My dearest girl!

Today I received your post card, thank you dear, only I do not like your talk that you have a feeling that you will lose me. You will never lose me and thats all!

Today also I received a letter from mother. She sent me several books. She also tells me that you should learn to speak English.

I wrote back and told her that you do not want and (unintelligible). I sent her regards from you.

You can't tell when you will return. Tell me as early as you can. The weather is here cold and rainy.

And our personal affairs: I went, but they say, "no answer yet".

But that's alright. You will be home soon again. It will be so good to be with you.

I am glad that the baby is so active, that's good.

Well, so long, write,
Your husband.

Alek.

January 30, 1961

Dear Sir,

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Fort Worth as I am.

In November 1959 an event was well publicized in the Fort Worth newspapers concerning a person who had gone to the Soviet Union to reside for a short time, (much in the same way E. Hemingway resided in Paris.)

This person in answer to questions put to him by reporters in Moscow criticized certain facts of American life. The story was blown up into another "turnout" sensation, with the result that the Navy Department gave this person a belated dishonorable discharge, although he had received an honorable discharge after three years service on Sept. 11, 1959 at El Toro, Marine Corps Base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow U.S.S.R. and hence the U.S. government. In as much as I am returning to the U.S.A. in this year with the aid of the U.S. Embassy (bring with me my family (since I married in the U.S.S.R.)) I shall employ all means to right this gross mistake or injustice to a long-pled U.S. citizen and ex-serviceman. The U.S. government has no charges or complaints against me. I ask you to look into this case and take the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chikovski St. 19/21, Moscow, U.S.S.R.

Thank you

My request to the Secretary of

your letter to me, did not say

Your mention in the "Review"
