At 8:00 a.m., 12/5/63, I discussed the RUBY case with PERRYMAN at Dallas in the absence of MANNING CLEMENTS concerning the leads which were being received setting forth rumors and speculation, and he advised that all of these leads had to be fully explored.

While discussing another matter with C. L. MCGOWAN of the Bureau, I inquired of him concerning the above and he stated that all had to be resolved.
