Four-page letter dated January 24, 1963

(;

By dear Marinochka, we received your letter and a greeting eard. Thank you very, very much for not forgetting was. I wept wholeheartedly when I received your letter the way you did when you received mine. Uncle Hya was away on a business trip, so, in my excitement, I ran over to the Andrianovs and we all read it together. We are very pleased that Aleck is such a decent fellow. You know we liked him and now I like him twice as much as before in my thoughts. The photograph is besutiful. You look fine; little Marishka has grown a lot. I wanted so much to hold her in my arms. She does not look like you; she seems to be the very image of Aleck.

We were very glad to get your photograph. I look at it every day and it seems to me as though you are here, ment to me. I will preserve it. You know that I love you, too, although I did scold you sometimes; but in my heart I was sincere. For me you took the place of a daughter and a friend. We are very sorry that you went so far away, but what can one do? Sow we wish you only the best in life. Now you have an heiress growing up; someone to live and work for.

Everything is fine at home; everybody is alive and well. We had a wonderful New Year's Eve party as we always do. During the school vacation we had Aunt Eusya's children and Kisha from Borisov. Only yesterday I took home Aunt Eusya's Marinka. She spent about 4 days with us; she is growing into a very interesting girl = intelligent and determined. She Esked me, "Aunt Valya, show me the picture of Marina; I will look at it again and remember it forever."
