That was the last I saw of him. This man, to the best of my recollection, was approximately five foot eight inches tall, weighing approximately 175 pounds; with dark hair; normal complexion; approximately 30 years old. He didn't appear to be a learned person, that is too well educated, and did not appear to be ignorant by any means.

The woman friend says that he had real wavy black hair and was in her opinion about five foot ten, and would weigh about 165, and about 30 years old.

The best I can describe the rifle, it appeared to be well kept, a deer rifle or something, I don't know too much about guns; it I know it was not a .22; I know that it was a larger caliber gun, perhaps in my judgment a 303 caliber...that would be my guess what it would be. It had a chrome appearance about it somewhere.

I heard him cock the pistol as he told us to sit still, and I got a very dim look at the gun, it seemed a long barrel like a police officer normally carries.

We both agreed it was a light green car, a new model somewhat on the smaller side, about like the appearance of a Chevy II. She says it was an extremely light green. The License Number on the car was IX--- CD 1583 Texas.

After the tragic incidents that have occurred in Dallas this date, upon hearing about the killing of the police officer I thought about the incidents related above about the man with the rifle in the car, and for these reasons I decided to give the information contained herein to the proper authorities for whatever value it may have.

I have been employed as janitor for the Texas School Book Depository for a little over 4 years. I do the packing of the books as well as lock up at night. I came to work yesterday about 10:00 AM and I work until 7:00PM. There has been a man that I know only as "Lee" who has been working there about 5 weeks. He fills the orders and I pack the orders. Yesterday, at 12:00 Noon, this fellow Lee says to me, "I'm going up to eat" and I went on to my lunch. I went to a front window on the first floor and ate my lunch and waited to see the President's parade go by. I saw the president pass and heard some shots and looked at the clock there and saw it was 12:25PM. The shots seemed to me like they came from up inside the building. It was about 1:00 PM when the police made us vacate the building and as we were being checked out, I noticed that "Lee" wasn't with us and I mentioned to some of the employees there checking out that Lee wasn't there and somebody said, he must have already gone out. This man Lee has never talked much to anyone and hardly ever said anything to me. He kept pretty much to himself and hardly even answer when I would say "Goodmorning".

Yesterday, November 22, 1963, I was standing on the terrace of the small park on Elm Street to watch the President's motorcade. The President's car had just come up in front of me when I heard a shot and saw the President slump down in the car and heard Mrs. Kennedy say, "Oh, no"., then a second shot and then I hit the ground as I realized these were shots. Then all of the people started running up the terrace away from the President's car and I got up and started running also, not realizing what had happened. In just a few moments the President's car sped off and everybody was just running around towards the railroad tracks and I knew that they had somebody trapped up there. I imagine I stayed there 15 or 20 minutes and then went over on Houston Street to where I had my truck parked. I had just pulled away from the curb and was headed toward the Houston street viaduct when an automobile that had 3 men in it pulled away from the curb in a burst of speed, passing me on the right side, which was very dangerous at that point, then got in front of me, and it seemed then as an afterthought, slowed in a big hurry in front of me as though realizing they would be conspicuous in speeding. These three men were of slender build and seemed to be very excited in talking and motioning to each other. They went across the Houston Street Viaduct and I turned off at Marsalis Street exit and they continued on going towards Zangs Blvd. They were in a 1961 or 1962 Chevrolet sedan, maroon in color. I ~~don't~~ don't believe I could identify these men, but I do believe I could identify the automobile if I saw it again.

My folks live at 5125 Corrigan, Dallas, Texas and the telephone there is FR 4-98331. I am employed for Joe Summers Loop 12 Conoco Service Station at Loop 12 and Lancaster Road. The telephone number there is FR 6-6766. On Saturday, November the 16th, 1963 a man whose name I do not know moved into the cottage behind 2503 Kilburn that he rented from Mrs. Rogers. He rented this cottage for 1 week. Another man has been to this cottage named D. H. McFadin. McFadin is about 26 or 27 years of age, dark hair, heavy build, 160 to 170 pounds. The other man I have not seen but one time and I can not be sure of a good description on him. These two men either come in late at night or early in the mornings. One other odd thing is that they always park their cars by backing them into the driveway. One of the cars is a two tone Pontiac about a 58 model and the other one is a foreign made car and is black. They both bear Texas license plates. Last Friday night I had been over to my girl friend's house and had left there about 11pm and went directly home. This took me about 20 minutes, as I went directly home. I then went to bed and sometime, I think it must have been early Saturday morning, I heard voices outside my window on the walk. One person was saying "well it's over". The other man said "Keep Quiet, that guy is probably still awake". I heard nothing else, and went on back to sleep. This morning Mrs. Rogers told me that she had not seen them anymore and I went out to the cottage and looked around. I found 3, 30-30 calibre shells a photograph taken at Guthrie's at Corinth and Industrial and another picture and a letter and an envelope. I picked up these things after thinking about what had happened and the conversation I had overheard and brought them to the Dallas County Sheriff's Office. To me these two men have acted peculiar all week and after hearing them early Saturday morning, they have disappeared. The man shown in the picture from Guthrie's is the McFadin man.

Date November 23 1963

On Friday, November 22, 1963, at about 12:30 PM, I was standing in front of the Sheriff's Office watching the Presidential Motorcade. The President's car had passed my location a couple of minutes when I heard a loud report which I thought was a railroad torpedo, as it sounded as if it came from the railroad yard. Thinking, this was a heck of a time for one to go off, then I heard a 2nd report which had more of an echo report and thought to myself, that this was a rifle and I started towards the corner when I heard the 3rd report. By this time I was running towards the railroad yards where the sound seemed to come from. I got with Deputy Allan Sweatt and was searching the tracks and cars, etc, then someone said the shots came from above. I then went to the Elm Street loading gates of the Texas School Book Depository where I met Deputies Ralph Walters, Luke Mooney, Eugene Boone and Sam Webster. We all went into the building and proceeded to the first floor by way of the stairs. I jumped out the first window onto the roof of the adjoining covered loading dock. I then searched the roof for any expended shell cases, as at this time we were trying to find just where the shots came from and if they were fired from the west side of the building they possibly could have fallen onto this roof. Finding no shells, I then climbed into the window and started searching the first floor, with an unknown DPD detective. Then learning other officers were searching this first floor, I went to the top floor to start down with each floor. Looking over the 7th floor to no avail, I came down to the 6th floor and while searching this floor, Deputy Luke Mooney said, "here are some shells". I went over to where he was and saw 3 expended rifle shells, a sack on the floor and a partially eaten piece of chicken on top of one of the cartons which was used as sort of a barricade, advising Mooney to preserve the scene for the Crime Lab. I then proceeded to look for the rifle as it was possible it was still on this floor. After several minutes passed, I was about 10 feet from Deputy Boone when he found the rifle with a light he was using. This also was preserved for the Crime Lab.

I then left the building and went to the Sheriff's Office to contact Sheriff Decker and report our findings. While we were standing in the hall talking, Sheriff Decker gave me a piece of paper with an address of 2515 W. 5th Street, Irving. He said to get Deputies E. R. Buddy Walthers and U.L. Oxford and go see what we could find at this location, as this man that shot the officer in Oak Cliff by the name of Oswald supposedly live at this location and further that we were to meet some of Capt. Fritz's officers at this address. Upon arrival at the address, we saw a DPD plain clothes car about 1/2 block from the address. In this car was Detectives Rose and Adameik and another officer whom I did not know. We went to the door and knocked and a Mrs. Payne came to the door. I showed her my ID and told her we were from the Sheriff's Office and she invited us in. She also asked if it pertained to the shooting and we told her yes. She introduced us to Mrs Marina Oswald and advised us that she could talk only a very few words in English, that she was Russian, and that she would interpret anything we wanted to know. We told Mrs. Payne we wanted to search her home and she told us to go ahead, that she understood.

I stayed with Mrs. Oswald and Mrs. Payne while the rest of the men searched the house. They found some literature on Cuban Freedom affairs and some small files and a blanket which looked to have been wrapped around a rifle.

While standing near the phone bar, I saw a black telephone address book which I picked up and thumbed through, finding in the "O's" the name of Lee Oswald, Texas School Book Depository and the telephone number. Then another phone number, which I believe was written in pencil. I asked what this number was, pointing to this pencil number, and Mrs. Payne said that is the phone where Lee was living. I gave this number to Deputy Buddy Walthers and told him to call the Sheriff and advise him of our findings. That this was all fitting in together with the Assassination of President Kennedy.

We then loaded all of our findings into our car and Brought them and

Mr. Decker:

I was standing on Main Street in front of the Criminal Courts Building the morning of November 22, 1963, and observed the Presidential procession pass by. Just after it had turned the corner and a very short time later I heard what was shots, 3 in number. I ran around the corner and directly across the street across the Dealy Plaza to the Elm street side of the triple underpass. As we were running across the street, we could see the presidential car pulling away under the underpass and we continued on to the immediate area. Some stopped to talk to people standing there as there were a number of women who were hysterical. We could not get any information except that the President had been shot. Several of the other officers in the group ran on into the freight yards. After we failed to get any coherent information from people there, we began searching the area and possible 5 or 6 minutes after the time we reached the area, we went from there to the Texas School Book Depository and 7 of us went inside. We were the first ones into the building from the front door and several of us searched the first floor and moved on up into the building. I took the back stairs and went first to the 5th floor. I did not see anything on this floor and continued on up to the 6th floor and by that time officers Mooney and Grandstaff were on the 6th floor. They told me that Officers Webster and Victory had gone to the 7th floor and I went on up there. As I started up there, Webster came to the head of the stairs and said they needed lights. I left the building and came to the Sheriff's Office to get the needed lights. On the way to the office, I picked up Deputy L. C. Smith and then met Deputy Eugene Boone whom I had previously sent to the jail with a young boy to get film out of a camera. We then together went to the jail and got some lights and returned to the Texas School Book Depository building. We took 4 lights to the 7th floor and we stopped on the 6th floor where Officers Mooney and Grandstaff were searching the floor. The other boys took the remaining lights to the 7th floor. They had, by this time, ascertained that there was no one on this floor, so we started a thorough search of the 6th floor

and almost immediately, Deputy Luke Mooney called out that he had found some shells in the southeast corner of the floor. I was approximately 8 feet from Mooney when he discovered the shells. I crawled up on a stack of pasteboard boxes full of books and looked at the sport. Mooney then leaned out the window and called down to Sheriff Decker who was standing on the sidewalk in front of the building, requesting the Sheriff to come upstairs, that he had found the shells. At this time there were numerous City officers gathering on the streets. About 3 minutes after Deputy Mooney had called out, Chief Lumpkin and several officers from the police department came to the 6th floor and told us not to touch anything. Approximately 5 minutes later, Capt. Will Fritz and several of his officers came onto this floor. There were about 8 to 10 officers on this floor by this time and we had already started a systematic search of the floor, looking for the weapon. About 2 minutes after Capt. Fritz had arrived on the floor, Deputy Eugene Boone called out that he had found the rifle shoved down between 2 rows of pasteboard boxes of books. Capt. Fritz took over the search at this time and one of the other Deputies who had been in the building came and told us that Sheriff Decker had given orders to let the City take over the investigation and for the Deputies to return to the Sheriff's Office, which we did. We then brought the lights back and put them up and by this time the Sheriff's Office was so full of people and witnesses that no one could move around. I stayed at my desk awaiting further instructions. At approximately 7:00 PM Sheriff Decker told us that we should go home and that we were to stay on call and if we were needed, he would contact us.

When I reached Elm Street there was much confusion. I asked a woman if they had hit the President, and she told me that he was dead, that he had been shot thru the head. I asked her where the shots came from, and she pointed toward the concrete arcade on the east side of Elm St., just west of Houston St. There were many officers going toward the railroad yard by this time and I joined them in search of the assasin. A small negro boy came up to a Dallas Uniform officer and told him that he saw a man shoot out of the window of the school Book Depository. I immediately went to the depository where I was met by A. D. McCurley, Bill Wiseman of the SO and Joe Loraine of the Texas School Book Depository went to the top of the building and started checking the floors going down from the top in search of the assasin. When we got down to the third floor we talked to office workers who told us that they were looking out of the third floor window when the shots were fired from the street near the concrete arcade. We then went back upstairs to the fifth floor and by this time many officers were in the building and Officer Luke Mooney found the hulls of rifle cartridges at the corner window of Elm and Houston. We then started looking on the rafters and in between the boxes of books for the rifle. Capt. Will Fritz of DPD arrived on the scene and the shells were given to him. Shortly after this, Officer Boone of the SO found the rifle near the entrance to the stairway. It was apparant that the assasin had run from the window after the shots were fired, had hidden the rifle, then ran down the stairway.

I then went up on the sixth floor were I helped search out the attic for the assasin.

I was standing at the front entrance of the Dallas Sheriff's Office at 505 Main Street, Dallas as the President's motorcade passed and was watching the remainder of the parade pass when I heard a retort and I immediately recognized it as the sound of a rifle. I started running around the corner where I knew the President's car should be and in a matter of a few seconds heard a second shot and then a third shot. I, along with other officers who had been standing near me, all started running and I rushed towards the park and saw people running towards the railroad yards beyond Elm Street and I ran over and jumped a fence and a railroad worker stated to me that he believed the smoke from the bullets came from the vicinity of a stockade fence which surrounds the park area. A search was made of this vicinity and then information came to us that the shots came from the Texas School Book Depository Building at the corner of Elm and Houston. Officer Jack Faulkner and I, together with several other City officers went to the building and started checking the floors. We were searching the 6th floor when Deputy Sheriff Mooney, who was also on the 6th floor, hollered that he had found the place where the assassin had fired from. I went over and saw the 3 expended shells laying by the window that faced onto Elm Street, along with a half-eaten piece of chicken that was laying on a cardboard carton. It appeared as if the assassin had piled up a bunch of boxes to hide him from the view of anyone who happened to come up on that floor and had arranged 3 other cartons of books next to the window as though to make a rifle rest. This area was roped off and guarded until Captain Will Fritz of Dallas Police Department Homicide Bureau arrived. It was about this same time that Deputy Sheriff Eugene Boone yelled that he had found the rifle which had been placed between some rows of cardboard boxes near the staircase which leads down to the 5th floor. The Dallas Crime Lab Officers took over the gun and I proceeded to help officers continue to search this building from the roof down and through the basement area.

Mr. Decker,

I watched the motorcade pass on Record St. from your office window. After the President's car passed I started back to my desk. I heard three shots and went back to the window. People were running in all directions. I left the office by the back door and went across the street to where my squad car was parked on the side street just back of the book depository. I drove the car on to the rail road tracks, turned the car around and stopped head west. Sgt. Harkness of the Dallas Police arrived on a 3 wheeler. He turned his radio to DPD Channel 2 and I had the sheriff's 37.300 and DPD Channel 1 in my car. We acted as a West command post for about 2 hours. No one was permitted to leave any of the parking lots until cleared and then a Dallas Police Officer took their names. Officers were directed to search all of the cars in the area, search the rail road cars and to bring anyone in that knew, saw or heard anything.

SHOOTING OF PRESIDENT KENNEDY

DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.
(Investigating Officer must sign)

Date 11-22-63 19

Mr. Decker:

Just shortly before 12:30pm, Friday, November 22, 1963, I was standing in front of the Sheriff's Office on Main street and watched the President and his party drive by. Just a few seconds later, I heard the first shot, which I thought was a backfire, then the second shot and third shot rang out. I knew then that this was gun shots and everyone else did also. I ran as fast as I could to Elm Street just West of Houston and I heard a woman unknown to me say the President was shot, in the head and the shots came from the fence on the North side of Elm. I went at one behind the fence and searched also in the parking area. Then came from word the shot was thought to have come from the Texas Book Depository Bldg., on the corner of Elm and Houston.

When I arrived there they were bringing in hand lights to search out the top floor. I helped search the 5, 6 and 7th floors. I was on the floor when Officer Boone found the rifle behind some books. From here I went to the remaining floors and the attic for which we had to have huge fire department lights to search the attic good. Then Officer McCurley and myself went to the top of the building and searched it also. After the building was finished being searched, I returned to the Sheriff's office for further duties or orders.

Date Nov 22, 1963

I was standing at the front entrance of the Dallas Sheriff's Office when the motorcade with President Kennedy passed. I was watching the remainder of the President's party when within a few seconds I heard a report and I immediately recognized it to be a rifle shot. I immediately started running west across Houston Street and ran across Elm Street and up into the Railroad yards. At this time, it was not determined if, in fact, this first report and 2 succeeding reports were of a rifle, however, in my own mind, I knew. Upon reaching the railroad yard and seeing other officers coming, I immediately went to the triple underpass on Elm street in an effort to locate possible marks left by stray bullets. While I was looking for possible marks, some unknown person stated to me that something had hit his face while he was parked on Main Street, the next lane south from Elm, as the traffic had been stopped for the parade. Upon examining the curb and pavement in this vicinity I found where a bullet had splattered on the top edge of the curb on Main Street which would place the direction of firing, high and behind the position the President's car was in when he was shot. Due to the fact that the projectile struck so near the underpass, it was, in my opinion, probably the last shot that was fired and had apparently went high and above the President's car. At about this time word was passed through the crowd that the President had been shot, as well as Governor Connally. The only building that was likely to have a shot fired from in this area was the Texas School Book Depository Building on the northwest corner of Elm and Houston streets, which, by this time, was fast becoming surrounded by police officers. Upon returning to the front of this building, I met Allan Sweatt, Chief Criminal Deputy of the Dallas Sheriff's Office and immediately escorted 5 witnesses to the shooting which he turned over to me and took them to Sheriff Bill Decker's office and placed them in the custody of Deputy Harold Elkins until they could be questioned. At this time Deputy Allan Sweatt told me that a police officer had been killed in Oak Cliff area somewhere on Jefferson Street. I immediately left the office with Deputies J. F. Ramsey and Deputy Frank Vria and ran Code 3 to Oak Cliff. I received information by radio that there was a suspect

In the Dallas Public Library located at Marsalis and Jefferson. Upon arriving at this location, we were met by a number of other police officers and we surrounded the library. It was then determined that the person inside the library was the wrong person. Upon getting back into our automobile, we started towards 10th Street, where the police officer had been killed in an effort to obtain further information and then received radio information from Deputy Sheriff Bill Courson, who was also in the Oak Cliff area, that the suspect was in the balcony of the Texas Theatre on West Jefferson. We arrived at this location within a few seconds and were met by many other officers. Upon proceeding to the balcony of the theatre, I ordered the manager to turn on the house lights. Some unknown officer was holding a white man at the steps of the balcony and I proceeded on into the balcony. I looked over the balcony and saw a commotion in the center section, near the back, in the downstairs of the theatre, and I hollered to other officers, "He's downstairs", and we all ran down the steps and to the area of the commotion. When I reached the area of commotion, it was hard to tell "who had who" as there were so many officers into a melee on the floor between the seats, but I saw Officer Carroll of the Dallas Police Department standing on the other side of the melee of people and I could see a gun on the floor with 2 or 3 hands on it and I reached into this melee and pulled up on the people and I believe it was Officer Carroll who reached down and got this gun. I am not positive it was Officer Carroll, but I believe it was, however, there was such a swarm of officers at this time, it was hard to determine. 4 or 5 officers then began carrying subject towards the front of the theatre and I picked up my shotgun which I had laid down in some seats away from the melee and me, along with several other officers who had shotguns, proceeded outside and held the crowds back so the officers could put the suspect in a car. The crowds were pushing and yelling, "kill the SOB" and "let us kill the SOB". The only thing I ever heard the suspect say was, "It's all over". After they left the area with the suspect, me and the officers who were with me got in our car and reported back to Sheriff Decker at his office. Sheriff Decker then ordered me, together with

Deputy Harry Weatherford and Deputy J. L. Oxford to go to a house at 2515 West 5th Street in Irving, Texas and meet some officers from Capt. Will Fritz' office. We arrived at location and met Detectives Rose and Adamcik from the Homicide division of the Dallas Police Department. Upon getting to this residence, we were met by a Mrs. Michael Payne and upon showing our credentials and advising her who we were, she stated, "It's about the President being shot. We've been expecting it. Come on in". She informed us that the lady standing beside her was Mrs. Oswald. Mrs. Payne went on to explain that Mrs. Oswald spoke only Russian, however, he would help interpret as she spoke both English and Russian. Upon asking if suspect Oswald lived at this location, she advised that his wife and children lived there, but that Lee Oswald and his wife had been separated and he did not live there. Mrs. Payne gave us permission to search the house or do anything we wanted to and she also, through interpretation, gave us Mrs. Oswald's permission to do the same. Mrs. Payne then gave us a telephone number and stated that was the phone number of Lee Oswald, however, she advised she did not know an address where he was staying. At this time, I called Sheriff Decker and advised him of this and he criss-crossed this telephone number and gave us an address of 1026 North Beckley. He advised he would dispatch other officers to cover this address. About this time, Mr. Michael Payne came to this location. Mr. Payne works at Bell Helicopter Plant. When told of the incident, Mr. Payne did not seem at all surprised, and merely stated that he had just taken off and had come home, when he had heard that the President had been shot. It was then learned that Mr. Payne had also been separated from Mrs. Payne and that he has been living in Grand Prairie. Mr. Payne gave no explanation for coming to this house in Irving, Texas.

Upon searching this house we found stacks of hand bills concerning "Cuba for Freedom" advertising, seeking publicity and support for Cuba. Also found was a set of metal file cabinets containing records that appeared to be names and activities of Cuban sympathizers. All of this evidence was confiscated and turned over to Captain Fritz of the Dallas Police Department and Secret Service Officers at the City Hall.

A blanket was found at location that had a string tied around one end of it and still bore an imprint of a rifle. I had just looked out the window of the radio room facing Main St and watched the Presidential parade pass and as it turned the corner onto Record I looked over in that direction but was unable to see any of the vehicles from my location and about that time I heard three loud reports evenly spaced which I presumed to be rifle or shotgun blast. I looked at the time on the radio panel and it was about 40 seconds after 12:30pm as I was calling Dallas PD on the hot line and I asked the operator that answered if anything had been reported and she said no I told her that I heard what I believed to be three shots and she thought I was kidding. At that time all the traffic officers at the intersection of Main and Record started running and some were on their motorcycles with red light and siren wide open headed in the direction of the railroad area north of Elm St. About that time DPD called advised that the President had definitely been hit condition unknown and was enroute to Parkland and the hospital had been advised to stand by.

Then DPD advised that Mr. Decker said to send every available deputy to the area of the railroad track SS North of Elm St. To my knowledge everyone but Mr. Crews, Mr. Damron and myself went to the area to assist in the search for the suspected assassin. Squads 20, 25, 26 and various civil and constable units were in route also when Mr. Player advised that he was at the location and that there were sufficient officers at the location and the other units were not believed to be needed at that time. All units were advised to stay in their cars for emergency traffic also there were a large number of reserve units on the air standing by. Mr. Ferguson came into the radio room and was assisting with traffic Dallas PD advised that one of their men had been shot in the vicinity of Beckley and 10th Sts., Squads 24, 26, 25 and various other units proceeded to the location where it was reported that the suspect was believed to be in the Library at that location. Then it was reported that he was in the Texas Theatre on Jefferson, they also advised that Officer Tippen was dead.

Secret Service Unit 437 was desiring to know the location of Mr. Lyndon Johnson after several calls located Mr. Johnson at Love Field in Air Force

I was watching the rest of the motorcade a few seconds after President Kenney passed where I was standing when I heard a rifle shot and a few seconds later a second and then a third shot. At the retort of the first shot, I started running around the corner and Officer Buddy Walthers and I ran across Houston Street and ran up the terrace on Elm Street and into the railroad yards. We made a round through the railroad yards and I returned to Elm Street by the Turnpike sign at which time Officer Walthers told me that a bullet had struck the curb on the south side of Elm Street. I crossed to Elm with Deputy C. L. Lummie Lewis to search for a spot where a shell might have hit. About this time I heard a shrill whistle and I turned around and saw a white male running down the hill from the direction of the Texas School Book Depository Building and I saw what I think was a light colored Rambler Station wagon with luggage rack on top pull over to the curb and this subject who had come running down the hill get into this car. The man driving this station wagon was a dark complected white male. I tried to get across Elm street to stop the car and talk with subjects, but the traffic was so heavy I could not make it. I reported this incident at once to a secret service officer, whose name I do not know, then I left this area and went at once to the building and assisted in the search of the building.

Later that afternoon, I heard that the City had a suspect in custody and I called and reported the information about the suspect running down the hill and getting into a car to Captain Fritz and was requested to come at once to City Hall. I went to the City Hall and identified the subject they had in custody as being the same person I saw running down this hill and get into the station wagon and leave the scene.

He saw the picture on T.V. of Lee Oswald. He rode the Bishop bus which he caught near H.L. Greens. I was standing in front of the Sheriff's Office at 505 Main Street, Dallas, when President Kennedy and the motorcade passed by. Within a few seconds after he had passed me and the motorcade had turned the corner I heard a shot and I immediately started running towards the front of the motorcade and within seconds heard a second and a third shot. I started running across Houston Street and down across the lawn to the triple underpass and up the terrace to the railroad yards. I searched, along with many other officers, this area, when Sheriff Bill Decker came up and told me and Officers Sam Webster and Billy Joe Victory to surround the Texas School Book Depository building. As we approached the two big steel wire gates to the loading dock at the back of the building on Elm Street side, we saw that the loading dock had locks on it and I then pulled the steel gates closed and requested of a citizen standing there to see that no-one came out or went in until I could get a uniformed officer there, which he did. Officers Webster, Victory and myself took to the building. Officers Webster and Victory took the stairs and I told them I would take the freight elevator. At the time I got on the elevator two women who work in the building got on the elevator, saying they wanted to go to their office. As the elevator started up, we went up one floor and the power to the elevator was cut off. I got out on the floor with these women and looked around in their office and I then took to the stairs and went to the 6th floor, and Officers Webster and Victory went on up to the 7th floor. I was the only person on the 6th floor when I was searching it and was reasonably sure there was no one else on this floor as I searched it and then criss-crossed it, seeing only stacks of cartons of books. I was at that time also checking for open windows and fire escapes. I found where someone had been using a skill saw in laying some flooring in one corner of this floor and I then went to the 7th floor and was assisting in searching it out and crawled into the attic opening and decided it was too dark and came down to order flash lights. I then went on back to the 6th floor and went direct to the far corner and then discovered a cubby hole which had been constructed out of cartons which protected it from sight and found where someone had been in an area of perhaps 2 feet surrounded by

cardboard cartons of books. Inside this cubby hole affair was three more boxes so arranged as to provide what appeared to be a rest for a rifle. On one of these cartons was a half-eaten piece of chicken. The minute that I saw the expended shells on the floor, I hung my head out of the half opened window and signaled to Sheriff Bill Decker and Captain Will Fritz who were outside the building and advised them to send up the Crime Lab Officers at once that I had located the area from which the shots had been fired. At this time, Officers Webster, Victory and McCurley came over to this spot and we guarded this spot until Crime Lab Officers got upstairs within a matter of a few minutes. We then turned this area over to Captain Fritz and his officers for processing.

At this time I continued to search this 6th floor along with many other officers and within a few minutes, I heard Deputy Sheriff Eugene Boone holler out that he had found the rifle near the staircase between some rows of cartons.

We continued to search the building for a suspect.

On November 22, 1963, I was standing in front of the Courthouse along with Officers McCurley and Wiseman of the Sheriff's Department and the President's car had just gone by. We stood there until the rest of the cars had passed. While we were standing there, we heard what I thought to be shots. Officer McCurley and myself ran across Houston Street on across Elm and down to the underpass. When we got there, every one was looking toward the railroad yards. We jumped the picket fence which runs along Elm Street and on over into the railroad yards. When we got over there, there was a man who told us that he had seen smoke up in the corner of the fence. We went on up to the corner of the fence to see what we could find, and searched the area thoroughly. After we searched this area, we separated. Then I, with a couple of Dallas Police Officers, began searching through the cars on the parking lot. After we got through searching the cars, I stood guard watching the Texas School Book Depository Building and came back to the Sheriff's Office. Sheriff Decker then sent me along with Deputies Buddy Walthers, Harry Weatherford to a location at 2515 W. Fifth Street in Irving, Texas, to meet Dallas Police Officers to search a house there and talk to the people within. When we got at this address, Officer Adamcik of the DPD and myself went to the back of the house and Officers Weatherford, Walthers and Detective Rose of the DPD and another DPD officer went to the front door. These officers later let us in the back door. We talked to a Mrs. Oswald, the wife of the suspect and a Mrs. Ruth Paine and were in the process of getting them ready to bring to City Hall for statements when Michael Paine, husband of Ruth Paine, came up and we talked to him. We found a blanket in the garage. This blanket looked like a rifle had been wrapped in it. We also found about 7 metal boxes which contained pamphlets and literature from abroad. Also, there were cameras and film found. All of this was brought to the City Hall along with Mr and Mrs. Paine and Mrs. Oswald. The children were also brought along. We called Sheriff Decker and he told us to leave all of the evidence at the City Hall and report back to the Sheriff's Office. Upon arriving back at the Sheriff's Department we then had assignment of carrying witnesses to their homes who had made statements in the Sheriff's office.

Date Nov 23, 1963

At approximately 12:30 PM, Friday, November 22, 1963, I was standing with a group of Deputy Sheriff's about 30 feet east of the corner of Houston and Main Street on Main Street.

The President's caravan had just passed and about a minute or 2 I heard a shot and about 7 seconds later another shot and approximately 2 or 3 seconds later a third shot which sounded to me like a rifle and coming from the vicinity of Elm and Houston street. Several officers and myself from the Sheriff's department ran around the corner and towards Elm Street and Houston and were told that someone had shot at the President. A man by name of "Hester" told Deputy John Wiseman that the shots had come from the old Sexton building. As we approached the building we were told the shots had come from the fence. Deputy Wiseman and a City Officer went to the front door of the building and I continued towards the railroad yards with Deputy Harry Weatherford and I stopped where I could see two sides of the building which was the west and south sides. Deputy Harry Weatherford went into the building through an open window on the 1st floor and Deputy Wiseman and the DPD officer went in the front door. On the far side of the building opposite me were some DPD officers. At that time I was told the President had been shot and that Governor Connally also had been shot.

Officers started coming to the scene and approximately 15 deputy sheriff's and a number of DPD officers were at location. At that time, Inspector Sawyer of the DPD came to the front of the building and started taking names of witnesses and I suggested to Inspector Sawyer that I get two deputies and send the witnesses to the Sheriff's Office for statements instead of letting the witnesses leave the scene. Inspector Sawyer agreed with this plan and as witnesses were brought together they were taken directly across the street to the Sheriff's Office to wait until statements could be taken.

While I was still at the front of the Building, Deputy Sheriff Luke Mooney stuck his head out of the 5th floor window and the Northeast corner of the

building and stated he had found some spent cartridge cases and he was told to let them remain untouched until the DPD Crime Lab arrived on the scene.

Shortly after, a DPD officer brought a boy in a sport coat up and said, "Here is the man that had done the shooting". As officers started to question him, the crowd began to talk and passed the word around that this was the individual that had shot the President. At that time, in the company of city officers, I sent 2 deputy sheriff's to take this man into custody and take him to the Sheriff's Office. Also Inspector Sawyer was informed of this and he sent a DPD detective to the Sheriff's Office to talk to the boy.

At this time Sheriff Bill Decker arrived at the location where I was standing and I informed him as to what had been done up to that time. I then returned to the Sheriff's Office to co-ordinate the taking of statements and see that all persons that were in the office gave statements. I separated certain witnesses whom seemed to have more facts than others and turned them over to Mrs. Rosemary Allon of the Dallas Sheriff's Office, Mr. Wallace Heitman of the FBI and Mr. Forrest Sorrells of the Secret Service, and they took witnesses to the Polygraph room of the Sheriff's Office where they obtained statements.

At approximately 1:30 PM, I received word that a Police Officer had been shot on Jefferson Street in Oak Cliff and the suspect was supposedly at large in that area. I immediately dispatched Officers Buddy Walthers, James Ramsey and Frank Vrla to the scene of the shooting. Officer Bill Courson of the Sheriff's Office joined with them in Oak Cliff. Apprehension was made of the suspect in the Texas Theatre and suspect was turned over to the Dallas Police Department.

After this we correlated all statements, getting copies separated and in separate files. Sent a complete set of all statements taken to Capt. Fritz of the Dallas Police Department.

I also received copies of pictures taken from a witness by name of "Betzner, Jr.", which have been included in the files of this case.

that for the past few months at a house at 3126 Harlendale some Cubans had
been having meetings on the week ends and were possably connected with
the "Freedom For Cuba Party" of which Oswald was a member.

I don't know what action the secreat service has taken but I

house. My informant stated that subject Oswald had been to this house

I was standing in front of the Sheriff's Office at 505 Main Street, Dallas when the President passed and the car went around the corner and a few more cars had passed when I heard a shot and I knew something had happened. I ran at once to the corner of Houston and Main Street and out into the street when the second and third shots ran out. I ran on across Houston Street, then across the park to where a policeman was having trouble with his motorcycle and I saw a man laying on the grass. This man laying on the grass said the shots came from the building and he was pointing to the old Sexton Building. I talked to a Marilyn Sitzman, 202 S. Lancaster who said her boss, Abraham Zaprutes, RI 8 6071, had movies of the shooting. She said the shots came from that way and she pointed also to the old Sexton building. I ran at once to the Sexton Building and went in. I asked some woman how many doors lead out of the building and she said 4. I left the building and found some DPD patrolmen and we came back to the building. I ran up the stairs and the patrolmen started trying to get more help to search the building. I went up the stairs to the 7th floor and started up into the attic and noticed that the door to the roof was locked on the inside with a gate type hook latch. I stopped and started back down the stairs taking a quick look on each floor. I met more officers on the 2nd floor and then in a few minutes the place had maybe 50 officer in it. A better search was started floor by floor. About the time we got started on the 5th floor, Deputy Sheriff Luke Mooney found some spent hulls. An officer of the Dallas Police Department told us all to get on one side of the room and make one clean sweep of the entire floor to see if we could find the rifle. As we worked our way across the room which was filled with boxes, we got to the front of the stairway when Deputy Sheriff Eugene Boone said, "here is the gun". It was about 4 feet in front of me in the aisle in which I was working. Deputy Boone stayed at one end of the aisle where the gun was spotted and I stayed at the other end of the aisle so that nothing would be touched. Officer Day of the DPD Crime Lab came and took pictures of the gun in its hiding spot behind the boxes and then removed it from this spot. I then left the building and came back to the Sheriff's Office to talk with witnesses. A Mrs. Mary Moorman was in the office with a picture of the President getting shot.

On the day of this offence I was standing in front of the sheriff's office at 505 Main St., which is a block south and just around the corner from the building from which the shots were fired. Just a few seconds after the president's car had passed my location I heard a shot ring out, a couple of seconds elapsed and then two more shots ring out. I immediately ran to the area from which it sounded like the shots had been fired. This is an area between the railroads and the Texas School Book Depository which is east of the railroads. There were several other officers in this area and we secured it from the public. After searching this area for about ten minutes and not finding any evidence, I went to a tower that overlooks the railroad yards and also has a vantage point over the area around the school book building. I talked to an employee there and he gave me the descriptions of two automobiles that he had seen in the area just a few minutes earlier. When I went back outside I learned from the other officers that it had been established that the shots were fired from the school book building. I went to the building and found that several officers were inside and others were gathering outside. I then went back to the street and mixed with the crowds trying to get people who were witnesses to the tragedy. After I had brought several people to the office I went to TV Station WFAA and got two witnesses who had been taken there by some reporter. A while later a City of Dallas policeman came to our office with three prisoners who he had arrested on the railroad yards. I took these three to the city jail and turned them over to Capt. Fritz. I then came back to the sheriff's office where I remained the rest of the day talking to witnesses and taking statements.
