My dearest girl!

Today I received your post card, thank you dear, only I do not like your talk that you have a feeling that you will lose me. You will never lose me and thats all!

Today also I received a letter from mother. She sent me several books. She also tells me that you should learn to speak English.

I wrote back and told her that you do not want and (unintelligible). I sent her regards from you.

You can't tell when you will return. Tell me as early as you can. The weather is here cold and rainy.

And our personal affairs: I went, but they say, "no answer yet".

But that's alright. You will be home soon again. It will be so good to be with you.

I am glad that the baby is so active, that's good.

Well, so long, write,  
Your husband.

Alek.
