**Ruby Tells Court of Taking Pills  
 Before Shooting of Oswald**

DALLAS—Jack Ruby told a Dallas Court yesterday that he had taken about 30 antibiotic pills and some other pills that "stimulate you and make you want to do positive things" shortly before he shot Lee Harvey Oswald in the basement of Dallas police headquarters.

Ruby spoke at a court hearing during which visiting Judge Louis T. Holland of Montague, Tex., ruled that Joe Tonahill should be removed as defense counsel at Ruby's sanity hearing. Ruby's family had asked for Tonahill's dismissal.

In a somewhat rambling discourse, Ruby said he is not insane and appeared to have given up hope of escaping the electric chair. "I know I am a lost cause as far as saving my life," he said. Judge Holland indicated the sanity hearing would be set for some time in July.
