SUBJECT: JACK LEON RUBY, AKA.  
LEE HARVEY OSWALD - VICTIM  
CIVIL RIGHTS

Reference is made to my memorandum to you today captioned as above setting forth information in Bureau files concerning Nathan Soll and three other individuals. An addendum to that memorandum advised that Soll had been interviewed 11/25/63 by the Los Angeles Office and a separate memorandum would be submitted.

This memorandum is to set forth the results of this interview of Soll by Los Angeles.

Nathan N. Soll, 1142 South Clark Drive, Los Angeles, was interviewed by two Agents of the Los Angeles Office on 11/25/63. Soll stated that he and Jack Ruby had grown up together in the same neighborhood in Chicago but he had not had any contact or association with him for the "past 20 or 30 years." Soll was unable to furnish the identity of any persons either in the Los Angeles area or elsewhere who could furnish any information concerning Ruby.

Los Angeles noted that Soll was interviewed on a Los Angeles television station on 11/24/63 at which time he described Ruby as a long-time acquaintance and stated that in connection with his business operation (Soll Bail Bonds, 4509 West Rico Boulevard) he had solicited the aid of other acquaintances of Ruby in the Los Angeles area and was spurring the drive to post bail for Ruby in addition to obtaining legal counsel for him. During the interview by the Agents Soll stated he does not intend to post any bail for Ruby and his statement on television concerning friends of Ruby in the Los Angeles area was untrue.
