organizer

on May 29 1963 I reported from the FPCC headquarters at 299 Brod. New York 3, N.Y. to try to form a local branch in New Orleans. I received a cautious but enthusiastic go-ahead from V.T. Lee national director of FPCC. I then made a layout and had printed public literature for the setting up of a local FPCC. I hired persons to distribute literature. I then organized persons who display receptive attitudes toward Cuba to distribute pamphlets. I sought response from Latin American consuls of which there are many here in New Orleans, I infiltrated the Cuban Student Directorate and that carried them with information I gained including having the N.O. city attorney general call them in and put a restraining order pending a hearing on some so-called bonds for invasion they were selling in the New Orleans area. I caused the formation of a small, active, FPCC organization of members and sympathizers where before there was none.

Residence of USSR

I lived in Moscow from Oct. 16, 1951 to Jan 4, 1960 during which time I stayed at the Bablin and Metroplex hotel. I then lived in Munich from Jan 5, 1960 to July 1962. I visited Moscow during June 1961 and June 1962 for a few weeks in Munich I was granted a small apartment at Kalinin St. later re-named Komsomol St. I worked at the Belorussian Radio and T.V. plant as a metal worker.

On Aug 16 I organized a four man P.O.C.C. demonstration in front of the International Trade Mart in New Orleans. This demonstration was filmed by W.O.S.U.T and shown on the 6:00 news.

A On August 17 I was invited by W.O.S.U.T radio to appear on the August 17 radio program Latin American Focus at 7:30. The moderator was Bill Buckley who put questions to me for half an hour about F.P.C.C. attitudes and views.

Mr. Robert Kennedy,
Secretary of Justice,
Washington D.C.

Señor Kennedy:

La presente carta es para hacerle saber que el ex-infante de Marina Lee Harvey Oswald fue la persona que asesinó a su hermano por orden expresa de un señor llamado Pedro Charles residente en Miami, Fla, el cual sostuvo con él una entrevista en un Club nocturno en Miami hace cuestión de dos meses atrás. Este señor Pedro Charles es un agente de Fidel Castro en los Estados Unidos y usa otros nombres. El joven Lee Harvey Oswald recibió en pago adelantado la cantidad de cinco mil dólares lo que Lee gastó en distintos club nocturnos y después el tal Pedro Charles le adelantó dos mil dólares más. El trato fue de que Lee Harvey Oswald se trasladase a Houston primero y después a Dallas donde el Presidente John F. Kennedy haría una visita mas adelante, pues habían antecedentes en la Cámara de Comercio de Dallas de que el Presidente visitaría Texas, y el tal Pedro Charles contrató a Lee Harvey Oswald, experto tirador certero para ultimar al Presidente y desencadenar entonces un escándalo internacional y que todas las culpas cayeran sobre los racistas y los ultra-derechistas de dicho estado de Texas. Esta es la verdad sobre el asesinato del Presidente Kennedy, pues yo conocía de estos detalles que nunca llegué a creer por boca de una dama que convive con el tal Pedro Charles el que usa otros nombres así como pasaportes falsos para entrar o salir de Estados Unidos, México y Cuba. La dama en cuestión, no puedo revelar su nombre, vive aquí en la Habana y se halla muy angustiada por el lamentable suceso, pues ella no llegó a pensar que tal cosa pudiera suceder

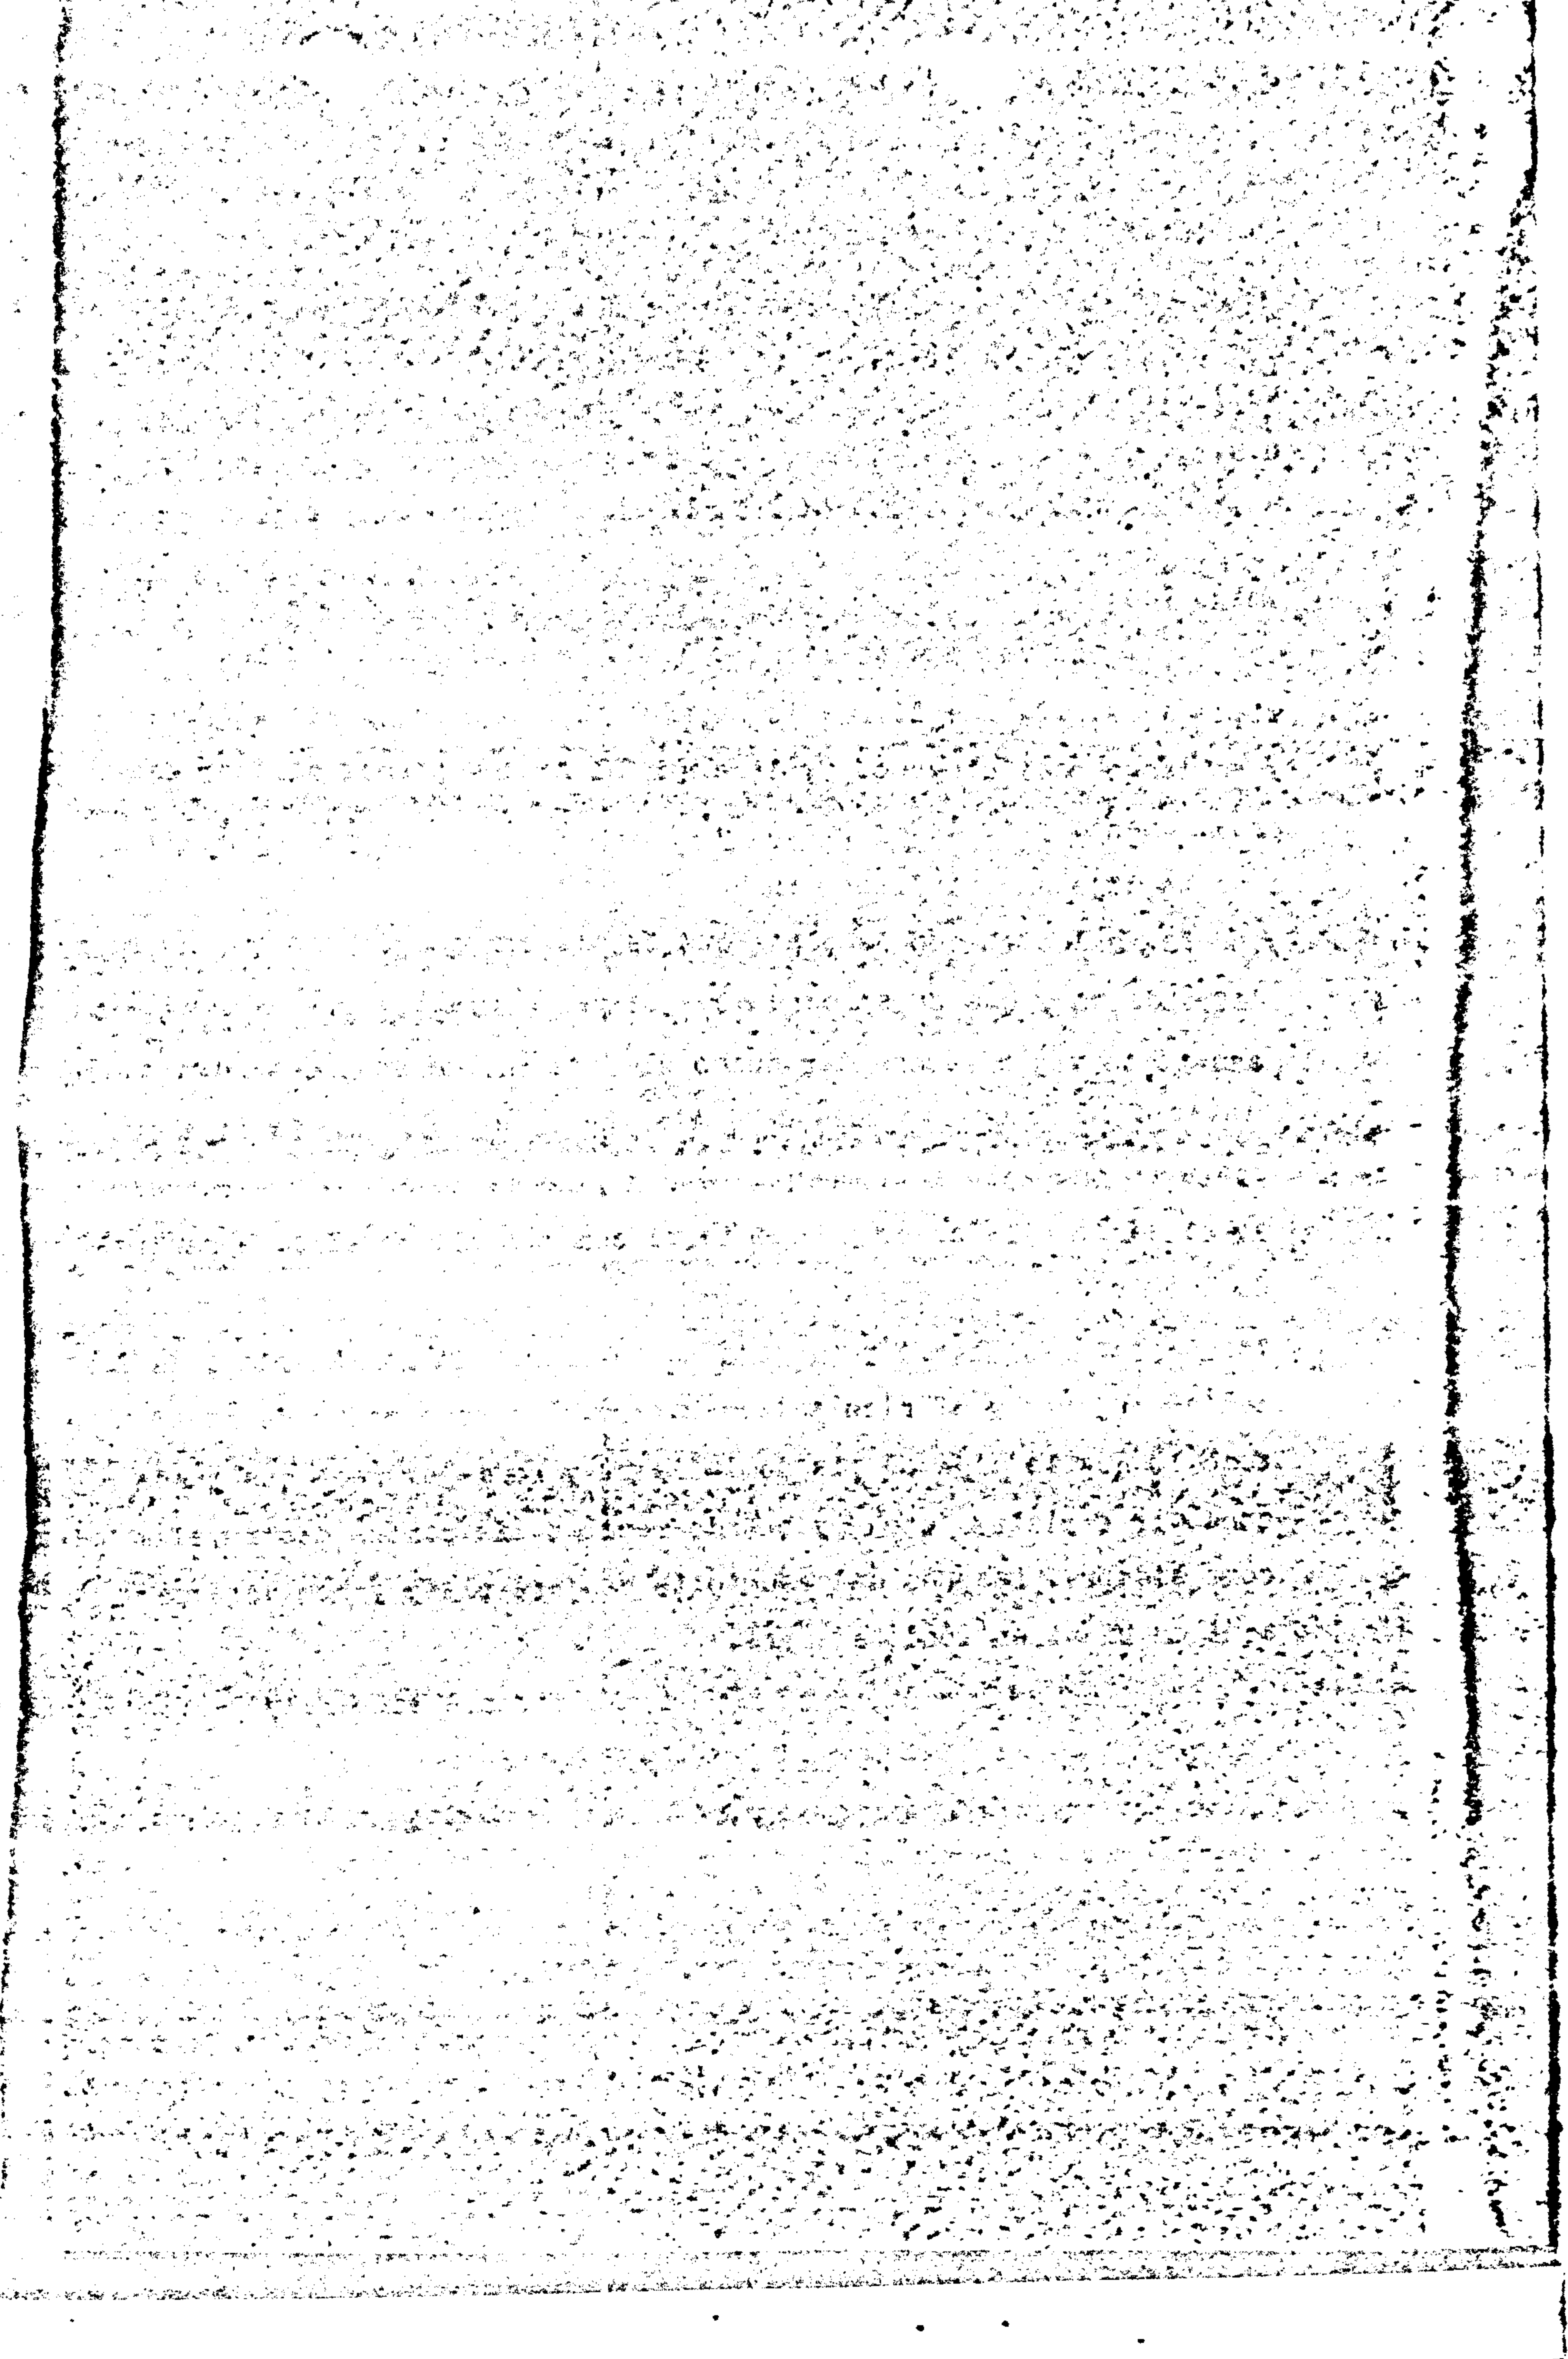

que todo lo tiraba a tierra, pero esa tierra fue una realidad. Si el asesino Lee Harvey Oswald no llega a ser asesinado a manos de un talur dicho asesino a través del tiempo hubiera dicho toda la verdad, pues lo primero que Pedro Charles quería le había dicho a Oswald era que fuera muy listo en dicho trabajo y que de ser posible llevar todas las huellas y no dejara cojer, así como no llevar nada comprometedora en los bolsillos que pudiera permitir el objetivo de su misión.

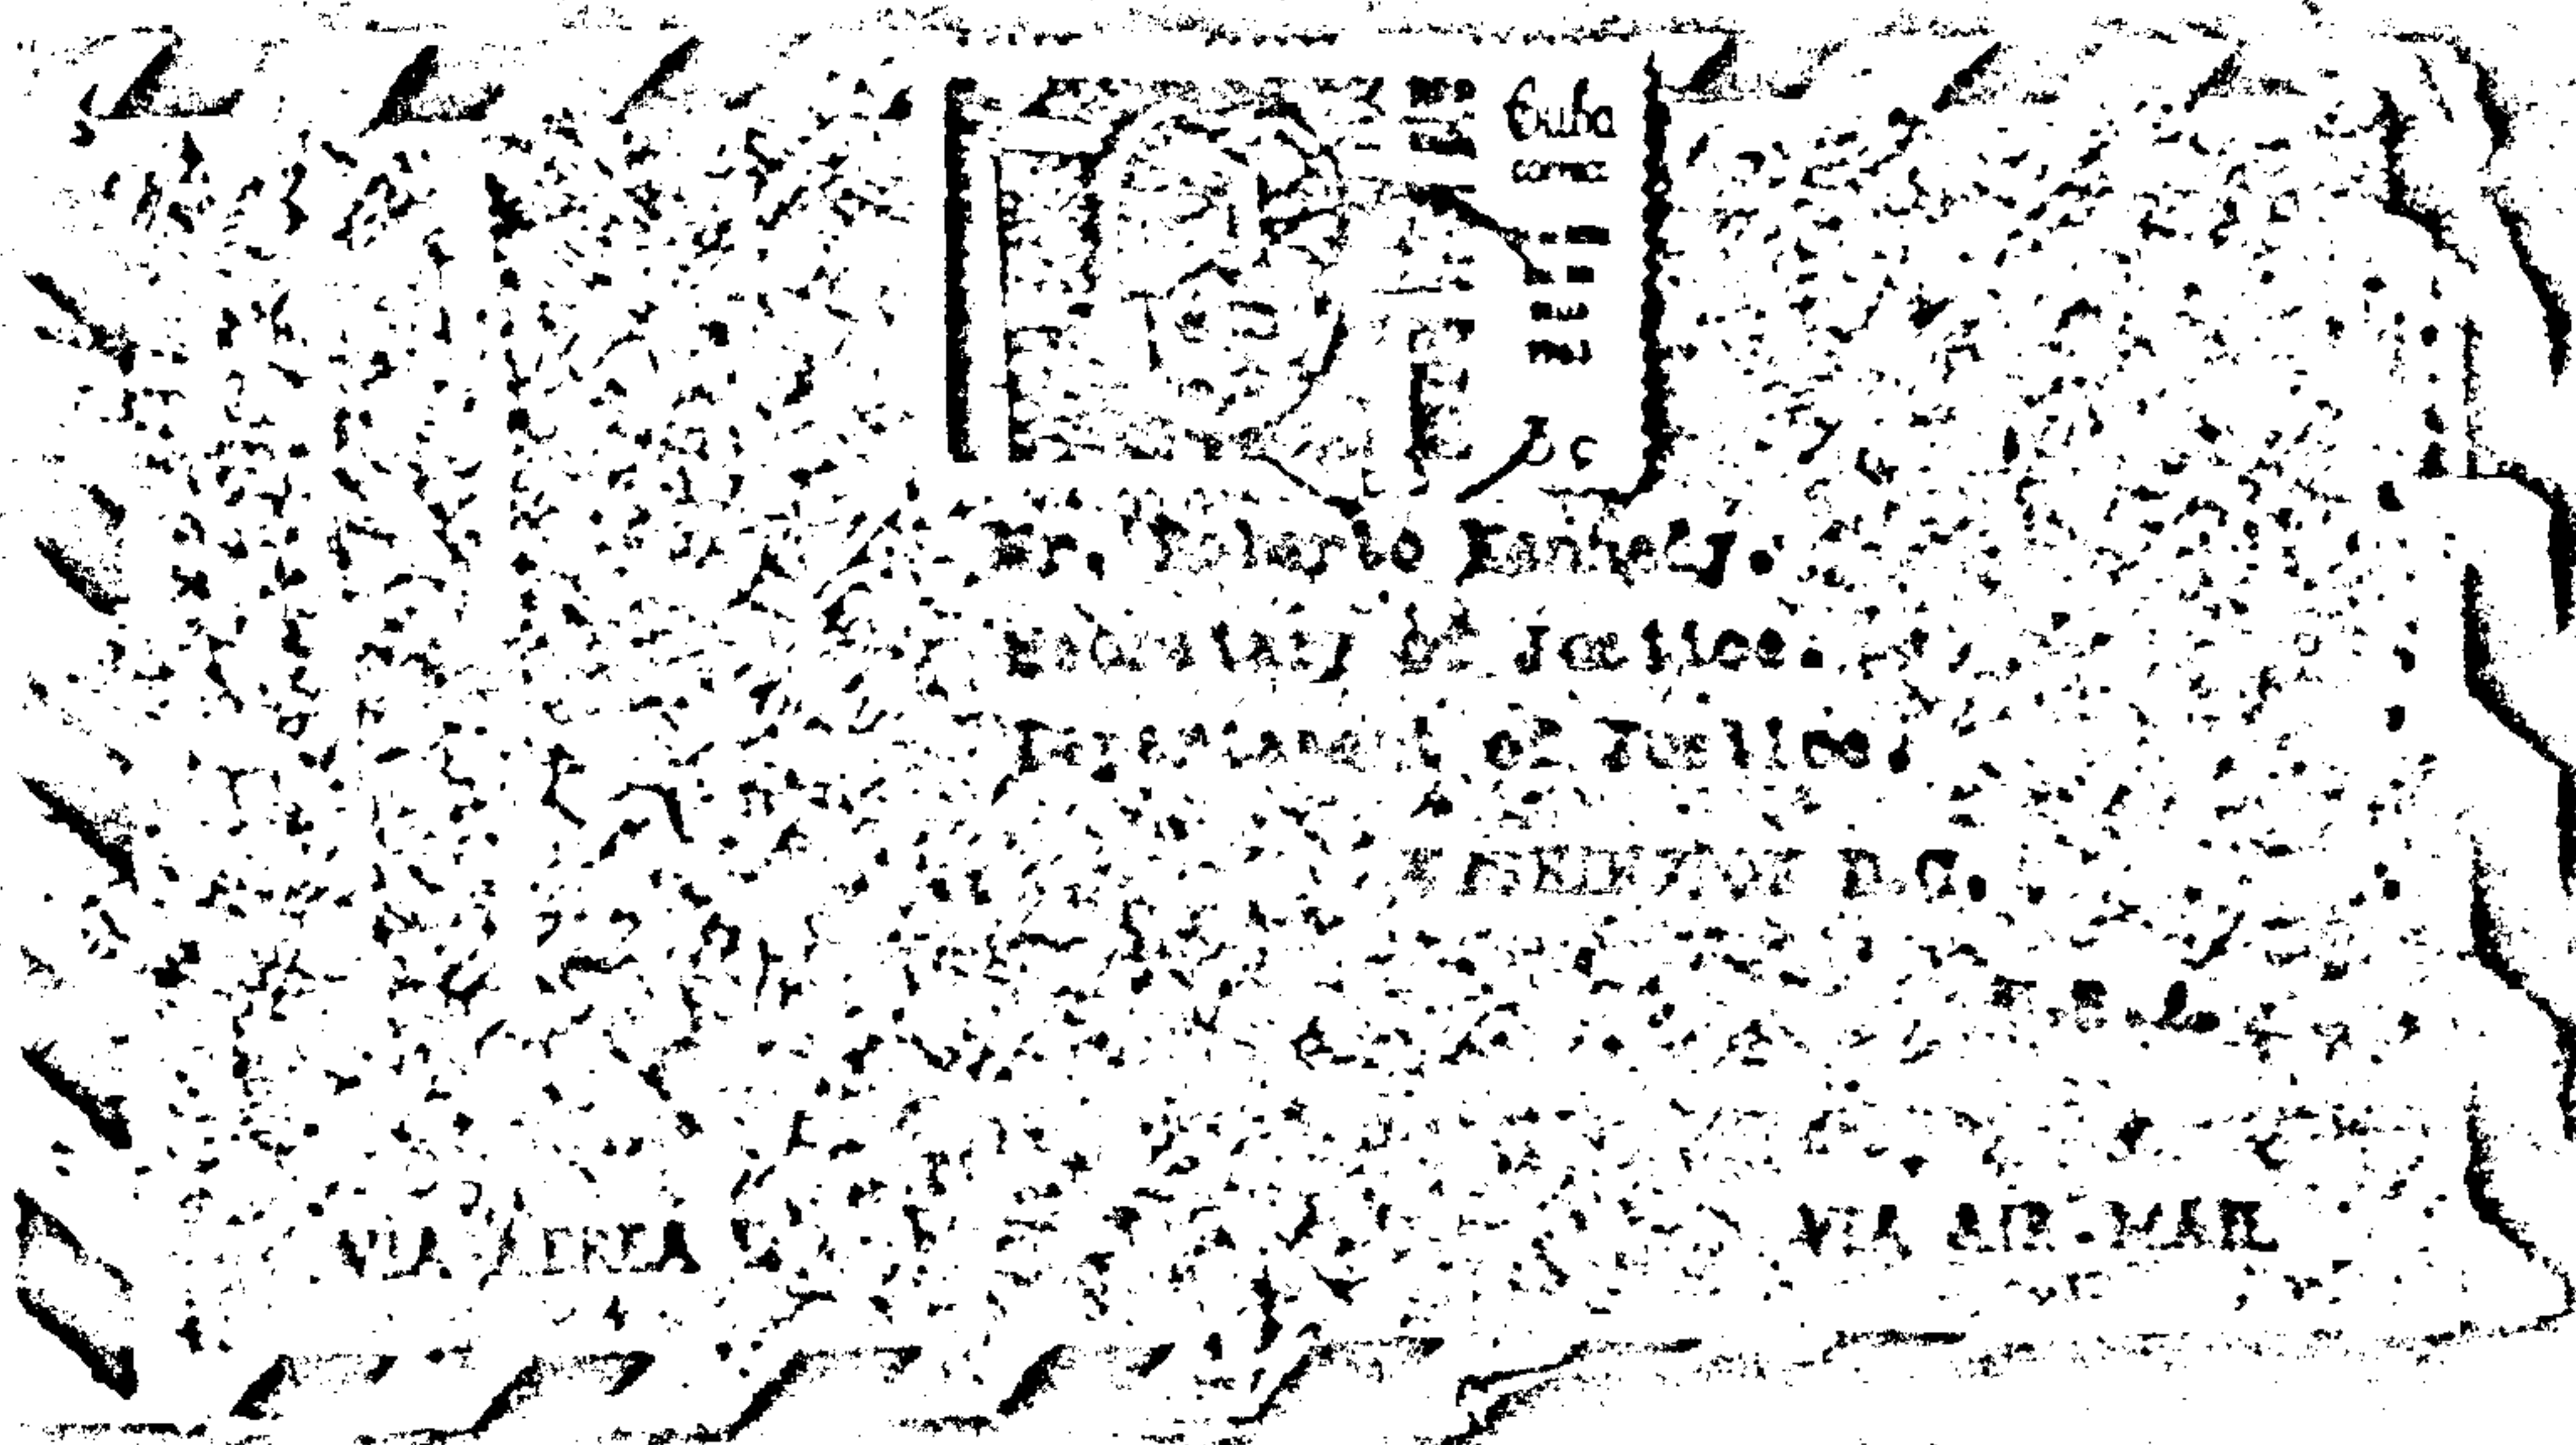

Lamentamos sinceramente la pérdida del Presidente Kennedy que era un hombre de paz, y yo mismo me abochorno y avergüenzo de ser comunista y de saber un poco de este asunto por boca de esta dama que conocía todos los detalles y no tuvo valor para denunciar este crimen monstruoso. En los momentos que la hago esta declaración estoy preparando mis cosas para embarcar hacia Venezuela clandestinamente, pues si la policía política de Castro me detiene me fusila. La dama en cuestión, algún día hará declaraciones interesantes con relación al crimen, tan pronto se recupere de su estado nervioso y pueda señalar al autor intelectual del Presidente Kennedy que no es otro que Pedro Charles, agente de l Departamento de Seguridad del Estado de Cuba y fanático de Fidel Castro.

De DI, atentamente:
