Dear Sirs:

This is to inform you of recent events during my meetings with contacts
located in the Embassy of the Soviet Union, Mexico City, Mexico.

I had wished to remain in Mexico indefinitely because of my Mexican
visa regulations which was for 2, 4, and 6 months. I could not take a chance
on requesting a new visa unless I used my real name, so I returned to the
United States.

I had not planned to contact the Soviet Embassy in Mexico so they
were surprised, and I had been able to reach the Soviet Embassy in Havana
as planned, the embassy there would have had time to complete our business.
Of course the Soviet Embassy was not to fault, they were, as I say im-
properly, the Cuban consulate was guilty of a gross breach of regulations,
I am glad to see since been replaced.

The Federal Bureau of Investigation is not now interested in my
work with the progressive organization Fair Play For Cuba Committee,
of which I was secretary in New Orleans (state Louisiana), since I no longer
reside in that state. However, the F.B.I. has visited us here in Dallas, Texas,
on November 1st. Agent James F. Harty warned us that if I engaged in F.P.C.C.
activities in Texas the F.B.I. will again take an interest in me.

This agent also "suggested" to Marina Kichanovna that she could
remain in the United States under F.B.I. protection, that is, she could
defect from the Soviet Union, of course, I and my wife strongly protested
these tactics by the notorious F.B.I.

Please inform us of the arrival of our Soviet entrance visas as soon
as they come.

I am to inform you of the receipt on October 20, 1963 of a
visa for Marina Kichanovna in the amount of \$500.

Dear Sir;

Through a clerical error
of yours, you claim some books
which I borrowed and returned
several weeks ago are still
out.

The books may have been
returned without a card, since
my young daughter sometimes
gets a hold of the books and plays
with them, but the point is
the books have been positively
and absolutely returned! I repeat
returned!

I'm sure you shall resolve
this question by uncovering your
mistake in handling the returned
books. Truly
yours.
