Mrs. Marina Oswald
Dallas, Tex,
My Dear Mrs. Oswald;

Tucson, Ariz,

I have been waiting to write you but now I must after seeing how they have brainwashed you into thinking your husband killed the president, Now here is the true facts, But first let me tell you that you should of sued the city of Dallas for all their ill gotten wealth for the wanton murder of Lee,

I told him that this Ruby was only taking him down the primrose path, but no he knew that Ruby was ok, you know how bull headed Lee could be, he wanted a pistol or had,

I tried to convince him one could only get him in trouble, then when Ruby wanted to trade him one for his rifle, he sure fell for it, then he told me how Ruby wanted him to hide it on the floor I knew that some plot was being made, Ruby was to meet him on the street & give him the pistol which he did Poor Lee did not know that it had just been used to kill this good cop Tippet who had been rough on Ruby several times,

You I know have that how come Lee was trying to hide, But as he watched the President parade from the second floor, he heard the sound of the rifle above him coming from

the floor where he had hid it for Ruby, Lee knew that he would be suspect so he got out fast, One has to hand to these that was in this plot they had figured Lee well, he reacted just as they were sure he would, Now they had things going good, Tippet was

like a pawn as was Lee, I would of loved to have saw the look on Tippet face as his superior officer pumped those shots into him, then went to the corner to meet Lee & give him the pistol.

The irony of it all was the trust that Lee still had tho he did not know that Tippet had been murdered as he went in to the movie house,

Have you ever that it odd the cops knew rite where to find him, little did he dream that his murder had been planned in advance, My dear lady you say you want to live in Texas, I am sure that the times Lee & I talked he would of not wanted you to for they will never let you rest, or those children of yours,

For any state that allows the people like in Dallas will do anything & the wealth they have, they got by with two wanton murders Now I am sure that three more would not bother them if necessary,

Just one more point One nite about two nites before that fatal day we saw two of the gunshoes of the Feds at Rubys place I wondered why but now I am sure that Ruby had the then in with his gang, so please take care of your self & know that Lee could of never

done this crime, he was only a pawn in their deadly game, I am certain that Johnson will be murdered as was Kennedy, Maby tho if there is a god he will destroy this Sodan with fire, Tho he would not dare touch those rich trash I guess

Sincerely
Joe,

If ever you wish to get in touch Box # 864 Tucson Ariz,

Dear Marina:

I am sending you a check for two dollars. A fellow named Frank sent it when I asked for money for you and the children. I didn't have any luck with my appeal tho. Only one man sent money.

Also enclosed is a sheet from a magazine that I publish. There are hundreds of people in this country who are positive your husband did not kill President Kennedy and most of them are glad that somebody did. This may seem strange to you but you have not lived in this country long enough to understand the people here. Whoever did it, they think they did the whole country a favor.

I send this magazine out every time I get an order for a sample copy so the people will know what really happened or part of it anyway.

I am sure your husband is innocent and will eventually be proved innocent, regardless of what some officials say.

COMPANY PICKS SUBURB GIRL TO BE QUEEN

Miss Carol Ann Tight, 18, a key punch operator, was crowned the Hello Charley girl at Western Electric's Hawthorne works, Cicero, yesterday.

Miss Tight, of 215 Fourth st., Downers Grove, was elected in an annual contest in which more than 15,000 employees voted. As the company's "vacation queen," her picture will appear on a sticker distributed to all employees from plants across the nation during the July vacation period.

Miss Tight received her crown from last year's Hello Charley girl, Nancy Ann Blazek Jelen.

HOW IT STARTED

A card addressed "Charley, Western Electric, Hawthorne Works, Chicago, Ill.," was the beginning of the "Hello Charley" tradition. It happened back in the late '20s. The postcard, intended for the late Charles Drucker of the company's benefit service organization, was from a retiree who couldn't remember Drucker's last name.

The incomplete address on the card prompted many laughs. Finally it arrived at Charley Drucker's desk, but by that time employees were calling one another "Charley Western." Time and human nature later changed the term to "Hello Charley," which has become a familiar greeting among Western Electric employees throughout the nation.

1939 QUEEN FIRST

When a "vacation queen" was chosen in 1930, she was identified simply as the Hello Charley Girl—and the identification has stuck.

The winner then reigns over company functions and acts as official hostess.

U.S. Government Financed Oswald

WASHINGTON, D.C. — The reason behind Chief Justice Earl Warren's blunt statement — after hearing testimony by Mrs. Marina Oswald, widow of Lee Harvey Oswald — that important parts of his special commission's findings would not be revealed "in our lifetime," is that evidence indicates that the assassination of President Kennedy was engineered in Moscow and wittingly or unwittingly financed by U.S. government funds.

The Warren Commission has uncovered startling evidence that Oswald made contacts with U.S. Intelligence and security officials before and after his return from Moscow in June 1962. One security agency, in an affidavit filed with the commission, admits three contacts with Oswald following his return from Russia.

Commission investigators have also gathered information showing that Oswald received government money and special help in obtaining passports from a high-level State Department official, who handles certain secret operations of the Central Intelligence Agency that involve his department.

Other circumstantial evidence in the commission's files links Oswald to the KGB, the Soviet's secret police and assassin organization — making him a double agent with loyalties to the communists.

Because of the circumstantial nature of much of the evidence and the impact its revelations would have on U.S.-Soviet relations, Warren has indicated to other commission members that it would be unwise to release these details during "our lifetime." Whether Warren will be able to make his decision stick is open to question.

★ ★ ★ ★ ★

The three hottest documents in the FBI file on the assassination of President Kennedy are:

- A report from the Mexican government giving the make, year, model and serial number of an automobile which Lee Harvey Oswald drove into Mexico last September 26. Since Oswald didn't own a car, it is believed he may have borrowed it from someone who perhaps was a co-conspirator. This information is considered so hot that minutes after the Mexican embassy in Washington delivered the report to the U.S. State Department, FBI agents appeared at the State Department and demanded that it be turned over to them. State Department officials, surprised by this blunt demand, surrendered the report without making photostatic copies for other government branches, as is customary.
- A report by two ballistics experts who were at the scene of the murder of President Kennedy and who have submitted an opinion that the shooting of the President and of Texas Governor John Connally was the work of at least three people firing from different levels and directions.
- A list of people who knew about the planned Presidential route in Dallas since last September. It was in September that Oswald first tried to get a job along that route. The Presidential route was made known to the Dallas police in September.

Note: Both the Mexican government and the U.S. State Department were told by the FBI not to disclose any information concerning the Kennedy assassination, but Chief Justice Earl Warren, who heads up the Presidential commission to investigate the murder, is demanding direct reports from the Mexican government and all Federal agencies concerned.

A noted Italian writer and a former member of the Italian equivalent to our FBI has been making his own independent investigation of the Kennedy assassination.

His views are at variance with "reports" given to the American public.

According to his investigation, Jack Ruby knew Lee Harvey Oswald and the Dallas policeman, J. D. Tippit; that Oswald was supposed to have been killed in the warehouse where he worked, and because he got out unharmed, the timetable was upset and became a threat to the plotter's security.

That Police Officer Tippit was not assigned to the police beat

on which he discovered Oswald.

That Tippit's own beat was actually on the other side of Dallas;

That Oswald had no fear when he was called over to the patrol car, but panicked when Tippit got out of his car with a drawn gun, because Oswald allegedly knew he had been double crossed.

That Oswald requested security in transfer from the police lockup to the city jail;

That the gun scope was put on the gun at Klein's store in Chicago and sold as a complete unit;

That the scope was not put on by a Fort Worth gunsmith as claimed by the police authorities.

The writer further claims that meetings were held in January,

February and March by a pro-Castro group from Cuba who posed as dissatisfied Cubans; ...

... That the bitter rivalry between the FBI and the U.S. secret service was well known to the Dallas police, and as a consequence of this knowledge they did not give either organization any pre-arranged cooperation.

The Italian informer is convinced by his investigation that the assassination of President Kennedy was the result of well planned and well executed plot and that the roots are very deep.

He is planning to attend the trial of Jack Ruby because he is convinced that every attempt will be made to stack the cards in Ruby's favor, it was reported.

Dear Sirs :

The MAN (LYNDON B. JOHNSON) whom you are rolling out the RED CARPET for is the same LYNDON B. JOHNSON who less than a year ago planned the trip and plotted the plan that resulted in the assassination of John F. Kennedy which brought lasting shame and disgrace to your fine cities , the Great State of Texas , the whole United States of America and the Free world .

All these plots to assassinate Mr. Johnson are political hoax which will result in a pack of lies as have the entire story surrounding the assassination of President Kennedy .

The guilty person (s) (Mr. Johnson, the chief assassination planner) has not been questioned and his answer made public about his knowledge concerning the whole matter . From the planning of the trip , the invitation for the Kennedys to his ranch , through the assassination .

Hubert , was Mr. Johnson TRIGGER HAPPY when he planned the plot to assassinate President Kennedy ? Was Mr. Johnson TRIGGER HAPPY when he ordered our troops to fire in Viet Nam ?

Aren't Mr. Johnson and Mr. Humphrey the same two men who ran against Mr. Kennedy at the 1960 Democratic Convention ? LOOK OUT U-2 .

Governor John Connally
We all know, and you ^{Pointed To:} ~~should know that~~
President Johnson has, ^{File Reference:} ~~and always will travel~~
a crooked path, and is responsible for the Bobby
Baker scandal,
We all know and you should know that Johnson
became very bitter when John F. Kennedy was
Nominated for the President,
President Johnson knows the Gangsters, and
why John F. Kennedy was murdered, because
this was the only way that Johnson could
ever become the President,
We want you to know that we know that
Governor John Connally was also to be
murdered at the same time,
President Johnson and Earl Warren are using
Lee Oswald as a scapegoat, We want you to
know that Earl Warren serves Felix Frankfurter
like a spineless puppet,
you and your associates should
Expose, Fight, and outlaw Communism,
Safeguard American Liberty against
the menace of Bureaucrats that are
with President Johnson,

Why is it that what the Black do is
right, and what the Whites do is
wrong, is this freedom for the Black
and not for the Whites, in this
civil rights,

A new Law must be to stop all of
the Demonstrations before it is too late
for everyone,

For the good of everyone Johnson
should not be Nominated for the
President,

We hope that you do believe us,
and keep this letter in your files
for the future.
