

For security reasons we do not believe that the passport should be returned to Mr. Oswald by mail as proposed in paragraph 2 of the outgoing instruction. Mr. Oswald was able to travel from Moscow to Minsk without a passport and there is no discernible reason why he cannot return. Certainly we should not be bound by the opinion he expressed in paragraph 2 of his letter set out in Moscow's Despatch No. 585 of February 28, 1961.

TO: Embassy MOSCOW

Date: AUG 18 1961

FROM: The Department of State

SUBJECT: CITIZENSHIP AND PASSPORTS - Lee Harvey Oswald

REF: Embassy's Despatch No. 29, July 11, 1961 and passport renewal application, July 10, 1961, with questionnaire.

We concur in the conclusion of the Embassy that there is available no information and/or evidence to show that Mr. Oswald has expatriated himself under the pertinent laws of the United States.

The renewal of Mr. Oswald's passport, issued on September 10, 1959 is authorized upon his referenced application, if no adverse reason is known, to take place upon his presentation of evidence that he needs such renewal in connection with his efforts to return to the United States, as indicated in the final sentence on page 2 of Despatch No. 29. As requested in the final paragraph of the despatch, the Embassy may perform this citizenship function for Mr. Oswald at its discretion.

Any passport renewal granted to Mr. Oswald should be limited to his passport needs and, as stated in the second paragraph of the Department's A-173, April 13, 1961 his passport should be made valid for direct return to the United States. The additional precaution set forth in the same paragraph should be observed and his passport should be delivered to him on a personal basis only. When available, a report of his travel data should be submitted, as well as a report of any intervening developments.

Emigrant Visa Case of Mrs. Marina N. OSWALD.

SOV has cleared the attached letter to Mr. Farrell, Commissioner of Immigration and Naturalization, and the telegram to Moscow about the immigrant visa case of Mrs. Marina N. Oswald. In considering this case I believe it would be helpful for you to have the following additional information. It refers to the second paragraph of VO's memorandum relative to Mr. Oswald's statements that he intended to reveal information to Soviet authorities about his work as radio operator in the Marine Corps.

Oswald appeared at the Moscow Embassy on July 8 on his own initiative in connection with his desire to return to the United States with his wife. He was questioned at length concerning his activities since entering the Soviet Union. There is quoted below the applicable paragraph from Embassy despatch No. 29 of July 11, 1961:

> "Oswald stated that he had never been called upon to make any statements for radio or press or to address audiences since his arrival in the Soviet Union and that he has made no statements at any time of any exploitable nature concerning his original decision to reside in the Soviet Union. He recalled that he had been interviewed briefly in his room at the Metropole Hotel in Moscow on the third day after his arrival in the Soviet Union by a reporter from Radio Moscow. The reporter represented himself as seeking comments from American tourists on their impressions of Moscow. Oswald stated that he made no more than a few routine comments of a visiting tourist nature, the whole lasting no more than two or three minutes and of no political significance. When queried about a statement which he had made to the interviewing officer at the time of his first appearance at the Embassy on October 31, 1959, to the effect that he would willingly make available to the Soviet Union such information as he had acquired as a radar operator in the Marine Corps, Oswald stated that he was never in fact subjected to any questioning or briefing by the Soviet authorities concerning his life or experiences prior to entering the Soviet Union, and never provided such information to any Soviet organ. He stated that he doubted in fact that he would have given such information if requested despite his statements made at the Embassy."

THE WASHINGTON POST Saturday, June 9, 1962 A7

Third American in 2 Months Leaves Soviet 'Home'

MOSCOW, June 8 (UPI)—A former U. S. Marine who came here to live three years ago saying he would never return to America is homeward bound with his wife and child, the U. S Embassy said today.

Lee Harvey Oswald, 22, his Russian wife and their infant child left Moscow about 10 days ago. Officials said their travel plans were not known, but it was believed they would go by train to Le Havre, France, and take a ship from there.

(In Paris, the U.S. Embassy said Oswald had not been in contact with it and was not aboard a ship that left Le Havre yesterday.)

Oswald, formerly of Fort Worth, Tex., came to Moscow in October, 1959, shortly after being discharged from the Marine Corps.

He told newsmen at that time that he planned to acquire Soviet citizenship and that he would "never return to the United States for any reason."

The Embassy said Oswald gave no reason for his desire to return to the United States, but added that during his stay here he retained his citizenship.

Oswald is the third American in less than two months to return home after planning to settle in the Soviet Union.

Robert E. Webster of Zelienople, Pa., who gave up his citizenship, left for the United States as an immigrant last month. David Johnson, a Philadelphia railroad worker, and his wife and twin sons returned after becoming disillusioned in one week with the Soviet Union.

When Oswald arrived in Moscow, he told newsmen that leaving America was like getting out of prison.

"I would not want to live in the United States and be either a worker exploited by capitalists or a capitalist exploiting workers or become unemployed," Oswald said. "I could not be happy living under capitalism."

Operation of Sanctions Imposed by Section 243(g) of the Immigration and Nationality Act in Case of Mrs. Marina N. Oswald

It has come to the attention of SOV that in approving the petition granting Mrs. Marina N. Oswald non-quota status the San Antonio District Office of INS did not include a waiver of the sanction against the issuance of the visa imposed by Section 243(g) of the Immigration and Nationality Act. It would, therefore, be necessary for Mrs. Oswald to proceed to a third country and there apply for a United States visa instead of receiving a visa at Moscow when her husband, Lee Harvey Oswald, is documented for a return to the US as an American citizen.

Lee Harvey Oswald is an American citizen who defected from the US and decided to reside permanently in the Soviet Union. Although he made known to the Embassy his original intention to renounce American citizenship, he never completed the formalities. When he became disillusioned with life in the Soviet Union, he requested passport facilities to return to the US. After due consideration the Passport Office made the decision that Oswald is still an American citizen; the Embassy has been authorized to issue him a passport for return to the US; and SCS has authorized a loan of $500 to enable him to travel to the US with his Soviet wife and recently born child.

SOV believes it is in the interest of the US to get Lee Harvey Oswald and his family out of the Soviet Union and on their way to this country as soon as possible. An unstable character, whose actions are entirely unpredictable, Oswald may well refuse to leave the USSR or subsequently attempt to return there if we should make it impossible for him to be accompanied from Moscow by his wife and child.

Such action on our part also would permit the Soviet Government to argue that, although it had issued an exit visa to Mrs. Oswald to prevent the separation of a family, the United States Government had imposed a forced separation by refusing to issue her a visa. Obviously, this would weaken our Embassy's position in encouraging positive Soviet action in other cases involving Soviet citizen relatives of US citizens.

Also

OFFICIAL USE ONLY

Virginia James Exhibit 2

James Ex No 2 4/17/64

Virginia James Exhibit No. 2

Also to be considered is the fact that we have granted a loan of $500, sufficient only to bring the family to New York. There is a strong possibility that a New York or other welfare agency will have to support the family during a stop-over in New York and pay for their onward travel to Texas since Oswald only has a total fund of $700. A detour to a third country would require additional United States funds.

SOV recommends that INS be asked to reconsider on an urgent basis its decision regarding the 243(g) waiver for Mrs. Oswald.

In view of the foregoing, it is recommended that a telegram be sent to the Embassy at Moscow advising it to withhold action of HO's recent CH on the subject OPERATIONS: Case of Mrs. Marina N. Oswald. In this connection, the Embassy's WIROM No. 2434 of March 15 which asked when a decision on the petition and waiver could be expected, apparently was motivated in part by the fact that Oswald is using up his funds while awaiting documentation.

Immigrant Visa Case of Mrs. Marina N. OSWALD.

There is attached the Visa Office file in the case of the above-named alien, including a letter drafted for your signature to the Commissioner of Immigration and Naturalization and [illegible] a priority telegram to the Embassy at Moscow.

Mrs. Oswald, nee Marina Nicholaevna Prusakova, born July 17, 1941 at Molotovsk, Union of Soviet Socialist Republics, is the wife of Lee Harvey Oswald. Mr. Oswald, who was born October 18, 1939 at New Orleans, defected to the Soviet Union in October 1959, shortly after completing a three-year enlistment in the United States Marine Corps. Although a report from the Federal Bureau of Investigation (contained in the file) stated he had had no known contact with the Communist Party of America and had shown no proclivities for communism, he stated to the Embassy at Moscow that he intended to become a Soviet national and to reveal to the Soviet authorities all the information he could about his training in the Marine Corps as a radio operator. Mr. and Mrs. Oswald were married April 30, 1961 and presently reside at Minsk, where a child was recently born to them. Mr. Oswald has now become disillusioned with life in the Union of Soviet Socialist Republics and wishes to return to this country with his family.

This office rendered an opinion on October 3, 1961 that Mrs. Oswald's case could be considered under the provisions of Section 212(a)(28)(I)(i) of the Immigration and Nationality Act in that her membership in the Soviet Trade Union for Medical Workers could be considered involuntary. The Passport Office has rendered an opinion that Mr. Oswald has not expatriated himself and may be issued a passport for his return to the United States. The Office of Special Consular Services has authorized a repatriation loan to Mr. Oswald. The Soviet authorities have issued exit documentation to Mrs. Oswald and have indicated that such documentation will be issued to Mr. Oswald upon completion of his travel plans.

However, the San Antonio District Office of the Immigration and Naturalization Service has now replied to the Visa Office that, while it has approved the petition granting Mrs. Oswald nonquota status as an immigrant, it will not waive the exclusions imposed under the provisions of Section 212(g) of the Act against the issuance of immigrant visas in the Soviet Union. forwarded to the Embassy containing that information and pointing out that Mrs. Oswald would therefore be required to apply for her visa in a third country.

SOV has now recommended that the Department request Immigration and Naturalization Service to reconsider its refusal to waive the sanctions. The letter to Mr. Farrell and the telegram to Moscow have therefore been drafted for your signature.

Dear Mr. Cieplinski:

The Service file relating to the case of Mrs. Marina N. P. Oswald, subject of your letter of March 27, 1962, has been carefully reviewed in this office.

On February 28, 1962, the District Director at San Antonio wrote the Assistant Director of the Visa Office that he declined to waive in Mrs. Oswald's case the sanctions against the issuance of immigrant visas in the Soviet Union imposed pursuant to Section 243(g) of the Immigration and Nationality Act. Your letter states that preventing Mrs. Oswald from accompanying her husband and child to the United States would weaken the attempts of the Embassy in Moscow to encourage positive action by the Soviet authorities in other cases involving Soviet relatives of United States citizens. Your letter also states that waiving of sanctions in behalf of Mrs. Oswald would be in the best interests of the United States.

In view of the strong representations made in your letter of March 27, 1962, you are hereby advised that sanctions imposed pursuant to Section 243(g) of the Immigration and Nationality Act are hereby waived in behalf of Mrs. Oswald.

Sincerely yours,

March 27, 1962

Dear Mr. Farrell:

The case of Mrs. Marina N. P. Oswald has been brought to my attention. Mrs. Oswald is the wife of Mr. Lee Harvey Oswald, an American citizen, and is applying for an immigrant visa at the Embassy at Moscow. She has been granted exit documentation by the Soviet authorities and the Embassy is prepared to consider her case under the provisions of Section 212(a)(28)(I)(i) of the Immigration and Nationality Act.

However, the Department has now been informed by the District Director of your Service at San Antonio that, while the petition granting Mrs. Oswald nonquota status for immigrant visa purposes has been approved, the sanction against the issuance of immigrant visas in the Soviet Union imposed pursuant to Section 243(g) of the Act will not be waived. I should like to request your reconsideration of that decision.

I appreciate the difficulty this case presents for your Service, because of Mr. Oswald's background, and the fact that granting a waiver of the sanction makes it appear that this Government is assisting a person who is not altogether entitled to such assistance. However, if the Embassy at Moscow is unable to issue Mrs. Oswald a visa, it would appear that she and indirectly the Oswalds' newborn child are being punished for Mr. Oswald's earlier indiscretions. I might also point out that this Government has advanced Mr. Oswald a loan of $500.00 for repatriation.

More important, however, is the possibility that if Mrs. Oswald is not issued a visa by the Embassy, the Soviet Government will be in a position to claim that it has done all it can to prevent the separation of the family by issuing Mrs. Oswald the required exit permission, but that this Government has refused to issue her a visa, thus preventing her from accompanying her husband and child. This would weaken the Embassy's attempts to encourage positive action by the Soviet authorities in other cases involving Soviet relatives of United States citizens.

Because

The Honorable
Raymond F. Farrell,
Commissioner of Immigration and
Naturalization,
Department of Justice.

Because of those considerations and because I believe it is in the best interests of the United States to have Mr. Oswald depart from the Soviet Union as soon as possible, I request that the Section 243(g) sanction be waived in Mrs. Oswald's case.

Sincerely yours,

Michel Cieplinski

Operation of Sanctions Imposed by Section 243(g) of the Immigration and Nationality Act in Case of Mrs. Marina N. Oswald

It has come to the attention of SOV that in approving the petition granting Mrs. Marina N. Oswald non-quota status the San Antonio District Office of INS did not include a waiver of the sanction against the issuance of the visa imposed by Section 243(g) of the Immigration and Nationality Act. It would, therefore, be necessary for Mrs. Oswald to proceed to a third country and there apply for a United States visa instead of receiving a visa at Moscow when her husband, Lee Harvey Oswald, is documented for a return to the US as an American citizen.

Lee Harvey Oswald is an American citizen who defected from the US and decided to reside permanently in the Soviet Union. Although he made known to the Embassy his original intention to renounce American citizenship, he never completed the formalities. When he became disillusioned with life in the Soviet Union, he requested passport facilities to return to the US. After due consideration the Passport Office made the decision that Oswald is still an American citizen; the Embassy has been authorized to issue him a passport for return to the US; and SCS has authorized a loan of $500 to enable him to travel to the US with his Soviet wife and recently born child.

SOV believes it is in the interest of the US to get Lee Harvey Oswald and his family out of the Soviet Union and on their way to this country as soon as possible. An unstable character, whose actions are entirely unpredictable, Oswald may well refuse to leave the USSR or subsequently attempt to return there if we should make it impossible for him to be accompanied from Moscow by his wife and child.

Such action on our part also would permit the Soviet Government to argue that, although it had issued an exit visa to Mrs. Oswald to prevent the separation of a family, the United States Government had imposed a forced separation by refusing to issue her a visa. Obviously, this would weaken our Embassy's position in encouraging positive Soviet action in other cases involving Soviet citizen relatives of US citizens.

Also

OFFICIAL USE ONLY

Virginia Jones Exhibit No. 9

Also to be considered is the fact that we have granted a loan of $500, sufficient only to bring the family to New York. There is a strong possibility that a New York or other welfare agency will have to support the family during a stop-over in New York and pay for their onward travel to Texas since Oswald only has a total fund of $700. A detour to a third country would require additional United States funds.

SOV recommends that L/S be asked to reconsidor on an urgent basis its decision regarding the 243(g) waiver for Mrs. Oswald.

In view of the foregoing, it is recommended that a telegram be sent to the Embassy at Moscow advising it to withhold action of WD's recent CH on the subject OPERATIONS: Case of Mrs. Marina N. Oswald. In this connection, the Embassy's WIROM No. 2434 of March 15 which asked when a decision on the petition and waiver could be expected, apparently was motivated in part by the fact that Oswald is using up his funds while awaiting documentation.

Mrs. Marguerite Oswald

Dear Mrs. Oswald:

This office has brought to my attention the letter which you sent to her on May 25, 1962 regarding that your son, Lee, had informed you that he had not yet been able to complete arrangements for his departure from the Soviet Union to the United States.

Inquiry of the Embassy Library in Moscow concerning your son's plans brought the reply on May 31 that your son and his family were leaving Moscow June 1 for Leningrad and would leave Leningrad June 4 on the S. S. Alexandr Pushkin for New York, arriving June 13. In all probability, by this time you have received this information from your son.

I am sorry you have been caused so much unhappiness as the result of your son's actions. You doubtless realize that his unfortunate situation was the result of his original decision to live in the USSR, and that the American Embassy at Moscow and the Department have made every effort to assist him. As you know, he originally informed the Embassy that he wished to remain permanently in the Soviet Union and never return to the United States. When he changed his mind later, the Embassy, regardless of his earlier actions, advised him regarding the procedure which he should follow to obtain Soviet exit permits for himself, his wife, and child; also the Department granted him a loan to pay for his transportation back to New York. I trust that your son is aware and appreciative of the assistance which has been rendered by the United States Government.

Sincerely yours,

Robert I. Owen
